## OBITUARY

# Danny Julio Miramon

On Dec. 25, 2020, Danny Julio Miramon went to be with the Lord. Danny was born on July 28, 1947 in Bagdad, AZ to Charles and Celia Miramon.

Danny is preceded in death by his wife, Margaret Miramon; parents, Charles and Celia Miramon; brothers, Frank "Tocho" Gonzales, Chuck Miramon and Alex Miramon.

He is survived by his sister, Loretta (Danny) Valenzuela; brothers, Jesus Miramon, Johnny (Isabella) Miramon, Freddie (Nora) Miramon, David Gonzales, Robert Miramon and Armando Miramon; and many nieces, nephews, cousins and friends.

Danny moved to Superior in 1950. As a young man growing up in Superior, he would work with local ranchers during the summer. Dan enjoyed volunteering and hiking in Superior. His favorite hiking spot was the Apache Leap

mountain. He also enjoyed weightlifting with his friends.

Danny was involved with the Catholic Youth Organization. He would enjoy visiting and talking to all the close-knit families here in Superior. He excelled in both football and baseball at high school. He was always supportive of the Superior Football program and always mentioned his football coach, Wil Gonzales, as one of his great mentors.

After graduation in 1966, Dan moved to East Los Angeles and attended Cal State University, pursuing a degree in Political Science. After attending two years of college, Dan became involved with the Chicano Movement, also referred to as El Movimiento. He came to be an advocate for a social and political movement inspired by prior acts of resistance among people of Mexican descent. Danny believed in his political involvement with the Chicano

movement. Some specific gains to reinforce our rights to exercise our own language, cultures and traditions were attributed to the time and energy he devoted.

After that, Danny worked as a paralegal, counselor and car salesman, and later became Assistant Manager at a car dealership. He enjoyed photography, writing and reading. His favorite book was the Bible. He was always happy and cheerful and a strong man. He loved the Lord and will be missed by his family.

A memorial will be held at a later date. Only family members will attend due to strict COVID-19 protocols.

## The Bible – God's Beacon of Light

In Romans 12:2 we find - "do not let your thoughts and actions be controlled by the world's desires. Let your mind dwell on things that are good and acceptable and line up with God's will for us." This is what God wants for us, but not everyone chooses the right path in life.

The Bible is like a powerful beacon of

light shining into our lives. It shows us the good and the bad in our thoughts, attitudes and actions. If we pay attention, we will understand how to live for God.

When we learn how to walk daily with the Lord, we will discover and experience the depth of His rich wisdom and knowledge. We will begin to realize how God thinks

and why He desires to bless us from His great experience of dealing with people.

So, keep your focus on the Lord. Daily talk with Him; He will stay close by as you walk together through this journey we call 'life.' It will not always be easy, but He has a way of smoothing out the rough places on the road!

# Shop at Home: Atlas Mining & Manufacturing Company - True Value

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses.

Atlas Mining & Manufacturing Company (AMMC) is located at 785 Highway 60 in Superior. AMMC is

open Monday through Friday 6:30 a.m. to 5 p.m. and Saturdays 8 a.m. to 5 p.m. They feature a wide variety of industrial tools for mining and construction contractors, safety boots and equipment and recently they have added hardware and other home repair retail items under an affiliation with the True Value product line.

The variety of product lines and suppliers allows AMMC to order in specialty items and other construction materials. A recent trip to AMMC found a wide variety of batteries, cell phone chargers and a variety of cleaning supplies that can not often be found easily in town. Those working in the mining industry can also find a wide variety of safety boots and other important safety equipment.

Stop in at AMMC before heading to the Valley big box retailers. AMMC is a member of the Superior Chamber of Commerce and will be participating in the Great Gift Card Giveaway.

Shoppers who spend at least \$5 in the store are entered to win a \$100 gift card to that store.

# Resolution Copper completes \$75 million restoration of historic mining land

## 15-year project cleans up 475 acres of land impacted by historical mining of Magma Copper Company

Resolution Copper has completed a \$75 million restoration and reclamation project of 475 acres of land impacted by close to a century of historic impacts from the Magma Copper Mine near the Town of Superior.

Resolution Copper voluntarily committed to accelerate the reclamation work to demonstrate its commitment to cleaning up the historic mining impacts well in advance of any new mine development activities.

Resolution Copper Project Director Andrew Lye said, "We're proud to deliver this significant piece of environmental remediation work decades earlier than required, to make our community a cleaner and safer place to live and work. Cleaning up the historic Magma Copper Mine ahead of time demonstrates our commitment to operating safely and responsibly, in a way that brings lasting benefits to the entire community. This work was completed by local contractors and ongoing post closure monitoring and maintenance activities will continue to provide local jobs as an important part of our business."

In total, the reclamation project has supported more than two dozen local jobs with businesses such as Oddonetto

Construction, based in Globe, Arizona.

Oddonetto Construction owner Mike Oddonetto said, "Resolution Copper has been an important source of business for my firm for more than a decade, and I look forward to continuing to work with the company to grow our business."

The Magma Copper Company ran mining and processing operations between 1910 and 1996, including smelting operations on the site between 1924 until 1971. Since 2005, reclamation work by Resolution Copper has included more than a decade of soil clean-up, placing a cover with soil and vegetation over the historic tailings, restoring and establishing drainage for passage of stormwater, reshaping and vegetating development rock piles, removing the old concentrator complex and smelter structures. Reclamation and restoration have included shaping landforms to a more natural state and vegetating with a native seed mix characteristic of the surrounding Sonoran Desert landscape.

Recently, the completed restoration and reclamation was approved by the Arizona Department of Environmental Quality (ADEQ). As required, Resolution will continue post-closure monitoring for the next three decades, including groundwater monitoring, surface

Reclaimed mining land in 2020.

water monitoring, regular inspection of all facilities and monitoring of the vegetative cover.

Resolution Copper also recently completed a \$200 million project to deepen the Magma Copper Mine Shaft # 9, that was originally constructed in 1971. Over the last four years, the shaft has been sunk a further 2,000 feet to over 6,800 feet below the surface. It

now connects to the newer Shaft 10 in two places, improves ventilation, and increases safety by providing a second exit for workers.

Resolution will now focus on the maintenance of Shaft 9 and 10 and continuing the underground characterization study to increase ore-body knowledge, as the project

# The Oldest Lawman

The Town of Superior's history since the 1870s and even after its founding in 1902 has been unique. In the early days the Apaches roamed the area and miners, ranchers and army troops arrived and began to settle the places in and around what is now known as Superior. It has had some interesting characters pass through and some that lived there. People like Mattie Blaylock, General George Stoneman, William Boyce Thompson, Robert Taylor Jones, and lawman Pat Gorham.

Superior can boast about once having the

oldest active lawman in Arizona if not the country. That man was Alex Arnett. In 1969 when he died at the age of 89, Arnett was still the duly elected Constable of Superior. He had worn a badge for more than 50 years starting in the days Arizona was a Territory.

Arnett was born on his parent's ranch near San Simon, Arizona Territory in 1880. In 1906 after working different occupations including work as a cowboy, Arnett was hired as a deputy sheriff for Graham County. He was assigned as the deputy for the town of Metcalf. He worked in Metcalf and

the rugged mining towns of Morenci and Clifton for the next 20 years.

In those days, an officer's salary was comprised of a "fee basis". Officers were paid \$2.25 for every arrest and 30 cents for every mile that they covered on horseback. In newspaper interviews conducted in the 1960s, Arnett spoke about his early career as a lawman. He remembered that the jail was a tunnel carved in the side of a mountain with steel bars placed at the entrance. Horse thievery was rampant in southern Arizona back then and deputies spent a lot of time in the saddle

chasing them.

"We had to know all the different ranches, who lived where, and where all the roads and trails went," Arnett said in one interview.

In January of 1916, Arnett and Deputy Adam Scheetz tracked and chased two horse thieves for two weeks before capturing them in Florence.

Arnett was wounded three times, stabbed twice and shot once in his early law enforcement years. He said he saw seven officers that he worked with killed in the line of duty. He said he drew his gun on many and wounded three in self-defense.

"In all these years, I never killed a man and I am thankful for this. A few were shot up pretty bad, though," Arnett said.

In May 1916, the Copper Era and Morenci Leader newspaper reported that Arnett shot and seriously wounded Gabriel de la Luz. Arnett had arrested two men at the B.B.B. Dance Hall and was taking them to jail when de la Luz, one of the prisoners, attacked Arnett with a knife, stabbing him in the shoulder. Arnett drew his gun and shot de la Luz in the hip stopping him in his tracks.

Around 1926, Arnett left law enforcement and tried his hand at other occupations. He moved to Superior and was working for the Arizona Edison Company, now Arizona Public Service. He ran for Constable in 1934 and was elected. He would also become a Pinal County deputy sheriff assigned to Superior. He would serve

under Chief Deputy Pat Gorham. Gorham was a well known and respected officer in Superior. After retiring as a deputy in 1948, Pat Gorham ran against Arnett for Constable in 1950 but lost. Arnett would be Constable for the next 19 years defeating all opponents who ran against him.

In June 1958, Arnett experienced one of the saddest crimes he would deal with. Tom Jorquez, a gardener and caretaker at Magma Hospital had gone home for lunch. He found his wife, Maxine with a rope around her neck. He then found his six year old son, Jimmy, dead and his four year old daughter, Patricia, semi-conscious. Arnett arrived at the scene and questioned the mother. She admitted to strangling Jimmy and attempting to do the same to Patricia. She had planned on killing her kids then herself. She was unable to give a reason for what she did. The mother had a history of mental illness and had been a former patient at the State Hospital.

In 1961, Arnett was discharged by new Pinal County Sheriff Laurence White. Arnett had served 27 years as a deputy. The reason for the dismissal was his age. The county had a policy that all employees are retired at age 75 unless they receive letters from department heads that recommended they stay. Arnett was 81 but remained the Constable for Superior as that was an elected position.

In May of 1961, Arnett along with Chief Deputy Adam Sheetz signed

### Community Development Block Grant Program Public Meeting Notice Pinal County Public Meetings on the use of HUD Program funding FY2021-2022 Annual Action Plan

The U.S. Department of Housing and Urban Development (HUD) requires Pinal County to publish an Annual Action Plan outlining the use of HUD funds for the Community Development Block Grant Program (CDBG) and HOME funds. All Pinal County citizens are invited to voice their comments regarding housing and community development needs, strategies to meet identified needs, and identifying barriers to those needs. Public input is an essential component of this planning effort. Pinal County, in conjunction with the cities and towns of Eloy, Florence, Mammoth, and Maricopa would like to invite you to a series of public meetings. The meetings are to solicit ideas for potential CDBG and HOME projects. Projects must benefit low to moderate income residents and address one of the national objectives of the CDBG program. Information may be found on the Pinal County website [www.pinal.gov/grants](http://www.pinal.gov/grants). Sample projects include public facilities infrastructure, housing, and public services. Pinal County will receive approximately \$1.3 million in FY21 CDBG funding and approximately \$600,000 in HOME funding. Each participating community will receive approximately \$130,000. Please contact Savannah Anderson at (520) 866-6266 for questions, comments, or project ideas by 5:00 PM February 18, 2021.
