Resolution Copper assists with heating and cooling upgrades at Bullion Plaza

By Mila Besich-Lira
Superior Sun

The Cox Ranching Room and the Native American rooms at the Bullion Plaza Cultural Center and Museum in Miami will now have heating and cooling thanks to the additional funding from Resolution Copper.

The project had received a generous contribution from United Fund in the amount of \$14,000 but that was not

enough to complete the project; Resolution provided \$4,500 from their community investment funds to complete the heating and cooling project.

"The completion of the heating and cooling system will allow the rooms to also be rented and used to generate revenue for the center," explained Bryan Seppala, Community Stakeholder Analyst with Resolution Copper.

Resolution Copper also provided an additional \$2,500 to the funding of the Mining Hall Way at the Bullion Plaza.

This project has been supported by several of the local mines and contractors including Freeport McMoran.

The Bullion Plaza Cultural Center and Museum has many exhibits about the history of Miami, southern Gila County and the Copper Corridor area. They also have event space that is available for meetings, parties and events. To learn more about their exhibits and hours of operation visit them online: <http://www.auctioncatalogcompany.com/museum/>.

Reflecting God's Perfect Love

In 1 Timothy 5:22 we are told, "do not share in the sins of others – keep yourself pure." Romans 6:12 tells us: "do not let sin reign in your mortal body so that you obey its evil desires."

God has great mercy, love and compassion for each of us. It is our personal choice to walk with God or without Him. Sin is anything that violates compromises or ignores God's rules of character and conduct.

To make it easy for us, it was all written down in an ancient book called the Bible. Purity is to live in obedience to all God asks and requires. Sin takes people from bad to worse, deceiving everyone in its path.

Jesus' death on the cross provided the freedom we need to live a life free from sin's control. We no longer need to let wrong passions and desires live in us. Let God's Holy Spirit live in and through your life. Walk in His

Superior Little League receives grant from Arizona Diamondbacks, sets registration dates, fights vandalism

By Mila Besich-Lira
Superior Sun

The Superior Little League was notified that it is the recipient of a financial grant from the Arizona Diamondbacks. The grant from the Major League Baseball team will provide the jerseys and hats for every player in the league. The savings to the league will be about \$4,000, explained League Treasurer Vanessa Navarrette.

"Every team will be named after the Diamondbacks but there will be different color combinations to identify each team," she

explained. Each team will also be invited to walk on the field at a Diamondbacks game this season, according to grant documents.

Registration for the 2015 season will be held on Mondays and Fridays during the month of January at the Superior Junior Senior High School Multipurpose Room. The registrations will begin at 6 p.m. and will end at 7:30 p.m. T-Ball registrations will close early due to an early T-ball season start time. Final dates have not been set at press time. Parents are advised to register their children early. Registration for T-Ball will end on March 6 and the registration for all other divisions will end on March 30. Registration cost is \$45 for the first player in a household, \$35

for the second player in a household and \$10 per additional player in each household. The fee includes a full uniform: pants, jersey, socks, belt and Little League patches. The fee also covers some of the administrative costs the league has to pay including the Little League charter.

The savings in the jersey costs will provide some breathing room in the Leagues budget to cover the costs of recent vandalism at the field. The vandalism included damage to the concession stand door, breaking of field lights and score board lights and the stands that hold up the water jugs in the dug out have been damaged. Total cost to make the necessary repairs are approximated at \$1,100. The league will be installing no trespassing signs at the field and encourages anyone who sees suspicious activity at the field to call Superior Police Department. The Superior Police Department is currently investigating the vandalism and reports have been filed.

Superior students attend DECA Eastern District Competition

On Jan. 8, 2015, 14 Superior High School students attended the DECA Eastern District Competition, where students from 12 other schools from the area competed in events in areas such as apparel and accessories, restaurant management, hospitality, travel and tourism, sports and entertainment, sales, and much more.

This challenging one-day competition tested students' skills on how to handle a multitude of business/marketing situations in a role-play scenario. Students also had to take a 100-question test to assess their business knowledge, the role-play and test scores were then averaged and top scorers were awarded medals. Two students from Superior High School, Joseph Diaz-Gonzalez and Victoria Juarez received runner up medals in the principles of marketing event. Other students attending the competition were Jose Lira, Ricardo Ochoa, Amber Alonzo, Tatiana Babino, Kassandra Baltierra, Eleanna Ybarra, Allison Martinez, Olivia Arriola, Phalicittee Thomas, Terrece Flowers, Nicolaus Cruz, and Gabby Hernandez. DECA members will now concentrate on perfecting their skills for the state competition which will be held in March.

Find the HERO in you! Give some blood

Cobre Valley Regional Medical Center is sponsoring a blood drive with United Blood Services on Wednesday, Jan. 21, from 9 a.m. -1 p.m. on campus in the MOB Conference Room. You are invited to donate. Donating blood is safe, simple and saves lives.

CVRMC receives all blood products from United Blood Services. "Until the mid-1900's, blood was transfused exactly as it was collected---in its "whole" state. Today, blood can be separated in several components, such as red cells, plasma, platelets and cryoprecipitate. Since most patients require a specific blood component, a single donation can benefit several people!" (United Blood Services)

You can enter your health history the morning of the blood drive at www.UnitedBloodServices.org/HealthHistory.html. Be sure to bring in the "Fast Track" donation ticket when you come in. This will save you time when you come in to donate. The option of filling out your health history at the event will also be available with the assistance of the team from United Blood Services. Please bring your photo ID and donor card. Free cholesterol testing is available with every donation.

Date: January 14, 2015 To: Town of Kearny Utility Customers

The new utility billing policy for utility bills recently took effect on January 1, 2015. What this means for the customer is that you are no longer able to have a past due balance on your utility bill. The policy was implemented due to budget and audit requirements for the Town of Kearny which is now required for us to uphold. For the month of January 2015, 367 residents received shut-off notices. Shut-offs are scheduled for January 19, 2015 for those customers who have received a notice.

If your water has been shut off due to non-payment of a delinquent bill, the \$35 reconnect fee plus the **BALANCE IN FULL** must be paid before January 19, 2015 to restore water service once your meter has been turned off. **PAYMENT ARRANGEMENTS WILL NO LONGER BE MADE.**

We appreciate your cooperation and understanding with the new policy which is necessary for the Town of Kearny to decrease our total utility bill delinquencies.
