## LETTERS TO THE EDITOR

# Supervisor looking forward to coming year

First of all, let me wish each and every one of you in District 1 a very Happy New Year. Let's hope 2014 is prosperous for all of us.

I am pleased that the first board meeting of 2014, the Supervisors were able to pass a 2.5 percent cost of living adjustment for Pinal County employees. This has been an issue I have been pushing for the past two years. Our employees have not seen a raise in the past six years and it has cost us some very good employees. They are just like you and I, they have bills to pay

and families to support. While 2.5 percent won't make up for the last six years, it will go a long way in telling employees we value them and their service to the taxpayers of Pinal County.

After a nationwide search, we have come up with our new county manager. Interim County Manager Greg Stanley will be taking the reins of a very demanding job as soon as he negotiates a contract with Supervisors Todd House and Steve Miller. Mr. Stanley has been with Pinal County since 2004 after serving as the

Public Works Director for the City of Casa Grande. He will have his plate full with Pinal County slowly rebounding from the economic recession that we have experienced since 2007. We are starting to see our new housing starts begin to rise and our sales tax receipts begin to grow as well.

Pinal County welcomes a new chairman of the board for 2014. In a recent meeting, the Supervisors unanimously voted for Anthony Smith to be our chairman for the upcoming year. He takes over for District 3 Supervisor Steve Miller, who served

as our chairman for 2013. I congratulate Supervisor Miller for his term as chairman. He did a very good job leading the board in our first term as a five-member governing body. Supervisor Todd House will take over as vice-chairman.

Again, my wishes for a safe and happy 2014 for each and every one of us. If you have any questions or concerns, please feel free to call my office at (520) 866-7830.

Sincerely,  
/s/ **Pete Rios,**  
**Supervisor, District 1**

## Remember those Grandparents – please have mercy!

Many of you have grand-parents residing locally who are aging in their 60's 70's & 80's. What fond memories of visits with your grand-parents I'm sure you experienced in your younger years. Grandma's house was always a special place with the smell of fresh baked cookies and cakes when she knew you were coming. And so many special little things you learn out back in grandpa's shop. Such wonderful memories.

Now I must ask you, "Would you want your grandparents to go out and clean up the trash along the local highway?" Not a good thought is it? You say, "No way. Prisoners do that kind of work!" Well I must tell you that it is not so true and yes that many grandparents are doing just that.

I am a member of two individual ADOT one-mile clean-up crews. I am 77 years young and somewhat medium in age amongst many of my peers. We've done no wrong,

we've violated no laws but we've shown pride in our state by volunteering to pick up trash along the local highway roadsides. We do this every 3-4 months and I assure if not done, it becomes unsightly. It accumulates daily without fail.

But, wait, before you run off to tell your dear grand-parents you read about these older folks out cleaning up along the highway, I want you to stop for just a moment. Ask yourself, what do you do with empty cigarette packs, empty beverage containers, spit bottles, etc., as you drive down the highway to work or shop? Do you allow your children to throw paper, etc., out the car windows? Oh yes, and when you buy that beverage six pack or bag of ice at the store, do you just drop the plastic bag in the

back of your truck bed, where it stays until 2 miles down the highway? Styrofoam cups in the back of the truck, take the same route.

OK, now go tell your dear grand-parents that you read about these seniors like them who are full of pride for state and country and do their little part by cleaning along the local highway. Yes, hug those grand-parents very tightly while there because they may not always be there for you. Now most importantly, next time you touch that window button to throw trash, remember grand-parents & Please have mercy.

### PASTOR'S CORNER

## How We View God

**By Pastor Joe Palmer**  
**Fellowship Baptist Church**

How we view God not only strongly impacts our personal happiness; it also affects how we treat one another.

If I doubt God and am filled with deep apprehension about the future, I will look to people to provide me with the happiness and security which really only God

can give to me. I then become demandingly dependent on others. I end up saying in so many words, "I need you, and you better come through for me!" You can guess at where this will lead.

If, however, I believe that God is good and that He loves me, I will look to Him to be my primary source of happiness. I will seek to know Him through studying the Bible and by hanging out with people who can help me in my relationship with Him. By depending on God to take care of me, I can be less dependent on people. I can simply love people because they have intrinsic value. Since I don't need them absolutely to be happy, I can choose to give to them without demanding something in return.

What would happen in our relationships if we were totally secure in God and free from the need to demand things from others? This might be really good!

If you've got a question, feel free to email me at [joeandsuzypal@yahoo.com](mailto:joeandsuzypal@yahoo.com).

# Ray High School hosts annual Senior Interview Day

Kearny - Ray High School's annual Senior Interview Day was held on Mon., Nov. 25. All seniors participated in a mock interview with former graduates who have gone on to success in their chosen field. The experience is designed to help prepare seniors for real life interviews.

When participating, seniors have to present themselves as if it were a real interview. This includes dressing professionally, having their paperwork - application, cover letter and resume- ready, and following the given instructions on job interview skills. Each student has a 15-20 minute interview, with the interviewer assigned to them, and are then evaluated on their application and interview. Feedback is provided on their evaluation form.

Each interviewer is assigned 7 - 8 seniors to interview, and from their pool of applicants, they award a Top Job Applicant Award to the one who they would have offered the job to. This year's Top Job Applicants were Andrew Riley, Dominic Bravo, Beauna Hathaway, Mikayla Seller, Yvette Dickey, and Grant Armendanz.

The Top Job Applicants then had a group interview with all six interviewers and the overall winner was Dominic Bravo, who will be receiving a book scholarship for the college of his choice. The money for this scholarship is being donated by the interviewers.

Interviewers Leticia Graham, Kari Sheffield, Richard Verdugo, Tiffany Boyd, Angela Wernett and Jay Wernett (top row) named the Top Job Applicants: Andrew Riley, Dominic Bravo, Breana Hathaway, Mikayla Seller, Yvette Dickey and Grant Armendanz. Submitted

## Second round of neighborhood meetings set for public feedback on RVs used as visitor housing

FLORENCE - The Pinal County Planning and Development Department will be holding a second series of public meetings to solicit input on Recreational Vehicles (RVs) used for visitor housing.

"The Board of Supervisors has directed us to find out how residents feel about this issue," said Planning and Development Director Jerry Stabley. "The County receives a number of calls each winter from residents concerned about visitors staying in RVs."

RVs include all types of camping setups from a small tent trailer up to the largest motorhome. The County Zoning Ordinance does not allow visitors to stay in RVs unless they are residing in an RV park. However, many residents want to allow friends and

relatives to stay in RVs when they visit in the winter.

"Once we receive feedback from the public, we will relay that information to the Supervisors and they will determine if and how they want to change the zoning regulations," Stabley said. "We look forward to meeting the residents and finding out how they feel about this issue."

If you own an RV or not, or if you have visitors who stay in RVs or not, please attend and let the Board know how you feel!

# Deadline nearing to apply for new Open Space and Trails Advisory Commission

FLORENCE - In December 2013, the Pinal County Board of Supervisors approved a new Open Space and Trails Advisory Commission.

The commission will consist of 10 members from the public, each of the five Supervisors will have two selections to the body. The members must be either a resident of Pinal County or be a business or property

The commission will act as a

recommending body to the Supervisors on a variety of issues surrounding open space, trails and regional parks. They will also help to develop and encourage public participation in support of open space, trails and regional parks within the county

boundaries.

## Music students invited to enter youth concerto competition

TUCSON, AZ – Student musicians are invited to apply for the 2014 Dorothy Vanek Youth Concerto Competition sponsored by the Southern Arizona Symphony Orchestra.

Prizes of \$1,000, \$500 and \$250 will be awarded. In addition, the judges may select one of the winners for the Performance Award – an opportunity to

solo with the orchestra in concerts on April 5 and 6.

The annual competition is open to high school students who play any orchestral instrument, including piano. The application deadline is Feb. 7. The competition will be held in Tucson on March 1 and 2.

To enter, students age 13 to 18 should complete an online application form

and prepare one movement from a standard concerto for solo instrument and orchestra. Music should be memorized. Students under age 13 may apply if recommended by their teacher. Submit applications online at [www.sasomusic.org/ycc.htm](http://www.sasomusic.org/ycc.htm).

The competition, named for longtime arts patron Dorothy Vanek, is designed to recognize and support outstanding young musicians in the community, encouraging them to polish performance skills and build real-life experience. Vanek is SASO's season sponsor. One of her passions is nurturing the next generation of classical musicians.

University High School junior Benjamin Nead won the 2013 competition and performed selections from Saint-Saens' Cello Concerto No. 1 in A minor. Previous first-place winners include pianist Joyce Yang, a Desert View High School student from Phoenix, 2012; cellist Sara Page, a University High School student, 2011, and cellist Nicholas Mariscal, also a University High School senior, 2010.

Founded in 1979, SASO has grown into a vital community resource that unites performers and audiences through a

#### Using Recreational Vehicles for Short Term Visitor Housing

Pinal County Planning and Development Department will be conducting neighborhood meetings in January to obtain public feedback on allowing Recreational Vehicles (RVs) to be used for visitor housing. These meetings are a follow up to meetings that were held in October. The Board of Supervisors directed staff to hold two sets of meetings to make sure that full and part time residents had a chance to participate.

RVs include all types of camping setups from a small tent trailer up to the largest motorhome. The County Zoning Ordinance does not allow visitors to stay in RVs unless they are in an RV park. However, many residents want to allow friends and relatives to stay in RVs when they visit in the winter. The County receives a number of calls each winter, with concerns about visitors staying in RVs.

The Board of Supervisors wants to know how County residents feel about the issue. They will then use this feedback to determine if and how they want to change the zoning regulations.

These meetings are designed to allow everyone who is interested in this issue to attend and to share their views. The attached list shows that neighborhood meetings will be held in locations across the County.

If you own an RV or not, or if you have visitors who stay in RVs or not, please attend and let the Board know how you feel!
