Public hearings held on Capstone Pinto Valley EIS

The Tonto National Forest held two public hearings last week to allow the public to comment on the expansion of the Pinto Valley Mine operations between Miami and Superior. The proposed expansion will extend the mine life to 2039 and will also consolidate previous and ongoing mining authorizations.

According to the Tonto National Forest website for the Capstone EIS, the proposed project would result in an estimated 1,011 acres of new disturbance (245 acres on Tonto National Forest land and 766 acres on private

land owned by Pinto Valley Mining Corp.). The EIS will evaluate and disclose the potential environmental effects from approval of the Mining Plan of Operations for activities on the Tonto National Forest.

The public can comment on this project through Jan. 27, 2020. Comments can be submitted by mail to: Tonto National Forest, Pinto Valley Mine EIS Comments, 2324 E. McDowell Rd., Phoenix, AZ 85006 (must be postmarked by Jan. 27, 2020), or by email to: comment@pintovalleymineeis.us.

A Look Back at Pinal County's 2019

As the 2019 year comes to an end, we want to highlight a few of Pinal County's major projects and accomplishments. Pinal County continues to attract new businesses, therefore creating job opportunities and healthy economic growth. Our Pinal County Board of Supervisors remain focused on implementing policies that will enhance both the quality of life for county employees and all Pinal County residents. This year various county departments led the way in innovative ideas, which generated national recognition for Pinal County.

This year we have welcomed Nikola Motors, which will be bringing the nation's most advanced hydrogen electric semi-trucks to market and more than 2,000 jobs to the area. Similarly, Lucid Motors has already celebrated its commitment to Pinal County during its groundbreaking ceremony in early December. Lucid Motors is a luxury automotive company that will create 4,800 new direct and indirect jobs within a decade and an estimated \$32 billion in revenue impact for Casa Grande and Pinal County over the next 20 years. Pinal County remains home to more familiar businesses like the Arizona Zipline Adventures, which continues to bring in tourist and provides the county with an adrenaline pumping destination.

For the third year in a row the Pinal County Board of Supervisors have approved a reduction in property tax rates from \$3.86 to \$3.79, which will

greatly benefit all county residents. In June, the Board unanimously approved an across-the-board salary increase of 2% for employees who met or exceeded performance standards. Sequentially, Pinal County was recognized by Forbes as being one of the top companies to work for in Arizona.

Another acknowledgment that Pinal County received was for our Mobile Voter Outreach Van which is the first-of-its-kind in rural parts of the county. The van will be able to host early voting events, register eligible individuals to vote and be used as an early drop off location.

These highlights merely scratch the surface of what Pinal County has accomplished in 2019. We are excited for the New Year and the new opportunities it will bring.

Residents of Superior were able to learn more about the proposed expansion of the Pinto Valley Mine operations.

Panthers need quick improvement

By **Andrew Luberda**
Superior Sun

A season that once looked promising is perhaps on the verge of ending without fulfilling that anticipated promise for the Superior boys' basketball team, which had lost three-straight games entering Tuesday's game against North Phoenix Prep Academy.

However, there's still time. Time to end the losing streak, turn things around, and make the playoffs.

"We can make the playoffs, but it will take a lot of hard work and dedication," head coach Ryan Palmer acknowledged to the *Superior Sun*. "Only 16 teams

make the state tournament, but basketball is all about getting hot at the right time. We clearly have not played our best ball yet, and there is no time like the present to put it all together and make a run."

Lack of fundamentals and consistency are the two main culprits of the Panthers' results, so far, according to Palmer. There's also the matter of facing quality opponents.

"We show bursts but struggle to consistently execute," Palmer said. "We also just played some of the best teams in the 1A and 2A conferences, [so] give credit to those programs."

On paper, there are more winnable games than not on the Panthers' schedule, but games aren't won

on paper. Six of their remaining eight games are at home, which should work in their favor.

"Playing good defense and hustling will give us an opportunity to win each game," Palmer said. "However, we need to improve our fundamentals and decision-making. Right now, we struggle to score, and we are committing too many turnovers. There are no short cuts to fix those problems, simply practice, practice, and more practice."

Is the Panthers' best yet to come?

Time, which is short, will tell.

Up next: Jan. 16 vs. Hayden, Jan. 17 vs. AZ Lutheran Academy (7:30 p.m.), Jan. 21 vs. NFL Yet. Tipoff is scheduled for 7 p.m. unless otherwise noted.

Superior trio among region scoring leaders

By **Andrew Luberda**
Superior Sun

Three members of the Superior boys' basketball team are among the top nine leading scorers in the 1A East Region.

Juniors Matthew Perez (12 PPG) and Andrew Martinez (9.4 PPG) along with senior Sammy Lopez (9.7 PPG) rank

sixth, ninth and eighth, respectively, in the region.

"All three are good athletes and hustle all over the floor," Panthers head coach Ryan Palmer said. "Our full-court defensive pressure creates scoring opportunities and they do well attacking the basket after steals."

Junior Josh Marquez (5 RPG), Perez (3.2 RPG) and Lopez (2.7 RPG) rank sixth, 10th and 11th, respectively, in

rebounds.

Perez, arguably, has made the greatest ascension from his freshman to junior year, where he leads the Panthers in scoring and is second on the team in rebounds.

"Matthew works hard on his game and continues to develop," Palmer said. "He has improved each year and possess the desire needed to continue that progress."

AIA releases MBB, WBB rankings

By **Andrew Luberda**
Copper Area News

The Arizona Interscholastic Association (AIA) recently released its first rankings of the season. The rankings are used to

determine which teams qualify for the state championship playoffs that begin next month.

The 1A Playoffs include a 16-team field while 2A is a 24-team field.

If the playoffs started today, both

San Manuel teams and the Ray girls' basketball team would be the Copper Area teams that qualify. Both teams from Hayden and Superior, as well as the Ray boys' team are currently on the outside looking in.

The San Manuel MBB team is ranked No. 14 in the most recent rankings while the WBB is No. 19. Ray WBB is currently ranked No. 15. The Hayden girls' team is No. 18, only two spots away from a playoff berth.

Obey and Follow God

In 1 Chronicles 9:1 we read, "and Judah was carried away into exile to Babylon for their unfaithfulness." Babylon was a very strong and evil nation, capable of conquering the neighboring nations. God chose to use them as punishment against Judah because they were disobeying their Lord.

Sometimes we just get angry and upset when things constantly go in the wrong direction for us. But we need to step back, and take a closer look at our own lives and behavior. See how what we have done lines up with the Bible and God's plans for us.

Things don't 'just happen' for no reason. This is especially true when we claim to believe in God and do our best to follow and obey Him. Yet, we seldom

live up to His expectations.

In the Sermon on the Mount in Matthew 5, we discover: 'the gentle will inherit the earth – those who hunger and thirst for righteousness will be satisfied – the pure in heart will see God – the peacemakers will be called God's sons – rejoice that your reward in heaven is great.' When we choose to obey and follow God – life can be wonderful!
