LETTER TO THE EDITOR

JP Court Redistricting?

There have been many questions in the Copper Corridor regarding the Superior Court's possible realignment of JP Courts in Pinal County. Let me provide some information.

The Judicial (courts) Branch of government is considering a possible realignment of lower courts in Pinal County. Several weeks ago the Presiding Judge of the Superior Court met individually and separately with each of the five Supervisors. Suffice to say I was NOT very supportive of the Court's "DRAFT" proposal. I proposed a different alignment of JP Courts if indeed this has to occur. My efforts are to ensure that the Copper Corridor has an opportunity to elect a candidate of their choice. My "DRAFT" proposal would be to keep all the mining towns (current and former) in one JP District that stretches from Oracle & San Manuel via SR 77 & SR 177 through Superior. To allow convenient access to the JP Courts, my proposal would keep the court in Oracle and another in Superior or Kearny, utilizing a circuit judge.

The Superior Court with its effort to provide additional security would assess which buildings are more amenable to their standard of security.

I reiterate that these are ONLY draft proposals by the court and are only in initial discussions. I would be happy to address the over-crowding issues confronted by the Apache Junction JP Court and leave all other JP Courts as is.

Sincerely,
/s/ **Pete Rios**

Gila County Supervisors appoint Nelson County Manager

At its first regular meeting of 2017, the Gila County Board of Supervisors appointed John Nelson County Manager.

At its first regular meeting of 2017, the Gila County Board of Supervisors appointed John Nelson County Manager.

"I'm just so grateful that John is able to step back into this position he has held before," says board chair Tommie Martin. Martin noted that Nelson brings history and knowledge to the position that will help the county take a hard look at where it stands, while moving forward.

Nelson retired from Gila County in 2013 with over 30 years of experience in county government in Arizona, 18 of which were at Gila County. As Gila County's Finance Director, Deputy County Manager, and later County Manager, Nelson was largely responsible for ensuring the county established and maintained the financial reserves necessary to weather economic storms.

Nelson's term as County Manager is effective immediately, filling the vacancy left when former manager Don McDaniel retired at the end of December.

PINAL COUNTY

Public Hearing Regarding Use of CDBG Funds

The County is expected to receive approximately \$139,241 in FY2017 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The Town/City/County may also apply for \$300,000 in FY2017 CDBG funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the regular County Board of Supervisors meeting at 9:30 AM February 1, 2017 at Board of Supervisors Hearing Room, 135 N. Pinal St., Florence, AZ to discuss the potential projects. It is expected that the County Board of Supervisors will select the final projects at this hearing and adopt applicable resolutions. The potential CDBG projects are named and described as follows:

1. Owner Occupied Housing Rehabilitation - Pinal County plans to assist approximately four (4) qualified homeowners with rehabilitation services with FY2017 CDBG funds. The recipients of the services will be selected based on an income qualification process and a waiting list at the County Housing Department. Services will be provided to all areas of the County, except tribal lands and FEMA designated 100-year flood zones. All work will be done according to the ADOH approved housing rehabilitation guidelines. Assistance will be in the form of a ten or fifteen year forgivable deferred payment loan up to \$50,000, or an emergency repair grant up to \$15,000. Rehabilitation services use in-house expertise and rehabilitation work will use competitively procured licensed contractors.
