others tried their best to do, but to no avail.

But you all did complain – loss of grocery store, Radio Shack, auto store, American Legion, Chamber of Commerce, banks, it just keeps going.

Now as of Jan. 27, 2016 our recycling adds to the pile! Again who will step up?

What will it take to make all get up and start to take control?

Also, our Arizona Water is building in Oracle. Their office will move over there – another empty building – again I

hear a ripple, but a ripple is not becoming a force here.

Our school system is so out of touch with preparing all students. Are all really ready for this world of technical knowledge?

Again, oh well, the ripple gets smaller and smaller.

What will it take to make all get up and start to take control?

Land of the Free

Americans have always been proud of their freedom. Immigrants come to America longing to be free. Politicians like to talk about freedom. America is the land of the free and home of the brave. For a country that claims to value freedom, we sure take it away from many people. The United States imprisons more people than any other nation; even more than communist China and countries living under dictatorial rule.

There are currently approximately 2.2 million people in American jails. This is a 500% increase over the last 30 years. No doubt the driving forces behind the increase are the War on Drugs, mandatory sentencing laws, and the prison industrial complex. The private prison industry operates 10% of the prisons in the United States. Thanks to lobbyists who have bought off numerous legislators and state

governors, the industry continues to grow. Their political influence is strong in

that will house 3,000 inmates. The state even guarantees to pay them for empty beds if they can not fill the prison beds with inmates. Ducey also wants to create a Border Strike Force which will further militarize the border. The ACLU and even county Sheriff's oppose the idea. Ducey is seeking funding for the strike force. The money would be better used for something like education. Besides that they won't need them after they build the Great Wall of Trump.

Recently a study of the Pinal County jail shows that the incarceration rate had increased between 2012 and 2014 by 50% where nationally the incarceration rate during the same period increased at a rate of .4%. The Pinal County Board of Supervisors is blaming the County Attorney's Office for the increase which is costing the County tax payers money. It couldn't be that Sheriff Babeu needed to fill his jail beds after losing the ICE contract? Don't forget this was the Law and Order Team when they ran together in

2011. Some will say that County Attorney Voyles was elected by riding Babeu's Tea stained coattails.

Our criminal justice system is broken, racially biased and needs to be fixed. We need new sentencing laws, prison reform, voting rights for inmates upon release, and a more equitable criminal justice system, you know, Liberty and Justice for All.

Oracle's CERTs serve and support

By **Holt Bodinson**
Oracle Firewise

Never heard of CERT, the Community's Emergency Response Team? Many haven't because these highly skilled men and women go about the job of supporting the Oracle Fire District as volunteers with quiet professionalism and not only just the Oracle community. Several times since its formation in 2007, the Oracle CERTs have been activated to respond to critical events in the Tri-Community area, like the Republic Plastics fire in San Manuel, the flooding of an apartment complex in Mammoth and even serious automobile accidents. From 2012-2015, the CERTs have also staffed and supported the Arizona wildland fire refresher and certification drills hosted annually in Oracle for fire departments statewide.

Community Emergency Response Teams were originally initiated under the national umbrella of FEMA, the Federal Emergency Management Agency. In Pinal County, the Pinal County Director of Emergency Management, Chuck Kmet, encourages the formation of and supports local

CERT units with whatever resources are at his disposal. It's a nation-wide program and CERT units not only serve as a pool of trained talent to fire departments but to local law enforcement agencies as well.

Oracle has a CERT force of 18 volunteers with 6 new members currently participating in a basic four week training course which covers a variety of subjects ranging from basic first aid, to logistical support of first responders in the field to conducting property fire prevention assessments for homeowners. Upon graduation, CERTs are on call 24/7 via a text messaging alert system to report to the fire house for any critical event.

In case of a fire, a typical scenario would be for the CERTs to assemble at the fire house, assess the threat, assemble into response teams, secure and operate the fire house and communications systems, activate, if necessary,

Oracle Fire District offering free smoke alarms

The Oracle Fire District (OFD) is offering free smoke and carbon monoxide (CO) alarms to OFD residents. This program is funded through a FEMA grant under the Community Risk Reduction program.

The program includes free smoke and CO alarms including installation. Hard of hearing alarms are also available to qualified residents. The alarms have a 10-year battery life and must be installed by OFD fire district staff and volunteers, according to the alarm manufacturer's instructions.

This program will run from Jan. 15, 2016 through Feb. 29, 2016. Only OFD residents may apply.

This is an excellent opportunity to protect your family and home this winter. OFD wants to remind everyone to service your home heating systems and be extra cautious with open flame such as candles and fire places.

You can schedule an installation appointment by contacting the OFD at 520-896-2980 Monday through Friday, 8 a.m. – 4 p.m.

Sea Lions Swim Team brings home trophies from Prescott meet

Over the weekend of Jan. 8-10, the Sea Lions Swim Team competed in the Prescott Plunge Swim Meet at the indoor pool at Yavapai Community College. The meet featured 10 teams from throughout the State of Arizona.

The Sea Lions won the Quality Team High Point Trophy which was awarded to the team that earned the most points per swimmer on the team. The Quality Team High Point award was given to help put smaller teams on equal footing with larger teams. The Sea Lions were the smallest team at the meet but managed to finish in third place overall with 584.5 points. Westside Silver Fins (Goodyear) and Vitras Swim Team (Verrado) finished in first and second

place respectively.

Four Sea Lions received trophies for individual high point scoring based on the number of points they earned in each individual event. Tabitha Kellam (12) won the 11-12 Girls High Point trophy with 85 points. Evan Apuron (11) won the 11-12 boys High Point Trophy with a total of 99 points. Freestyle. Tabitha Kellam won the 100 Freestyle, the 200 Freestyle and the 100 Butterfly. Johnny Smallhouse won the 25 Freestyle, the 100 Individual Medley

CERTS

Continued from page 6

Oracle's Emergency Notification System (a reverse 911 system) to warn homeowners about the possibility of an evacuation and work with local law enforcement to insure special needs evacuees are taken care of and accounted for.

Two teams would typically depart for the scene of the emergency with CERT trailers containing water, Gatorade, breathing bottles, shade shelters, first aid supplies, cots, tables, chairs, blankets, clothing, generators and lighting equipment. Other CERTs would be available to bring in additional equipment and supplies as requested and assist at the evacuee centers.

Doug Johnson, CERT Co-Chair, summed up the mission of CERT by saying, "We're a trained, community support organization for the Oracle Fire Department which can fulfill a variety of roles and in any time of need." Fire Chief, Larry Southard, went on further to say, "The CERTs are an invaluable, volunteer arm of the Fire Department who time and time again have helped us fulfill our mission to keep the community safe and our first responders fully supported in the field."

SEA LIONS

Continued from page 7

Coach Alex Gort commented on the Evan's performance at the meet. "Evan swam a very tough schedule won every race and swam some very good times." Evan broke the 5 minute mark in the 400 Individual Medley with a winning time of 4:58.62 which is not doubt one of the

fastest time in the state for 12 and under boys.

The indoor swim meet was a great change from the outdoor meets that the Sea Lions usually attend. Anya Zovko (8) made the most of the great conditions qualifying for Regionals in

the 50 Backstroke, her first regional qualifying time. Ethan Kellam (9) added the 50 Butterfly to his long list of events that he has qualified for Regionals. Riley Stewart qualified for state in the 400 Individual Medley adding it to his list of possible events to swim at the State

Championship Meet.

The Sea Lions practice in the Oro Valley pool during the winter months and in the San Manuel Pool in the warmer months. Anyone wanting more information about the Sea Lions Swim Team can contact Alex Gort at (520) 896-2190.
