## CVIT board member named All Arizona Board Member of the Year

Cobre Valley Institute of Technology (CVIT) is proud to announce that Arizona School Board Association (ASBA) has selected Mike Fane for the All Arizona Board Member of the Year Award for 2019. The selection was made by ASBA Board Members based on Fane's visible leadership characteristics, contributions to district and community, and service to ASBA.

Under Fane's leadership, CVIT has helped to improve and increase Career & Technical Education opportunities for high

school students in the Copper Corridor. This has been done by establishing new partnerships with Central Arizona College – Aravaipa campus and strengthening existing partnerships with EAC-Gila Pueblo campus. These partnerships have made it possible for students from high schools in the Copper Corridor to participate in newly established Welding and Construction programs at CAC, along with continued support and access to programs in Cosmetology, Dental Assistant, Fire Science, Medical Assistant, Nursing Assistant, and Welding at EAC-Gila Pueblo campus. As a result of these partnerships, CVIT's average daily membership (ADM) has increased 65 percent since Mr. Fane's membership on the Board in 2012.

Fane has been heavily involved within the community as

# New playground and dog park open in Superior

The Town of Superior and Resolution Copper celebrated the official opening of the new playground and dog park at the US 60 Park.

The new playground equipment and dog park was funded through a community and economic development agreement between the Town of Superior and Resolution Copper. This agreement was formed as part of the community mitigations for the loss of the smelter stack that was torn down in November of 2018.

“We are grateful for the commitments made by Resolution Copper to help make these much needed quality of life improvements to our community,” said Mayor Mila Besich.

The construction bidding process was evaluated and conducted by the Town of Superior Youth Council. The young leaders learned how to read requests for proposals and choose a contractor based on the qualifications and manage the budget for the project. Their recommendations were then approved by the Superior Town Council.

“One of the best parts of this project process was involving our youth. They toured several parks in the East Valley and made decisions based on what they thought would be most enjoyed by the residents of Superior. We are all so proud of them. They are

## PARK OPENING

becoming strong leaders,” said Mayor Besich.

“We’re proud to collaborate with the Town of Superior to make improvements to the US Highway 60 Park and Caboose Visitor Center,” said Andrew Lye, Project Director of

Resolution Copper. “Everyone involved, especially the youth council, did a great turning this park into a community asset. For years to come, residents and visitors alike will come to meet, relax, and learn about where Superior has been and where it is going.”

The new park features a play structure with a large tower and slides along with a merry go round and a smaller play structure for younger children. The playground was moved behind the caboose and the dog park was constructed where the old playground

equipment was originally placed.

The brief ceremony included a few remarks from Mayor Besich and a ribbon cutting. Following the ceremony the park was open and the Superior Fire Department prepared hotdogs for those who attended the grand opening event.

# Twelfth Annual Home & Building Tour showcases Superior's

On Jan. 25-26, 2020, the Superior Chamber of Commerce will present the 12th Annual Home & Building Tour. This unique event will offer attendees an opportunity to explore the eclectic collection of homes and buildings found in the quaint, historic mining town of Superior. The Tour will also feature an antique show, handcrafted pottery for sale and performances highlighting the history of Superior.

A once-struggling town, Superior is in the midst of an amazing resurgence due in part to the Chamber of Commerce's mission to "Rebuild Superior." The town has earned a reputation for giving new life to old structures, some of which will be on display for the Tour. For example, attendees can visit a beautifully refurbished adobe home representative of those that were widespread in the past, as well as a historic red

brick "mine house." Boasting solid construction and majestic views, Superior's block-long row of mine houses are now highly coveted.

Back by popular demand is the magnificent, historic Hotel Magma, circa 1913, whose doors were reopened to the public in early 2019. The beauty and detail of the hotel and its tea room are a "must see," along with the small jail tucked behind the building.

The Magma Club, a community center for Magma Mine employees that once hosted dinners, dancing and boxing matches, will house the annual Antique Show. The show will feature quality antiques that are sure to please and bring memories to attendees as they relax and listen to live music on the veranda of the historic building.

In addition to these intriguing properties, the Home & Building Tour will feature fascinating stories about

Superior's history, including "Life on the Frontier," a short play presented by Wyatt Earp — an acclaimed performer and relative of the legendary Wyatt Earp. Mattie Earp, the common law wife of the elder Wyatt Earp, is buried in Superior.

For art lovers, the Tour will showcase exquisite, handmade pottery from the village of Mata Ortiz in Mexico. The artists themselves will be bringing a load of their beautiful wares to the event. Weather permitting, pieces will be fired in an open flame during demonstrations. It's hard to resist taking home a piece of this special pottery!

In conjunction with the Home Tour, the Superior Fire Department will host a pancake breakfast at the event.

Forging a vibrant future while retaining its distinct charm as a historic mining town, Superior will soon

proudly feature a world-class mine. In this region of Arizona, "copper is king," and will continue to be for many years as more and more uses of this precious commodity are discovered. Visitors to Superior will enjoy a bounty of shops, restaurants, art galleries and outdoor activities. Attendees of the Home & Building Tour can purchase tickets for two great days for only \$13 prepaid and \$15 at the door. As a bonus, tickets also include a two-for-one pass to the Boyce Thompson Arboretum and a two-for-one pass to the Renaissance Festival. The Tour will run from 9 a.m. to 5 p.m. on Saturday, Jan. 25 and 9 a.m. to 4 p.m. on Sunday, Jan. 26.

# Hayden avenges earlier season loss to Superior

By Andrew Luberd  
Copper Area News

The Hayden boys' basketball team avenged a Dec. 20 loss to Superior by defeating the Panthers in Superior last Thursday, 75 – 69.

The win was the Lobos second in their last eight games.

Superior, which has lost five of its last six games, was without one starter due to illness and three others fouled out in the loss.

“Hayden made their layups and their free throws,” Superior head coach Ryan Palmer said afterwards. “We did not. Hayden [also] outworked us on the boards and getting to loose balls.”

Superior junior Andrew Martinez scored a game-high 26 points, which was also his career high. He also had three rebounds and tied for the team lead with four steals in the game.

“Andrew did a great job playing aggressively on offense, Palmer said. “He drove to the hoop and carried our offense in the fourth quarter.”

Panthers' senior Sammy Lopez finished with 16 points, four rebounds, two assists, and four steals. Junior Nathan Daurte also reached double figures scoring with 11 points to go along with three rebounds, three assists, and four steals.

Palmer admitted it wasn't a great game against the Lobos, but his team responded the following night, playing what he called “our best game of the season” against 2A member AZ Lutheran Academy.

The Coyotes defeated the Panthers, 65 – 58, but Palmer was encouraged by his team's performance.

“Although we lost, we played our butts off,” he said. “We were flying all over the floor, and had we made a few more layups we probably pull off the upset against a tough team.

“If we play the rest of the season like we did Friday night,

we still have a chance for a tournament berth.”

for 7 p.m.

**Superior up next:** Jan. 24 at Ray, Jan. 28 vs. Duncan. Tipoff for both games is scheduled for 7 p.m.

# Car stuck in Queen Creek removed this week

Over Labor Day weekend in 2018, a flash flood raged through Queen Creek, taking a mid-size Hyundai sedan and its owner on a crazy ride down the creek from the Panther Drive crossing. The driver was safely rescued but removing the car from the creek was deemed almost impossible.

After touring the creek during a meeting on invasive species removal and watershed management, Queen Valley resident, Bruce Wittig saw the need to remove the car from the creek. He has some experience in off road vehicle removal and brought together resources to remove the car from the creek. With the help of Arizona's Off Road Rescue and Towing the car was removed and is no longer sitting in the creek.

The Town of Superior will be arranging for the car to go to salvage. The final segment of the Legends of Superior Trail will be constructed through that area. The trail is being constructed by Americorps National Conservation Crew Southwest with direction from Flagline Trails.

## RESOLUTION

C O P P E R

For more than a century, Arizona has been the nation's leading producer of copper. At Resolution Copper, we're safely, responsibly, and sustainably developing one of the largest untapped copper deposits in the world to ensure the area remains the top supplier.

AmeriCorps NCCC Volunteers did a Day of Service on Martin Luther King Day by helping out our community and painting a Superior Senior Resident's Home.
