Pima JTED to showcase programs; parents, students invited

High school sophomores, juniors and seniors living within the boundaries of a JTED member school district, who do not yet have their high school diploma or GED, and their parents, are invited to attend Pima County JTED Program Showcases to learn more about what opportunities are available to prepare them for entry into the modern workforce upon graduation from high school. This includes students of the Mammoth-San Manuel School District.

Being college ready means more than ever, including obtaining postsecondary credentials. In the past, it was estimated that only 38 percent of jobs will be available to individuals without some education and training after high school by the year 2018. Pima JTED offers students a free chance to ready themselves for college and career while still in high school through JTED.

Pima County Joint Technical Education District (JTED) is a tuition-free public high school district that offers premier Career and Technical Education programs. It serves students under the age of 22 who have not earned a diploma or GED, and students from public, private and charter schools, and, those who are home-schooled. Classes will be attended at one of the Central campuses or a satellite location.

Pima JTED Central Campus Program Showcases, all of which will be held from 5 p.m. - 6:30 p.m., are listed below by location, date and name. Parents and San Manuel High School students who might be interested in any of these programs are welcome to attend the showcase and see for themselves what Pima JTED is all about.

SM Elks honor local First

By **Jennifer R. Carnes**
San Manuel Miner

They usually see us at our absolute worst. Sick, injured, or in trouble. No one ever remembers their names and usually they are the last ones to be thanked.

But Saturday night, the Tri-Community's First Responders were given the spotlight, so friends and family members could see them at their absolute best.

The San Manuel Elks took the time to recognize the outstanding public servants in the Tri-Community, fed them a wonderful meal and invited their superiors to call them out and tell everyone how great they are. It was also an

opportunity for community members to express their thanks to the First Responders.

"When there's a fire, when there's a shooting incident, when there's a horrific car accident, people run away, away from danger. You all run to it, to help and to help people," Pinal County Supervisor Pete Rios said. "For that, on behalf of my constituents, which is all of Pinal County, Muchas Gracias!"

First Responders put their lives on the line, Oracle Justice Pro Tem Ellie Brown said, adding, "You put your hearts there. You put your minds there. You put your souls (there) and for that I am grateful. I know the communities are grateful. Our citizens are grateful."

"This is your night. We're here to honor you, respect you,

give you the reward for the community service that you do," said State Senator Frank Pratt. He also offered his gratitude to those who support the First Responders. "We'd like to thank all your families and the people who support you because without them, you can't get your jobs done as well."

"A lot of us can sleep (well) at night because we know you people are out there taking care of us," said Justice Arnold Estrada of the Mammoth-San Manuel Justice Court.

Hayden-Mammoth Police Chief Tamatha Villar recognized the community for its role in supporting the First Responders.

"It's important for us to take time on occasion to recognize the fine men and women who make up our First Responders," Villar said. "It's also a great opportunity for us as First Responders to thank the public who support us. Because without your support and without the investment that each of you have in your communities, events like this and our ability to appreciate our people wouldn't be possible. Our jobs would be far more difficult and sometimes futile if we didn't have the appreciation of the community."

Villar then recognized the Mammoth Police Officer of the Year, Sgt. Michael Green.

Sgt. Green, a retired military veteran, has been with the Mammoth Police Department for the past four years, serving under the many interim chiefs the department had while searching for a permanent leader.

"Sgt. Green has been that constant for the officers, he's been that constant for the command staff, he's been that constant for the council," Villar said. "He has a deep care and concern for the community."

San Manuel Fire Chief John Stanford recognized the families of the firefighters for their role in supporting the First Responders.

"It takes a lot to be a family member of a firefighter that jumps up out of bed in the middle of the night and, bam, out the door they go," Stanford said. "They may not see them for the rest of the night or they might see them 20 minutes later. So thank you, family members."

Stanford then named Brent Willard the Firefighter of the Year for San Manuel Fire Department.

Willard has been with the fire department for 10 years, becoming an EMT in 2012 and an engineer in 2014. Additionally, he earned his bachelor's degree in Science and Information Technology and Software Engineering from the University of Phoenix.

"(Willard) has four confirmed CPR saves in the last three years," Stanford said. "In the year 2017, he had 261 emergency calls. I think he's a great asset to the San Manuel Fire Department, all of my people are. It's hard to pick one person, but we appreciate you."

This year's Deputy of the Year for the Pinal County Sheriff's Office is Sgt. Luis Vargas. The Honorable Arnold Estrada was asked to present the award.

"I'm honored to present this award (to Sgt. Vargas)," Estrada said. "He is somebody who is very dedicated, whether it be with the Sheriff's Department or whether it be with the family, he really takes everything seriously."

AMR/Tri-City Med named Richard Robbins as the Paramedic of the Year.

Jason of AMR presented the award. "You strive to make

Responders, say, 'Thank you'

your patients very comfortable. You try to do everything you can on scene to assist. I just want to say thank you.”

Robbins has been with Tri-City Med for many years.

Sgt. Rudy Lujan of the Arizona Department of Public Safety recognized the spouses of local First Responders. “Without them,” he said, “the First Responders wouldn’t be able to do their jobs.”

Lujan also recognized and thanked his squad. Collectively, the Oracle squad last year made 46 arrests, 4,632 traffic stops, issued 6,540 hazardous citations, issued 237 seatbelt citations and stopped 65 commercial vehicles.

“These guys are out there to save lives,” Lujan said. “If you have been out there for 30 years like I have you’d know speed kills. Seatbelts kill. DUI kills. That’s what these guys

are after. Just trying to save your lives and trying to stop the fire department and EMTs from coming out and taking calls.”

The Trooper of the Year is Angel Gomez. Gomez made 1,429 stops last year, number one in the district, which includes all of Pinal County and part of Gila County. He issued 611 hazardous citations and 56 restraint citations. He also made 20 arrests, which includes arrests for DUI (driving while under the influence).

“Our ultimate goal in the Department of Public Safety is to reduce the loss of life,” DPS Captain Glen Swavely said. “The actions of Trooper Gomez and everybody in the Oracle squad has done a tremendous job in achieving that goal.”

Captain Pedro Young was named Firefighter of the Year for the Mammoth Fire Department.

“He’s shown a lot of unity and leadership with our department and goes out on a limb for anything we have going on,” said Mammoth Fire Chief Marty Ponce.

Young does the maintenance on the department’s repeater station and on the department’s trucks. He steps up to the plate with any community event the department hosts, including the light parade and the 4th of July festivities.

“For this,” Ponce said, “I’d like to thank you and present this award.”

Oracle Fire Chief Robert Jennings named Nick Brening the department’s Firefighter of the Year.

“If you could take the phrase ‘to treat others the way you want to be treated,’ it would say Nick Brening right next to it. The way that he talks to people, the way that he treats them is awesome and sets a great example.”

But Brening, who has only been with the department for two years, has the characteristics that Jennings calls awesome, including his ability to step up in the time of need.

“Nick always wanted to do wild land (firefighting),” Jennings said. “One of the guys who was on rotation couldn’t go, so I called up Nick and said, ‘Nick, hey want to go on a wild land fire? We’re going to California.’ And he’s like, ‘Yeah, Chief, can I call you right back?’”

Jennings told him they were on a tight schedule, but gave him the time he needed. Brening called back two minutes later and told Jennings, “I’m good to go.” When Jennings asked if everything was ok, Brening told him he had just canceled his Alaskan vacation.

“What a commitment, right?” Jennings asked.

Long story short, the crew was canceled the following day, Jennings said, and Nick got to go on his Alaskan cruise anyway.

Brening has been stepping up recently, filling in for firefighters who were taking their own vacations. Jennings said they always hope things go quietly when the regular firefighters are away. It wasn’t so for Brening. In the two weeks he was filling in, he handled five motor vehicle accidents and had numerous other calls. Of the MVAs, two included helicopter rides for the victims, one extrication and one fatality.

“Nick did a phenomenal job,” Jennings said. “We’re proud of you and happy you’re with us.”

Please, remember that the First Responders put their lives on the line for the public everyday. And to the men and women in blue and red, thank you for your service!

Sea Lions Swim Team competes in Prescott meet

The Sea Lions Swim Team competed in the Prescott Plunge Swim Meet at the indoor pool at Yavapai Community College over the weekend of Jan. 8-10. The meet featured 12 teams from throughout the State of Arizona. The Sea Lions earned 618.5 points, which was enough to win the Quality Team High Point Trophy (awarded to the team earning the most points per swimmer).

Since the Sea Lions rarely compete in indoor meets, the experience was good for everyone. Sea Lions made the most of the opportunity, swimming personal best times in 58 races. Every Sea Lion had at least one top 8 finish which help score points for the team. As is usually the case, the Sea Lions looked great in the relays, finishing two relays in the top 8 in each of the hotly contested open coed relays.

Six Sea Lions earned High Point Trophies based on the number of points they earned in individual events.

Ben Fister (12) won four individual events (50 Free, 100 Free, 100 Breast, 50 Fly) on his way to earning the Second Place High Point Trophy for 11-12 Boys with 72 points.

Tabitha Kellam (14) won the 13-14 Girls First Place High Point Trophy with 90 points. Tabitha won 3 events (200 IM, 400 IM, 200 Free) and finished second in the other 9 events she swam over the weekend.

Darien Apuron (16) earned the Third Place High Point Trophy for the 15 and Over Girls with a total of 61 points.

Evan Apuron (14), Riley Stewart (14) and AJ Lopez (14) swept the 13-14 Boys High Point Awards. Evan won 9 events (200 Fly, 200 Back, 200 Breast, 100 Free, 100 Breast, 50 Fly, 400 IM, 50 Breast, 100 Fly) and finished 2nd in his other events to earn 95 points and the First Place High Point Trophy. Riley won 5 events (500 Free, 200 IM, 50 Back, 200 Free, 100 Back) on his way to earning 86 points and the Second Place High Point Trophy. AJ found himself tied for 4th place in the high point standings with 32 points entering the last day of competition. He started his final day off with a State Qualifying Swim in the grueling 400 IM (his first individual State Qualifying Time). AJ continued with personal best swims in the 200 Free, 100 Back and 100 Fly finishing no worse than third all day and collecting enough points to secure the Third Place High Point Trophy with 56.5 points.

By any measure, the Sea Lions had great success at the meet. Swimmers (Mia Dale, Ben Fister, Ethan Kellam, Mason Stewart, and Andres Valenzuela) qualified 8 events for the Junior Olympic Meet in February. Swimmers (AJ Lopez, Mason Stewart, Ben Fister) qualified 6 events for the State Championship Meet in March. Sea Lions Swimmers (Evan Apuron, Riley Stewart, Tabitha Kellam) broke 14 Meet Records. Swimmers (Mia Dale, Julie Ramirez, Ethan Kellam, Mason Stewart, Darien Apuron, Evan Apuron, Tabitha Kellam, Riley Stewart) broke 25 Sea Lions Team Records.

The San Manuel Sea Lions Swim Team practices in Oro Valley during November – March while the water is too cold to hold practice in San Manuel or Mammoth. Anyone interested in more information on the Sea Lions can contact Alex Gort (896-2190) or check the team website, sealionsswimteam.com.

San Manuel wrestlers putting in work

By **Andrew Luberda**
Copper Area News

The San Manuel wrestling team has been busy over the last two weeks, including competing in a pair of tournaments at Coolidge and Salpointe Catholic the last two weekends.

The Miners started with a non-conference meet on Jan. 10, against Buena and Desert View in Sierra Vista, where freshman Gilbert Rodriguez (106) and Adrian Romero (195) both went 2 – 0. As a team, the Miners went 0 – 2, losing to Buena (66 – 12) and Desert View (36 – 28).

At the Coolidge Lions' Club Invitational on Jan. 12-13, the Miners placed three wrestlers, including 106-LB Champion and Outstanding Wrestler (Lightweights) Gilbert Rodriguez. TJ Madrid (120) and Ruben Hernandez (195) brought home fifth-place finishes. As a team, the Miners finished 2 – 5 at one of state's largest in-season tournaments.

"Three of those losses could have gone either way," San Manuel head coach Manny Yubeta said. "(Each of the three) were lost by only one match."

At Tombstone last Wednesday, the Miners were defeated by Pima (54 – 12) and Willcox (49 – 29). TJ Madrid and Max Fisher (222)

each finished 2 – 0 while Yesenia Arciniega (108), Mia Borg (115), Daniel Garcia (154), and Michael Martinez (162) each had one win apiece.

Four Miners were out of the lineup due to various illnesses.

The Miners were the only 2A conference team to compete at the prestigious Diego Gadea Memorial Salpointe Catholic Invitational last weekend.

San Manuel finished 16th out of 33 teams that competed.

"The little 2A school that could," Yubeta said about his team. "That should be the moniker for this year's Miner wrestling

team. (We) wrestled in one of the toughest tournaments in the state, and against some of the behemoth schools from around Arizona and Nevada."

Three Miners placed at the tournament, including Gilbert Rodriguez (108) – 2nd, Ruben Hernandez (197) – 4th, and Max Fisher (222) – 5th.

"Ruben and Max had to battle back after losing tin the championship quarterfinals and wrestle four consecutive matches to place in the tournament," Yubeta said. "This is such a great tournament to get our team ready for the post-season sectional and state tournaments in February."

San Manuel promotes tourism, economic growth with new website

San Manuel has a new website, www.sanmanuelaz.org, to promote tourism and hopefully attract new businesses. It is provided by San Manuel's Copper Town Association Inc. Recently businesses again closed their doors in San Manuel—a credit union and a gas station that also had a Subway

shop. Therefore, a way was needed to encourage new economy.

An experienced volunteer stepped forward to the Copper Town Association for creating a tourism website to promote the town, its businesses and area attractions. The website is both beneficial to visitors and for local residents. On the

website you will find things such as local and area attractions, a directory of places to eat and places to stay, a list of clubs and organizations, parks and recreation and scenic roads and 4WD info. There is also a calendar for area events.

The Copper Town Association seeks new members with ideas who would like

to participate in promoting the economic growth and social aspects of San Manuel. There are no dues and the meetings are casual. The group meets the first Tuesday of the month at 10 a.m. at The Sun Life Family Health Center in a conference room, 23 McNab Pkwy. San Manuel, Arizona.

PINAL COUNTY

Public Hearing Regarding Use of CDBG Funds

The County is expected to receive approximately \$139,241 in FY2018 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The County may also apply for \$300,000 in FY2018 CDBG funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Based on citizen input as well as local and state planning objectives only one potential project has been selected to be forwarded to the State of Arizona with a request for funding. [A public hearing will be held at the regular County Board of Supervisors meeting at 9:30 AM February 28, 2018 at Board of Supervisors Hearing Room, 135 N. Pinal St., Florence, AZ to discuss the potential projects.](#) It is expected that the County Board of Supervisors will select the final project at this hearing and adopt applicable resolutions. The potential CDBG projects are named and described as follows:

1. Owner Occupied Housing Rehabilitation- Pinal County plans to assist approximately four (4) qualified homeowners with rehabilitation services with FY2017 CDBG funds. The recipients of the services will be selected based on an income qualification process and a waiting list at the County Housing Department. Services will be provided to all areas of the County, except tribal lands and FEMA designated 100-year flood zones. All work will be done according to the ADOH approved housing rehabilitation guidelines. Assistance will be in the form of a ten or fifteen year forgivable deferred payment loan up to \$50,000, or an emergency repair grant up to \$15,000. Rehabilitation services use in-house expertise and rehabilitation work will use competitively procured licensed contractors.
