OBITUARIES

Otis Perry Hatfield

Otis Perry Hatfield passed away Jan. 11, 2019 in Mesa. He was 81 years old.

Perry was born Dec. 1, 1937 in Massey, Oklahoma to Arthur and Elizabeth Hatfield. The family moved to Ray in 1953 where Perry attended Ray High School. He was a gifted athlete and excelled in football and track.

After graduating from Ray, he attended Palo Verde Junior College in Blythe, California on a football scholarship. While at Palo Verde, Perry earned the Junior College version of the Heisman Trophy. His coach, Larry Kentera, always said Perry was the best athlete he had ever coached.

After graduating from Palo Verde, Perry went to The University of Missouri, where he was an All American. While he was at Missouri, he was invited to try out for the Rams and the Redskins. Perry was never able to try out because he suffered a knee injury that ended his football career.

He started to compete in rodeos in college, and at 19

won the All Around Cowboy title at the Williams Rodeo. After college, Perry started to rodeo full time and traveled all over the United States and Canada. He rodeoed in Canada for two years and would have been Canadian Bareback Champion two years in a row, but for the minor technicality that he wasn't Canadian. Perry won many awards, buckles, and saddles over the years, but Winning top All Around Cowboy of the Western States Rodeo Association, and the Steer Wrestling Champion of the Turquoise Circuit Finals were two that he was most proud of.

Perry is survived by his son Travis, longtime companion Sandy, her two daughters Diana (David), and Linda (Hugo), brother Tim (Donna), sister Kathy (Johnny), many grandchildren, great-grandchildren, nieces and nephews. Perry is preceded in death by his parents, Arthur and Elizabeth, brothers R.B. and Steve and sister Carol Hatfield Palmer.

At Perry's request, there was no service.

Paul Joseph Noriega

Paul Joseph Noriega, 58, of Hayden, Arizona, passed away on Tuesday, Jan. 22, 2019.

Paul was born in Tucson, Arizona on Nov. 14, 1960 to parents Paul and Anita Noriega. He graduated from Ray High School in 1977. He attended Central Arizona College and graduated with a degree in Construction Management. An army veteran, Paul enjoyed hunting, fishing, and coaching baseball.

Paul is survived by his three children, son Fernando Noriega of Queen Creek, AZ, daughter Monica Noriega of Eloy, AZ and daughter Anjelica Freeman of Fairmont,

WV; six grandchildren, Michael Salcido, Briannah Noriega, Brandan Noriega, Aliannah Noriega-Freeman, Lillian Noriega-Freeman, and Laila Noriega-Freeman; his loving mother, Anita Noriega; and sisters, Gloria Lopez and Yolanda Vera. He was preceded in death by his father Paul V. Noriega.

Services for Mr. Noriega are pending.

Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court

of law. Only criminal citations are listed. All damages are estimates.

Activity listed Jan. 20-26.

Jan. 20

Criminal damage was reported in the 400 block of Ivanhoe Rd.

Jan. 24

Tonya Womack, 46, was arrested in the 300 block of Alden Rd. on a felony warrant. She was transported and

Perhaps you sent a lovely card or sat quietly in a chair;

Perhaps you sent a floral spray, if so we saw it there.

Perhaps you spoke the kindest words as any friend could say;

Perhaps you were not there at all just thought of us that day.

Whatever you did to console our hearts,

We thank you so much, whatever the part.

Pinal County School Office Education Service Agency receives funding for fiber based broadband internet services

The Pinal County School Office Education Service Agency is pleased to announce it has received \$31,549,900.38 through the Schools and Libraries Program (E-Rate) funding. The funds will support the Pinal County Internet Consortium.

The Pinal County School Office Education Service Agency is committed to "Fostering Learning, Achievement and Success" for Pinal County students. The Pinal County Internet Consortium will expand internet access to schools and libraries within Pinal County, giving students and teachers the infrastructure needed to succeed in today's changing technology driven world. The fiber optics lines installed in this project will increase broadband services for participating locations to 10Gbps. The Pinal County School Office Education Service Agency has partnered with Zayo, a leading fiber network provider with extensive education experience, to complete construction, which will begin immediately.

According to the FCC website, High-speed Internet access, or broadband, is critical to economic opportunity, job creation, education, and civic engagement. But there are too

many parts of this country where broadband is unavailable. In urban areas, 97% of Americans have access to high-speed fixed service. In rural areas, that number falls to 65%. And on Tribal Lands, barely 60% have access. All told, nearly 30 million Americans cannot reap the benefits of the digital age. "Broadband access is the great equalizer, leveling the playing field so that every willing and able student, no matter their situation in life, has access to the information and tools necessary to achieve success," Jill Broussard, Pinal County School Superintendent.

"With broadband access, we can revolutionize access to education, develop economic empowerment, and generate the delivery of critical human needs," Peter Lin, IT Manager, Pinal County Schools.

"An increase in broadband access will open up endless possibilities for distance learning tools in professional development, and global collaboration in classrooms. Real time access to information is a must in this digital age," Joel Villegas, Director, Pinal County Education Service Agency.

Local Libraries and School Districts included are:

Kearny Public Library
Mammoth Public Library
Oracle Public Library
San Manuel Public Library
Superior Public Library
Apache Junction Unified School District
Mammoth- San Manuel Unified School District
Oracle Elementary School District
Ray Unified School District
Superior Unified School District

The schools and libraries universal service support program, commonly known as the E-Rate program, helps schools and libraries to obtain affordable broadband. Discounts for support depend on the level of poverty and whether the school or library is located in an urban or rural area. The discounts range from 20 percent to 90 percent of the costs of eligible services. E-Rate program funding is based on demand up to an annual Commission-established cap of \$3.9 billion.

Hayden wrestlers display strength with or without numbers

By Andrew Luberd
Copper Basin News

It's been said that there's strength in numbers.

In the case of the Hayden wrestling team, there is strength despite its lack of numbers too, as evidenced by the Lobos' performance

last weekend at the 30th Annual Mogollon Tournament.

Despite only five wrestlers – Julian Gonzales (138), Josiel Rodriguez (170), Pablo Acuna (182), Peter Kame (195), and Joel Rodriguez (220) – making the trip north, the Lobos finished 11th out of 23 teams that competed at the popular annual tournament.

“Pretty good for only taking five boys to wrestle,” Hayden head coach John Estrada said about finishing in the top half of the tournament with a group that could be nicknamed the “Power 5.” Joel Rodriguez and Peter Kame placed second and fourth, respectively, last weekend, as they and the other Lobos' wrestlers prepare for the

sectional tournament this weekend, which will also take place at Mogollon.

Hayden will be even stronger this weekend with the return of Omar Lopez (132) and Noah Monroy (182) from injuries. The top-four placers at sectionals in each weight class will advance to the state tournament in Prescott on Feb. 8-9.

Bravo, Patterson lead Ray in win over Arete Prep

By Andrew Luberd
Copper Basin News

Ray sophomore Alex Bravo scored 22 points and senior Stone Patterson added 12 more as the No. 4-ranked Ray boys' basketball defeated Arete Prep on the road last Friday night, 50 – 32.

The win was the Cats' sixth in their last eight

games.

Bravo was 4-of-9 from the three-point arc and 5-of-10 from two-point range. He also had three rebounds and four assists in the win.

Patterson, who dominated with 19 rebounds, finished with a double-double.

Senior Jaden Pace contributed with six points, six rebounds and three assists.

Lady Bearcats cruise against Lady Miners

By Andrew Luberd
Copper Basin News

The 1A No. 6-ranked Ray girls' basketball team cruised to an easy 61 – 23 victory at 2A San Manuel last Thursday night.

The Lady Cats were led by junior Shelby

Yocum and senior Tara Lorona, who scored 24 and 14 points, respectively. Sophomore Chasity Kelley and senior Julie Meza added nine points apiece.

Yocum recorded another double-double after grabbing 16 rebounds to go along with her 24 points.

Ray's Lorona signs LOI with Gateway CC

By **Andrew Luberda**
Copper Basin News

Ray senior Tara Lorona

will continue her academic and athletic career at the next level after signing her Letter of Intent to Gateway

Community College during a ceremony on the Bearcats' softball field on Monday, Jan. 28.

Lorona, a standout three-sport student-athlete during her four years at Ray, is a three-time (and

likely four-time) All-State softball player. She was the 1A East Region Offensive Player of the Year as a junior in addition to being selected to the 1A All East-Region First Team three-straight years. A fourth-straight honor is a near certain. Her decision to attend Gateway was made with an eye toward her future off the field as much as on it.

"Ever since I was about 12 years old, I've always wanted to be an Ultrasound Technician," Lorona told the Copper Basin News. "(Gateway) is the only school that has (a sonography program).

"Also, Assistant Coach Norina Ortega has always been a close family friend. I used to play for her as a 14-year old. It's nice to have someone I know there."

A .478 hitter during her high school career, Lorona

has 119 hits, including 22 doubles, 15 triples and four homeruns, to go along with a 1.297 OPS. Perhaps her greatest statistic is only 10 strikeouts in 310 plate appearances – that's about one strikeout every seven to eight games. The most she's had during a season in high school is four – FOUR!

When a player puts up those type of offensive numbers, coaches will find a position on defense. Lorona is equally superb there too.

"I'm assuming I'm going in there to be a catcher," she said.

Not so fast.

After she made a stellar play at shortstop during a scrimmage, Gateway coaches may have other ideas.

"When I went to visit the campus, the head coach said she talks to all of her recruits about that play," Lorona said. "(I might play) a little bit of both, I guess."

How has Lorona's experience as a student-athlete at Ray prepared her for college and beyond?

"I've benefitted from all the support from the teachers and coaches," she answered. "Also, I've enjoyed the leadership role that's been expected of me by our coaches. I feel like that's helped me and made me more of a coachable athlete."

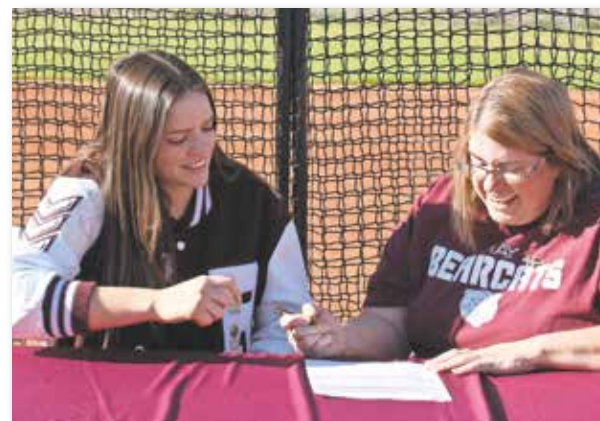

Lorona knows she hasn't reached this point in her life without the help of many along the way.

"I'm thankful for everyone's support and being there (on Monday)," she said. "It's nice to have a whole town back you up, and all of my coaches and family (too) – just thank you. Because I wouldn't be here without (you)."

The Ray Softball Team joins Tara Lorona after she signs a letter of intent for Gateway Community College.
