OBITUARY

Betty Jo Salisbury

Betty Jo (Giles) Salisbury age 89 yrs, 8 months and 18 days, passed away peacefully at her home in Tumwater, Washington, on Dec. 29, 2015 after a short illness. Attending her at her bedside were her two daughters, Tyrra Jo and Nancy June.

Betty Jo was born April 11, 1926 in Clayton, New Mexico, the daughter of Lula Flora Johnson and William Ridley Giles. Her father passed away 4 months before her birth. Her mother Lu, later remarried William George Kishbaugh in Tucson, Arizona on Dec 8, 1928.

Except for a few years during the Great Depression, Betty was raised and went to public schools in Hayden, Arizona. Upon completion of high school, she attended the University of Arizona. She worked for the Southern Pacific Railroad in Hayden and Phoenix, Arizona and in December 1946, she married Harry M. Campbell Jr., a recently returned US Marine officer and WWII veteran, who she met in Hayden. That marriage produced their two daughters, Tyrra and Nancy.

She later married Frank W. Owen, a General Contractor in Whittier, California. From that marriage, they had one son, Frank Jr.

"B.J." as she was sometimes called, worked as a secretary at the Ford Motor Company General Offices in Buena Park, California and she also worked for a private company as an editor and reproduction typist, working on numerous highly classified documents.

Betty Jo was mild mannered, with a positive attitude and spirit, being a friend to many, and known for her take charge and get it done spirit. She loved cooking, dining out, and entertaining her friends and family!

She was preceded in death by her parents and step-father, a sister June, as well as her half siblings, Oscar and Mittie Giles, and her husbands Harry Campbell Jr., Frank Owen and Frank Salisbury. She is survived by two daughters, Tyrra Jo Murdock of Olympia, Washington

and Nancy June Munger of Round Mountain, Nevada and one son, Frank Owen of Anaheim, California, as well as half-siblings, Georgiana (Kishbaugh) Wood of Kearny, Arizona, Bill Kishbaugh of Dripping Springs, Arizona and Charley Kishbaugh of Aravaipa Canyon, Arizona. She leaves behind several grandchildren and great-grandchildren, whom she dearly loved.

A memorial of her life is being planned, to take place where she resided during these past several years.

Water rate increase in process for Kearny residents

By Mila Besich-Lira
Copper Basin News

The Kearny Town Council will be voting to raise the water rates at its Jan. 18, 2016 meeting. The council hosted the required notice of intent meeting on Dec. 28, 2015.

Water rates can not be increased without proper notification to the public.

The Dec. 28 meeting was the first meeting and on Jan. 18 the council will host a public

hearing to hear public concerns and field any questions from the public on the rate increase. Following the public hearing the council will have an action item on their agenda that evening to vote on the increase.

The proposed increase is \$2.50 per month and is intended to be a permanent one. The council needs to consider rate increases for the water rates to help fund needed repairs to the town's water system. The water system needs more than \$857,000 in repairs,

explained Town Manager, Anna Flores.

The town has applied for grants and loans from the USDA and the Water Infrastructure Financing Authority (WIFA); however, both agencies have explained that they cannot provide grants or loans to the town for the repairs until water rates are increased to adequately cover regular maintenance and repairs.

Currently residents in Kearny pay \$26.45 for 5000 gallons of water each month; the

average cost of residential water service in Arizona is \$40 for 5,000 gallons each month.

Some of the priority repairs for the water system include re-coating the water tanks, replacing the filtration plant and making needed repairs to the well and booster tank.

Flores explained that all communities are facing major infrastructure repairs maintenance as each community ages. The Town will begin planning for needed repairs to the waste water treatment plant as well.

The Grief Recovery Method®

Grief Support Group

The Action Program for Moving Beyond Death, Divorce and Other Losses

Myths About Grief:

- Time heals all wounds
- Grieve alone
- Bury your feelings
- Replace the loss
- Be strong for others

Your feelings are normal and natural. The problem is that we have been socialized to believe that these feelings are abnormal and unnatural.

Whether your loss is from:

- Death
- Loss of a career
- Loss of faith
- Loss of health
- Divorce or end of a relationship
- Loss of trust
- Loss of safety

People say you have to let go and move on in your life, but they don't tell you what you need to do to accomplish that. The Grief Recovery Method® Outreach Program not only makes that possible, but provides partnerships and guidance to ensure that it happens.

Spring session to begin for ArtUs Guild; all artists welcome

The Copper Basin ArtUs Guild will begin the spring session Thursday, Jan. 7 at Ray Hall next to the Church of the Good Shepherd in Kearny. Sessions, held each Thursday, start at 10 a.m. and continue throughout the day until 3 p.m. with a break for lunch.

Membership is open to all in the surrounding communities, including Superior, San Manuel, Mammoth, Oracle and beyond.

Members are not required to be in attendance at all times and schedules are flexible.

The guild was formed after Gila Pueblo College no longer offered art classes due to the illness of the instructor. The primary group has been together for over 20 years and wanted to continue to meet to share their love of creativity.

Membership in the guild is open

to anyone interested in the arts. All mediums are welcome, regardless of skill level and experience. There is no formal instructor and members are encouraged to help each other when help is requested. Just the love of creativity is all that one needs to join the group.

The group is also extending an invitation to anyone interested in beginning to explore the world of creativity. This is not a formal class, but beginners are welcome and supplies and tips are available to get you started.

Dues are \$25 for the spring session.

The group is planning to continue the annual ArtUs exhibit this spring at the Little Gallery with a date to be announced later.

Call Gary Hill at 363-7206 or Vicki Clark at 520-357-3921 with questions.

Litter Hotline delivers gentle, vital message: trashing Arizona costs us all

PHOENIX – Those who litter along Arizona highways can face fines up to \$500. But those fortunate enough to have fellow motorists rather than law enforcement see them may wind up getting a letter warning about the harm litter causes – and a litter bag.

In partnership with Keep Arizona Beautiful, a statewide nonprofit organization that empowers citizens to care for their environment through litter prevention, recycling and beautification, the Arizona Department of Transportation maintains a Litter Hotline allowing the public to report those who trash our highways. Providing a vehicle's license plate number and other details to 1-877-3LITTER, or through an online form on Keep Arizona Beautiful's

website at kazb.org, results in a cautionary letter being sent.

About 1,500 letters go out each year. Nothing is shared with law enforcement, and those reported have no points added to their driver licenses.

"Besides harming Arizona's land, water and quality of life, littering along highways is a significant cost to ADOT and, in the end, to all of us," ADOT Director John Halikowski said. "While those who litter deserve what they get if caught by law enforcement, a gentle reminder through the Litter Hotline can make someone think twice about tossing something out the window."
