OBITUARIES

Elidia F. Alcaraz

Elidia F. Alcaraz passed away on Dec. 22, 2019, with her husband of 54 years, Gerardo Alcaraz, by her side.

She is preceded in death by her sons, Gerardo F. Alcaraz and Bernardo F. Alcaraz; mother, Barbara "Chagua" Ortiz; and sister, Alice Ortiz. She is survived by her husband, Gerardo Camacho Alcaraz; daughter, Marisa F. Alcaraz; sisters Amalia Ortiz and Margarita Robles; and brothers, Francisco and Reuben

Ortiz;

Family and friends were able to see her the weeks prior to her passing which was a blessing for all.

She was born Aug. 6, 1943 in the little town of Oquitoa, Sonora, Mexico. She immigrated to the United States, moving to Tucson when she was three years of age with her mother, Barbara, and two older sisters, Amalia and Margret.

She grew up and lived in Barrio Hollywood and attended St. Margaret's Catholic Church. She went to John Springs Jr. High in Dunbar Springs and Tucson High School.

She met the love of her life Gerardo at St. Margaret's Catholic Church where they also married in February of 1965. They moved from Tucson to Sonora/Ray Arizona briefly and then settled in Oracle, AZ for the next 52 years.

Elidia was a homemaker and also worked at Circle K from approximately 1982-1997. She was very involved in St. Helen's Catholic Church and actively participated in the planning of Holiday activities, the annual Church Fiesta, choir and preparing food for parishioners and special events with the bishop and other clergy.

She loved to watch girls' softball which is what Marisa played. Bake sales of popcorn balls and other goodies to sell were a lot of fun for her. She enjoyed cooking, baking, watching basketball, baseball and the Olympics. She simply loved people, laughing and community. She was an amazing wife and mother that loved to joke and laugh with her husband Gerardo and her daughter Marisa. She will be missed by all those that were touched by her, but she is now resting and at peace. We will see each other again, but not yet.

Services were held at St. Margaret Mary's Catholic Church in Tucson on Friday Jan. 3, 2020. Interment followed at Holy Hope Cemetery in Tucson.

Change a child's story™ in 2020

While people across the country are setting goals for the new year, thousands of children in Arizona are unsure where they'll be living tomorrow. Children in Arizona's foster care system face a life of uncertainty. They can be moved from place to place with no notice. To make matters more complicated, the professional adults in their lives are frequently changing – from their social worker to therapist, to their school or daycare.

Every child needs a stable, caring adult in their life.

This is why a Court Appointed Special Advocate (CASA) is so important. CASA volunteers are a consistent voice for a child in foster care. They spend 10-15 hours per month reviewing the child's case and getting to know the child and what is in his or her best interest. The CASA is often the most consistent person in the life of a child in foster care. CASA volunteers not only assist the judge in making critical decisions but often taken on a mentor role to the child for life.

Today there are over 14,000 children in Arizona who were removed from their homes due to abuse and/or neglect. CASA of Gila's goal is to have one CASA for EVERY child in foster care from Gila

County communities.

You have the power to Change a child's story™. All it takes is the heart to do so. Become a CASA volunteer today.

Court Appointed Special Advocates are everyday community members who donate their time to be the voice for a child. Children with a CASA are more likely to find a safe, permanent home, more likely to succeed in school, and are half as likely to re-enter the foster care system. No specific background or training is needed to become a CASA volunteer. Anyone 21 years of age or older, who can pass a thorough background check and complete 30 hours of free training, is encouraged to apply.

Regional News: Mila Besich appointed to serve on National League of Cities' Energy, Environment and Natural Resources Committee

Mila Besich, Mayor, Superior, Arizona has been appointed to the National League of Cities (NLC) 2020 Energy, Environment and Natural Resources (EENR) federal advocacy committee. This committee has the lead responsibility for developing NLC's federal policy positions on issues involving air quality, water quality, energy policy, national wetlands policy, noise control and solid and hazardous waste management. The appointment was announced by NLC President Joe Buscaino, councilmember, Los Angeles, California.

"I am excited to be appointed to and participate in this important committee. Superior has a unique opportunity to share its experience and knowledge about how policies around energy, environment and natural resources impact the quality of life, economy and daily administration of a small rural town. This is especially important for

communities like Superior, which is located in the heart of the Arizona's copper industry," Besich said.

As a committee member, Besich will play a key role in shaping NLC's policy positions and advocate on behalf of America's cities and towns before Congress, with the administration and at home.

"NLC's federal advocacy committees ensure policymakers in Washington understand the most pressing issues facing local communities," said Joe Buscaino, councilmember of Los Angeles, California, and president of the National League of Cities (NLC). "I am proud to have Mila Besich join NLC's Energy, Environment and Natural Resources committee on behalf of the residents of Superior.

Together, with a team of local officials from across the country, we will strengthen the federal-local partnership,

Changes coming to the way MVD issues plates, tabs and documents; customers to get items through U.S. Mail

PHOENIX – The new year will usher in a new way for Arizona Department of Transportation Motor Vehicle Division customers to get license plates, registration tabs and many documents such as vehicle titles.

Beginning in January, customers will receive these items through the U.S. Mail and will no longer be able to obtain them at an MVD or Authorized Third Party office. Customers should make sure their address is current and

complete with the U.S. Postal Service and MVD.

"The MVD needs to be well-positioned for the growth of e-commerce," said MVD Stakeholder Relations Manager Jennifer Bowser Richards. "Distributing items such as license plates, tabs, title work and other documents allows us to prepare for the growing demand for fulfilling customer orders through the mail as MVD continues to increase the number of services available online, anytime."

All registration documents and license plate tabs, including those issued today at MVD self-service kiosks will be mailed. When customers renew, their record is updated instantly and a receipt will be proof of registration.

For customers getting a license plate, the change will also mean the plate number will be entered into the

Giving a good Christmas to local children

Several families, including some of those affected by the months-long strike at Asarco, were on the receiving end of some good holiday cheer, delivered by firefighters from the Pinal Rural Fire & Medical District.

Pinal Rural Fire & Medical, in partnership with Amazon, Tucson Fire Department and Rural/Metro Fire Department, made special deliveries through Toys for Tots, giving the local children presents to open for Christmas.

"We are so grateful to Amazon for their donation," said Fire Chief Bobby Apodaca. The Chief explained that Amazon, which has a new distribution center in

Tucson, approached the district with the donation, something the department was happy to accept. The toys were distributed

in the week of Christmas to families in Aravaipa, Mammoth, San Manuel, Oracle and neighboring areas.

Customers who purchase Off-Highway Vehicle decals the same day they plan to use them at a recreational area will not receive the decal at the office, but will get a receipt that should be kept with them to prove the decals have been purchased.

In the future, more vehicle titles will transition to an electronic process. Currently, a limited number of title transfers such as one-owner to one-owner transfers of Arizona-registered vehicles can already be done entirely online through AZ MVD Now, which is available through ServiceArizona.com.
