OBITUARY

Karen Ethel Cole

Karen Ethel Cole (nee Morey), age 71, of San Tan Valley, AZ passed into eternal life Thursday, Jan. 3, 2019 in Mesa, AZ.

Funeral services will be held Wednesday, Jan. 9, at 10 a.m. at Berean Baptist Church in San Tan Valley, AZ, followed by a 1:30 p.m. graveside service at the Globe Cemetery, in Globe, AZ.

Karen was born May 9, 1947 in Prescott, AZ to Chester "Chet" and Doris Morey. During her younger years she lived in Prescott and Cottonwood, AZ. She attended Prescott's Washington Elementary School for 2 ½ years starting Kindergarten at age 6. Over Christmas break of 1955/56 her family moved to Superior, AZ where her parents opened Morey's Superior Jewelers.

During high school she wrote in an autobiography that her plan was "being an airline hostess, a secretary or a housewife. The first two offer excitement and the meeting of new people. The last the excitement of being married, having children, which generally means a family to love and care for."

Karen graduated from Superior High School in 1965, and was admitted to Arizona State University (ASU) with Honors at Entrance, with a declared major of BA Secondary Business in the College of Education. It was at ASU where she met the love of her life, Dirl L. Cole. She married Dirl on Sept. 9, 1967, in Superior, AZ. She

left college to work full time at Valley National Bank to support Dirl in finishing college where he was a ROTC Cadet. She moved with him to Fort Gordon, GA for Signal School training and Fort Hood, TX for duty. She became pregnant before Dirl was deployed to Vietnam.

She returned to Arizona and on Feb. 12, 1972, Karen gave birth to her daughter, Dorinda Cole, at Williams Air Force Base. Karen worked at her parents' store and raised Dorinda alone for a few months as Dirl continued his Vietnam tour. She was pregnant with her second child when she moved to Clifton, AZ where Dirl obtained a teaching job for the 1973 school year.

On March 1, 1974, she gave birth to her son, Dirl "Mark" Cole, in Morenci, AZ. The family remained in Clifton until 1976, and then returned to Superior as her husband Dirl began a career with Superior Unified School District.

On Nov. 7, 1977 she gave birth to her son, Bryan Cole, in Miami, AZ. She lovingly raised her three children as a housewife until 1983 when she started working part-time as a Teacher\Lab Aide in both the elementary and high

school. She later became a secretary in the high school, fulfilling another step of her high school plan. She lived in Superior until the end of 1996 when, following the death of her father, she moved to Claypool, AZ to be closer to her mother. Overall, she had over 20 years of service in Superior schools, and retired in the late 2000s. She truly loved working at the school and enjoyed the friends and memories made while living most of her life in Superior. After retirement she moved to San Tan Valley, AZ to be closer to her children in the Valley.

Karen was a deeply devoted Christian and a faithful and loving wife, mother, daughter, sister and friend to many. She was always there to comfort her husband in his time of need, assisted her children no matter where they resided, and lovingly cared for her mother and sister in the days leading up to their passing. As hobbies she enjoyed reading, crocheting and crafting. Her joy and love for life was evident to those that had the pleasure to know her. She lit up the room with her warm smile. She is dearly loved and will truly be missed.

Karen is preceded in death by her father, Chester Morey on July 13, 1996; mother, Doris Morey (nee Bryant) on Aug. 30, 2005; and sister, Kathy Edgar on June 29, 2018.

Karen is survived by her husband of 51 years, Dirl L. Cole; daughter, Dorinda (Jim) Johns of Gilbert, AZ.; son, Dirl "Mark" (Janice) Cole of Cave Creek, AZ; son, Bryan (Gina) Cole of Fife, WA; brother, Chester "Dale" (Kathy) Morey of San Tan Valley, AZ; and seven grandchildren, Amber, Katelyn, Connor, AnaSofia, LiliAna, Amelia, and John.

A Special Thanks to Kathy Morey (sister-in-law) and Peaceful and Comfort Assisted Living for the loving care they provided during Karen's final month and days of life.

Government shutdown affecting local communities

When you pick up this article and read it on Wednesday, Jan. 9, 2019 the United States Federal Government will have been partially shut down for 18 days. The shut down comes after Congress refused to fund the \$5 million dollars for a border wall and border security with Mexico. To date this is the second longest shut down and if the Government remains shut down through Saturday, it will be the longest shut down since the Clinton Administration.

This shut down is beginning to have some effects on local communities that use the services of Central Arizona Governments (CAG). The agency is the regional Council of Governments who administers federal funds from various departments such as the Environmental Protection Agency, Department of Transportation, Housing and Urban Development for the Gila and Pinal Counties and

Copper Corridor receives dusting of snow for New Year

A winter storm pushed through the Copper Corridor over the New Year leaving the area white with snow. Oracle received five inches of snow and folks from across the Copper Corridor shared photos of their front yards with Copper Area on Facebook. Sergio Hernandez shared this view from his Dudleyville home with our readers. Be sure to go online to www.facebook.com/copperarea to see what others submitted. At right, quite a few families headed to Oracle to play in the snow. One restaurant in Oracle reportedly ran out of food due to the unexpected visitors.

Snow dusted the hills over Superior.

the CAG are looking into providing advance funding to the agency to help keep it afloat during the shut down. The City of Globe will be voting to advance funding to CAG this week.

For the Copper Corridor Economic Development Coalition, their housing program that is funded by the United States Department of Agriculture is partially on hold as USDA employees are on furlough and unable to process

applications and checks for the projects. The current Food Hub Expansion project through the Southern Gila County Economic Development Corporation is still moving forward but the agency is expecting that reimbursements will be delayed until the USDA is open and fully functioning.

For the individual municipalities, they have not been affected significantly other than delays on projects at CAG, however for those communities who are working on larger federal grant projects those projects could be affected if the shutdown continues to go on.

For those traveling, there is growing concern about the safety of our airspace and air travel as many TSA security agents who work at the airports are working without pay and many are not coming into work. Those planning to travel by air should expect delays at local airports.

As nationwide news continues to report, National Parks are closed and those that

are still accessible have overflowing toilets and trashcans. Governor Doug Ducey has issued an order to keep the Grand Canyon National Park open to the public using State funding however the Tonto National Monument near Roosevelt Lake is currently closed. Employees at the Bureau of Land Management and National Forest Service are also on furloughs and for the Legends of Superior Trails Inc. in Superior that means crews working to complete the Arnett Canyon Segment are unable to complete their work.

Winkelman Mayor Louis Bracamonte expressed his concerns that essential programs that fund food stamps and social security could be affected and create additional hardship on local residents of the Copper Corridor. At press time Social Security checks are not being affected but the funding for food stamps could be affected which may create additional need at local food banks in the area.
