OBITUARIES

Kenneth Allen Smitch

Kenneth Allen Smitch passed away Feb. 10, 2018. He was born March 9, 1942, in Clifton, AZ, the son of David Jordon

and Rena Laura Smitch. He was raised in Globe, AZ.

Kenneth joined the Army in 1960 and

while in the service, he met his wife, Helen Delores Crowson Smitch. They wed June 1, 1963 and were married for 54 and a half years.

Kenneth loved to hunt and fish. He also enjoyed competition shooting and won many awards. His family was very important to him. He shared his knowledge of shooting and hunting with both his sons and taught them how to work on their vehicles. His daughters didn't escape this tutelage – they also learned how to work on their cars.

He inspired all his kids to finish high school. School was very important to him and he saw that all his children got the education they needed.

He leaves behind in loving memory his wife, Helen Smitch; daughters, Tamara Warren and Sondra (Curtis) Lane; sons, Adam Smitch and Colin Smitch; 13

grandchildren; 14 great-grandchildren; brother, Jay (Nancy) Smitch; and sisters, Maraget Towse and Luetta (Fred) Danforth.

He was preceded in death by his parents, David Jordon and Rena Laura Smitch; brothers, Colin Smitch and David Smitch; and sisters, Opal Cunningham, Charlet Miller, Juttie Menges and June Knowlton.

Services will be held Saturday, Feb. 17, 2018, at 11 a.m. at Calvary Kearny Church, 305 Croydon Rd. Kenneth will be laid to rest at a later date.

Griffith Mortuary is providing exceptional family service. 101 Johnston Dr., Kearny, AZ 85137. Ph. (520) 363-5353. GriffithMortuary.com.

Andy

It hurt so much to lose you. We miss your smiling face. The way we'd break in laughter for all your joking ways.

We thought you'd live forever, but Jesus called you home. Although we know you're happy, there's days we feel alone.

You made sure that your family had everything in place. In case you left this earth one day, you'd know that they were safe.

To our family you were special for the the love you always showed. So today we all pay tribute to you for in life you were our world.

Never judging, always happy. Always there for everyone. As a husband, as a father, as a brother you were loved.

Your grandchildren have their Angel who will watch them from above. They point up to the heavens for they know that you're with God.

On February 10th, will be a year ago that we lost you on that day, for your golden heart stopped beating and today we'd like to say,

We knew how much you loved us. We know how much you cared. We thank God for the time we had and the memories that we shared.

May heaven be as beautiful as you felt that it would be. Guide our family here on earth until we meet in eternity.

From: Your loving wife, Teresa
"Dolly" Rabaço

Crystal Allen and the Contreras family would like to give our deepest gratitude and our utmost appreciation to everyone that contributed to the services for Marta Contreras. Family and friends came together to celebrate her life and mourn her passing. Nana is and forever will be greatly missed. We wouldn't have done it all without all of your love and support. We would also like to give thanks to the Hayden-Winkelman School for all their support. Thank you everyone and God Bless you all.

Hayden-Winkelman school children and the 'chief' importance of setting goals

Last month, Hayden Police Chief Tamatha Villar visited Hayden-Winkelman Schools and spent the day meeting each and every student, talking to them about the importance of setting goals and encouraging them to reach for their dreams. She encouraged the students to write down their goals and to share them with her.

Now, a wall in the lobby of the Hayden Police Department is colorfully decorated with the goals and dreams of the students of our communities. Chief Villar explained the purpose of the wall is twofold. One is to serve as a reminder to the students to keep focused on their goals. The other is to remind her officers of the importance of the work they do every day and that the children of this community are depending on them to help reach these goals.

The wall highlights the talent of all of our students. "My hope is through meaningful interaction with our youth, we are able to learn more about the kids in our community, what they are struggling with, their goals and their dreams. If we take the time to invest in them, maybe we can have a positive impact in their lives and help keep them on the right track," said Chief Villar.

Chief Villar encourages the community to come in and read the goals and dreams of our future! She ensures us the future is bright!

This board is on prominent display at the Hayden Police Department to remind the officers about whom they serve.

Hayden Police Station now a primary prescription drug turn-in location

The Hayden Police Department, along with Gila County Health Department, would like to see all unused, leftover or expired prescription drugs out of people's cabinets and away from our children, and our groundwater.

The Hayden Police Department has partnered with Gila County Health Department to provide a Prescription Drug Drop Off location at the Hayden Police Department. Since Feb. 1, anyone wanting to drop off prescription medications can do so in the green drop off box located in the lobby of the Hayden Police Department, Tuesday through Thursday from 8 a.m. until 3:30 p.m., or by

Happy Ash-Val-izona Day?

What a choice we have this week! Wednesday, Feb. 14, is not only Valentine's Day but also Ash Wednesday and Arizona Statehood Day. Ash Wednesday is by far the oldest observance, with Valentine's Day coming second, but as an Arizona native this is the day I claim as my own and fly the Arizona state flag.

Last week, at a special Kearny Town Council meeting, it was decided to pursue a grant from Resolution Copper's Community Fund to purchase the Arizona DES building between the General Kearny Inn and Norman's IGA, The State of Arizona is making the building available at a very low price and the Mayor and Council are considering buying it to serve as a larger quarters for the Police Department. It's not a done deal, for sure. The grant process for monies from Resolution is competitive. On top of that, the land is owned by an entity represented by Osselear, the holding company which owns much of the property along Alden Road.

Accordingly, Town Manager Anna Flores was directed to explore the terms of a lease with Osselear. Once the terms are known and if the grant from Resolution Copper comes through, the Town Council will know the feasibility of the project and can make some decisions about it.

The Copper Basin Women's EXPO is

just around the corner, on Saturday, Feb. 24 beginning at 11 a.m. The admission is only \$3.00. There will be drawing, samples, speaker and demonstrators of all kinds of merchandise. It will be held at the Hayden/Winkelman School's district building. This may be the best EXPO yet.

There's lots of chatter on the computer social pages about Pioneer Days, which will be held Thursday through Sunday, March 15-18. Many people are reminiscing about how Pioneer Days "used to be." Well, the Chamber of Commerce is working to make these Pioneer Days more like the old ones, but with a twist of the new as well. And have you or your organization taken steps to enter a float or other entry for the grand parade on Saturday, March 17? Support the candidates for Junior and Senior Pioneer Days Queen by buying raffle tickets, too. Tee shirts will be on sale soon. We all can do our part.

The NOMADS are back in town! Starting this weekend, nine volunteers from United Methodist Churches around the U.S. will be living in trailers parked behind The Church of the Good Shepherd, and will be doing volunteer work at the church and in the Copper Basin. They receive no remuneration, and often match the contributions which Good Shepherd has raised to carry on their work. You will be them around. The jest is that NOMADS means "nice old Methodists avoiding deep

snow." It is true that most of them come from northern states.

Next week I will mention the upcoming golf tournament sponsored by Infant Jesus of Prague Catholic Church in April. This will be a big event. I'm on the look for more events to promote. Let me know!

South Lana Way named last fall by the Kearny Town Council in honor of Lana Dalton, Council Member (deceased). Pinal County is standardizing all street names, so 'north and south and east and west' will be part of future street signs ... and Lana's is the first! It takes a while to get signs manufactured, so the honor is long delayed.

Five young ladies vie for Queen, Jr. Queen titles

By Jennifer R. Carnes
Copper Basin News

The 2018 Pioneer Days Queen contestants have been hard at work, earning points to see who will wear the crowns come March.

Two are competing for Pioneer Days Queen: Tahni Kame and Indigo Patterson. Three will be hoping for the title of Jr. Queen: Mia Barragan, Ariza Jady Castillo and Kaylin Pacheco.

Tahni, 17, is a senior at Hayden High School and is the daughter of Peter Kame of Kearny and Charlene Kame/Lopez.

She is a member of the National Honor Society and yearbook committee; she serves as manager for football and wrestling; and has been on the honor roll for the past three years in school. She also placed second in the Gila County Science Fair.

Tahni is very community-minded, aiding in an Adopt-a-Highway event and volunteering with the Copper Basin Chamber of Commerce.

Her hobbies include hunting, singing, tubing, fishing, sleeping and spending quality time with her family.

"After high school, I'd like to learn more from welding to maybe becoming an entrepreneur," Tahni told the Copper Basin News. "I've also thought about becoming an art therapist to help people express how they feel if they can't talk about it."

Her main goal is to help people in any way possible.

"Also, I plan to be the best me I can and change the world in many ways," she added.

Tahni decided to run for Pioneer Days Queen "because of the chance to be a role model for others and make an impact in this community."

Indigo is a freshman at Ray High School and is 15 years old. She is the daughter of Julie and Dustin Patterson of Kearny.

She is a member of the Science Club, serving as secretary, Copper Basin Jr. Chamber of Commerce and Drama

Club. She plays volleyball and basketball and runs track. She is also on the honor roll.

Indigo volunteers at events sponsored by the Copper Basin Chamber of Commerce and has volunteered at the Hayden Golf Course and Hayden Senior Center.

Her hobbies include watching makeup and hair tutorials, baking and cooking, fishing and going on road trips with her family.

"My hopes for the future," she said, "consist of going far in life, going to college and being successful in my career choice. I would like to be in a place where I love and be happy with

my life."

Indigo decided to run for Pioneer Days Queen for the experience and meeting new people.

"Running for Pioneer Days Queen is building my confidence and is also improving my public speaking," Indigo added.

Running for Jr. Queen is 13-year-old Mia Barragan, an eighth grader at Ray Jr. High School. She is the daughter of Mario Barragan of Hayden.

Mia has participated in the Elks Lodge Hoop Shoot, has been named to the honor roll and is vice president of Student Council. She plays basketball,

volleyball and softball. She has volunteered at Mrs. Newman's house, at the senior center and during a golf tournament. She is an altar server.

Her hobbies include hunting, fishing, basketball, volleyball and softball. Her future includes attending and graduating from college and then on to become an actress.

"I'd want to become a role model for upcoming girls who would like to run for Pioneer Days Jr. Queen or Queen," Mia said. "Not only that, but because my older sister Marissa Barragan was last year's 2017 Jr. Queen, and it'll be nice to feel like a princess for a day."

Ariza is also 13 and an eighth grader, although she attends school at the San Manuel Jr. High School. She is the daughter of Luisana and AJ Castillo of Mammoth.

She is a member of Student Council and plays basketball and volleyball. She

also runs track and is a cheerleader. She attends Confirmation classes at her church.

When asked about her hobbies, Ariza said, "I like to draw, play sports, go shopping, participate in after school activities and hanging out with my family."

Ariza plans to attend college and build her own home decor fashion company.

"I'm running for Jr. Queen because I knew it would be a fun experience!" Ariza said. "I enjoy trying new things and meeting new people."

Kaylin is 14 and an eighth grader at Ray Jr. High School. Her parents are Kelli and David Pacheco of Kearny.

Kaylin enjoys drawing, reading and creating stories and plans to become a game designer.

"I decided to run (for Jr. Queen) because it's a way to meet new people and also a way to help out my community," she said.

These girls are asking the support of the community, so if you see them out and about please purchase a ticket or two. Tickets are \$1 and there are three cash pay outs, \$150, \$250 and \$500. The Queen Crowning and cash drawings will be held during the Pioneer Day activities.

We wish all these beautiful young ladies the best of luck.

Copper Corridor communities pledge support for Expect More Arizona

By Mila Besich-Lira
Copper Area News

The Town Councils of Kearny, Hayden and Superior have all passed resolutions in support of Expect More Arizona. The overall goal of Expect More Arizona and the Center for the Future of Arizona is to improve educational attainment by 2030 throughout the State of Arizona. Expect More Arizona has taken a great amount of care to ensure that every community in the state is aware of their progress meter and the need for non-partisan collaboration to attain educational goals for Arizona.

“For the first time, Arizona has a vision for education and a consensus among our education community. The Education Progress Meter enables diverse groups from across the state to work together to address critical issues within our education system while making problem-solving relevant to

local communities,” said Lattie Coor, chairman and CEO of the Center for the Future of Arizona. “The Progress Meter is an asset to Arizona and will be instrumental in informing education policy, strategic decision-making and investments to help Arizona prepare our talented young people for success while driving the prosperity and opportunity for all who live here.”

The communities of the Copper Corridor often struggle with youth retention: young people leave due to lack of jobs and educational resources. One tradition the Town of Superior utilizes to celebrate academic achievement is the annual invitation of the Senior Class to the May Council meeting. The Council congratulates each graduate and presents them with a custom key chain and blank key with a letter. The letter congratulates them and encourages them to follow their dreams but to consider coming home when they have

reached their education al goals. The towns of Kearny and Hayden are working on ideas that encourage this collaboration as well. The Town of Mammoth is planning on having Expect More Arizona to a future council meeting as well.

Today the statistics around educational attainment are grim, low teacher pay, low math and reading scores. The goals by 2030 are to have education attainment at 60% from today's 40%. To increase post high school education

enrollment from 53% to 70% to increase high school graduation from 78% to 90%, improve the percentages of skill students passing the 8th grade math and third grade reading scores and to improve quality early learning.

In the adoption of the resolutions the Town Councils agreed that education must be a top priority to ensure a strong economic future and higher quality of life. In the communities of the Copper Corridor, there is usually positive collaboration amongst the

schools and the municipalities; however the disconnect often happens at the state level, where funding is based on enrollment, making it harder for small schools to compete for teachers and are often left stretching resources.

The jobs of tomorrow will require all young people to attain higher education and skills. Expect More Arizona has online resources and ideas to help everyone understand the importance of working on education attainment. You

can learn more about the Progress Meter online at www.ExpectMoreArizona.com.

Medications accepted are listed on the front of the collection box and include prescription pills, patches, prescription ointments, over-the-counter medications, vitamins and pet medications. Items that cannot be disposed of in the box include needles, lotions, liquids, aerosol cans, inhalers or thermometers.

It is critical that these leftover medications be disposed of properly. However, Hayden Police Department warns people not to flush them into the water table or to throw them in the trash where they can be recovered by children or others.

Prescription drug abuse is a serious problem among our youth. These drugs are often obtained from leftover drugs in family medicine cabinets. Teens have died from mixing these drugs without knowing that mixing some of them can be dangerous and sometimes fatal.

Seniors have also suffered by accidentally taking the wrong medication when unneeded medications were left in their cabinet.

Chief Tamatha Villar stated, "The Hayden Police Department has made it a priority to work with our partners in Gila County to help increase public safety and the safety of our most vulnerable populations through the collections of these often dangerous medications."

Ray's Rodriguez, Yocum reach scoring milestone

Savannah Rodriguez

Shelby Yocum

By Andrew Luberta
Copper Basin News

Ray girls' basketball stars Shelby Yocum and Savannah Rodriguez each eclipsed 1,000 points scored earlier this season.

Rodriguez, a senior captain, reached the mark just before the holiday break in December and enters this weekend's state tournament with 1,138 career points.

Yocum, a sophomore captain, projects to reach 2,000 points scored before her Lady Cats' career is finished. She scored her 1,000th point in a 77 – 22 victory against Miami on Jan. 12.

Yocum, who participates in three sports, has averaged nearly 22 points per game during her two years at Ray and now has 1,173 points in less than two seasons.

"A big part of it was my teammates," answered Yocum, when asked to what she attributes her success. "They helped me get the ball, including steals, that led to fastbreaks."

Extra work during the offseason helped too.

"Going to camps and dedicating a lot of my time to improving and being the best player I can be," she added.

Congratulations, ladies!

Ray, Hayden basketball teams reach State Championship

By Andrew Luberta
Copper Basin News

The Ray boys' and girls' basketball teams along with the Hayden girls' team will begin their quest for the 2018 1A State Championship this week in Prescott.

The AIA announced the 16-team field, seedings and first-round games during its selection show last Saturday.

The No. 3-seed Ray girls' team, with a record of 21-6-1, will face No. 14 Bowie/San Simon (14-9) in the first round on Friday, Feb. 16, at Prescott High School. The game is scheduled for 10:30 a.m.

With a win, the Lady Cats would play the winner between No. 6 Mogollon and No. 11 Red Mesa in the quarterfinals on Saturday, Feb. 17. Game location and time will be announced later this week.

Ray enters the tournament with high expectations considering two of their six losses were against 4A Higley and 5A Willow Canyon. Two other losses were against Ft. Thomas, the top seed in the girls' bracket.

Defense wins championships, according to at least one Ray player.

"We need to stay focused on our defense and not let up any back door or easy shots," Lady Cats' sophomore leading scorer Shelby Yocum answered when asked what her team needs to do to have success this weekend.

No. 15-seed Hayden (12-8) takes on No. 2 Sat Michael (18-6) in the opening round on Friday at Bradshaw Mountain High School. Tipoff is scheduled for 3 p.m.

The winner between the Lady Lobos and the Cardinals will face either No. 10 Anthem Prep or No. 7 St. David on Saturday.

The No. 13-seed Ray boys' team will open the state tournament against No. 4-seed and defending 1A State Champion NFL Yet Academy on Friday at Prescott High School. The game is scheduled for 9 a.m.

Friday's game between the teams will be the third this season with the Eagles cruising to lopsided wins in the previous two meetings.

The winner will face either No. 5 Williams or No. 12 Baboquivari in Saturday's quarterfinal game.
