Former Mammoth Councilman found deceased following missing person search

By **Jennifer Carnes**
San Manuel Miner

The search for missing Mammoth resident Bob Sloan came to a sad end Thursday afternoon when Mammoth Police and members of Pinal County Sheriff's Office Search and Rescue located his body in the desert in Pinal County outside of the Mammoth town limits.

Sloan was reported missing by his family on Tuesday, Feb. 8, after he left his home in the area of Hetzel Avenue to drive to

his friend's home. Family members said he left at 11 a.m.

Mammoth Police entered a missing person report and began a search of Mammoth and the surrounding areas. They also contacted Arizona Department of Public Safety which issued a Silver Alert for the 85-year-old man. Mammoth PD acted as a liaison between the Sloan family and law enforcement during the search.

According to Mammoth Police Chief Hank Mueller,

a concerned citizen reported to Mammoth Police that they found what they believed to be Sloan's vehicle in Pinal County Jurisdiction just outside of the Town of Mammoth on a primitive road.

Mammoth PD immediately responded to the area, located and confirmed the vehicle was indeed Sloan's. Sloan was nowhere to be seen in the immediate area of his vehicle.

The search was turned over to Pinal County

Sheriff's Office Search and Rescue, although Mammoth Police continued to assist in the search under SAR's guidance. An air unit was launched to assist in the search. Shortly after, Sloan's body was located in the desert area by SAR.

"The Mammoth Police officers that were involved were impressive in their work and in their kindness," a member of Sloan's family told the *Miner*. "Boy, they really

liked Dad. He spoke highly of the newer officers."

Sloan served on the Mammoth Town Council and stood as Police Commissioner for a while.

"I did not expect the degree to which (the police) spoke highly, and knowledgeably, of him," the family member added. "It was really touching."

"Mammoth PD would like to express our deepest condolences to Mr. Sloan's family and to our entire community," said Chief

Bob Sloan

Mueller. "He will be missed."

Public comments sought on changes to Air Force training areas

The Copper Corridor region is used to playing a large role in the practice and training of both US and Arizona air troops. It is not uncommon to see several Air Force jets flying in formation or hearing the jets whiz by over your head on a walk or even an occasional and accidental sonic boom will rock your house. Authorities believe that the Telegraph and Mescal forest fires this summer may have been started by flares that did not extinguish before hitting the ground.

Leaders and land managers that are in the Outlaw, Jackal, Morenci and Reserve Military Operations Areas (MOAs) were notified that the Air Force had filed an Environmental Impact Statement that was subsequently published in the Federal Register. An Environmental Impact Statement is a series of studies and public comment period which helps to evaluate if the requested actions by a company or government entity would affect public lands, animals, or humans.

On Tuesday, Feb. 8, the Air Force hosted a public meeting at the Superior Town Hall, one of seven public hearings that is designed to help the public better

understand the process, learn about what the Air Force is requesting and also allow the public to comment on the proposed plans. Comments must be received by March 4.

The majority of the Copper Corridor is affected by these plans as the communities of Superior, Miami, Globe, Kearny and Mammoth are located within the Outlaw MOA, with San Manuel and Oracle just outside of the Outlaw district. The Jackal MOA also covers the mountains and canyons such as the Aravaipa Canyon all the way to Safford.

In the scoping document for the EIS, the Air Force explains that in order to continue to train properly they need to utilize existing military air space more aggressively, as other air spaces are more congested. This will also allow airmen to train and practice closer to their home bases. The air spaces are used primarily by Davis Monthan Air Force Base, Luke Air Force Base and Morris ANGB.

According to their website, the MOAs that are currently used for Air Force training in Arizona, specifically low altitude airspace

Continued on page 5

WHAT ARE THE PRELIMINARY ALTERNATIVES?

Alternative Selection Process
The Proposed Action and any alternatives must meet the following objectives:
- Only optimize airspace managed by the Air Force. The Air Force cannot modify another service's airspace or rely on its availability to accomplish daily requirements.
- Optimize airspace within a reasonable distance from the bases.
- Preserve the existing MOAs to support low-altitude training and supersonic operations at lower altitudes.
- Increase variety of terrain in existing MOAs overflown during low-altitude training to improve training realism.
- Adjust the published times of use of existing MOAs to better align with how they are used.
- Reduce size of restricted areas for non-hazardous training to improve availability of the high-demand airspace and five-five ranges at Barry M. Goldwater Range for hazardous training.

Your Input is Needed!
Scoping is the process of requesting input from the public and other stakeholders on the alternatives to include in the Draft EIS. Reasonable alternatives must meet the objectives defined above.

Alternative 1: No Action
Under the No Action Alternative, none of the existing MOAs would be modified and training requirements would remain unmet.

Alternative 2
Alternative 2 would fully optimize the existing MOAs. Proposed changes include:
- Updating published time of use to how they are currently used.
- Expanding size of Tombstone MOA.
- Lowering the floor of Tombstone, Outlaw, Jackal, Bagdad, and Gladstone MOAs.
- Authorize the use of shaft in the Tombstone MOA.
- Lowering the altitude for releasing flares in Tombstone, Outlaw, Jackal, Bagdad, and Gladstone MOAs.
- Authorizing supersonic operations down to 5,000 feet AGL in Tombstone, Outlaw, Jackal, Morenci, and Reserve MOAs.

Alternative 3
Under Alternative 3, the horizontal expansion of Tombstone MOA would not occur. The floor of Tombstone MOA would still be lowered. The floor of Jackal MOA would also be lowered. The other proposed changes would be the same as Alternative 2.

Alternative 4
Under Alternative 4, supersonic operations would be authorized down to 10,000 feet AGL in Tombstone, Outlaw, Jackal, Morenci, and Reserve MOAs instead of 5,000 feet AGL, while the system would not fully optimize the airspace for supersonic operations, lowering the authorized altitude would improve the current capabilities. The other proposed changes would be the same as Alternative 2.

For more information, please visit the project website at: www.ArizonaRegionAirspaceEIS.com

The Preliminary Alternatives were presented in the Air Force's EIS.

Miners compete in 2022 Wrestling Sectional Tournament; four qualify for state championships

A Miner wrestler pins his opponent during the sectionals. Nathaniel Lopez | Miner

The Thatcher High School Gym was packed with wrestlers and spectators on Saturday, Feb. 12. Among the crowd was the San Manuel Wrestling team, ready to compete in the 2022 Wrestling Sectional Tournament for Division IV, Section IV. Two mats lay in the center of the gym, with wrestling going by weight classes. The first two rounds of the tournament saw both wins and losses for the Miners.

With the rounds proceeding, the wrestlers with medaling opportunities grew shorter. By the time of the final round, only four Miners were left wrestling. Those four were Raymond Garcia, Jakob Tafoya, Aiden Lozoya, and Aedon Hawkins, all wrestling for third place. Garcia had a tough match; down in points by the third period, he was able to tie it up, but his Mica Mountain opponent was able to score two near-fall points in the final seconds of the third round. Garcia lost 3-5, giving him the fourth place medal for the 113-lb weight class.

Jakob Tafoya also found himself wrestling against Mica Mountain. Tafoya found himself going back and forth with his opponent, trading control of the match. At the end of the third period the scoreboard read 5-5, sending the wrestlers into overtime, the first wrestler to get a takedown would win. The wrestlers

circled and looked for their openings, and in the end, Tafoya was able to get the final takedown, winning 7-5. Tafoya placed third for the 144-lb weight class.

Aiden Lozoya faced off against Thatcher for the second time that day in the finals. The match started off slow, but Lozoya eventually found control, and was the only one to put points onto the board for the match. During the third period, Lozoya was able to once again pin the wrestler from Thatcher, securing the third place medal for the 215-lb weight class.

Aedon Hawkins closed out the night, being one of the last matches. Hawkins put up a tough fight, but wasn't able to defeat his Benson competitor. Hawkins lost by fall in the second period, giving him the fourth place medal at the 285-lb weight class.

"We qualified four out of nine Miner Wrestlers to the state tournament. We fell short of our goal, but we gave it everything we had. I'm very proud of our team effort," stated head coach Daniel Najera, "Our sectional tournament is a gauntlet and coming out of it prepares us for state. We have to dial it in this week and clean up some positions. We will be ready for next weekend."

On Feb. 18-19, the four qualified Miner Wrestlers will compete at the Division IV State Championships at the Phoenix Veterans Memorial Coliseum.

Nine Miners went to the Sectionals in Thatcher. Four qualify for the State Championships.

La Clasica San Manuel turns rural streets into raceway

On Sunday, Feb. 13, the streets of San Manuel once again were a destination for racing bicyclists. UA Racing hosted La Clasica San Manuel presented by Fair Wheel Bikes. This race took the cyclists in multiple loops around the Mammoth-San Manuel PreK-12 School. Racing began around 7:20 a.m., with teams of cyclists beginning their laps around the course, talking strategies and plans for securing winning times. Bicyclists from various ages pushed their pedals and themselves during the race. La Clasica San Manuel had multiple heats taking off all the way into the afternoon.

Lady Miners fall to the Frogs; end season ranked #13

By Nathaniel A. Lopez
San Manuel Miner

The San Manuel girls basketball team traveled to Salome on Feb. 9, to compete in the first round of the 1A State Play-ins. The Lady Miners were going into this game after a close loss in over-time to Lincoln Prep the week before.

"We traveled four hours to Salome to face a team who was ready for the playoff environment," commented Rome Porras-Romero, Lady Miners Head Coach.

The Lady Miners had a rough first quarter, but were able to put up a fight in the second and third quarters. The girls came back from a 12-point deficit in the third quarter. The fourth quarter saw Salome overtake the Lady Miners with speed, growing the point gap once more. The girls played a tough game, but in the end were unable to beat the Salome Frogs, bringing a close to the Lady Miners 2021-2022 basketball season. The final score of the game was 24-50. The girls ended their season ranked #13 in 1A, with an overall record of 10 wins and 5 losses.

"I'm extremely proud of this group of players. Each one of them played a huge role this year. We had between five and eight players active on the roster the whole year, constantly rotating players due to out of school obligations, covid protocol, or injuries. What these girls were able to overcome this year is nothing less than spectacular," said the coach. "This team earned the school's first 10-win season in nearly a decade. Led by Aubrey Encinas, who is the first Miner to score over 1,000 points in their career, and Natalye Pinedo, who led the conference in assists. Not to mention, both of these girls are top 10 in their graduating class for GPA."

Congratulations, ladies, on a great season.

AIR FORCE

Continued from page 3

and airspace that supports supersonic operations at low altitude, have become saturated with aircraft. While the Air Force manages an extensive network of valuable SUA in the region, including the restricted areas associated with the Barry M. Goldwater Range, the volume and attributes associated with the individual MOA are insufficient to meet the current training requirements. The Air Force is proposing a regional approach that aims at optimizing the existing training airspace to meet current and future mission requirements of multiple users. The airspace proposed for optimization includes the following MOAs: Tombstone, Outlaw, Jackal, Reserve, Morenci, Bagdad, Gladden, Sells, Ruby, and Fuzzy. These MOAs overlie land located throughout southern Arizona and a small portion of western New Mexico.

Specifically for the Outlaw and Jackal MOAs, their requested changes would include: flights being operated from 6 a.m. to 10 p.m. Monday through Friday. Currently they are allowed to fly until 6 p.m. and from 6 to 10 p.m. but only with certain permissions via NOTEM. They are also requesting to drop flares at 500 feet in elevation. They are also requesting permission to lower the elevation where flares can be released and also lower the elevation

of supersonic flying.

You can learn more about the specific elevation changes and see maps of the air spaces online at: www.ArizonaRegionalAirspaceEIS.com

Comments can be made online: <https://bit.ly/AirForceEISComments> and must be made by March 4, 2022. You can mail comments directly to: Arizona Airspace, c/o Cardno 501 Butler Farm Rd. Suite H Hampton, Virginia 23666. There are also three additional public hearings: Feb. 22 in Reserve, New Mexico, at Village Hall; Feb. 23 in Morenci at the Clifton Community Center; and on Feb. 24 in Animas, New Mexico at the Animas High School. All of these hearings are scheduled from 5 to 7 p.m.

Once the public scoping period is over, comments will be categorized and the concerns will be studied and evaluated by a private organization that specializes in these type of studies. Once the study is complete, a Draft Environmental Impact Statement will be released and there will be an additional review and comment period. Once those comments are reviewed a Final EIS will be released and a Record of Decision will be signed. It is not expected that this process will be complete until 2024.

DCS'S NOTICE OF HEARING ON MOTION FOR TERMINATION OF PARENT-CHILD RELATIONSHIP

NO. JD202100077

(Honorable Delia R. Neal)
IN THE SUPERIOR COURT OF THE STATE OF ARIZONA
IN AND FOR THE COUNTY OF PINAL
In the Matter of:
DANIEL JOSIAH ZAZUETA
d.o.b. 11/28/2018
Person under 18 years of age.

TO: LETICIA RYAN BAEZA-TILLEY, DANIEL JACOB ZAZUETA, parents and/or guardians of the above-named child.
1. The Department of Child Safety has filed a Motion for Termination of Parent-Child Relationship pursuant to Title 8, of the Arizona Revised Statutes, and Rule 64 of the Arizona Rules of Procedure for the Juvenile Court.

2. The Court has set an Initial hearing on the 8th day of April, 2022 at 9:00 a.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Delia R. Neal for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition.
3. You and your child are entitled to have an attorney present at the hearing. You may hire your own attorney or, if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.
5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your child dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.
6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: MARK A HODGSON, Office of the Attorney General, CFP/PSS, 120 W. 1st Avenue, 2nd Floor, Mesa, Arizona 85210 The assigned case manager is Bridget Nash and may be reached by telephone at (520) 858-7191.

Pinal County redistricting will break up Copper Corridor

Every 10 years, Pinal County is required to conduct a redistricting process that ensures each County Supervisor district has an equal number of residents per district. In the process, they must also consider the connectivity and congruent connection of the district. The process must also avoid separating municipal communities and should try to avoid having incumbent candidates running against each other.

For many years, District One included eastern Pinal County, Eloy, Florence and Coolidge. During the 2010 redistricting process two additional Supervisor districts were added to balance the number of residents per district. Declining population in the Copper Corridor is affecting the ability to keep the mining communities of Superior, Kearny, Mammoth, San Manuel and Oracle together. Collectively, this part of the Pinal County is known as the Copper Corridor.

Pinal County staff has presented two options for the Board of Supervisors to vote on. Prior to the Board of Supervisors voting on final maps, there are a series of community input listening sessions. Both proposals will chop up the eastern portion of the County.

Plan A proposes that Superior join a district with Apache Junction, Gold Canyon, Queen Valley, Top of the World and a small portion of unincorporated population north of the San Tan Valley Area. This district would be known as District 5. Kearny, Mammoth, Aravaipa, San Manuel, Mammoth and Oracle would remain in District 1 with this district also including Florence and Coolidge, along with all the

unincorporated areas in between. The communities south of Oracle including SaddleBrooke, Marana and Red Rock will remain in District 4.

Plan B proposes that Superior and Kearny join District 5, which would also include a small portion of prison population in Florence, Apache Junction, Queen Valley, Gold Canyon, Top of the World and a small area north of San Tan Valley.

The Copper Corridor communities historically have been in one Supervisor District which helps to maintain interest among like communities. Both plans will place communities of the Copper Corridor into districts where they will be combined with much larger and more urban districts.

Residents of Pinal County are urged to participate in the public comments. There

will be a public hearing in San Manuel on Thursday, Feb. 17, at the San Manuel Community Center from 6 to 7 p.m. The community center is located at 111 W. 5th Avenue. Following the community outreach events, the Pinal County Board of Supervisors will vote on a final redistricting map. The Board of Supervisors are expected to vote on the final maps in early March. The redistricting will not take affect until the next election in 2024. This will allow for voters to either vote for incumbent or another candidate.

If you are unable to attend the public meeting in San Manuel or one of the other meetings held throughout the County, you can also go online to make your own comment or make your own map preference: <https://bit.ly/3sD6Mzb>.

Proposal A, above, and B, below, will have the Copper Corridor split into two different districts.
