"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians"

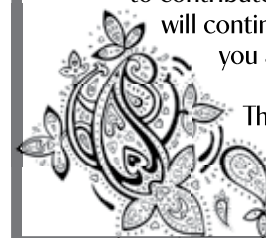

—David Brinkley

An extremely sincere and heartfelt "Thank You" goes to each and everyone of you who attended the party on Jan. 21st and helped me celebrate my 96th birthday. I am particularly grateful to family and friends who traveled long distances to attend and wish me well. I express my very genuine appreciation to the Red Bears, all my VFW family, all who planned and managed the event, those who decorated the VFW Hall, all who provided food, and each and everyone who contributed in any way. I was able to see so many of you that I hadn't seen in years. You all made it so very wonderful! My love to everyone,

Ray Ramirez

On the 6th month anniversary of my husband, Pastor Dennis Van Gorp's death, I would again like to thank everyone that reached out and continues to reach out with your kindnesses. To my amazing and kind neighbors among other things helping me with my yard, go fund me for van repair, encouragement and friendship, blessings to you all. To the Superior Food Bank board and volunteers for encouragement and stepping in and continuing to taking over the jobs and things I couldn't get to and for your continued understanding and patience, may God bless you all. To the stores and restaurants that helped and encouraged me in my dilemma, thanks and blessings so very much for your encouragement. To the Town of Superior and Rebuild Superior for the honors and recognitions you so very kindly bestowed on my husband in memorium of his death, may God richly bless you. Thank you paramedics for stepping in and trying to revive my husband, your chaplain. Thanks also to the officer that was here. God bless my church family for their continued prayers, encouragement and understanding. I love this town and fell in love with it when I first saw it (I was only 11 years old). I count it a privilege to live here for the past almost 27 years. Superior Chamber of Commerce and other organizations, my hat goes off to you! Thanks to all that contributed and continue to contribute to the Superior Food Bank. I will continue to do my best to work with you all to make this town the best place on earth to be.

Thanks again! Have a great year!

Mayor's Minute - Following the Legislature

In August 2022, it was an honor to be elected by my peers to the officer position of Treasurer for the Arizona League of Cities and Towns. As Treasurer, I also serve on the organization's Executive Committee, and along with other public sector officials, serve as a steward not only for our Town of Superior, but equally important, for Arizona's other 91 cities and towns.

Currently, there are several bills proposed by our State Legislature that will have devastating effects on our communities. It is often concerning to me how disconnected many of our legislators are from the day-to-day lives of the people of Arizona. Some of the bills that are making their way through the legislative process range from imposing zoning restrictions to repealing grocery and rental taxes for cities and towns. Of course, these bills are praised by their sponsors and supporters as a means to provide inflation relief and increase affordable housing. Unfortunately, as they are written, these bills will only hurt cities and towns and can destroy the character of our unique and often historic neighborhoods. Ending the ability for cities and towns to levy rental and food taxes will be unfair for all residents of Arizona, as not every city and town has a rental or food tax.

SB 1117 - This bill would create by-rights zoning across Arizona, which would mean the local planning and zoning

process would no longer be applicable and developers could build whatever they wanted to build in any particular neighborhood. This bill is supposed to help increase affordable housing opportunities, but what it means is there will be little to no checks and balances to ensure that new development helps to maintain or enhance a neighborhood. A developer could build up to 10 residences on one acre which might be fine and acceptable to some neighborhoods but could be harmful to others.

SB 1063/SB1098/HB2061/SB1184/HB2067 - These bills eliminate critical local revenue and do not provide meaningful relief to all consumers because not every city or town has grocery or rental taxes. These bills propose that cities and towns can no longer levy a food tax or rental tax. If these bills are approved by the Legislature and Governor, they would cause a huge hit to the revenues and budgets of communities across the Copper Corridor. While Superior does not levy a tax on groceries, we do charge a rental tax that is charged to the owner of rental properties. Just for starters, if the rental tax is eliminated Superior will lose around \$11,000 in the beginning and as the years progress, that number will increase up to \$65,000. For our neighboring communities, the cost of losing revenue from grocery taxes and rental taxes will truly affect their ability

to maintain quality public safety, parks and recreation and other important community infrastructure. The loss of food tax revenue for the City of Globe will be \$931,462, which is 15.6% of their general fund revenue; Kearny will lose \$22,311 or 2.9% of their general fund budget; Mammoth will lose \$77,653, which is 14.8% of their general fund and Winkelman will lose 5.8% of its general fund or \$8,917.00. General fund revenues for cities and towns in our state are the most flexible revenues that can go to parks, public safety and administration; they are not restricted for example, to only pay for road work.

These are only the bills that affect revenues to cities and towns, there are countless other bills that can hurt our public school systems and much more. There is some hope that a bill to appropriate transportation dollars will provide funding for our much-needed Panther Drive low water crossing. The Copper Corridor is represented by Legislative District 7 elected officials, Senator Wendy Rodgers, Representative David Cook and Representative David Marshall. It never hurts to reach out to them to share your concerns.

You have probably noticed some construction at the airport and throughout town, all of that digging and trenching is part of our wastewater treatment plant improvements and renovations. This

MAYOR'S MINUTE

Special to the Sun

project took us several years to begin construction with engineering delays, COVID and of course inflationary costs. These improvements will be a cost savings to the town as the plant will function with much better energy efficiency, provide a backup system to ensure our sewer system is always able to function properly and also improve access to sewer mains in older neighborhoods. We began the funding and preliminary engineering for this project, in 2015. Yes, too often, progress on these types of essential projects is very slow, but we are excited to see this project under construction.

Another fun project that will be starting

MAYOR'S MINUTE

soon is the rainwater harvest garden that will be constructed on the Coleman Alley lot on Main Street (this is the empty lot behind the businesses that face Magma Avenue). This project is funded through the Water Now Alliance Leadership program that the Town of Superior was selected to participate in. Our water leaders Ashley Hullinger from the University of Arizona and Raluca Mihalcescu from Arizona Water Company attend the leadership program and are assisting the Town with long term water sustainability projects. This rainwater garden will be an educational park on how to landscape in ways that save water and will also serve to divert and capture storm water to keep it

from flooding other areas. Long term, having more of these water gardens throughout our community can help reduce flooding during storms and most importantly keep water in our local wells and replenish aquifers.

In March, our local chamber of Commerce will be hosting the annual Mining Festival. They have a long list of entertainment and activities planned for the weekend of March 10, 11 and 12th! They still need several volunteers and are also inviting parade entries, give the Chamber a call if you want to get involved 520-689-0200.

As always, it is an honor and pleasure to serve as the Mayor of Superior.

Together, We are Superior!
