Tim Kanavel Remembered

On Feb. 9, 2021, Tim Kanavel lost his battle with complications due to COVID-19. Kanavel was Pinal County's first Economic Development Director, hired in 2009. He helped to improve the economic health of the entire county and was a friend to the Copper Corridor.

Over his tenure with the county, he helped to secure over \$8 billion dollars in investment, locating Lucid Motors and Nikola Motors to Pinal County. During his career he also helped to designate the Opportunity Zones which helped the communities of Superior, Kearny and San Manuel to receive this designation.

He was instrumental in helping the Arizona Zipline Adventures in Oracle to work through their development plans. He also found ways to help support the Copper Corridor Economic Development Coalition and Oracle Women's Network work on local and regional economic development projects.

"The value of a man should be seen in what he gives and not in what he is able to receive. (Albert Einstein). To the Oracle Community, Tim gave his

attention, advice, support and ever growing enthusiasm that our town would succeed economically and socially. We will miss his enthusiasm, but also his gift of conversation and the feeling of accomplishment he bestowed upon us. He was a valued friend. Local leaders in the Copper Corridor reacted to the loss of Mr. Kanavel" said Alicia Bristow, President of Oracle Women's Network.

"Tim Kanavel was one of our biggest supporters through every step of creating Arizona Zipline Adventures. He came out many times while we were in the process of permitting, building, and even more while we were operating. Over the past 5 years he became more than an advocate for us, though. He became a friend. Tim always walked in with a smile and genuinely wanted to hear how we were doing before telling us about his next big project that would enrich Pinal County. We feel so lucky to have known Tim so well, and are deeply saddened by his death. Sending our thoughts and prayers to Tim's family and loved ones," said Emily Goff from the Arizona Zipline Adventures.

Regional economic development professionals also expressed their deep loss for Tim. He was well known as a mentor and someone who was there to help lift everyone up.

"Tim was one of the best mentors, supporters, and personalities I have come across in my career. Tim was always there when I had questions in the economic development world and was always a big supporter of the Resolution Copper Project. His work and contributions in Pinal County are immeasurable and his positivity will be greatly missed!" said Bryan Seppala, AZED Pro, Advisor – Economic & Workforce Development for Resolution Copper.

"Tim quickly became a mentor, a friend and he was someone you could count on. He embodied the can-do spirit and was tireless in his efforts to improve the economic health of the entire county if it were not for his efforts, the CCEDC may not still be in existence today. I will miss working with him and as our organization continues to grow and development, his legacy will continue to help our region thrive," said Mila Besich, Executive

Director of the Copper Corridor Economic Development Coalition and Mayor of Superior. Michael Carnes, general manager of *Copper Area News*

Publishers and former president of the Copper Corridor Economic Development Coalition, said, "Tim was a true asset to Pinal County. We may not see his like again."

There is no doubt that Tim will be missed. His tireless work and enthusiasm will be producing long term economic uplifting for Pinal County for decades to come.

Copper Area News offers our deepest and most sincere condolences to Tim's family, friends and colleagues. We will also miss him.

New rules, regulations

By **Nathaniel A. Lopez**
San Manuel Miner

It has been a rocky road for the Miner wrestling team this year. It all started when the season seemed like it was up in the air. The team had already begun practicing when they received the news of the AIA decision to cancel winter sports. Upon that news the team had

to cease practicing. It wasn't until after the AIA Board voted to overturn their decision, that the Miners were able to resume practicing.

Much like most sports during these new times, wrestling faces new rules, regulations, and restrictions. Every wrestler competes wearing a face mask, which Miner wrestling coach Mike Borg referred to as a

challenge they learned to cope with. In attempt to minimize contact, in a full contact sport, wrestlers are not allowed to shake the competitors', or coaches' hands following the end of the match. The wrestlers have also encountered trouble with new locker room regulations, that forbid teams to shower following matches. Even the weigh-ins have changed in an

attempt to stay on top of new health regulations.

Another challenge that can be noted is the decrease in matches for the overall season. Due to the inability to host or attend tournaments, the only competition the Miners have seen is team versus team duels.

"For what season we do have, it's been pretty good," commented coach Borg.

"Although, we don't carry a full team."

The Miners carry an 11-person team this season. The lack of wrestlers leaves vacant spots throughout their weight-classes, causing them to give up a lot of points from forfeits.

"It's different than the last three years," said senior Adrian Romero, "We just had to make adjustments."

The Miners have a couple duals left

before the state competition.

"My goal is to make it to state and place," said Adrian Romero, hopeful to make it to state for the third time out of four seasons.

Coach Borg is proud of his team for facing a different, and new season, and rising to the challenges. Coach Borg is also hoping that the Miners can end off the season strong.

Off With Their Heads

Copper Area News has received some articles from a former corrections officer from Arizona State Prison. This retired officer spent 25 years with the Arizona Department of Corrections working all custody levels from juvenile detention units to Death Row. The author wishes to remain anonymous. He hopes to provide the readers with a view of what it is like working with inmates and what life is like behind prison walls.

INTRODUCTION

The job of a corrections officer is

not easy. The nature of the job, working with men or women behind bars can be stressful. Working in high custody units can add to the stress. The Arizona Department of Corrections has a high staff turnover rate. One in five staff members quit within the first couple of years of being hired or use the training and experience they receive to transfer to Sheriff departments or Federal corrections.

Maximum custody inmates are either there because they are doing

long sentences, are convicted of violent crimes or they are problem inmates while in prison. Inmates on Death Row are under a sentence of death and have nothing to lose by acting out against staff or other inmates. Officers must always be on the alert to prevent these inmates from harming other inmates or staff. To understand the type of inmates that are housed on Death Row, I will provide you with a few of their stories, the crimes they committed and some of their prison life.

BEHIND THE WALLS

Stories from Arizona State Prison
Compiled by John Hernandez

On December 12, 1924, Robert B. Sims, Warden of the state prison in Florence was arrested and charged with exhuming and removing the heads of two inmates who had been executed by hanging. In another legal action, Sims was accused of “inflicting cruel and inhuman punishment” on C.E. Howard an inmate at the prison. The charges were filed by Mrs. C.E. Howard who claimed that her husband was being held in a darkened cell in solitary confinement since July 20, 1924 and was fed only three slices of bread per day and water.

Mrs. Howard charged that Warden Sims willfully and unlawfully aided, abetted and caused the dead bodies of Paul V. Hadley and Theodore West to be removed from their graves and their heads severed without authority of law, a felony. Hadley had been executed almost two years previously and West had been executed a few months prior to the incident. They had both been hanged for murder.

Arizona Governor, G.W.P. Hunt issued a statement about the charges. He said that the charges that Sims had exhumed the bodies of the two inmates and severed their heads was true but that no state law had been violated. The Governor explained that following Hadley’s and West’s executions that no friends or family claimed the bodies so they were buried by the state in Potter’s field at the prison. After a number of months, no

one had inquired about the bodies. Warden Sims assumed the authority that he had as much right as to the disposition of the bodies as anyone and conceived the idea of using the skulls for scientific research. They were sent to the Wistar Institute in Pennsylvania.

Warden Sims denied the other charges saying there was no dark cells at the prison and he had not held inmate Howard in solitary confinement since July 20. He had placed Howard in solitary because they had information that he was going to escape. A gun and money had been smuggled in along with letters from cohorts on the outside. On the charge of mutilating the bodies, Sims

said that no laws were broken in using the skulls for scientific purposes. The skulls had been sent to a scientific institute in Philadelphia. A preliminary hearing was set for Sims to be held at the Pinal County Superior Court in Florence.

Governor Hunt and Warden Sims were both against capital punishment. At one time Hunt was President of the national organization, Anti-Capital Punishment Society of America. At the time some criminologists believed in the pseudoscience known as phrenology which was the study of the human skull. The theory was that the shape and size of the skull could determine character and mental abilities. Hunt and Sims felt that if the physical characteristics of one’s cranium pre-disposed a person’s character, personality, behavior and mental capacity, then a murderer shouldn’t be executed as their actions were not of their own free will.

Hunt said at the time, “I believe there is a better method of dealing with those who have violated extreme laws than that of execution. It seems to me praiseworthy to do anything to assist in finding better and more humane methods of dealing

On Jan. 8, 1925, the case against Sims involving the alleged complaint that Sims had violated a court order by allegedly keeping inmate C.E. Howard in solitary confinement and inflicting cruel and inhuman treatment was dismissed by the Maricopa County Superior Court for lack of jurisdiction. On Jan. 30, 1925, it was reported that Sims would be held accountable for the beheading and mutilation of two bodies. A bond of \$500 was set which Sims paid. Witnesses subpoenaed for the trial included a paroled prisoner who had seen Sims at the barn where the heads of West and Hadley were boiled to get at the skulls and a released prisoner who had seen men digging up the

Lady Miners post nail-biting win over Duncan

By **Nathaniel A. Lopez**
San Manuel Miner

Miners ended the first quarter with a one-point lead. Unfortunately, the girls were not able to keep up with their competitor's growing lead. The final score was 29-5.

The boys team also was unable to secure the win against St. David. "We started out slow," said Coach Lovato. "Against a team like that you have to come out fast."

The final score of the night was 35-70. "We made a lot of mistakes we know we could fix," said sophomore Zackary Snelgrove. "If we play our best against Duncan, I know we can beat them."

Thursday, Feb. 18, the Miners made their way to Duncan. Only one of the teams were able to walk away with the win.

The boys team once again fell short of securing the win, ending their game with a score of 35-72.

The Lady Miners played an intense rematch against Duncan.

"It took every single one of our players to come out on top," said girls coach AJ Rome.

The coach credited Natalye Pinedo's two steals, as crucial to slowing down Duncan's momentum late in the game. Victoria "Spuds" Zazueta swished two free-throws, putting them up by 3 points, with 23 seconds left in the game. Duncan was able to get caught up, putting the game at 40-40 with only 7 seconds left. After receiving a deep pass, Natalye Piendo took a solid shot, but it rimmed out of the hoop.

"Because of great positioning, the rebound fell into the hands of Aubrey Encinas," said Coach Rome. Encinas made the rebound, and the game ended with a buzzer beating score. The final score was 42-40, sending the Lady Miners home with the win.

The following Saturday, Feb. 20, the boys team traveled for another game against San Simon. Unlike their last game against them, the boys were unable to come out victorious. The boys played a close game, but the final score was 57-68.

Both teams will have a busy week with two away games against Desert Christian, and Valley Union. Saturday, Feb. 27, the Miners will host Fort Thomas.

The Miner basketball teams had a week full of travel for their away games and while both teams showed a lot of hustle, San Manuel only had a single win.

On Feb. 16, the boys and girls traveled to St.

David to play them for the second time. Both teams ended the night going home without the win. The Lady

While Sims was awaiting trial, a bill was introduced in the Arizona Senate that provided: “that the bodies of convicts dying in the penitentiary may be disposed of by the Warden for scientific purposes if they are unclaimed within 24 hours after execution; it directs that neither the Warden nor his agents shall be prosecuted for such disposition of the bodies and further, directs the discontinuance of any action that may have been instituted against the Warden for the violation of the present state law which has been carried over from territorial days.”

Senate Bill 20 was introduced by Senator Leslie C. Hardy of Santa Cruz County. It was signed into law by Governor Hunt on Feb. 9, 1925. It had

clearly been written for the purpose of relieving Warden Sims from all responsibility for the removal of the skulls of Theodore West and Paul V. Hadley. The law also provided that the Warden shall not be subject to prosecution for such

an act either in the future or for acts committed in the past. Charges were dropped against Warden Sims.

The skulls of the two Arizona convicts were last known to be at the museum of the Carnegie Institute in Pennsylvania.

Public Notice

PUBLIC NOTICE OF HEARING ON CORONADO UTILITIES, INC.'S APPLICATION FOR A DETERMINATION OF THE FAIR VALUE OF ITS UTILITY PLANTS AND PROPERTY AND FOR INCREASES IN ITS RATES AND CHARGES FOR WASTEWATER UTILITY SERVICE. (DOCKET NO. SW-04305A-20-0346)

Summary
On November 20, 2020, Coronado Utilities, Inc. (“Coronado” or “Company”) filed an application with the Arizona Corporation Commission (“Commission”), in Docket No. SW-04305A-20-0346, requesting an increase in its rates and charges for wastewater utility service in its service area in San Manuel, Pinal County, Arizona. In addition to the rate increase, Coronado requests approval of a disconnection tariff and renewal of its low-income tariff.

Coronado requests authorization to increase its wastewater rates to generate total revenues of \$1,030,494. This would constitute an increase in revenues of \$48,007, or 4.89 percent, over adjusted test year revenues of \$982,487, resulting in a 7.23 percent rate of return on Coronado’s proposed fair value rate base of \$1,448,336. If the Company’s request is granted as proposed, the monthly bill for a residential customer would be \$56.75, a \$2.75 or 5.09 percent increase from the present monthly bill of \$54.00.

The Company also proposes adoption of a disconnection tariff. The tariff authorizes reimbursement to Coronado of the costs that Coronado would be charged by Arizona Water Company (“AWC”) in order to terminate wastewater utility service via water disconnection to a common customer of Coronado and AWC. Under the proposed tariff, water utility service will be restored to a disconnected customer once Coronado receives payment in full or a payment plan is arranged for all past due amounts for sewer utility service, the fee to disconnect and reconnect water utility service, and AWC’s lost revenue.

NEITHER THE COMMISSION’S UTILITIES DIVISION (“STAFF”) NOR ANY INTERVENOR HAS YET MADE ANY RECOMMENDATION REGARDING THE COMPANY’S APPLICATION. THE COMMISSION IS NOT BOUND BY THE PROPOSALS OF THE COMPANY, STAFF, OR ANY INTERVENORS. THE COMMISSION WILL DETERMINE THE APPROPRIATE RELIEF TO BE GRANTED IN RESPONSE TO THE COMPANY’S APPLICATION BASED ON THE EVIDENCE PRESENTED IN THIS MATTER. THE FINAL RATES APPROVED BY THE COMMISSION MAY BE HIGHER, LOWER, OR DIFFERENT THAN THE RATES PROPOSED BY THE COMPANY OR BY OTHER PARTIES.

If you have any questions concerning how the Application may affect your bill or other substantive questions about the Application, you may contact Coronado Utilities, Inc. at: **Coronado Utilities, Inc. Customer Service Center, P.O. Box 2389, Prescott, AZ 86302-2389; or by calling 888-519-4719 (TOLL FREE); or by emailing info@pivotalcompanies.com.**

DCS'S NOTICE OF HEARING ON DEPENDENCY PETITION
NO. JD201600153

 IN THE SUPERIOR COURT OF THE STATE OF ARIZONA

IN AND FOR THE COUNTY OF PINAL

In the Matter of: AVYAAH VIDAL VALLE MAHER d.o.b. 12/14/2020 Person under 18 years of age. TO: AMANDA REA WIESSNER, VIDAL VALLE, and JOHN DOE (a fictitious name), parents and/or guardians of the above-named child.

1. The Department of Child Safety has filed a Dependency Petition pursuant to Title 8, of the Arizona Revised Statutes, Rules 4.1 and 4.2 of the Arizona Rules of Civil Procedure and Rule 48(D) of the Rules of Procedure for the Juvenile Court.

2. The Court has set a continued initial hearing on the 24th day of March, 2021 at 10:30 a.m. and a publication hearing on the 4th day of May, 2021 at 4:00 p.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable DeLana J. 3. You and your child are entitled to have an attorney present at the hearing. You may hire your own attorney or, if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.

5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your child dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.

6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: R. Copper Area News is committed to providing our readers with as much information as possible. This graph shows the positive cases as of press time on Feb. 23, 2021. We have also included a graph showing the daily counts for the past week. The state has reported that as of this past week, there has been a decrease in cases statewide. This downward trajectory has not been seen since early September, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more) and practice good hygiene (wash your hands frequently, sanitize high touch areas), stay home if you are not feeling well.

Shop at Home: Mi Pueblito

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

Mi Pueblito Restaurant is known for their fresh homemade tortillas and Mexican food with a Tex Mex flavor. The Mi Pueblito Bakery and Tortilla Factory turns out fresh corn and flour tortillas daily as well as their delicious Mexican pastries. Their building also houses Maria's Ice Cream shop.

The restaurant/tortilla factory is owned by Maria Torres. The restaurant serves Mexican and American

food for breakfast, lunch and dinner. Start your day with an American breakfast bacon, ham, sausage, potatoes and eggs, an omelet or Mexican favorites like huevos rancheros, tamale and eggs or a breakfast burrito. Lunch and dinner menu includes a good selection of burgers, tortas, fajitas, Mexican combination plates and more.

They have inside dining, outside tables and take out.

Mi Pueblito is located at 706 N. Highway 77. They are open Tuesday through Saturday 7 a.m. to 7 p.m., Sundays 7 a.m. to 3 p.m. and closed on Monday. They can be reached at (520) 487-2123. Don't forget to like them on Facebook.
