Good eats at GKI will assist Rotary with scholarships, other community support

On Saturday, March 14, (Pioneer Days weekend) the Kearny Rotary Club will once again be hosting their Steak Cookout Dinner event at the General Kearny Inn from 5 p.m. to 7 p.m. For a donation of just \$25 per person, you can enjoy a generously cut, Certified Angus Beef® New

York Strip steak cooked over a hot mesquite fire by a real local cowboy! The meal comes complete with beans, a baked potato, grilled Texas toast, a salad and your choice of either lemonade or iced tea. Volunteers from the Kearny Rotary Club cut the steaks, bake the potatoes, cook the beans, manage the mesquite fire and custom cook each steak to personal perfection. You may be asking, "Where does that money go?" It turns out that the money goes to many local beneficiaries.

Like other community-minded organizations, much of the money from the Rotary Steak Dinners funds scholarships for graduating seniors at Ray High School. Last year they

were able to give \$4,500 worth of scholarships.

Every year the Rotary Club of Kearny also organizes their "BookShelf Project." They provide the supplies for the Ray High School Shop class to build bookshelves that are presented to every first grader moving on to second grade at the end of the school year. The Rotary Club also buys a selection of eight to 10 books for each student to start their book collection for their bookshelf. These students continue to receive additional books through the end of the third grade. The Rotary Club arranges additional funding from a SaddleBrooke Outreach Program Grant to help with the book purchases. Hundreds of Ray school students have discovered a love of reading through this program, now in its 10th year!

Last year the Town of Kearny needed a \$1,100 hose diffuser so that our fire department could pass state inspection of fire hydrants. Rotary paid for and donated the diffuser.

Rotary donated \$600 to pay for the music and rights for the Ray High School Marching Band to play the theme from the movie "Frozen" during half-time shows for this past football season as well as in parades and at competitions.

For the past six years the Kearny Rotary Club has sponsored and hosted the annual Scholarship Banquet in the courtyard of the General Kearny Inn. They cook and serve a nice meal for all the scholarship recipients and their families as a prelude to the awards ceremony as a way of providing a nice setting for all the recipients to be featured in the spotlight in front of their parents, grandparents, and peers.

All of these good deeds are made possible because the people of the Copper Basin generously support these special Rotary Steak Dinner events. And as a side benefit they get to enjoy the Best Steak Dinner in the Southwest!

We hope to see you there!

LETTER TO THE EDITOR

Remain 'Union Strong'

A little reminder and message to our young generation of workers and union members: The history of our labor unions goes beyond your generation, your parents, your grandparents ... We fight and stand together as brothers and sisters, because of the tremendous fight before us. Unions fought and suffered for you to have safe working conditions, fair wages, benefits, the 40 hour work week with compensation for overtime, a mission to establish the

middle class with livable wages, and the list goes on and on.

To the workers who want to be petty and use social media to slam the union fight that continues, and began way before you have imagined, don't be selfish. If you think these great corporate companies will grant you what you deserve, by all means, negotiate your own individual contract. Just try. Give way to your health insurance, which many workers in other companies would

love to have. Give up on your overtime pay for hours worked during the week beyond the 40 hours. Give up your bonus. Convince them what you deserve to be paid for your skills and insist on tremendous benefits that so many companies do not think you deserve. We, as union brothers and sisters, know the struggle our former and past brothers and sisters have endured. Respect them! They showed pride, dedication, strength, compassion and a fight for many

things that we - you - are enjoying without realizing the sacrifices that were made. We must stand together, support each other, and represent our ancestors with dignity and pride. We - you- should learn how to appreciate a fight that involves, and has involved, so many hardworking men and women. We must remain "Union Strong"!

County Makes Important Donation for Veterans

The recently released movie *American Sniper* has launched a conversation in this country on the treatment of our veterans once they returned from combat activities. This

includes veterans from WW II, Vietnam, etc. It's a conversation that is overdue when you see the effects of soldiers suffering from PTSD and other injuries, some seen, some unseen.

In December, the Board of Supervisors unanimously voted to sell (donate) our unused Discovery Class RV Conversion vehicle to Hiring and Helping Our Heroes of Pinal County Incorporated for one dollar.

The RV had been purchased by the county in 2007 for use in the Maricopa area as a mobile public health clinic. We received a grant from the Gila River Indian Community to purchase the vehicle. In 2012, the county opened a permanent health clinic in Maricopa making the RV obsolete.

Since that time the RV sat unused in our

fleet yard.

Conversations between our Public Health Director and the Director of "Hiring and Helping Our Heroes of Pinal County" led to this donation.

There are approximately 38,000 to 40,000 veterans in our county. During the winter months, that number increases dramatically when the winter visitors arrive. There is only one Veteran's Administration office for the county located in Casa Grande. That means a lot of our Veterans have a long drive to receive the services they earned.

The good people at "Hiring and Helping Our Heroes of Pinal County" have high hopes for the services this RV can bring to our Veterans throughout the entire county. The RV is to bring such services as medical and mental healthcare, offer access to a Veteran's Administration representative along with bringing a navigator to help users access a variety of services.

I am pleased that we were able to help this dedicated group of volunteers looking to give our Veterans that extra help they need. One thing I did ask - is that when

they repaint, or cover the van to their logo and colors, to please put on there that this is a gift from the people of Pinal County and Gila River Indian Community. I hope that you will be as pleased as we were to help bring better services to those who need it.

Pinal County Should Not Subsidize the Federal Government

Subsidizing the federal government. Not exactly the words everyone wants to hear.

There has been a lot of speculation on why the Supervisors cancelled the contract with Immigration and Customs Enforcement (ICE).

Pinal County had the contract with (ICE) to house their detainees. In short, we were losing millions on an agreement that was signed in 2006. In a prudent move, the Board directed our Internal Audit to look at the contract to see what the true numbers were when it came to what we were receiving from ICE.

Following that audit along with an independent audit, it was determined the taxpayers were actually subsidizing the federal government to the tune of \$3.5 million a year.

In 2013, the Sheriff even created a contract coordinator position to oversee negotiations from the Sheriff's side. I personally supported the creation of this position because it showed that the Sheriff was also very concerned about the loss of taxpayer money. A memo from that office to ICE admits the department was losing

around \$2 million a year.

Looking at the costs of running the detention center, in fiscal year 2011/12 the per diem rate recommended from the study conducted by MGT, the break-even point to house ICE detainees was determined to be in the area of \$13.7 million. Instead we were bringing in only

\$9.6 million due to a per diem rate set in 2006. That is quite a loss to the county general fund.

Fact, we were losing money and the Board of Supervisors stepped up and took the necessary action to remedy a bad

financial deal. It is terribly unfortunate to have to lay off 43 employees in January. I have worked among those people and I feel for their situation.

It's time to stop playing politics when it comes to the taxpayer's money.

Tribal member speaks out against land exchange

My name is Tina Mull. I am the granddaughter of Marvin Mull, Sr., our former Tribal Chairman and my father is Marvin Mull, Jr., our former Vice Chairman of the San Carlos Apache Tribe.

As a youth, I remember my late grandfather who always talked to us about standing up for our Apache People and protecting what belongs to us Apaches. That includes our water, our land, our natural resources and our identity as being Apaches. This is why I am speaking out against what is happening to us as Apaches and many of you don't know the real story.

Bill that was passed last December, 2014, sabotages one of the most important and basic environmental and cultural protection laws in the U.S., which is the National Environmental Policy Act (NEPA). Under NEPA law, the public would have been able to comment and obtain information from the USFS about the significant environmental, cultural and human right impacts and harms caused by this mine.

Exempting the mine's structure and plan of operation from NEPA is like taking away the Magna Carta or being exempt from the U.S. Constitution or taking away the Bill

Rough section of SR 77 to be smoothed by ADOT, Rios says

MAMMOTH – Pinal County Board of Supervisor's Vice Chairman Pete Rios is pleased to announce that the Arizona Department of Transportation (ADOT) will begin a maintenance/repair project on a section of State Route 77 north of Mammoth.

"I have been working in conjunction with Senator Barbara McGuire's office to find a solution to a rough section of State Route 77 between mile posts 116 and 120," the Vice Chairman said. "Earlier this week Senator McGuire reported that ADOT will be working on that section of the road beginning on March 4. This has been an

issue I have been concerned about for the past year."

According to ADOT, they will be carrying out a project to remove the friction coarse from Wednesday, March 4 until Thursday, March 5. They will then fog coat the roadway to seal it and come back a couple of months after to perform a crack seal. In the fall, they anticipate chip sealing the roadway to finish off.

"What I understand is that the friction coarse placed on the road is raveling and creating ruts for drivers on the highway," Rios said. "ADOT will be removing it and completing the work to make the road

smoother and safer. My thanks to Senator McGuire and ADOT for helping to make this happen."

Currently, ADOT has a pavement

preservation project scheduled from mileposts 113 to 120.4 on State Route 77 for 2018. This starts in Mammoth and goes north.

of Rights. The USFS should be required by federal law to describe all of the potential impacts and harms of this mine to the land, water and air pollution and human and cultural and historical harms in the so-called Environmental Impact Statement (EIS).

Where is the review of what efforts the mining company will have to make to protect the priceless cultural, historical, Native American, riparian, recreational and environmental values at stake here?

BHP and Rio Tinto, who are foreign mining companies have horrendous environmental and human rights records at their third world mine sites, but, also at their U.S. and other non-third world mining properties.

Oak Flat was protected by President Dwight Eisenhower, and, later, reaffirmed

by President Richard Nixon. And, along came Senator John McCain, who ran for the U.S. Presidency and lost the election! In return, he helps these two foreign mining companies, who associate with Iran and Iraq, to build a mine on U.S. soil on land holy and sacred to our Apaches!

Now, who will monitor the mine when they dewater and destroy the critical groundwater aquifer vital to maintaining plant and animal life of the priceless Ga'an Canyon riparian wetlands and culturally significant area?

Once the mine contaminates the water, it will destroy the plant and animal life, and citizens in Arizona, that includes our Apache People!

Sincerely,
/s/ Tina Mull

Kearny Council Carries Heavy Load

Where should we begin? Maybe with the fact that our old water system has cost us in the neighborhood of \$300,000 over the last few months, and that we have had to dip into our financial reserves. Or maybe we can start with the good news that, after stripping off the old fiberglass lining on the town pool, we happily discovered that the underlying concrete form does not have structural problems

(but the restoration of the lining and some other work will cost about \$222,000).

Perhaps we should begin with the ATV corridor built several years ago with a grant on the Copper Basin right-of-way, enabling unlicensed vehicles to get to the off-road area past the water tanks. The corridor needs improvements, but the unlicensed vehicles it originally was built for have declined in number, to the point where the corridor is rarely used. Should the town continue to provide the corridor? Community input is needed.

How about the layoffs at ASARCO? How are they affecting those who are now without a job? And what about the businesses in this area?

Good things are happening in Kearny and the whole Copper Basin, but other

MAYOR'S CORNER

things are happening as well. I don't know about you, but sometimes I have a difficult time sorting out all the priorities involved. Where should we begin? Somehow, somehow, all these things deserve our best attention and efforts.

As we move further into 2015, the Town Council is carrying a heavy load. At last week's council meeting, sixteen items were on the agenda rather than the normal four to six items.

Well, it is a lot easier to raise questions than it is to come up with answers. I ran across an old story which helps to guide me. It goes like this:

A young man really admired the wisdom and equanimity of an older man. So he went to him and asked, "What can I do to be more like you?"

The older man answered, "I can answer that in just two words: Right choices."

The young man then asked, "But how can I know how to make the right choices?"

The wise man answered, "In one word, Growth."

"But," said the young man, "where will this growth come from?"

The older man looked intently at the young man and said, "In two words: Wrong choices."

CPR class held in Dudleyville

By John Hernandez
Copper Area News

On Saturday, Feb. 7 a CPR training class was held in Dudleyville. The training was put together after Lora Snow from Kearny ambulance had spoken at an Aravaipa Property Owner's Association meeting and suggested it. Residents of Aravaipa felt that due to the length of time it takes for an ambulance to get to Aravaipa that it would be a good idea to learn CPR. Members of the Aravaipa Property Owners Association contacted Olivia, Chairman of the Aravaipa Fire Department and the class was organized.

The CPR class was taught by Karen Hauca, Bill Predgo and Cheryl Primero-Predgo. All three instructors are former fire department personnel and first responders. The class was taught for free. The instructors said they were "not in it for the money but to save lives". There was a charge of \$10 for the Red Cross certification card.

Twenty people attended the class which included learning to operate an AED (Automated External Defibrillator). Class members were from Dudleyville, Aravaipa, Kearny and the Hayden-Winkelman area. The Dudleyville Fire District is looking at starting a Community Emergency Response Team (CERT). The instructors are certified to teach CERT and are interested in doing a combined CPR - CERT training.

Karen Hauca is the president and lead instructor for AZ Safety Solutions. They are willing to come and train any groups, churches, organizations, businesses, and schools that are interested in learning Cardio Pulmonary Resuscitation (CPR). Contact Karen at 480-329-5570 or SaFTSol@aol.com.

Instructors Cheryl Primero-Predgo, left, and Karen Huaca demonstrate the proper way to perform CPR.

Women's Expo: prizes, vendors and fun

During the months of February and March, women across the world are empowering themselves. In the Middle East and in Africa they take this chance for freedom of expression seriously. In the Copper Basin we see it differently because we already have those freedoms. Women are forming their own businesses, stepping up and helping with the family income and or embracing their own creativity.

Join the women of the Copper Basin Saturday, Feb. 28, from 11 a.m. to 4 p.m. in the Hayden School District office lobby. The Copper Basin Women's Expo got its start slowly and has become an activity young and old enjoy. For the admission of \$3 or 3 cans of food you get an array of information and a chance to shop with your friends and neighbors who have ventured out and invested in products you just might want to buy.

The first 25 paid admissions get a free bag filled with great items from vendors and sponsors plus one drawing ticket for the great prizes. Additional tickets can be purchased all day but you must be present to win. Some of the prizes are from Apache Gold Casino Resort with dinner for two and a round of golf for two; MP3 players; kitchen items; bath and beauty items. There just might be the every famous red stock pot that everyone wants to win.

Companies featuring their products are: Apache Gold Casino, ZORT, Pampered Chef, She's Country Boutique, Native Air, Scentsy, St. Vincent De Paul, Copper Community Action Board, Central AZ Board, AVON, Perfectly Posh, Origami Owl, Mia's Cakes and Crafts, Mary Kay, Melalucca, Young Living Essential Oils, EBAY, Cobre Valley blood pressure checks and sugar snacks, local author Georgie Woods, Girl Scouts, and a split-the-pot for the Hayden Schools Washington, DC school trip. Carnival Presale tickets for Pioneer Days will be available also.

Speakers throughout the day are: Iona Dease - PTSD What is it; Martina Burnam - mediocre meditation; Edward Aguirre - Healthy eating = healthy living; Hayden Police Dept. personal safety.

The Pioneer Days Queen contestants Fashion show begins at 1 p.m.; concessions all day will be sold by the Hayden PTO. The event will be held inside the Hayden School District Office Lobby with booths in and around the mini auditorium.

This event is under the direction of Martina Burnam and sponsored by the Copper Basin Chamber of Commerce, ASARCO, Resolution Copper, Gordon's IGA, Ray Federal Credit Union, Town of Winkelman, Apache Gold Casino and Resort, and Hayden School District.

See you there as you support your hometown entrepreneurs who have taken a chance to start their own businesses.

Hayden-Winkelman Unified School District seeks to fill governing board vacancy

Gila County School Superintendent Linda O'Dell has announced the time line and process for appointment of a board member to the Hayden-Winkelman Unified School District Governing Board to fill a vacancy created by the resignation of Belinda Cruz.

Registered voters living in the Hayden-Winkelman Unified School District are eligible to apply. Potential board members are required to complete an application document as part of the appointment process. Governing board applicants must also submit a letter of interest and three letters of reference, and participate in a personal interview.

Application packets are available at the school district office during regular business hours, Monday through Thursday. Application materials are also available at the

Gila County Schools Office at the courthouse in Globe, Monday through Friday, 8 a.m. to 5 p.m. or online at www.gilacountyesa.org. The deadline for submission of application documents is 5 p.m., Tuesday, March 10. O'Dell hopes to announce a selection by Tuesday, March 17.

The term of the person appointed to fill the Hayden-Winkelman governing board vacancy will expire in December 2016, which is the end of the regular four year term. An election will be held for this position as part of the 2016 General Election. The person appointed and other interested parties from the Hayden-Winkelman Unified School District can run for election to the new four-year term at that time. Contact Holly Sow or Linda O'Dell at 928-402-8784 for additional information about the governing board application and appointment process.

Lady Cats knocked out in second round of state tourney

By Andrew Luberd
Copper Basin News

The No.13-seed Ray girls' basketball team advanced to the second round of the 2015 Division IV State Basketball Championship tournament before No. 4-seed Phoenix Country Day ended its season, defeating the Lady Cats, 62 – 43.

The Lady Cats faced No. 20-seed Tohono O'Odham in the first round of the tournament, which took place on Feb. 20 at the Prescott High School. The Cats cruised to the 56 – 38 victory against the Eagles, who entered the game with a record of 14 – 3.

The Lady Cats, who finished their season with a 17 – 9 record, fell behind early

against PCDS on Feb. 21 and trailed at the end of the first quarter, 21 – 10. Both teams scored less than 10 points each in the second quarter, but PCDS was still able to increase their lead to 12 points at halftime, 30 – 18.

PCDS outscored the Lady Cats 32 – 25 in the second half, in which Ray scored only eight points in the third quarter.

The Lady Cats' offense finally started to roll in the fourth quarter, where they had 17 points. But it was a little too late as PCDS already had the game at hand, leading to the lopsided win.

Despite the disappointment of their season ending, the Lady Cats had an outstanding season, one that could result in a top 10 ranking at season's end.

Four local young wrestlers win state championships

By Andrew Luberd
Copper Area News

Four local wrestlers won state championships in their respective weight classes at the AzUSA Wrestling Folksytyle State Championships, which took place last weekend in Casa Grande, Arizona. Four additional wrestlers

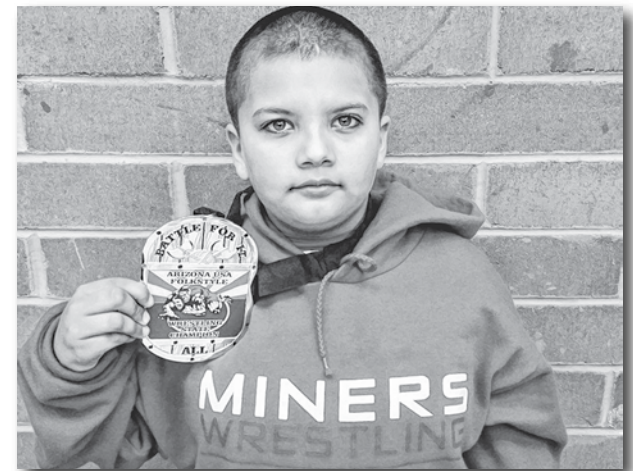

placed at the event.

Young wrestlers from Mammoth, Oracle, Hayden, and San Manuel community schools competed at the state championships, which included over 500 wrestlers and 63 clubs. San Manuel, with five top finishers, finished sixth as a team out of the 63 clubs that competed.

Individual results are as follows:

Rocky Andrade – State Champion;
Gilbert Rodriguez – State Champion;
Samico Salazar – State Champion;
Blake Vargas – State Champion;
Victor Fitts – 5th place; Anthony Saiz – 5th place; Darren Smith – 5th place; Sean McDermott – 6th place.

Congratulations to all the wrestlers for your efforts and accomplishments.

Benefit dinner for Brownrigg family a success

By John Hernandez
Copper Area News

The benefit spaghetti dinner held for Chasity Brownrigg and family at Mt. Vista School on Thursday, Feb. 19 was a success. A lot of people from the community came out to support Chasity and her three children. The dinner included a raffle and bake sale. The benefit raised close to \$5,000 for the family.

Chasity lost her husband Troy "Alan" Brownrigg in an automobile accident on Jan. 30 and then her father passed away the same week. Funds from the dinner are going to help pay funeral expenses, mortgage costs and living expenses.

Collection jars have been set up in local businesses and

a Go Fund Me account has been set up. If you would like

to donate you can visit www.gofundme.com/brownrigg.

The Brownrigg family attended the benefit dinner. Nannette Soule, principal of Mountain Vista School in Oracle was on hand too. John Hernandez | Copper Area

ANNOUNCEMENTS

SAN MANUEL SENIOR CENTER: Come to the San Manuel Senior Center for fun times. At 8 a.m. on Mondays, Wednesdays and Fridays, there is an exercise program at the San Manuel Elks. Canasta is held every Wednesday at noon; we will teach you if you don't know how to play. The Red Hat meetings are held at 1 p.m. every second Friday of the month, for those 50 years of age or up. A potluck luncheon will take place on the second Thursday of each month, at noon. Bring a dish to share. There is a \$1 fee for utilities. Board meetings are held the first Thursday of each month at 6 p.m.

Pioneer Days just two weeks away

Everyone is invited to attend the Queens fashion show at the Women' Expo on Saturday, Feb. 28 at 1 p.m. at the Hayden District office mini auditorium. Bring purchased tickets from any of the Queen and Jr. Queen candidates. The drawing will be on Thursday, March 12 immediately after the Queens and court are announced. Carnival presale tickets are available at the Winkelman Town Hall from Gloria Ruiz, and Hayden Town Hall from Nancy Hinojos. In Kearny the tickets are at the chamber office Monday through Thursday from 10 a.m. to 3 p.m. and She's country from 3 p.m. to 6 p.m., Monday through Friday. Mega cards are \$15 and a sheet of 40 for \$25. There is just one day left for the t-shirt pre sales which are black not grey and feature human pulled hand carts which were popular with those who could not afford covered wagons. Celebrating our Heritage in copper color

outlines the shirts lettering.

Early parade entries are encouraged so the committee members can get the script and judges information ready. It is difficult on parade day to get it written at the last minute. The parade runs from Griffith and Allen across the highway to Upton, Alden to the Judges stand and down Tilbury, ending on Beuford by the laundromat. Use your imagination for an entry. Everyone has a heritage to celebrate. Families are encouraged to enter as a group or individuals.

There is still booth space available for merchandise vendors and space is awarded on a first apply, first served basis.

We know that the general public is used to driving in and around Pioneer Park anytime they want but once the carnival arrives access to the area is limited. They do

not appreciate people driving in and around while they are working. Also, once the carnival rides start there is absolutely no motorized vehicles allowed past the Little League Concession stand or past the carnival office trailer, wheelchairs and strollers are exceptions. That has to be enforced.

Children love riding their bicycles, skateboards, scooters, etc. Once they are inside the park we have to confiscate the item. These items can be picked up at the end of the evening. Families come for a safe leisurely evening and do not want to have to watch out for these items running into them.

For all the dog lovers keep you pets at home. Health department rules do not allow animals near food and dog messes are no fun to step in. This includes animals stuffed into jackets or pockets.

Sorry for all the rules but they are for the protection of the public. We want everyone to have fun and be safe. It is reunion time and a great time for everyone to gather and reminisce and celebrate their heritage in the Copper Basin.

Reflections from a cowboy's mother

By **Rosalind Padilla**

Special to the Copper Basin News

The following are from a Mom's point of view and not necessarily the thoughts of the Cowboy.

When you get a call and your son says, "Dad can you build me a saddle rack and it needs to be fancier than most," you know what that means since it is the final day of the Grand Canyon Pro Rodeo Association finals. GCPRA is the largest pro Rodeo association in Arizona and includes participants from Colorado, New Mexico, Utah and Nevada.

Danny Padilla is the 2014 champion team roping Heeler in the Grand Canyon Pro Rodeo Association, his roping partner Miles Payne is 2014 Header Champion. Throughout the season he also roped with Bob Pimenthal.

It has been fun getting to this point starting with the famous Pioneer Days AJRA (Arizona Junior Rodeo Association) rodeos held in Kearny every year till the floods wiped out the arena. People came from all over the state to participate or just watch the youthful talent. It was an integral part of Pioneer Days. Danny watched, usually accompanied by his mother or big brother Art, and as young as age three said, "I am going to be baseball player and a cowboy." He has been both.

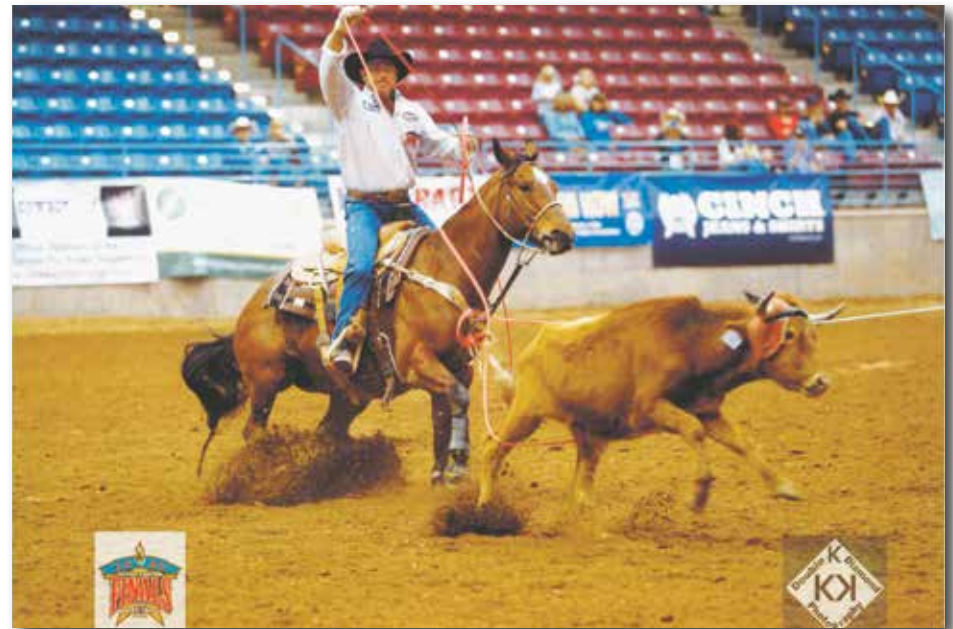

One summer when in sixth grade he worked

behind the chutes at the New Mexico High School Rodeo finals with the son of his mothers college friend and made up his mind that he would ride bareback and bulls in addition to the team roping. He did that till his freshman year in high school when he broke his collar bone riding bareback at an AJRA rodeo in Chandler.

He had been practicing roping ever since he could throw or hold a rope. Even though he can head he got his basic heeling skills from roping his mother (and even his English teacher in class). The back yard and indoors had roping dummies of all shapes and sizes for practice in addition to his mother. Thank goodness he practiced heeling, it would be hard to explain rope burns on her neck.

His brother Art was his main roping partner at AJRA events all over the state and 4H team roping events at the Arizona State Fair. They have been partners during their adult years. In his formative years he also roped with Chuck Headly, Dale Ramsey, Johnny Hunt, Tim Hatfield and the late John Machado.

Danny played baseball at Central Arizona College at Signal Peak and Grand Canyon University. He had to sign a NCAA contract stating that he would not do anything to jeopardize his baseball career so team roping was on hold for those college years. That was hard because CAC had a great rodeo team at that time. He

Danny Padilla

continues to rope with college teammates who have the same passion for the two sports.

He is a Ferrier by trade and his parents think he is a horse whisperer. Danny's wife Stacey is a barrel racer, and he has two children, Daniel and Isabella.

Danny won the Grand Champion saddle and a buckle as well as a buckle for winning the Champion Go Round for 2014.

He started the 2015 season with another local roper, Steven Gaona. Good luck home town boys in 2015.

Dr. Jeffrey S. Amthor will address issues surrounding the dramatic increase of atmospheric carbon dioxide concentration (and other greenhouse gasses) over the past 200 years. He will discuss effects of green house gas concentration on solar and terrestrial radiation fluxes, ongoing changes in the atmosphere and physical properties of Earth's surface that affect climate, effects of the ocean on climatic change, and how increasing atmospheric carbon dioxide concentration increases plant growth and lowers oceanic pH. Some proposed quick fixes to slowing global warming will also be presented.
