OBITUARIES

Samuel Odyth Hosler

Samuel Odyth Hosler, age 74, of Kearny, Arizona, died on Wednesday, Feb. 19, 2020 at St. Joseph's Medical Center in Phoenix after a long battle with Myesthenia Gravis.

Sam, as he was known, is the grandson of Arizona pioneers. He was born in Seligman, Arizona, during a rare early snowstorm on Sept. 19, 1945, in the old hotel that served as a hospital. His hospital crib consisted of bedding in a cardboard box placed on the open lid of a stove for warmth. He joined his railroader family living in a remodeled box car right by the tracks. His father, grandfather, and uncle were all railroaders. His father,

Odyth Guthrie Hosler, was an engineer on the Santa Fe, working out of Seligman and Winslow until his retirement in 1976. His grandfather and great uncle came West from Pennsylvania in 1906, working for the Santa Fe as well. His grandfather, Samuel Lichtenburger Hosler, was the manager of the Childs Power Plant in Fossil Creek Canyon for a time. His paternal grandmother came west from Ohio at about the same time, providing housekeeping for her father, a traveling salesman. The couple married in Winslow and returned to Ohio for a time before living the rest of their lives in Arizona.

Sam's mother, Ada Lucretia Gould Hosler, came to Arizona from Oklahoma in the 1930s, settling in Pine. For a time the family lived in the historic Strawberry Schoolhouse until they could be settled in their own home. Sam's parents purchased property in Strawberry in the early 1940s and are said to have been instrumental in bringing electricity to the mountain town.

Sam attended elementary school in Seligman, and high school in Winslow. He then attended the University of Arizona, graduating in 1967, and then Bexley Hall, an Episcopal seminary in Ohio. He met and married his wife, Carol Edith Smith, at that time. He returned to Arizona to be ordained an Episcopal clergyman at Trinity Cathedral in 1970 where he served for two years.

The couple's sons, Joshua Luke and Seth Stephen, were born while the family resided in Scranton, Pennsylvania. Subsequently, Sam also served Episcopal parishes in Delaware, Idaho, and the Upper Peninsula of Michigan before returning to serve, with his wife (also an Episcopal

priest) in Holbrook and Winslow. They retired to Kearny in 2005 where Sam enjoyed being Mayor of the small copper mining town for a term. He worked tirelessly, even after his official term, to improve the health of the town. His biggest regret was not being able to complete, with others, the local purchase of the uptown. He always enjoyed the sound of the Copper Basin Railway trains as they zipped by their home near the tracks. The flag at Kearny Town Hall was hung at half-staff over the weekend in his memory.

Sam is survived in his immediate family by his wife of 50 years, Carol Edith Smith Hosler; son, Joshua Luke Hosler, an Episcopal priest in Seattle and his wife and daughter; son, Seth Stephen Hosler, a translator in Japan and his wife and son; sister, Martha Hosler Ahrens of Strawberry and her husband and daughter, and multiple nieces, nephews, and cousins.

A Celebration of Life will be held at Good Shepherd Church in Kearny on Saturday, Feb. 29, at 11 a.m., officiated by the Rt. Rev. Jennifer Reddall, Bishop of the Diocese of Arizona. An overflow crowd is expected but arrangements are being made for that. Rather than having an overabundance of flowers, Carol is suggesting that memorial contributions be made to Good Shepherd Church for its life and ministry in the Town of Kearny. PO Box 729, Kearny, Arizona 85137.

OBITUARY

Andrew Richard Martinez

Andrew "Andy" Richard Martinez, 55, passed away peacefully at home on Sunday, Jan. 26, 2020 with his loving wife and children by his side. Andy was born on May 18, 1964 in Tucson, Arizona. He graduated from San Manuel High School in 1982 and grew up in Oracle, Arizona.

Andy was preceded in death by his brother, Toby Martinez; his father, Nestor (Toby) Martinez; and his sister, Diana (DeDe) Martinez.

Andy is survived by his wife, Elizabeth, of 27 years and his children Andrew (22), Jacob (18) and Jasmine (16).

The visitation and rosary services were held at the Funeraria del Angel South Lawn on Jan. 31, 2020 and a graveside service was held on Feb. 1, 2020.

Andy married his wife on Dec. 12, 1992 in San Manuel, Arizona. It was love at first sight for Andy as he gave Elizabeth a heart shaped promise ring on Valentine's Day just a few months after they met. They were engaged a year later. Andy and his wife built their family home in Catalina, Arizona where they raised their children and created so many wonderful memories. Andy was his happiest at home surrounded by his family and when possible behind the wheel of his '67 Chevelle.

All Andy wanted to do was be a mechanic. He really enjoyed working on everything especially cars, trucks and heavy equipment. He loved coaching softball and baseball for his children and cooking for his family and friends. Andy loved to laugh and joke around. His favorite past time was watching sports especially football and baseball. He rarely left home without one of his baseball caps.

Andy will be remembered for his friendly disposition, his eagerness to help others and his generosity. He always showed his love through small acts of kindness. In his later years, Andy was robbed of his strength, memory and cognitive functions. His illness was ruthless, but it gave him a sweet and gentle softness that we will always treasure. During this sorrowful phase, God allowed us time to create a deeper bond as a family and to make the most out of every moment we had together.

"Husband and Dad, we are heartbroken and miss you each and every day. We will keep your love in our hearts and cherish every memory. Always know that we love you mucho me. We know you love us a whole bunch. Our family chain is broken, and nothing seems the same but as God calls us one by one, the chain will link again."

The family had a lot of support during their difficult time. For those who showed such love and kindness, the family will always remember and treasure them.

Mountain Vista PreK-8 School in Oracle had a great February!

Just north of Tucson, off Highway 77, tucked away in the beautiful Oracle landscape is a growing and innovative school for students in preschool through eighth grade. Mountain Vista PreK-8 School is not only school to over 400 hard working students and workplace to over 70 devoted employees, Mountain Vista is YOUR school too.

Mountain Vista PreK-8 School serves children living throughout Pinal County. The school benefits greatly by support from the Tri-Community including volunteers, tax credit donations, school supply donations during our annual "Stuff the Bus" event each August, and through incredible support from organizations including SaddleBrooke Community Outreach, SaddleBrooke Rotary, Sunshine Rotary and SaddleBrooke CycleMasters, to name a few.

Mountain Vista PreK-8 School wants the community to know that our students are focused on doing their personal best each day. While keeping our three goal attitudes in mind, our students strive to be respectful, responsible, and honest in all they do.

Our staff works just hard to provide the most engaging lessons and curriculum for our students. We provide students with access to educational technology that will help them think critically and develop strong cyber citizenship skills. and unique talents. These programs include art education, music education, physical education, gifted and talented education, as well as special education for students in need of academic, physical, and emotional support.

Although February is a short month, our students and staff maximized each moment! Our first grade students traveled to the University of Arizona to learn about science at the Flandreau Planetarium. Our fourth grade students took their learning outside of the classroom and to the Arizona Trail as they participated in the Seeds of Stewardship Program. Our eighth graders visited Canyon Del Oro High School in Tucson and already registered for their freshman classes. Our sixth grade visited

San Manuel reaches quarterfinals of State Tournament

Caleb Quintero shoots over the opposing players.

Raise your hand if you thought at the season's outset that the San Manuel boys' basketball team would finish its season just three wins shy of a state title.

Outside the group in the locker room every game, you're probably in the minority if your hand is raised.

The then No. 14-seed Miners defeated Valley last Wednesday, 61 – 55, to qualify as the No. 13-seed in the 2A State Championship Tournament, where San Manuel played No. 4 Glendale Prep Academy, which earned one of the eight automatic bids in the 16-team championship bracket.

Led by three players that combined for 53 points – Javy Tamayo (19), Benny Laguna (18) and Javi Duarte (16) – the Miners pulled off the biggest upset of the tournament, defeating the Griffins last

Friday night at Prescott High School, 70 – 65.

“We had a good game plan and the boys executed it to perfection,” San Manuel head coach Damon Lovato said. “We knew they would live or die by the three [and] that’s what made it interesting (at the end).”

No. 5-seed Rancho Solano Prep defeated San Manuel in the quarterfinals on Saturday, 64 – 39, ending the Miners’ season.

Despite the loss, the Miners made the run they thought they could make all season, even if some didn’t think it was possible. In the end, they bet on themselves and sometimes that’s the surest bet.

“I’m sad it’s over,” Lovato said. “This group of seniors and I spent a lot of time together to get to our goal. We may have fell a little short, but I’m grateful for the journey with them. I have coached them in over 250 games. I’m going to miss them.”

Hayden, San Manuel wrestlers compete at State Championships

By Andrew Luberda
Copper Area News

A trio of wrestlers from Hayden and San Manuel High Schools competed at the AIA State Championships, which took place Feb. 14-15 at the Findlay Toyota Center in Prescott Valley, Ariz.

Hayden senior Pablo Acuna (195), a No. 2 seed, defeated Chinle’s Dion Tossie in the first round before a loss to Yuma Catholic’s Jaco Webb, a No. 1 seed. Acuna advanced in the consolation bracket, before being eliminated by Parker’s Anthony Taylor, who placed sixth at the championships.

“He did well,” Hayden head coach Ruperto Gonzales said, adding that this was only Acuna’s second year of wrestling. “He could’ve qualified for state all four years if he started sooner. He’s got a big heart.”

San Manuel junior Adrian Romero (182), a No. 2 seed, lost his opening match before advancing in the consolation bracket with a 5-1 decision against No. 4-seed Jerome Peshtony of Ganado. Romero was eliminated by junior Cylis

Gonzales, a No. 2-seed from Winslow.

San Manuel junior TJ Madrid, a No. 4 seed, suffered consecutive defeats at the championships, first against top-seed Broden Harold of ALA-Gilbert North and then in the consolation bracket to No. 3-seed James Thomas, a sophomore from St. John’s.

“(I) and the coaching staff couldn’t be any prouder of what (the boys) accomplished,” San Manuel head coach Michael Borg said. “Our season didn’t end at state, we just started next season.

“As we all know wrestling is a tough sport [and] we learned a few lessons all year and also at state. Now it’s just time to get back and work on what will get us to the next level.”

Congratulations to all of the wrestlers for a great season.

Editor’s Note: at press time last week, our sports writer Andrew Luberda had not heard from either the San Manuel or Hayden coach. They responded to his inquiries on Wednesday. We wanted to run the story again in its entirety with the coaches’ comments included. We are proud of our local athletes.

Learning Garden 'planting the rain'

By **John Hernandez**
San Manuel Miner

On Friday, Feb. 21, 2020, the Oracle Community Learning Garden at Wood Field was the scene of a water harvesting workshop. The workshop was presented by Lincoln Perino, Senior Advisor for Tucson's Watershed Management Group. Volunteers that attended got hands on experience installing a new rainwater catchment system to collect water runoff from the storage building at the garden. The system was broken in on Saturday, during an all-day rain.

The workshop was funded through a grant from the National Association of Conservation Districts through the Winkelman Natural Resource Conservation District.

On Saturday, Feb. 29, 2020, 9:30 a.m. to 2 p.m., the next step in "Planting the Rain" at the Oracle Community Learning Garden is to contour the surface to capture water and prevent

it from leaving the property or eroding the surface. This will be a simple earthworks workshop that demonstrates what can be done to direct and collect surface water by contouring the land at a small, household scale.

Volunteers are needed to help in digging basins, building berms, doing minor rockwork for overflows, and mulching. All are invited to this free workshop - no work required - but organizers do need at least a dozen people to help get the work done. The Learning Garden is located on Mt. Lemmon Rd., north of the Acadia Ranch Museum.

Oracle Art Scene: three exhibitions

By **John Hernandez**
San Manuel Miner

It has been a busy month for Oracle artists as many of them prepare for the Oracle Artists Studio Tour on April 4 – 5. There are currently three art exhibits in Oracle.

The Wilson Barn at Rancho Linda Vista is currently hosting the eclectic and colorful drawings of Victoria Guerrero. Vicki's art is unusual in that it is done with Sharpie pens on poster board. She has been drawing seriously since 2010. She says she likes to put on good music from the 1970s and then starts drawing. Her paintings "are all about peace, love and happiness." Speaking about the bright colors of her drawings, Vicki says, "colors make anyone feel good." Her show runs until Feb. 29. Victoria would like to thank Mary Ann Davis for the opportunity to exhibit her work.

Victoria Guerrero with her art piece dedicated to the 19 firefighters who lost their lives in the Yarnell fire.

At the Rancho Linda Vista Gallery, Juan Enriquez Portraits & Jeff Litvak Tarot is a dual exhibit on display. Juan grew up in Mammoth and is a San Manuel High School graduate and one of the founding members of Raices Taller Gallery in downtown Tucson. Juan's exhibit includes portraits of family members including a large portrait of his uncle, Juan Ramirez Jr., taken from a photograph while he served in the army in Vietnam in 1969/1970. His uncle was at the exhibit's opening reception.

Jeff Litvak is a friend of Juan Enriquez. His Tarot exhibit is made up of paintings of Tarot cards. He said that many artists have done paintings of Tarot. It is a tradition over the years. He does his own interpretations of the Tarot. The dual exhibit runs through Feb. 29.

At the Oracle Center for the Arts (ORCA), two local artists are exhibiting their work. Judy Walsh and Carol Goldberg are the artists with the show "Over the Edge". Judy's art is

encaustic painting and Carol's work is clay sculptures. Judy will be part of the Oracle Artist's Studio Tour.

Encaustic is an ancient beeswax based medium containing pigments. It was used by the Greeks, Romans and Egyptians in the 1st Century B.C. and is now finding popularity with contemporary artists who are attracted by its versatility.

"My work is about that which lies below the surface ... the hidden, the unconscious, the surreal. Painting spontaneously without plan, I respond directly to the paint, color and texture. Like a young child, I discover what I am painting while I paint; images form and reform, dissolve and resolve in a non-logical way. As ideas and forms are discarded, major destruction takes place. I often flip the plane and work upside down removing layers of paint to expose previous textures, figures and forms. Over time, shapes and symbols reappear without my conscious

Copper Classic returning to San Manuel

Hey all you motorcycle racing fans: the Trail Riders of Southern Arizona (TRS) will be hosting the San Manuel Copper Classic off-road motorcycle race on Saturday March 7, 2020. This year's Copper Classic will mark the 14th time this race will be held in San Manuel since 2006. This event is sanctioned by the American Motorcyclist Association (AMA) and promoted by the Arizona Motorcycle Riders Association (AMRA). The San Manuel Copper Classic is round four of the 2020 Arizona Off-Road State Championship Series.

TRS has been working hard the past few weeks preparing the race campus and race course. Due to popular demand, the grass track section which offers great spectator viewing will once again be part of the racecourse!

Besides just hosting a motorcycle race, TRS also uses this event to raise money for the San Manuel schools. Last year after covering all race expenses, TRS was able to donate \$2,000 to the school district. TRS hopes to repeat or beat that contribution amount this year.

The race campus for the Copper Classic

is located at the Gardner Middle School located near the intersection of Erickson Avenue and Avenue D. On Friday, March 6, in the afternoon and Saturday morning, March 7, a traffic control station will be in place at Erickson Avenue and Avenue D. TRS members will be directing incoming race participant and spectator traffic onto the race campus. Please honor the traffic control personnel working in these areas. Once racing begins on Saturday, March 7, road closures will be in place at intersections of Erickson Avenue and Avenue D and Avenue D and School View

Drive. Again, please honor the traffic control personnel working in these areas.

The start time for the Mini Bike racing (50cc – 85cc motor displacement) is 8:30 a.m. and should complete by 11 a.m. Big Bike racing begins at noon and should complete around 4 p.m.

There is no admission charge for spectators, but everyone entering the race campus is required to complete an AMA Release and Waiver of Liability Assumption of Risk and Indemnity Agreement.

TRS hopes to see you at the race!

the Renaissance Festival in Apace Junction to imagine what life might have looked like during the Renaissance period they have been learning about in class.

Several of our teachers traveled to Phoenix for the Arizona Department of Education's annual Gifted and Talented Education Conference and each of our teachers participated in online professional development training to help both strong and struggling students in the areas of reading and math.

The operations side of our school has been productive too! Working diligently with architects and our project manager, the design phase is underway for the Capital Bond Projects approved by our community in November 2019. We increased the daily rate of pay for substitute teachers from \$86 per day to \$100 per day and approved a calendar for the upcoming school year that will include

additional opportunities for teacher professional growth and development.

Mountain Vista PreK-8 School might be small in size, but we are mighty

in efforts and vision. We invite our Tri-Community to follow our school on Facebook for daily updates and announcements. We are proud to share our small town roots and global expectations not only with our students and staff, but with our entire community. *Crystle Nehrmeyer is the Superintendent of*

decision to use them," Judy said.

"As an artist, my work is the process I go through to trick and frustrate that part of me that follows rules, uses logic and sees the world 'the way it really is,'" she added.

Carol grew up in Montreal, Canada and moved to the U.S. 30 years ago; first to Pennsylvania and 10 years ago to Arizona. She painted and drew the human figure for many years but since moving to Arizona has mostly worked in clay.

She creates both functional and sculptural works of art; but her heart lies in creating sculptures of the human figure. The figures range from characters that are whimsical to those that convey a political/social message. While some figures stand alone, others are shown interacting with a second or multiple figures.

Carol tries to capture the spirit of what she is sculpting: the figure evolves slowly as she manipulates the clay. She may start with an idea; however, the end result comes from the dialogue she has with the clay as she builds. As the idea evolves it becomes a conversation between her and the clay. In the end, she hopes that the sculpture will speak to those that view it.

Over the Edge will be exhibited at ORCA, 700 Kingston Street in Oracle until March 29, 2020.

The art gallery is open Saturdays 10 a.m. to 4 p.m. and Sundays noon to 4 p.m.
