Taking the Temperature: 2016

A new year is upon us and it will be an important one for the country. President Obama is in his last year of office and it will be interesting to see what he does to preserve and enhance his legacy. The presidential election will determine the direction our country follows and will probably impact the Supreme Court.

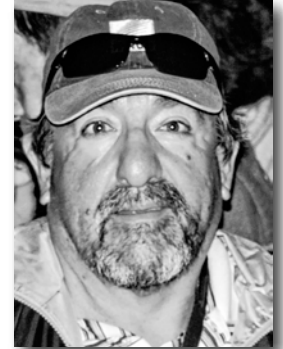

I would like to remind my Republican friends (yes, I have a few left) especially those that lean to the far right, that in the seven years President Obama has been in office that he did not come for your guns, he is not going to declare martial law before the election

so he can name himself king and he is not the Anti-Christ. Contrary to what Donald Trump, Fox News and the Republinuts have led you to believe, President Obama was born in the United States and he is a Christian.

I look for the President to further his push for reform in the criminal justice system, fight for voting rights for all Americans and work for a comprehensive immigration plan. It wouldn't surprise me if he uses an Executive Order and offers some type of amnesty program for many of the undocumented immigrants. In fact I hope he does. It would be a good send off for his Presidency and a way to tell the obstructionist, do nothing Congress to kiss his assertive actions.

Author's Note:

I have been given the opportunity to express my opinion and viewpoints on politics, national, state, and local issues as well as life in general. I hope to inform you as well as entertain you, make you smile or make you mad. I will use humor, sarcasm and occasionally anger to express my views. My intention is to hold politicians accountable sometimes bringing some heat on them and if my views make you angry or hot, remember that like my humor, it is a dry heat. These opinions are entirely my own and do not reflect the views of Copper Area News Publishers.

Superior Home Tour draws thousands

Thousands of visitors descended upon Superior this past weekend for the 8th Annual Home Tour. Every street was packed and many of the homes had lines of visitors waiting to go inside, local restaurants had waiting lists and local shops were filled with happy shoppers.

Superior Chamber of Commerce President

Sue Anderson explained that on Saturday alone the tour had sold 1,400 tickets. Usually the two day event sells about 800 tickets. The total ticket sales for two days was 2,000 tickets. The event also included several free attractions including an antique show, entertainment and art show which also had many visitors who did not

complete the tour.

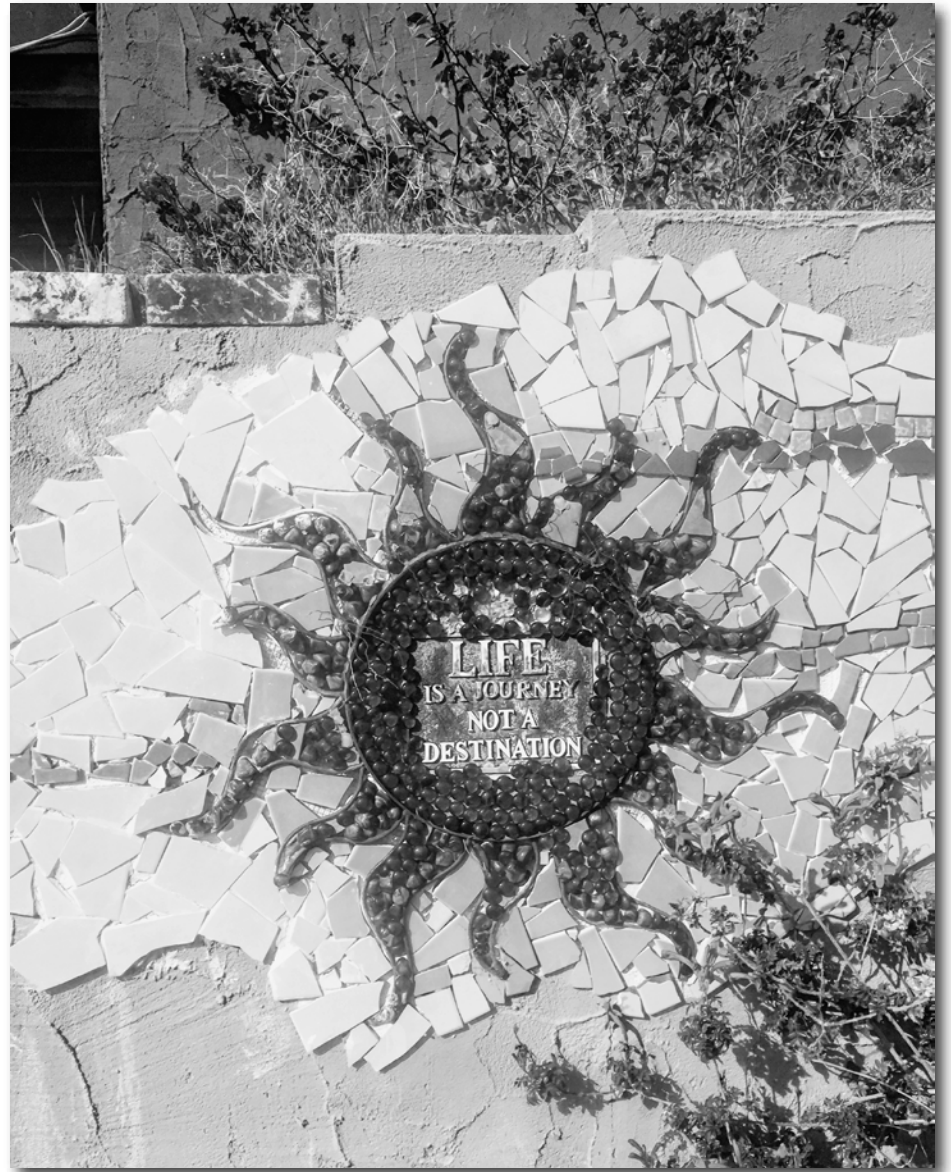

It takes well over 60 volunteers to pull this event off each year. This year those volunteers greeted double the number of guests.

"The success of this event is a culmination of the hard work all of us have done for the past 10+ years to make Superior a vibrant

community and an Arizona destination. We are 'on the map' now and the rest is up to us," explained Sue Anderson.

Many of the guests on the tour were heard saying: This is the best home tour we've ever been to; This little town is so delightful; We are so glad that we came here...we'll be back; and We love all the shops here.

Accomplish Many Mighty Things with God's Help

In 2 Chronicles 36:22 we read, "In the first year of Cyrus king of Persia, in order to fulfill the Word of the Lord spoken by Jeremiah the prophet, the Lord moved the heart of Cyrus king of Persia to make a proclamation . . ."

God uses people – all sorts of ordinary people like each of us, and also mighty kings of nations, to accomplish His plans for us. This is not just a one-time occurrence, because we find it happening throughout the Scriptures. We also see it happening today.

Each of us should ask ourselves – 'am I willing to be used by God for His purposes?' This will only happen if you are able to completely trust Him to direct your life. Experience has proven that He will not take us down the wrong path.

Abraham and Moses learned to walk and talk with the Lord. Because they fully trusted Him, they were able to accomplish

many mighty things in their lifetimes. Yes, we certainly can too. Tell Jesus – 'use me Lord, show me what to do and how You want me to do it.' And – He certainly will!

Gila Community College to assist students with financial aid applications

Did you get free money for school? Qualified students could have received up to a \$5,775 Pell Grant Award for the 2015/16 academic year. A Federal Pell Grant, unlike a loan, does not have to be paid back. Unfortunately, many do not take advantage of this opportunity.

Do you plan to attend college in fall of 2016? NOW is the time to apply for financial Aid. To apply you will need to fill out the FAFSA or the "Free Application for Federal Student Aid" at www.fafsa.ed.gov.

The actual award amount depends on your financial need, costs to attend school, status as a full-time or part-time student,

and plans to attend school for a full academic year or less.

Are you still not sure what to do? Gila Community College is here to help! Attend our FREE Financial Aid Workshop on Thursday, Feb. 11, at 5:30 pm at the GCC Gila Pueblo Campus at 8274 South Six Shooter Canyon Road in Globe. Everyone is invited, including parents, regardless of what college or university the student will be attending. Our friendly staff will walk you through the process and answer your questions.

What are you waiting for? Act today! You can do it and GCC will help!

Superior Head Start learns about community

The students at Superior Head Start took a walking field trip to the SunFlour Market on Friday. Willa Ficcaro, owner of the market, sang songs and read to the children after they took a tour of the SunFlour Market. The students were learning about local businesses and how they help the community.

The Superior Head Start is looking for volunteers to come in and read to the children, the time volunteered helps with their in-kind match which is needed to help keep the Head Start open in Superior. Community members are encouraged to drop in and read stories to the students.

Head Start is located at 150 N. Lobb Ave.

Finding Senior Housing can be complex, but it doesn't have to be.

In Your Biz

Cobre Valley Regional Medical Center

Cobre Valley Regional Medical Center has a long history of serving the communities of Globe-Miami and the surrounding areas. The hospital in the Globe-Miami area has been serving the region for 113 years. As the communities have changed along with the mining industry so have the needs for quality medical care. It has been decades since the mines owned a hospital for their workers and their families and from those changes evolved the Cobre Valley Regional Medical Center

Services of CVRMC: The Cobre Valley Regional Medical Center has a full service hospital with maternity services in Central Heights (community between Miami & Globe) along with regional clinics in Superior, Kearny, Young (Pleasant Valley) and speciality clinics at the hospital for surgical services, orthopedics, women health (OB/GYN), family practice, wound clinic and pediatrics.

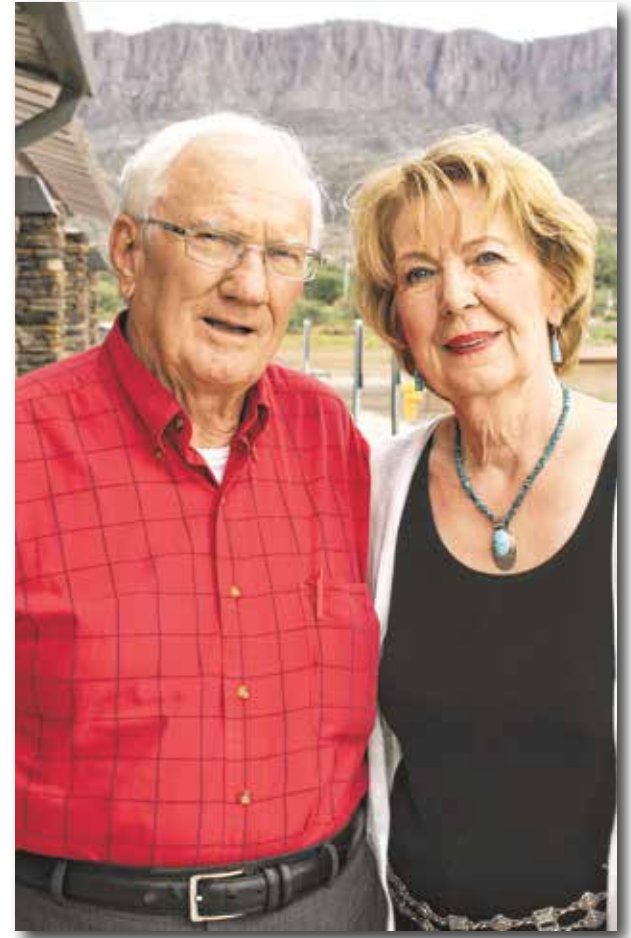

Superior Clinic: The Superior Clinic was officially opened in 2000 by CVRMC and as the health care needs in the community grew and changed the medical center made a commitment and a promise to build a new clinic in the community. With the support of the Calo and Katheryn Arnold who sold their land to the hospital in 2009 the hospital began construction of a new and modern health care clinic located on Highway 60. In 2012 the new clinic opened and in 2015 the clinic had 11,000 patient visits excluding pharmacy and physical therapy

appointments.

The Superior Clinic has 13 employees and is open Monday through Friday 7:00am to 5:00pm and Saturdays 9:00am to 4:00pm. The clinic offers the following services: Complete Family Care, Child Well Visits, Pre-Employment Physicals, Pharmacy Courier Service, Physical Therapy, Lab Draws, General and Advanced Surgery Consultations, Orthopedic Consultations, Minor Procedures, Simple Fracture Care, Simple Laceration Care, Hearing/Vision Tests, Basic Dermatology Care, Preventative Exams, Women's Exams, Occupational Medicine and CDL Physicals.

Commitment to Quality: Evelyn Vargas, PR Director explains "Yesterday, today, and tomorrow, the CV Superior Clinic and Cobre Valley Regional Medical Center are committed to all of the communities we serve with an unwavering and dedicated spirit of quality, efficiency, and compassion."

The "In Your Biz" column is sponsored weekly by the Superior Chamber of Commerce in an effort to further promote their business members. To learn more about the Superior Chamber of Commerce you can visit their website www.superiorarizonachamber.org or call them at 520-689-0200. The Chamber meets the third Friday of every month at their building 165 Main St. in Superior, Arizona.
