## OBITUARY

# Maria Olga Hamaker

Maria Olga Hamaker passed away Jan. 17, 2021.

She was born to the parents of Refujia and Arturo Gonzales in Del Rio, TX, on Oct. 5, 1936, growing up with three older brothers, Art, Ray, and Fermine. She then moved to Mesa, AZ with her husband, David Armijo, and raised their seven children, David, Daniel, James, Cris (deceased), Joseph, Robert, and Grace.

Maria’s children were her number one priority. She spoke about many memories of taking her children camping and playing sports with them.

She worked at various thrift stores where she began as a volunteer and by her hard work and determination, worked her way up as a manager. She remarried Glen Hamaker and continued to live in Mesa near the base of the Superstition Mountain where she loved the mountain view from her backyard. Upon her husband’s death, she moved to Show Low, AZ where she enjoyed the cool weather, bingo, friends, and family.

Maria then made her way to the small town of Superior, AZ where she was embraced by the Albert Gomez family and carved herself in the hearts of many adopted family and friends. Maria was a true example of living a selfless life as she hosted and attended card games for friends, enjoyed playing bingo, sewed and donated masks for the community, helped with clothing alterations, cooked and baked for everyone she knew and made endless quilts for family and friends. There is just too much to list. Maria will be missed by many and we pray she is at peace and without pain. We love you, Maria.

# Shop at Home: Rose's Roses

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. Copper Area News wanted to give something back to the local business community. Over the next

several weeks, our newspapers (Copper Basin News, Superior Sun and San Manuel Miner) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

In June, Rosemary Quiroz and her family will celebrate 15 years of business, owning Rose's Roses Flowers and gifts. Rose's Roses can accommodate your flower orders for all occasions: birthdays, just because, sympathy, weddings and so much more.

She also carries a variety of indoor and outdoor plants along with a variety of home decor items. Rose can also create silk flower arrangements for those looking for a more permanent floral arrangement. If you are looking for a specific arrangement or floral gift, reach out to Rose to set an appointment to make an order.

A few years ago, Rose and her husband Argel Quiroz purchased their current building, located at 204 Main Street, which includes an outdoor deck and an attached apartment and is home to several mini stores under the banner of Sun Flour Market. Currently the deck is used during the day by the Sun Flour Market but can also be rented for private events and

parties and the apartment can be rented for short term rentals. At this time the apartment is rented. Sun Flour Market will be featured in a future article.

Rose's Roses provides delivery services to outlying communities as well as funeral and wedding services throughout the Copper Corridor. To make your orders for Valentine's Day or make any other flower and plant orders, contact Rose directly via phone at 520-689-2400 or 520-827-9421.

Rose's Roses is a member of the Superior Chamber of Commerce and is also participating in the Great Gift Card Giveaway. Purchase something for \$5 and you are entered to win a \$100 gift card from that store.

Valentine's Day flowers and gifts are in season at Rose's Roses. Rosemary Quiroz, the shop's owner, stands ready to serve.

# Velasquez sentenced to 20 years for murder of her children

Brittany Velasquez has been sentenced to 20 years in prison after pleading guilty to second degree murder and child abuse in the deaths of her children.

On March 26, 2018, Superior Police were called to her residence in the 100 block of N. Richard Ave. for a report of two unresponsive children. Both children, ages 2 years old and 10 months, were found in the vehicle

strapped into their car seats and pronounced dead.

The case was turned over to the Pinal County Sheriff's Office for investigation when evidence at the scene indicated foul play.

At the time, Superior Interim Police Chief Christian Ensley said that the police department has had contact with Velasquez about seven or eight times over the previous two years, one contact in early

January 2018 resulting in a report to Child Protective Services. Ensley said CPS took no action on that report.

Velasquez will be on probation for the rest of her life after she is released from prison. She received credit for time served in Pinal County Jail. She remained jailed since her arrest in 2018 and was held on a \$2,000,000 secured bond.

## Kearny native Kelly Hartin selected for Inked Contest

Kelly Hartin was recently selected for the Inked Cover Girl Search and she needs the help of her friends, family and neighbors of the Copper Corridor to continue to advance into the next round of the contest. You can vote for her online, daily by visiting this link: <https://bit.ly/3pHwOyj> The voting is cumulative and carries into the next rounds should she advance.

Currently she is in the round to advance her into the top 10 round. She started in a much larger field and made it into the top 15 round. If she earns enough votes she can then advance into the top 10 and top five rounds. Should she advance into that those rounds she will qualify for the quarterfinals and then semi-finals. The grand prize is \$25,000 and to be on the cover of Inked magazine.

Kelly's first tattoo was a bit of a rebel act, a

small rose on her hip, which she kept from her mom, because she was only 13. She eventually showed her mom. After the first tattoo, she was hooked on this art. Most of her tattoo work has been completed by Juan Castillo who is originally from Winkelman but works out of the Diamond Body Art shop in Apache Junction.

Kelly Hartin is a 1999 graduate of Ray High School. She the daughter of CiCi Meza Hartin and she is also related to Billy and Tony Meza. Kelly has three children, Sylissa Falquez, Adaija Hartin and Gage Nichols.

Her favorite tattoo is one dedicated to her daughter Adaija, which reads "Silence is Beautiful" with a sign language "I love you" image. Her daughter is deaf, and she realized that her daughter is still living beautifully despite her hearing disability.

Copper Area News is committed to providing our readers with as much information as possible. This graph shows the positive cases as of press time on Feb. 2, 2021. We have also included a graph showing the daily counts for the past week. The state has reported that as of this past week, there has been a decrease in cases statewide. This downward trajectory has not been seen since early September, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

**Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more) and practice good hygiene (wash your hands frequently, sanitize high touch areas), stay home if you are not feeling well.**
