Albert Granillo Corral

Albert "Satch" G. Corral, 73, of Florence, Ariz., formerly of Kearny, passed away Saturday, Jan. 24, 2015, in Mesa, Ariz. He was born Aug. 3, 1941, in Sonora, Ariz. to Alberto Castro Corral and Rosenda Granillo Corral. He married Dolores Yniguez on July 7, 1962, in Sonora, Ariz.

Growing up in the Ray-Sonora area, Satch began a lifelong passion for music and sports. He was heavily involved in team sports during grade school and excelled in the area Little League. In high school Satch was a starting member of Bearcats varsity basketball and baseball teams. After graduating from Ray High School he played for the semi-pro baseball team Sonora Tigers as well.

He taught himself to play guitar/bass guitar and found the inspiration to sing in front of crowds. He went on to play bass guitar and lead vocals in a latin band "Starlighters" and country western "Phil Bidegan Band".

Satch worked as a welder and a boiler maker for Kennecott Copper, then later ASARCO, at the Ray Mines Division. He retired after 41 years, but was blessed to have a second career that he thoroughly enjoyed; working as a correctional officer for Pinal County retiring after 12 years.

An avid shooter and gun collector, he enjoyed the outdoors and gardening. He took great pride in his chili peppers, fruit trees and roses, but cherished spending time with his "Lola" (Dolores) the most. They were inseparable over the last 15 years of his life. Satch never met a stranger, possessing an easy going personality that drew people to him to strike up conversations. Once engaged, Satch loved to regale with a joke, story or advice. He was especially fond of the lasting friendships he developed over the years with many younger coworkers.

He leaves to cherish his memory wife of 52 years, Dolores Corral; three children, Gina of Tempe, Albert and Christopher of Kearny; three grandchildren, Camille Corral, Stephen Corral, Jonathan Corral; four sisters, many nieces, nephews and extended family members.

Funeral services will be held on Saturday, Jan. 31, 2015 at the Infant Jesus of Prague Catholic Church, Kearny, Ariz. with the Visitation at 8 a.m. rosary at 9 a.m. and the Mass at 10 a.m. Burial will be at the Fairview Cemetery, Superior. DPS investigating Friday morning fatal head-on collision on State Route 77 north of Mammoth

On Friday, January 30, 2015, DPS officers investigated a two vehicle collision involving three fatalities and multiple injuries. The collision occurred on State Route 77 near Mammoth.

The collision occurred at about 7:48 a.m. when a white pickup was northbound on State Route 77 in the area of milepost 123.

At that point, the pickup changed lanes back into the northbound lane and the two vehicles collided head-on. Three

people in the van received fatal injuries. The driver of the pickup and four other people from the van were transported to a hospital in Tucson for treatment. One of the injured sustained life-threatening injuries.

Names of the victims had not been confirmed by the Arizona Department of Public Safety at press time. Please check

DPS was assisted at the scene by personnel from Dudleyville Fire Department and Rural Metro Ambulance.

The investigation of this collision is in its early stages and impairment has not been ruled out.

LETTER TO THE EDITOR

In opposition to Resolution

I am a tribal member of the San Carlos Apache Tribe and it's ironic how the Oak Flat Land Exchange bill was enacted into law (Dec. 2014) through a "rider" on the on the National Defense Authorization Act (NDAA) when USDA Secretary, Tom Vilsack, wrote in 2009 to Ron Wyden, Chairman of the Energy and Natural Resources Committee that this area was considered "unique and significant natural and cultural qualities of lands to be conveyed and the lands to be acquired. These lands of historical, cultural and environmental significance are adjacent to Apache Leap and Gaan Canyon are located on the Tonto National Forest. These areas are considered sacred places to the Apache and Yavapai Tribes and are used to conduct religious ceremonies.

Gaan Canyon is a perennial stream and an ecologically significant and riparian area."

Where is the Environmental Impact Statement (EIS) under the National Environmental Policy Act (NEPA)? Where is the consultation with the San Carlos Apache Tribe? NEPA has statutes that set forth prerequisite obligations before a Federal Action is taken.

Executive Order 13175 directs each federal agency to consult with American Indians that have substantial direct effects on one or more American Indian Tribes relating to "Consultation" and "Coordination" with Tribal Governments.

The 2004 Forest Service Manual requires that Tribes must be consulted with by the Forest Service on matters that affect tribal rights

and interests to ensure compliance with the laws and Executive Orders and especially with regards to establish laws that protect areas of

significance to Indian Tribes that are located on National Forest System lands.

Ray Federal Credit Union holds its 60th annual meeting

Ray Federal Credit Union held its 60th annual meeting on Jan. 27, 2015 at the Kearny Elks Lodge. 70 members attended the meeting, representing a 40 percent increase from last year, illustrating the meeting's general theme, our credit union growth. Not only have the last two years been a period of tremendous growth, but also, a period of change. Over the last two years,

- A new security system was installed.
- Whitney Fry from first investors spoke about their full suite of financial planning options and the upcoming social security planning seminar in February.
- Membership grew 30 percent; 30 businesses became members
- The number of checking accounts increased 94 percent
- Deposits grew 50 percent and loans grew 94 percent

In 2014,

- Membership grew 13 percent
- The number of checking accounts increased 34 percent
- Deposits grew 25 percent and loans grew 40 percent

In addition to growth, the other theme was change. During 2014, 11 of the current 14 employees were hired, two employees (previous year hires) were promoted to new positions. Our new staff faced many challenges and stresses but have come together, working cohesively as a team. Employees received education through webinars, on-site training and by attending conferences. The membership has been understanding during this transition period and has seen service steadily improve. Embracing a process of continual improvement, Ray FCU is committed to improving our service and infrastructure,

- Office hours increased; Monday to Friday (9 a.m. to 5 p.m.) and Saturdays (9 a.m. to 1 p.m.).
- A new logo was adopted and the web site was updated.
- The parking lot was expanded to accommodate more vehicles.
- Additional ATMs were placed in Hayden (Town Hall) and Kearny (La Cantina).
- The teller line was relocated and a member service area was cordoned off in the lobby.
- Coin counting services are now offered.
- Internet access capacity was doubled.

2015 will be another exciting year for Ray Federal Credit Union. An ATM will be placed in Superior and branch services are expected there before the end of the year.

More interest than ever was shown in the board positions. The Board of Directors is democratically elected from the membership and is responsible for the general direction and control of the credit union. We thank Darrell Wallace Jr. for volunteering his time as a board member for two years and the insight he brought to the meetings. Darrell decided not to run again. Four positions on the board were open for elections. Seven members ran for board positions. Congratulations to Mike Dinwiddie, Jim McGrane, and Ann Swaim on their re-election to the board. Congratulations to Robert Boatman on his election to the board of directors. The board of directors for Ray Federal Credit Union is now:

President – Ralph "Button" DuBois
Vice President – Charles Warren
Secretary – Chris Postel
Treasurer – Michael Dinwiddie
Director – Robert Boatman
Director – Jim McGrane
Director – Ann Swaim

Ray Federal Credit Union concluded the 60th annual meeting with the traditional raffle, donuts and beverages. Congratulations to Jennifer Sims on winning the \$250 Visa gift card, Roy Smith on winning the Apple TV (donated by First Mortgages), Kim Guyton on winning the coffee basket (donated by First Investors), and the many members that also won prizes.

I'd like to thank our staff, board of directors, and our members that have welcomed me into the community and contribute to the success of our local, non-profit, financial institution, Ray Federal Credit Union.

Residents, Please Participate in Town Survey

All residents of Kearny should, by now, have received a letter from the Town of Kearny signed by me about taking part in a survey. I urge your support in completing this survey. It is part of the necessary information we need to begin

work on our ten-year plan for the town, and the ten-year plan is a mandate from the State of Arizona in order for us to be able to apply for state and federal grants. Support from grants is crucial for our town. Almost every "high dollar" project,

such as roads and our water and sewage infrastructure, rely in large part on grants. In order to receive these grants, we need to provide up-to-date information to the grantors in order to qualify.

Many grants are targeted to a town's ability to provide support for its government. We have a need to demonstrate how our citizens are doing financially. Are we "high income" and thus not needful of most grants? Are we "low income" and thus more needful? Or do we place on a scale somewhere between these two ends?

Your responses to the financial portion of the survey will help us determine where we stand. Your information is confidential, and will only be used in the aggregate, added up with the responses of others, and will not be shared with anyone else in any way.

I hope you will respond soon. If we do not receive a response, we will use a follow-up survey to make sure you have an opportunity to give us the information we need.

This ten-year plan is good for all of us. You will have many opportunities in the

MAYOR'S CORNER

By Sam Hosler

Special to the Copper Basin News

coming months to take fuller part in the process of making our plan. If you have any questions, please contact Town Manager Anna Flores or myself.

Thank you, The Council and I are looking forward to planning a realistic, positive direction for Kearny and its people.

OBITUARY

Have expired license plates? Looking to trade

I hope you can help me, because, I've had absolutely no luck in other parts of Arizona. I'm a 54 year old single mother of one adult person and grandmother to a big dog and three cats.

Originally from Detroit, I live in a small village at the tip of the thumb of Michigan. Although I had no car for 13 years, I've collected expired car license plates since I began driving. 37 plates in all, mostly from the U.S. and Canada. What I'd like to ask is if anyone there in Kearny would be interested in a swap for an Arizona expired car license plate? I have some mint Michigan plates from the 1970's. Most of my plates are old and plain. Unfortunately,

I don't have any of the colorful designs of the past 20 years.

I've had stage three cancer twice (at 20 and 33) and am paralyzed and live in poverty. My mother and brother died when I was year old; however, I'm a cartoonist like my mother, Catholic of a Jewish grandfather, I've never been to the SW. Enclosed carton of a Greenlander hurling a pen in regards to Parisian terror attacks. I find Charlie Hebdo in bad taste, but, defend their right of freedom of expression. Thank you for your time.

LETTER

Continued from Page 4

The San Carlos Apache Tribe, along with other tribal governments, have raised concerns that the land exchange bill was contrary to crucial policies and Executive Orders that require Federal Land Management agencies to protect and preserve sites that are highly sacred to tribes. Therefore, Oak Flat has been the focus of historic government protection and it is important that tribal meaningful consultation is conducted to ensure tribal participation, and, especially, to ensure proper protection of this site.

Resolution Copper Company continues to act with its supreme above-the-law behavior and is, sadly, supported by Arizona Congresswoman

Ann Kirkpatrick, Congressman Paul Gosar and Senator John McCain.

Resolution Copper Company proposes to use 18,000 sq. ft of water per year, and, 1 acre ft. of water is 325,853 gallons, so, that means that they will use 5,865, 354,000 gallons, which is almost 6 billions gallons of water per year! Water is precious. Water is life. We must all do everything we can to also protect our water!

Finally, their action was definitely not in the public interest of American citizens across the nation!

Gila County Public Health monitoring individuals who may have had contact with a confirmed measles case

Globe - Gila County Division of Health and Emergency Services is currently working in collaboration with Cobre Valley Regional Medical Center (CVRMC) to investigate potential contacts associated with a patient who visited the hospital on Wednesday, Jan. 14 at 1:47 a.m.

The patient, a resident of Kearny in Pinal County, is a confirmed measles case. Following the Center for Disease Control's (CDC) guidelines for measles transmission, all hospital staff and non-staff visitors whom were in the hospital anytime between 1:30 a.m. - 8:30 a.m. have been monitored. During this time of potential exposure, there were nine hospital staff and eight non-staff individuals that are currently being followed. At this time, Gila County has zero confirmed cases of measles.

Gila County Public Health has recommended that all exposed adults who were born in 1957 or later, who have

not had measles disease or at least one measles vaccine, should not go to work or other public places until Wed., Feb. 4, the incubation period, to avoid potential spread. If being in public cannot be avoided, it is advised that a mask be worn. Measles is extremely infectious, which is why it is so important that cases are identified quickly and the spread is stopped early on. That means keeping unvaccinated people who have been exposed to the disease away from others.

You should be protected from measles if you were immunized by getting two doses of MMR (Measles, Mumps and Rubella) vaccine, or if you have previously had the disease. Healthcare providers are required to report suspect cases of measles to Gila County Division of Public Health.

Symptoms typically appear 7-12 days after exposure to measles, but, may take up to 21 days. Typically, they

begin with a fever of 101 degrees F or higher; red, watery eyes; cough and runny nose. Following, there will be a red, raised, blotchy rash, beginning on the face at the hairline and moving down the body. The rash may last for 5-6 days and may turn brownish.

If you think you have the symptoms, and you have a healthcare provider, contact him or her by phone and let them know that you may have been exposed to the measles. They will let you know when to visit their office so as not to expose others in the waiting area.

If you do not have a health care provider, you may not be seen by your local hospital emergency room or urgent care center. Call before going, to let them know you may have the measles and follow their instructions.

For more information on measles' signs and symptoms or where you may find vaccine, please visit www.StoptheSpreadAZ.com.

Ray-Winkelman Lodge celebrates 100 years

Ray-Winkelman Lodge #24 will celebrate 100 years of Masonic brotherhood on Feb. 10, 2015. There will be fellowship and refreshments served at 5 p.m. At 7 p.m. the Grand Lodge of Arizona will conduct a centennial celebration. Everyone is invited to attend the evening's festivities at 318 Fairhaven in Kearny.

Here is a quick history of Masons in the copper basin area. Winkelman Lodge was chartered on Feb. 10, 1915. Past Grand Master Morris Goldwater was instrumental in getting the lodge started. Ray Lodge was chartered on Feb.

8, 1921 in the old town of Ray. They moved to Superior and built the current Superior town hall and police station as a lodge when Ray was taken over by the mine.

Winkelman Lodge planned to build a new lodge in Kearny. In April of 1975 the new lodge was dedicated. During hard times and diminishing membership this lodge was sold/swapped with the Church of Christ. The lodge moved to its current location of 318 Fairhaven. In

1981 Winkelman Lodge and Ray Lodge merged to form Ray-Winkelman Lodge #24.

The Masons have spent 100 years in service to the copper basin communities. They have provided scholarships and support to local schools. The members have put in many volunteer hours supporting local charities and churches. Please come and celebrate with the lodge on this tremendous accomplishment.

Lobos' to honor seniors in home finale

By Andrew Luberda
Copper Basin News

The Hayden boys' and girls' basketball teams will honor their senior players on Wednesday, Feb. 4.

Both Lobos' teams will host Joseph

City beginning at 5:30 p.m. when the Lady Lobos will take the court. The boys' game is scheduled for 7:00 p.m. or immediately following the end of the girls' game.

Both teams finish their season on the road, playing at Ft. Thomas on Feb. 6.

Copper Basin Sports Update

Ray boys' basketball - The Bearcats' modest four-game winning streak was snapped last week after a 62 - 42 loss to section leader Ft. Thomas. The 'Cats will wrap their season this week with three road games. The biggest of the three is at Superior on Feb. 4. The Panthers, currently one

game behind Ray in the standings, defeated the Bearcats earlier this season. With a win the 23rd-ranked Bearcats will clinch a spot in the season-ending sectional tournament. A loss, on the other hand, could leave the 'Cats on the outside, looking in, of the postseason window. Upcoming

schedule: Feb. 4 at Superior and Feb. 6 at Joseph City. All games are scheduled for 7:00 p.m.

Ray girls' basketball - The 8th-ranked Lady Cats fell in their home finale last Friday, losing to 2nd-ranked Ft. Thomas, 75 - 33. The Cats close out their regular season with three-straight

road games beginning at Miami on Feb. 3. Ray, currently second in the section standings, can clinch a berth in the season-ending sectional tournament with a win at Superior on Feb. 4. Their final game of the regular season is Feb. 6 at Joseph City. All games are scheduled for 5:30 p.m.

Advocate gives virtual tour of Arizona Trail

By **John Hernandez**
Copper Area News

The Kannally Ranch House at Oracle State Park was the scene of a slide presentation of Dufault's journey hiking the entire Arizona Trail. Sirena hiked from the Mexican border to Utah, a trip that covered over 800 miles and took her two and a half months to complete. Along the way she had 200 hikers join her and hike short sections of the trail.

Sirena Dufault gives a presentation of the Arizona Trail at Oracle State Park. She was a recent visitor to Kearny, which is located close to the trail.

John Hernandez | Copper Area News

Sirena's slide show presentation included her talking about the history of the trail, the interesting people she met along the way and some of the desert creatures she ran into which included seeing a Gila Monster along the Gila River and running into three rattlesnakes in one day along the trail. The members of the audience about 25 in number asked her questions. The slides showed the breath taking beauty of the diverse terrain that the Arizona Trail passes through. It was very well put together and interesting. It also included a promotional video about the trail that is being shown regularly at an IMAX theater in Phoenix.

Sirena said she enjoyed meeting people along the trail

and that it was fun to go into the Gateway Communities. She was involved in promotion and fundraising events while visiting the Gateway Communities which included Oracle and Superior. She also paid a visit to Kearny and enjoyed eating pizza at Old Time Pizza. She helped raise \$18,000 for the Arizona Trail Association. She said that the Arizona Trail is becoming known worldwide and is seeing more activities and people using the trail. Now is the time for the Gateway Communities to help promote the trail and use it to promote their area and businesses.

If you would like to learn more about the Arizona Trail Association, volunteer, donate or become a member, visit their website: www.AzTrail.org.

and wordplay of festival favorites Don Juan and Miguel. It's hard to miss the wild antics of The Tortuga Twins (three unrelated men in tights), and more than amusing to decipher Zilch the Tory Steller (the misspelling, like his misspelling is intentional). On or off the stage you are bound to rub shoulders with delightful characters. Don't miss the-The Living Fountain!

A variety of food and drink is available to satisfy your appetite; bread bowls, stews, steak-on-a-stake, roasted chicken and so much more. In the midst of this enormous feast you'll find the King of festival foods - the huge roasted turkey leg. Tempt your diet plan with desserts from the Monk's Bakery, the Cappuccino Inn, or the Chocolate Shoppe. Pubs serve beers, wine and soft drinks to quench your thirst.

And kids love this place! Dozens of activities bring out their smiles. A Festival favorite with children is Mother (and Father) Goose brought to life, with costumed ducks and geese, Maggie, Mimi and Matilda. Kids will cheer for their favorite knight at the 5,000 seat jousting arena or try their hand at archery.

Children delight in the return of a falcon, the King of sports, at the Falconer's Heath. Kids also, love riding the people-powered Da Vinci's Steamship, the Swan Swing, Christopher Columbus' "Voyage to the New World", the Slider Joust, as well as, the Piccolo Pony, a rocking horse bigger than an elephant. In addition to the people-powered rides, the Festival offers interactive games like the dragon climbing tower, the castle siege, Jacobs' Ladder, a maze and an archery range. Kids will surely be asking for a hat, wand, garland, wooden sword, shield, or to have their face painted, or to make a sand dragon, or perhaps purchase a pet gorgi

or drabbit along with other interesting items available for purchase at the Festival.

What's more, kids will marvel at the acrobatic antics of Clan Tynker. Those bolder of heart may feed the dragon or play King of the log. HUZDAH
