LETTER TO THE EDITOR

Amendments will affect value, use of property

In my opinion the amendments in this letter below will affect the value and use of all property in Superior, Ariz. So every property owner in Superior, Ariz. should be at the council meeting on Feb. 12, 2015 at 7 p.m. at the Old Roosevelt School located at 199 N. Lobb Ave.

Once again I must protest the planning and zoning meeting last night (1/15/2015) which was not posted on the town website. I have a couple of complaints filed with the AG office in the last couple months for open meeting violations. The acting town manager of Superior, Margaret Gaston (Margie), said that she does not have to abide by the opening meeting laws. That all she is required to do is post a legal notice in the local newspaper. This notice was posted in the local paper on 12/31/2014 but the meeting was held 1/15/2015 without any notice on the town website.

The town manager explained that the office copy of the planning and zoning code was available for anyone to read five days a week from 8 a.m. to 5 p.m. Well, most people are at work during this time period. In my opinion the web site should be the town

bulletin board - especially since the tax payers are paying for it, and the town is in gross violation of the opening meeting laws.

I took the notice from the local newspaper and enlarged it to make it readable and sent it out to my email contacts asking people to pass it on. Would you believe we had two quorums at this meeting - the mayor and three council members, and a quorum of planning and zoning commissioners? One council member even spoke to the unusually large crowd.

In the past year the planning and zoning code was removed from the town web site making it impossible to know what changes are being made. We are told about proposed changes by the planning and zoning administrator while reading to the audience, and making changes as he went along. In my opinion these changes are affecting every property owner in Superior, Ariz.

Here is a copy of the legal posting---
Public Notice

TOWN OF SUPERIOR NOTICE OF PUBLIC HEARING OF THE PLANNING AND ZONING COMMISSION Notice is hereby given that on Jan. 15, 2015, the Planning and Zoning Commission of the Town of Superior will hold a public hearing to consider various amendments to Articles II, VIII, and XIV of Ordinance No. 14-124. A summary of the major proposed changes is as follows: Article II, Section 2.3, elimination of the Town Center Review Committee: Article VIII, Section B, adding language to require a conditional use permit for exterior alterations or additions to existing buildings and to new buildings; Article VIII, Section 8.1.B, enhance language to permit Planning and Zoning Commission to approve or deny new unlisted uses into the permitted use section; Article VIII, Section 8.3.A.2 and A.3, eliminate complying with the Secretary of the Interiors Standards for restoration, preservation and rehabilitation of structures in the TC zone district; Article VIII, Sections 8.3.A.4, eliminate; Article VIII, Table No. 4, revise the Table to eliminate Commercial and Residential under the TC zone district and amend lot size, rear yard setback and permissible lot coverage; Article XIV, Table 8, change gross floor area to usable floor area; Article XIV, Section 14.4 add language to permit compact parking spaces; Article XIV, Section F, eliminate and relocate; Article XIV Section 14.6 add Adjustment to Parking Requirements to the TC zone district; and Article XIV, Section 4.7 add provision for shared parking.

Said hearing is open to the public. All persons are invited to attend and will be given full opportunity to be heard, or wishing to present evidence for or against this proposal, is hereby notified and directed to either appear at the time and place afore said, or send written comments to the Town Manager/Town Clerk. All comments must be received by the Town Clerk on or before January 15, 2015, for the Planning and Zoning Commission public hearing.

SUN Legal 12/31/14--

Now I ask, during a meeting, if you only have the notice listed above, and if you do not have a copy of the planning and zoning code can you tell what is being changed? And can you remember what the changes are without the prior written changes. At the end of the meeting the planning and zoning commission appeared to be confused, and the audience appeared to be confused, but the administer more or less insisted that planning and zoning commission pass the changes as written as there was a building permit waiting to be granted, and that the changes made in this meeting could be changed at a later time.

Many citizens who own property in the Town Center of Superior spoke at this meeting and requested they hold off on any changes and hire a city planner to help guide the town in zoning changes. Resolution Copper offered to hold a workshop to enable some municipal planning education. The changes made at this meeting could have been made at a later date if they wanted to, but the amendments passed unanimously by the Planning & Zoning Commission and still must be approved by the mayor and council at a future council meeting.

In the past I had a discussion with the Mayor and he pointed out in an open council meeting that the AG had found my complaints unfounded. If this is true I would like a letter from the AG office to that effect.

LETTER TO THE EDITOR

In opposition to Resolution

I am a tribal member of the San Carlos Apache Tribe and it's ironic how the Oak Flat Land Exchange bill was enacted into law (Dec. 2014) through a "rider" on the on the National Defense Authorization Act (NDAA) when USDA Secretary, Tom Vilsack, wrote in 2009 to Ron Wyden, Chairman of the Energy and Natural Resources Committee that this area was considered "unique and significant natural and cultural qualities of lands to be conveyed and the lands to be acquired. These lands of historical, cultural and environmental significance are adjacent

to Apache Leap and Gaan Canyon are located on the Tonto National Forest. These areas are considered sacred places to the Apache and Yavapai Tribes and are used to conduct religious ceremonies. Gaan Canyon is a perennial stream and an ecologically significant and riparian area."

Where is the Environmental Impact Statement (EIS) under the National Environmental Policy Act (NEPA)? Where is the consultation with the San Carlos Apache Tribe? NEPA has statutes that set forth prerequisite obligations before a Federal Action is taken.

Executive Order 13175 directs each federal agency to consult with American Indians that have substantial direct effects on one or more American Indian Tribes relating to "Consultation" and "Coordination" with Tribal Governments.

The 2004 Forest Service Manual requires that Tribes must be consulted with by the Forest Service on matters that affect tribal rights and interests to ensure compliance with the laws and Executive Orders and especially with regards to establish laws that protect areas of significance to Indian Tribes that are located on National Forest System lands.

The San Carlos Apache Tribe, along with other tribal governments, have raised concerns that the land exchange bill was contrary to crucial policies and Executive Orders that require Federal Land Management agencies to protect and preserve sites that are highly sacred to tribes. Therefore, Oak Flat has been the focus of historic government protection

and it is important that tribal meaningful consultation is conducted to ensure tribal participation, and, especially, to ensure proper protection of this site.

Resolution Copper Company continues to act with its supreme above-the-law behavior and is, sadly, supported by Arizona Congresswoman Ann Kirkpatrick, Congressman Paul Gosar and Senator John McCain.

Resolution Copper Company proposes to use 18,000 sq. ft of water per year, and, 1 acre ft. of water is 325,853 gallons, so, that means that they will use 5,865, 354,000 gallons, which is almost 6 billions gallons of water per year! Water is precious. Water is life. We must all do everything we can to also protect our water!

Finally, their action was definitely not in the public interest of American citizens across the nation!

Sincerely,
/s/ Valerie O. Key

Tameron elected as Democratic Party chairperson

Superiorite Alexis Tameron made Arizona Democratic Party history last month when she

Alexis Tameron

was elected as the state party chair. She is the first woman and the first Latina ever elected to that position.

Tameron has extensive political experience including serving as Congressman Harry

Mitchell's Chief of Staff and managing Dr. Richard Carmona's U.S. Senate race in 2012. She has also served as the ADP's first vice chairperson for the past two years and is a member of the

Democratic National Committee's Rules and Bylaws Committee.

"My priorities as party chair are to consistently advocate for our party's progressive values, increase our engagement and mobilization

statewide with more aggressive digital and social media outreach and expand our fundraising base to leave us less exposed to the effects of 'Dark Money' in our elections," said Tameron. Tameron, who is 39

and resides in Tempe, is a governmental affairs professional for a Tempe-based technology company. She is a 1994 Superior High School graduate and her parents are Richard and Rosie Tameron of Superior.

Superior Police assist PCSO with pursuit

On Friday, Jan. 30 at about 1715 hours, the PD received a call reporting a reckless driver. The caller described the driver by name (Martin Duarte)

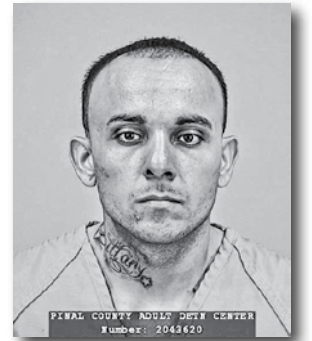

and we confirmed that we were holding two active misdemeanor warrants for his arrest. In addition, we were pending charges of felony identity theft against

Duarte. As Superior PD units were responding to the area, a PCSO unit was almost struck head on by the reckless vehicle driven by Duarte (Golf Course Rd). The PCSO unit attempted to initiate a traffic stop. The vehicle fled from the Deputy and a pursuit was initiated (by PCSO). Superior PD units quickly joined the single PCSO unit in the pursuit.

The Superior PD units joined the pursuit at Richard and Mary, where the suspect vehicle almost hit a Superior PD unit. The pursuit traveled through

residential streets as well as US 60 and reaching speeds of about 45 MPH. The pursuit was terminated when the suspect vehicle yielded at Porphyry and Pinal. The pursuit traveled over four (4) miles and lasted approximately seven minutes with light traffic and wet roads. Duarte resisted officers at the termination of the pursuit and a TASER was deployed

PCSO arrested Duarte for Felony Flight, Driving on a Suspended License, and three Misdemeanor Warrants. SPD will file the Felony Identity Theft

Martin Duarte

Charges with the County Attorney. Duarte's vehicle was impounded for 30 days.

Gila County Public Health monitoring individuals who may have had contact with a confirmed measles case

Globe - Gila County Division of Health and Emergency Services is currently working in collaboration with Cobre Valley Regional Medical

Center (CVRMC) to investigate potential contacts associated with a patient who visited the hospital on Wednesday, Jan. 14 at 1:47 a.m.

The patient, a resident of Kearny in Pinal County, is a confirmed measles case. Following the Center for Disease Control's (CDC) guidelines for measles transmission, all hospital staff and non-staff visitors whom were in the hospital anytime between 1:30 a.m. - 8:30 a.m. have been monitored. During this time of potential exposure, there were nine hospital staff and eight non-staff individuals that are currently being followed. At this time, Gila County has zero confirmed cases of

Gemini and Central Bakery open in Superior

The Superior Chamber of Commerce hosted the ribbon cutting for Gemini Hospice in Superior. This is the third location for the family owned business which started in Chandler, Ariz. Their second location is open in Coolidge. Gemini Hospice is located at the corner of Main and Magma in downtown Superior.

They are able to serve a good portion of the Copper Corridor including: Globe, Miami, Kearny, Hayden, Winkelman and Dudleyville. Their focus is on educating people on how hospice services work. One of the biggest misconceptions is that a person cannot use hospice services if they are not in the end stages of life. There are many services that are available to patients depending on need.

They plan on offering grief counseling group sessions and will be doing outreach to local veterans as well as providing blood pressure checks at local senior centers. The staff there wants to invite everyone to stop in and visit with them and learn more about their

Celebrating 100 years strong; Queen Valley Centennial is this weekend

Birthdays come and anniversaries go. Turning 100 years old, though, is pretty darn special.

Queen Valley, Superior's neighbor to the west, is doing just that and the townspeople are throwing a party.

Queen Valley, Ariz. will celebrate its Centennial on Feb. 7 and 8, 2015. The town is inviting the public to come join the party in this historic and beautiful little town in the southeastern foothills of the Superstition Mountains.

The Centennial celebration will be kicked off by a parade held on Feb. 7 at 10 a.m. featuring Grand Marshal, Bill Moser and a town founder's wagon carrying a dozen of the people who came to Queen Valley in the early days of its development.

Included in the two day Centennial celebration will be craft and art shows, a historic walking tour of Queen Valley, guest speakers, a dance, information booths,

children's activities, a classic car show, and continual music by a variety of bands. Food will be available in the town's two restaurants and from local food vendors.

Be sure to check out the schedule of events in the ad in this issue of the Superior Sun. Please, go to the party. And please when you go, find someone who lives there and tell them "Happy Birthday!"

Event coordinators prepare the town of Queen Valley for the weekend's celebration.

Superior Sports Update

Boys' basketball – The Panthers put themselves in position to earn a berth in the season-ending sectional tournament with wins over Hayden and

Cibecue last week. Freshman Marcos Bueno led the Panthers in their 50 – 44 win against the Lobos. He finished with 20 points, eight rebounds, and six assists. Jalon Murray added a game-high nine rebounds. He was also 1 of 3 Panthers' to record three steals in the game. Matthew Zavala and Edgar Pacheco were the others. Now the Panthers must take care of business this week, starting with a home game versus Ray on Feb. 4. In addition to having a chance to surpass the Bearcats in the section standings, the Panthers will honor three seniors playing in their final home game on Senior Night. The Panthers likely need to win out to reach the sectional tournament. Upcoming schedule: Feb. 3 vs. Ray and Feb. 6 at Mogollon (5:30 p.m.). All games are scheduled for 7:00 p.m. unless otherwise noted.

Girls' basketball – The Lady Panthers won back-to-back games last week for the first time since December. They won at Hayden last Tuesday before defeating Cibecue at home last Friday, 52 – 36. Cierra Navarrette (13), Ariana San Miguel (10) and Maribel Castro (10) all scored in double figures in the win against the Wildcats. Castro also grabbed 14 rebounds to record a double-double in the game. Jalisa Murray pulled down 11 rebounds. The Lady Panthers face 8th-ranked Ray on Feb. 4. It is the Lady Panthers last home game of the season and Senior Night. Upcoming schedule: Feb. 4 vs. Ray and Feb. 6 at Mogollon (4:00 p.m.). All games are scheduled for 5:30 p.m. unless otherwise noted.

Ray Federal Credit Union holds its 60th annual meeting

Ray Federal Credit Union held its 60th annual meeting on Jan. 27, 2015 at the Kearny Elks Lodge. 70 members attended the meeting, representing a 40 percent increase from last year, illustrating the meeting's general theme, our credit union growth. Not only have the last two years been a period of tremendous growth, but also, a period of change. Over the last two years,

- Membership grew 30 percent; 30 businesses became members
 - The number of checking accounts increased 94 percent
 - Deposits grew 50 percent and loans grew 94 percent
- In 2014,
- Membership grew 13 percent
 - The number of checking accounts increased 34 percent
 - Deposits grew 25 percent and loans grew 40 percent

In addition to growth, the other theme was change. During 2014, 11 of the current 14 employees were hired, two employees (previous year hires) were promoted to new positions. Our new staff faced many challenges and stresses but have come together, working cohesively as a team. Employees received education through webinars, on-site training and by attending conferences. The membership has been understanding during this transition period and has seen service steadily improve. Embracing a process of continual improvement, Ray FCU is committed to improving our service and infrastructure,

- Office hours increased; Monday to Friday (9 a.m. to 5 p.m.) and Saturdays (9 a.m. to 1 p.m.).
- A new logo was adopted and the web site was updated.
- The parking lot was expanded to accommodate more vehicles.
- Additional ATMs were placed in Hayden (Town Hall) and Kearny (La Cantina).
- The teller line was relocated and a member service area was cordoned off in the lobby.
- Coin counting services are now offered.
- Internet access capacity was doubled.
- A new security system was installed.

Whitney Fry from first investors spoke about their full suite of financial planning options and the upcoming social security planning seminar in February.

2015 will be another exciting year for Ray Federal Credit Union. An ATM will be placed in Superior and branch services are expected there before the end of the year.

More interest than ever was shown in the board positions. The Board of Directors is democratically elected from the membership and is responsible for the general direction and control of the credit union. We thank Darrell Wallace Jr. for volunteering his time as a board member for two years and the insight he brought to the meetings. Darrell decided not to run again. Four positions on the board were open for elections. Seven members ran for board positions. Congratulations to Mike Dinwiddie, Jim McGrane, and Ann Swaim on their re-election to the board. Congratulations to Robert Boatman on his election to the board of directors. The board of directors for Ray Federal Credit Union is now:

President – Ralph “Button” DuBois
 Vice President – Charles Warren
 Secretary – Chris Postel

MEASLES

Continued from Page 4

measles.

Gila County Public Health has recommended that all exposed adults who were born in 1957 or later, who have not had measles disease or at least one measles vaccine, should not go to work or other public places until Wed., Feb. 4, the incubation period, to avoid potential spread. If being in public cannot be avoided, it is advised that a mask be worn. Measles is extremely infectious, which is why it is so important that cases are identified quickly and the spread is stopped early on. That means keeping unvaccinated people who have been exposed to the disease away from others.

You should be protected from measles if you were immunized by getting two doses of MMR (Measles, Mumps and Rubella) vaccine, or if you have previously had the disease. Healthcare providers are required to report suspect cases of measles to Gila County Division of Public Health.

Symptoms typically appear 7-12 days after

exposure to measles, but, may take up to 21 days. Typically, they begin with a fever of 101 degrees F or higher; red, watery eyes; cough and runny nose. Following, there will be a red, raised, blotchy rash, beginning on the face at the hairline and moving down the body. The rash may last for 5-6 days and may turn brownish.

If you think you have the symptoms, and you have a healthcare provider, contact him or her by phone and let them know that you may have been exposed to the measles. They will let you know when to visit their office so as not to expose others in the waiting area.

If you do not have a health care provider, you may not to be seen by your local hospital emergency room or urgent care center. Call before going, to let them know you may have the measles and follow their instructions.

For more information on measles' signs and symptoms or where you may find vaccine, please visit www.StoptheSpreadAZ.com.
