## OBITUARY

# Mildred 'Mili' Nell Anderson Eaves

On Dec. 29, 2013, while surrounded by her family, Mildred (Mili) Nell Anderson-Eaves went peacefully to be with the Lord.

Mili was born Feb. 22, 1940 to Lee (Boss) and Gladys Anderson in Globe, AZ where she lived until she wed Darrell Eaves. They moved to the Tri-Community area settling

down in San Manuel to raise their family.

Mili was active in Girl Scouts, the Boys and Girls Club of San Manuel, the Red Cross where she was a first aid instructor and was also the area's contact person for the Red Cross' service to military families. Mili and Darrell also coached girls' softball in San Manuel. Mili was

very proud of her Arizona roots; her Grandfather Bob Anderson was one of the original Arizona Rangers, Mili was made an honorary Arizona Ranger which was something she was quite proud of.

In 1974 Mili was recognized as one of

America's Outstanding Young Women for her volunteering efforts with the Girl Scouts and Red Cross.

In 1979 she became a Registered Nurse earning her Associate's Degree from Pima Community College in Tucson, AZ. In 1996 she graduated with honors

receiving her Bachelor of Science Degree in Nursing from the University of Arizona.

Mili worked for 15 years at Carondelet St. Mary's Hospital in the Burn Unit. During this time she would go around the city to help care for patients with burns or complex wounds, she also did a number of lectures throughout the city, and was featured on PBS in an interview on the burn unit, and even got to go to the set of Desert Bloom and meet Jon Voigt where she was able to accept a donation to the Burn Unit. She was also a Correctional Nurse for the Department of Corrections Tucson Complex.

In her spare time Mili loved to cook and garden. Her real passion was spending time with her granddaughters.

Mili was preceded in death by her parents, her sister Norma Lee Schaffer and son Jon Eaves.

Mili is survived by her husband of 55 years

## LETTER TO THE EDITOR

# New gate at First Baptist Church

Greetings to all of you from the people who are the First Baptist Church of San Manuel. We are placing this letter to inform you of a decision that may affect some of you.

Until now, everyone has been able to access the church parking lot from First Avenue. That is about to change. Except during times the church deems practical or necessary, we are going to close access to the parking lot from First Avenue with a locked

gate. The gate is wrapped with very bright reflective tape. We will be installing a sign that will inform of the closed gate as well.

There is good reason for the gate. Over the last year and a half, we have witnessed numerous incidences of trucks, cars, jeeps, four wheelers, and motorcycles travel through our parking lot at high speeds while people were present. It has happened during Vacation Bible School, various church activities, and even during Sunday school and worship times. This is particularly dangerous for our children. Even when we are not having a church activity, children are often present on our playground. Just a few weeks ago while several children were playing at

the church, I was in the front yard of my house and witnessed a truck come flying out of our parking lot and nearly hit my granddaughter. She was on her bicycle at the edge of the road coming from the playground. The truck continued down First at such a high rate of speed that I called 911. The driver never swerved or slowed down indicating that he never saw her. Therefore, before there is a serious accident, for the safety of all, we are closing access to our parking lot from First Avenue, we are grateful to those of you who have driven safely across our parking lot and apologize for any inconvenience.

You will still be able to access the desert from First Avenue just before the

New gate has been installed at the entry to the church parking lot.

Submitted

gate, as well as being able to access the desert, the church park, the basketball court, or the parking lot for services and activities from

Nichols.

The safety of everyone far exceeds any minor inconvenience this may cause. Thank you for

understanding.

/s/ Kevin Duncan  
Pastor, First Baptist Church

# Couple who held daughters captive in Pima County now facing Pinal County charges

A couple accused of keeping the wife's three daughters captive in Pima County are now facing added charges in Pinal County. Fernando and Sophia Richter have been charged with kidnapping and child abuse in Pima County for allegedly keeping Sophia's three daughters, ages 12, 13 and 17, imprisoned in their bedrooms. Fernando Richter is also facing aggravated assault charges for threatening two of the girls with a knife. He has also been charged in a separate case for assault on a corrections officer at Pima County Jail.

The Richters are now being charged in Pinal County with multiple counts of child abuse and kidnapping that allegedly occurred while they were living in Pinal County. They pled not guilty at a hearing held Jan. 31 in Pinal County Superior Court. Sophia Richter has been indicted on nine felony charges. Fernando Richter has been indicted on 15 felonies including aggravated assault, sexual abuse and child molestation.

The charges are the result of an investigation which began in November when two of the girls escaped from the Tucson home and notified a neighbor. The police then discovered the 17-year-old sister locked in a bedroom. She was being held separately from the two younger girls. All three were found malnourished and dirty. They told officers they had not bathed in months. The

younger girls said they had not seen their 17-year-old sister in two years. It is believed by authorities that the majority of the crimes were committed in Pinal County while the family was living in Catalina from March 2011 until last August. Sophia Richter, 32, is being held on \$100,000 bond. A Pinal County Judge ordered Fernando Richter, 34, held without bond. The three sisters are in state custody and are together according to authorities.

Pinal County Attorney Lando Voyles issued the following statement:

"Our children depend on us, as parents, to protect them and provide for them in a safe environment. No child should live in fear and our youth represent one of our most vulnerable groups in society. Law enforcement and investigators must act swiftly and decisively to ensure safe surroundings and the best interests of a child."

"Working with detectives from both the Tucson Police Department and the Pinal County Sheriff's Office, we saw truly phenomenal cooperation as both agencies conducted a professional, thorough and extraordinarily well-coordinated investigation."

"Specifically I want to recognize Tucson Chief of Police Robert Villasenor and his Detectives, Hickey and Avalos, and Sgt.

Fernando Richter

Sophia Richter

Pregnato-Hill also from the Tucson Police Department and Pinal County Sheriff Paul Babeu and his detective, Detective Munger from the Pinal County Sheriff's Office for their cooperation, outstanding work, investigation, and dedication to working with and remaining in communication with my prosecutors throughout the investigation."

# Medical marijuana dispensary possible for Oracle

By **John Hernandez**  
*San Manuel Miner*

Around 40 Oracle residents attended a public meeting held at the Oracle Community Center on Tuesday, Jan. 28. Representatives from the Pinal County Wellness Center hosted the meeting to inform the public about their intention to open a medical marijuana dispensary in Oracle. Residents were allowed to ask questions and make comments at the meeting. The group is not affiliated with Pinal County as the name of the company could lead one to believe. Plans are for the Pinal

Wellness Center to be located at 1880 W. American Ave. The empty building space is in the same plaza as Class'e Look's n Oracle hair salon. The small building will be renovated and security cameras, alarms and lighting will be installed. A safe will be utilized to secure the marijuana after hours. The next steps in the approval process are a meeting with Pinal County Planning and Zoning and a public hearing with the County Board of Supervisors. Should the Wellness Center get approved, it could be open in August.

Oracle residents at the meeting were concerned about the medical marijuana dispensary attracting "undesirables" and crime to the area. They were also concerned with the security of the building. David Dow, attorney for the wellness center said that studies have shown that crime decreases in areas where there is a dispensary. A security guard working for Bloom Dispensary in Tucson was in attendance at the meeting. He said they have had no problems at their Oracle Road location. Bloom Dispensary will be managing the Pinal Wellness Center in Oracle if it gets approved to open.

The Pinal Wellness Center attempted to establish a location in Dudleyville. The Pinal County Board of Supervisors denied that application due to concerns about safety, crime, traffic issues and inadequate notice of a public meeting given to area residents. Dr. Glenn Wilt and David Dow also spoke in front of the Mammoth Town Council seeking an opportunity to locate the dispensary there. Some residents of Mammoth spoke out at the meeting and were adamantly against a dispensary locating in Mammoth. The town council was also opposed to it.

It was brought up in the Oracle meeting that Dr. Wilt has a reputation for not getting along with some town officials in the areas where he owns properties which includes the towns of Superior, Globe, and Hayden. The town officials have had to battle with him concerning **Marijuana, Page 12**

# Sea Lions compete in Yuma's Polar Bear Plunge Meet

Over the weekend of Jan. 24-26, the Sea Lions Swim Team competed at the Polar Bear Plunge Swim Meet at the Valley Aquatic Center in Yuma. Ideal weather conditions and great competition brought out the best in the 17 Sea Lions Swimmers that attended the meet. The focus of the meet was for swimmers to achieve best times so team scores were not kept. Sea Lions did outstanding, posting a total of 109 personal best times at the three day meet.

Several Sea Lions swam events they have never done before. Rocky Andrade (8) and Ethan Kellam (7) both competed in the 500-yard Freestyle (20 lengths of the pool) and did very well finishing second and third respectively. Briana Castellanos (9) took on the challenge of the 200-yard Backstroke and went fast enough to come home with a seventh place ribbon. Riley Stewart (10) and Nate Fister (11) swam the 200-yard Breaststroke for the first time finishing first and 10th in their age groups. Evan Apuron (10) and Raquel Ortiz (13) attempted the toughest events in swimming for the first time, successfully completing both the 400-yard Individual Medley and the 1650-yard Freestyle. Jasmine Smith participated in her first USA Swim Meet and competed in five events.

With powerhouse teams present from throughout Arizona, it was a great accomplishment to win any event at the meet. The Sea Lions were able to come home with several wins. Rocky Andrade won three races (25 Fly, 50 Free, 25 Free), Tabitha Kellam (10) won three races (400 IM, 200 Free, 1650 Free), and Riley Stewart won the 200 Breaststroke. It was Evan Apuron who made a statement by winning all 12 races he was in (50 Free, 500 Free, 200 IM, 100 Fly, 400 IM, 100 Free, 100 Breast, 100 Back, 200 Back, 50 Breast, 100 IM, 1650 Free).

Two Sea Lions Swimmers qualified for more events for the Age Group State Championship Meet in March. Riley Stewart swam a 1:12.50 in the 100-yard Freestyle to qualify, and Gianna Sweeney (12) qualified the 50-yard Freestyle (28.51) and the 1650-yard Freestyle (21:28.90).

Coach Alex Gort was very happy with the way the swimmers did at the meet. "The 109 personal best times are a great achievement for any team, but truly remarkable for only 17 swimmers," he said. "Hard work in practice always seems to pay off at the meets."

The Sea Lions next meet is the Age Group Championship

Meet in Oro Valley March 6-9. Ten Sea Lions swimmers are expected to swim in Relays or Individual events at the meet.

The Sea Lions practice in the Oro Valley Pool during the winter months and in the San Manuel Pool in the warmer months. Anyone wanting more information about the Sea Lions Swim Team can contact Alex Gort at 896-2190.

# Postseason is next for Lady Miners after successful regular season

**By Andrew Luberda**  
*San Manuel Miner*

The San Manuel girls' basketball team boasts a record of 21 – 5 heading into its final two regular season games this week. After an important game versus Immaculate Heart

on February 4, 2014, the Miners' regular season finale is February 6 at Green Fields Country Day.

The Miners will take on Immaculate Heart for the second time this season

with a third game looming in the sectional tournament. The winner of the game on February 4 will earn the second seed in the sectional tournament, while the loser will be seeded third. The top four teams in the sectional standings play in the sectional tournament. The Miners won the first game between the teams, 27 – 24.

Miners head coach Dave Jungbluth said the team has made improvements over the past the month, including more balanced scoring.

“Most teams are focusing on Angelica Zuniga which gives other players better scoring opportunities,” he said.

Analisa Robles is the Miners' second-leading scorer and does a “great job

putting back offensive rebounds,” according to Jungbluth. Freshman Angelica Garcia has been shooting well from three-point range while Felicia Gomez and Nicole Predgo-Primero have improved their shooting touch. Third-year varsity player Kadi Monfred's strength is her outside shooting and ability to take the ball the basket.

Angelica Zuniga has averaged a double-double (16 points and 11 rebounds) all season long. Jungbluth was asked what makes her special.

“The way she runs the floor,” he answered.

The Miners have three losses to Division III teams. Their only losses in Division IV game have been to St.

Gregory Prep. Jungbluth said the team did not come ready to play in at least one game versus St. Gregory and the recent game versus San Carlos. After falling behind early in both games, the Miners played well for the remainder of the game, but not well enough to overcome the early hole they dug for themselves.

As the regular season winds down and the postseason starts up, Jungbluth knows the Miners are more than capable of creating history – as long as they come ready to play.

“When we play well we can beat anyone,” he said. “When we play poorly we are very beatable.”

The game versus Green Fields Country Day is schedule to tipoff at 5:30 p.m.

## Miner cagers lose in home finale

**By Andrew Luberda**  
*San Manuel Miner*

The Miners boys' basketball team was handily defeated by the Ray Bearcats last Thursday night, 62 – 35. It was the

Miners' final home game of the season. They have now lost three straight games and will look to end their season on a positive note with two road games remaining.

The Miners have averaged less than 41 points per game scoring during the losing streak. They'll need more offensive firepower to crack the win column in the final two games. A sweep of the

final two games will give the Miners a .500 record for the season.

The Miners will take on Immaculate Heart on February 4, 2014, for the second time this

season. They lost in the first matchup between the teams, 27 – 17. Their season finale is at Green Fields Country Day on February 6. The game is scheduled to tipoff at 7:00 p.m.

## Miner grapplers prep for sectional tournament

**By Andrew Luberda**  
*San Manuel Miner*

The San Manuel Wrestling team has been preparing for the postseason by competing

against some of the top competition in the state, including teams in higher divisions. They'll be battle tested as they enter the Sectional Tournament

on Feb. 8, 2014, at Benson High School.

Colten Smith, Franky Renteria, Frankie Tamayo, Roberto Guerrero, and Anthony Lopez all

earned individual honors during the regular season. Smith won multiple championships and is certain to be a top seed in any tournaments.

The State Tournament will take place next Thursday and Friday, Feb. 13-14, at Tim's Toyota Center in Prescott Valley, AZ.

# Oracle Schools to consider moving kindergarten to the Mountain Vista Campus

**By Dennis Blauser  
Superintendent, Oracle  
Schools**

On Feb. 18 the Oracle School District Governing Board will discuss the idea of moving both pre-school and kindergarten to the Mountain Vista Campus. Currently these two programs are housed at the Oracle Ridge Campus which is about 3.5 miles east of the Mountain Vista Campus. The governing board meeting will be held at the Oracle Ridge campus at 6 p.m. at which time the public is welcome to give

their input regarding the proposed move.

For quite some time the district has been considering this move in order to become more financially efficient and also to be able to provide a more fluid, seamless educational experience for it's pre-school through eighth grade students. Although the Oracle Ridge Campus is very nice and still very valuable to the district, having all of the students on one campus, similar to most other schools, allows the district to efficiently conduct

staff development. It also allows the district to provide better services such as library access, special education, physical education and special programs to pre-k and kindergarten students. The total number of classrooms that would be closed would be three. The district will explore leasing and other options for the affected classrooms. Most of the district resources such as special education, transportation and food services are based at the Mountain Vista Campus. Having the separate campuses forces the

district to have extra bus runs and run an additional small scale cafeteria. With careful planning, the Mountain Vista Campus can easily hold the additional students for years to come. Both kindergarten teachers are very excited about the move and agree that it is the best thing for the students.

Not only will the students benefit from this move, it is estimated that the district will save between 30 and 40 thousand dollars per year by consolidating the campuses. If the move occurs, the district is

hoping to expand its pre-school offerings in a newly re-furnished setting complete with a new curriculum. This year the district implemented a comprehensive new reading program and is excited to have a progressive new math program in place for the 2014/2015 school year. We are confident that having our students on one campus combined with our new and exciting curricular offerings will make the Oracle School District an even better place for students to grow and learn.

## Resolution Copper Mining begins worker trainee program

SUPERIOR, Ariz., Jan. 28, 2014 – Resolution Copper Mining is beginning a Worker Trainee Program as part of its commitment to develop local employment opportunities. To launch the program, the company is offering three trainee positions that will last six months and pay \$15 per hour. One position is in the mine's water treatment

plant, a second is in core-handling operations, and a third is in Resolution Copper's administration offices.

The water treatment plant trainee will gain an understanding of water treatment operations and design, learn water laboratory best practices, and acquire basic data analysis skills. The core-handler

trainee will be certified in forklift operation, gain warehousing experience, and learn how to work with tools such as grinders, saws and scrubbers. The administrative trainee will work with Microsoft Office programs, learn letter writing and formatting, gain filing skills, and work as an office receptionist.

"Our objective is to provide trainees with skills needed to succeed in a modern workplace setting," said Andrew Taplin, project director for Resolution Copper. "Beyond the job-specific skills, trainees will learn techniques for resume writing and job interviews, workplace etiquette and ethics, communication skills, and the ability to be flexible and adaptable on the job."

Acceptance into the program is not an offer of permanent employment. To be considered for the program, an applicant must be at least 18 years old, have a high school diploma or a GED certificate, and have a valid Arizona driver's license. Before final acceptance, selected applicants are required to undergo a background check,

a physical fitness test, and drug and alcohol screening. Trainees also will undergo safety training as required by the Mine Safety and Health Administration.

Applicants can email resumes to [Monica.Denogean@resolutioncopper.com](mailto:Monica.Denogean@resolutioncopper.com)

or apply in person at Resolution Copper's office at 402 W. Main St. in Superior. More information is available by calling 520.689.9374.

### **About Resolution Copper Mining**

Resolution Copper Mining is developing one of the

largest untapped copper resources in the world located near Superior, Ariz. The project will produce more than one billion pounds of copper annually, generate billions for the Arizona economy and create approximately 3,700 jobs over the life of the mine.

the conditions of his properties. It has been reported that he has made promises to town officials and not kept them.

A few people at the meeting thought that the dispensary was already a done deal and had been approved. Pinal County Supervisor Pete Rios

was in the audience and explained to everyone that it was not a done deal and Pinal Wellness Center still had to go through planning and zoning and then go before the board of supervisors. The board of supervisors will take a look at all public input concerning the dispensary before making their decision at a public hearing. From listening to

the people speaking at the meeting and talking with some Oracle residents, it appears that the people would rather not have the dispensary located in Oracle.

Pinal County currently has medical marijuana dispensaries in Eloy, Superior, Casa Grande, Coolidge, Apache Junction and Maricopa. There are an estimated 90

medical marijuana card holders in the San Manuel CHAA (Community Health Analysis Areas) in which Oracle is located. According to a representative from Bloom dispensary in Oro Valley, the average cost of an ounce of medical marijuana at their dispensary is \$380. A card holder can purchase up to five ounces a month.

# Enjoy a day of outdoor recreation and history at the Third Annual Legends of Superior Trails Eco-Tourism Festival

The Legends of Superior Trails invites you to enjoy a day of history, and adventure at the Third Annual Legends of Superior Eco Tourism Festival. The day will consist of presentations, an outdoor

recreation expo, history luncheon, guided hikes and group mountain biking and a group equestrian outing. Those participating in the group bike and equestrian outings must bring their own

bike or horse.

The event starts out in the historic Magma Club located at 38 Kumpke Ct. with a pancake breakfast at 8 a.m. History lectures, recreation demonstrations

and storytelling will begin at 10 a.m. and 11 a.m. Enjoy storytelling with Ricardo Provencio, a history of the Magma Arizona Railroad with David Lira, a photographic tour presentation of sites along the Arizona Trail, a history lecture on Pinal City, learn about the geological history of the area and learn how to plan for an extended hike during presentations held at 10 a.m. to 2 p.m. There will be several recreation booths open including demonstration booths by Audubon Arizona, Crossing Over Paranormal Society, Arizona Trail Association, The Nature Conservancy and many more.

At Noon the annual LOST Trails history barbecue lunch will begin at the Magma Club. Lunch is \$10 and will include a BBQ Sandwich, cowboy beans, potato salad, desert and a drink. This year the history presentation will include a history of the Boyce Thompson Arboretum and the Superior area. You can burn off those calories by participating in one of the many guided hikes on the LOST and Arizona Trail. Hikes will leave the Magma Club at 1:30 p.m.

This year there are seven guided hikes and walk which vary in difficulty. Easy to moderate hikes include a geology hike with ASU Professor Dr. Steve Semkin, Pinal City Hike with Tonto National Forest Archeologist

Scott Wood; a short hike on the Arizona Trail near Picket Post will be guided by Arizona Trail volunteers and there will be a guided walk through the Historic Pinal Cemetery with Tonto National Forest historian Steve Germick. Hikes with more difficulty to the Old US 60 Tunnel, the Cross on Apache Leap and Arnett Canyon will be guided by local outdoor enthusiasts.

New to the LOST Eco Fest this year is a presentation and guided ghost walk of downtown Superior. This walk will begin at the Magma Club with a presentation at 4 p.m. by Crossing Over Paranormal Society who will present their paranormal research that they have completed in Superior. A

guided walk of downtown Superior will follow their presentation.

Those planning on attending the hikes are asked to wear appropriate attire including closed toe hiking/walking shoes, long sleeves and pants and wear sunscreen. Some water will be available to the participants, however guests are encouraged to bring their own.

For more information on the LOST Eco Tourism Festival, reserve your meal tickets or register for one of the hikes, please contact Mila Besich Lira at 520-827-0676 or call the Superior Chamber of Commerce at 520-689-0200. You may also register online by visiting: <http://contacc/1ftfWRr>.
