It's Here! Pioneer Days is THIS Weekend

The publicity has been out for a long time, the carnival people have arrived, and floats for the parade on Saturday are being prepared. Yes, this weekend is Pioneer Day in the Copper Basin!

The celebration has a history of about 50 years. When Pioneer Days began, there was still a new paint smell on Kearny's houses. Hayden and Winkelman were the senior communities. But the new residents of Kearny were also the old residents of Ray and Sonora and Barcelona, places with an established history and culture. So the new residents of Kearny celebrated their past as well as their anticipated future.

As the years went on, the Chamber of Commerce developed around the common history shared by all the area towns. It became the Copper Basin Chamber of Commerce, and Pioneer Days came to reflect the history and aspirations of Hayden and Winkelman and Kearny, with Kelvin, Riverside, and Dudleyville playing an important role.

Copper has been the common thread. Sometimes the thread has been strong, threading the towns in a prosperous economy. Probably more often the thread has been tenuous, even questionable in its strength, but the thread has never been broken. Right now copper is getting stronger. The price is up over the last few years, but is still subject to the realities of worldwide economic factors. ASARCO is moving ahead with its projects: the land exchange, the tailings development in Ripsey Wash, and the refurbishing of the Hayden Smelter. It is clearly looking toward a future here.

Mining towns were a necessary part of the development of mining. Without the towns, there was no labor force. A hundred years later, the labor force is not dependent on the small towns, for transportation has extended the range of available workers. Technology has also shrunk the total labor force necessary to do the work. Now the mining towns still need the mines, but the mines have less need of the towns. This is true not only the

ALONG THE GILA

Copper Basin but through Arizona and the American West. It's a tough pill to take. The towns need the mines, but the mines don't depend on the towns.

I have learned, though, that dealing with this is not a matter of being a Gloomy Gus or a hyperactive Pollyanna. Things are different than in the past, but change always results in new circumstances. I was pleased to discover that, according to the U.S. Census, Kearny's population in the special U.S. Census estimate is now 2,075 people, significantly larger than the 2010 figure of 1,950. Hayden and Winkelman's figures have held steady, and Mammoth has increased to 1,519 people, a gain of almost 500.

I think our towns are on the cusp of finding one or more new economic directions, as well as maintaining our historic connection with mining. The Arizona Trail is a new factor, as well as the Apache Sky Casino. As Pinal County continues its strong economic trail, the rising tide in the Valley will touch our shores as we offer open spaces and venturesome activities, equally popular with young people and the newly-retired. I'm checking myself to make sure I'm not overly optimistic. But I placed my bet with this part of Arizona when I bought my house in the 1990s and my bet holds.

Oracle Fire District and Firewise Board to host Town Hall Meeting to discuss wild fires

While we have enjoyed some precipitation in the past few weeks, those of us who reside in this area know that soon fire season will be here. Last year we watched as many areas in Southern Arizona and our neighboring states dealt with wild fires. What would you do if your home was in the path of a wild fire?

Please join the Oracle Fire District and the Oracle Firewise Board on March 22 at 6 p.m. at the Oracle Community Center, 685 E. American Avenue in Oracle. There will be several guest speakers to include representatives from the AZ Department of Forestry and Fire Management, Pinal County Emergency Management, Pinal County Sheriff's Office, AZ Department of Public Safety, American Red Cross, and other representatives of our area. Topics to be discussed will include the upcoming wildfire season, how to protect yourself, your children, your property and your neighbors, evacuations, and preparations you should be making now in the event there is a wild fire. There will also be opportunities to enroll in the Emergency Notification System that is available in Oracle and opportunities for a free Firewise property assessment to aid in identifying problem areas.

The Oracle Community Center will also host a fund raiser spaghetti dinner beginning at 4:30 p.m. at \$8 a plate. All proceeds from the dinner will go to the Community Center.

For more information, go to www.oraclefire.org.

The Oracle Fire Department and Firewise want to make sure the community has the evacuation plan down in the event of a wild fire.

Local students send cookies to the troops

San Manuel students collected enough “spare change” to purchase 152 boxes (12 1/2 cases) of Girl Scout cookies to send to United States service personnel who are deployed overseas.

The students donated \$760 for Girl Scout cookies, according to Deb Mansager, First Ave. teacher. An anonymous donor contributed more than \$100, she added.

“The fifth and sixth grade combination class wrote letters to Jr./Sr. High teachers and staff, asking if their students would be interested in pitching in,” Mansager said. The Jr./Sr. High contributed nearly \$300 according to Mansager.

The Girl Scout Cookie program was spearheaded by first grade teacher, Isabel Austin.

“This is another testament to the Tri-Community’s strong tradition of military service and support,” Austin said.

First Ave. students and families also donated many Christmas gifts to the Veterans’ Hospital last December.

In a First Ave. competition to see which classroom could raise the most “spare change”, Mark Parrish’s sixth grade class won first place while Wendy Torres’ second grade class was second, according to Austin.

Fellow first grade teacher Corrie Guerrero, along with second grade teachers, Stepheena Huerta and

Wendy Torres and upper grade teacher Deb Mansager coordinated with Girl Scouts of Southern Arizona leaders, Tonia and Tabitha Kellam, to provide Girl Scout Cookies for military serving overseas.

“A while back, our local Airman, Micky Kelly, received some of our cookies,” Tonia Kellam said.

“He told us how they shared their cookies with local Afghan children,” she added.

Earlier this year, Mansager received a letter from Deborah Brookshire who is a Program Manager at the Veteran Health Administration’s Voluntary Service, thanking the students for their donations to the VA Hospital.

“It is through the efforts of community partners like you that we are able to continue providing quality care and services to our deserving Veterans,” Brookshire wrote. “Thank you for your continued support.”

Students at First Avenue Elementary school teamed up with San Manuel Junior-Senior High School students and staff to send more than 150 boxes of Girl Scout cookies to armed forces serving overseas.

By John Hernandez
San Manuel Miner

Is Oracle haunted?
That was the question of the night when members of the Tucson Ghost Society Paranormal Team traveled to Oracle to conduct paranormal research at the Acadia Ranch Museum. The group, led by founder Becky McGiddy-Gydesen, visited on Saturday, Feb. 24, 2018. Becky writes a monthly paranormal column for the magazine *Tucson Happenings* and hosts a weekly radio show *Mysteries Explained*. She is currently researching and writing about Tucson hauntings for a book which will be coming out soon. The book is *Haunted Arizona*. Her stories may include the Acadia Ranch Museum. The Acadia Ranch Museum is one of several buildings in the Copper Corridor featured on the *Pinal Nugget's* Ghost Tour of the Copper Corridor. Celebrating Peace Through Art

By John Hernandez
San Manuel Miner

On Sunday, March 10, 2018, a group of local artists gathered at the Triangle L Ranch in Oracle to participate in the 13th Biennial, Global Art Project for Peace.

Sharon Holnback, owner of the Triangle L, registered the group with the Project. The intent of the project was to create one's vision or message of global peace and goodwill to exchange with another person or group.

"The Global Art Project matches

participants around the world – connecting people in the spirit of unity without regard for race, culture, gender, nationality, age, belief, sophistication, or any of the categories which separate and divide – joining all together in the spirit of wholeness," explained Holnback.

The artwork will be on display at the Triangle L Ranch in April including during the Oracle Studio Art Tour. The week of April 23 – 30, the work will be shipped to the group that Oracle has been matched with. Messages of peace will be simultaneously circling the globe. Oracle will be sending some love!

San Manuel Library celebrates the joy of reading

The San Manuel Library celebrated “Read Across America” and “Dr. Seuss Birthday”, March 2, 2018. Children and their families enjoyed several activities, including a reading of the well-known book, Green Eggs and Ham, making finger puppets of Dr. Seuss characters, and enjoying a surprise visit from the Cat in the Hat.

Attendees sang “Happy Birthday” to the 114th year old late author and received birthday cupcakes, theme snacks, book bags, bookmarks, and pencils. Those in attendance were able to capture some of their memories from the day with several photos opportunities during the celebration.

A special, “thank you” to the San Manuel

Library board for making it all possible. Please check the library’s Facebook

page for upcoming events, programs and announcements.

Natural Gas Safety

Wherever you live, work, or play.

NATURAL GAS LINES

can be buried anywhere, even in areas where homes don’t use natural gas. So it’s important that EVERYONE knows how to recognize and respond to a natural gas leak, wherever they are.

A LEAK MAY BE PRESENT IF YOU:

SMELL:

a distinct sulfur-like odor, similar to rotten eggs, even if it’s faint or momentary.

HEAR:

a hissing or roaring coming from the ground, above-ground pipeline, or natural gas appliance.

SEE:

dirt or water blowing into the air, unexplained dead or dying grass or plants, or standing water continuously bubbling.

IF YOU SUSPECT A LEAK

- Exit the area or building immediately. Tell others to evacuate and leave doors open.
- From a safe place, call 911 and Southwest Gas at **877-860-6020**, day or night, whether you’re a customer or not. A Southwest Gas representative will be there as soon as possible.
- Don’t smoke or use matches or lighters.
- Don’t turn on or off electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don’t start or stop an engine, or use automated (garage) doors.

For more information about natural gas safety visit

or call **877-860-6020**
