"There are numerous countries in the world where the politicians have seized absolute power and muzzled the press. There is no country in the world where the press has seized absolute power and muzzled the politicians"

—David Brinkley

Health Care Leaders: Copper Basin Healthcare Foundation

There is no doubt that communities across the Copper Corridor are resilient. When the mines closed or reduced their operations, each of the communities drastically lost population. With the loss of population and industry, came the loss of services such as health care and quality of life services. Many of the communities were fortunate to have fully operational hospitals and clinics while the mines were booming, but those services drastically were retracted as the industry would retract.

When the mine operated hospital transitioned to a private operator, Samaritan Health Care, there was still some semblance of health care services; but eventually the company determined that it could not feasibly operate a clinic. To ensure that the community had a health care facility ASARCO helped to fund and create the Copper Basin Healthcare Foundation, which allowed the community to own the hospital and grounds of the hospital. Since 1992 the CBHF has been maintaining,

operating and managing the the healthcare facility. The Hand Me Up Shop, helps to fill some of the funding needs for the clinic, but they primarily work to ensure that locals can find affordable medical equipment such as walkers and provide some support for locals who need assistance with medical costs

Over the past 20 years the non-profit board has ensured that there are health care providers working in the clinic, and they also rented some of the spaces to chiropractors, massage therapists, dentists and other medical services. Eventually the Foundation contracted with Cobre Valley Regional Medical Center to provide health care services in their facility. As this partnership grew over the years, more services were brought to the Kearny facility such as pharmacy.

As buildings age and new health requirements are added for medical facilities, it is important to ensure that buildings are maintained. These costs often are often larger than most budgets can allow, especially in small rural places. The Town of Kearny and the CBHF recently applied for a Brownfields grant from the Arizona Department of Environmental Quality, which is set to help the foundation with the environmental remediation of lead, asbestos and other potentially harmful materials that are found in older buildings. The grant will fund the demolition of the building and the Cobre Valley Regional Medical Center will construct the new clinic which is set to be built on the grounds. During the construction of the new facility, the quality health care services residents of the Copper Basin utilize will be in the provided in a temporary facility.

The Copper Basin Healthcare Foundation will transfer the ownership of the hospital grounds to the Cobre Valley Regional Medical Center and close the foundation. Without the leadership of Neil Jensen, Dave Orzell, Zola Hall, Wayne Cude and Jerry Henry, who are members of the Copper Basin Healthcare Foundation, it is likely that the communities of the Copper Basin would not have had nearby access to basic health care needs.

Ray Bearcats PTO names Heroes of the Month

The Ray Bearcats Parent Teacher Organization (PTO) has announced its February Heroes of the Month. PreK (morning) and kindergarten through third grade students honored are, from left, Jazzy Johnson, Sahalie Larkins, Henry Riege and Alexander Lawson. PreK (afternoon) and fourth through sixth grade students are, from left: Erianna Armenta, Corinne Figueroa, Misty Hightower, Hazlee Shaver, Lexi Riege and Binhjr Bui. Not pictured is Lexi Valdez. Congratulations to all these students on their achievements this month.

Pinal transportation tax ruled invalid by Arizona Supreme Court

Voters in Pinal County voted several years ago to enact a half cent sales tax to fund transportation development. The plan included many significant transportation projects such as a north-south corridor, expansion of the Highway 24 loop, a new park and ride lots near San Manuel and Florence Junction, transit expansion, and, for smaller communities such as Superior, Kearny, Mammoth, and Eloy, those communities were set to receive \$300,000 a year.

Following the voters' approval, the Goldwater Institute and the Arizona Homebuilders association sued against the tax. The lawsuit was challenged all the way to the Arizona

Supreme Court. Last week the court ruled that the tax was legal but, because there were two tiers of taxes, (purchases over \$10,000 were not taxed in

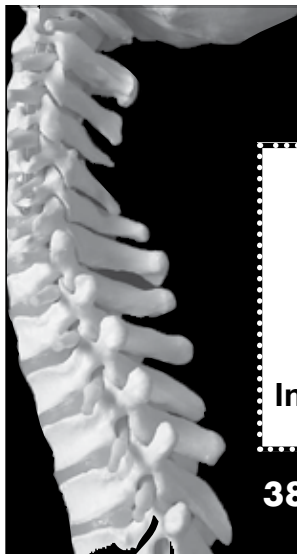

the proposition), the tax was invalid. Despite the lawsuit, consumers in Pinal County have been paying the tax and the Pinal Regional Transportation

Authority technically has collected over \$80 million in these sales taxes.

At this time it is unknown how the funds collected will be spent or released.

Leaders across Pinal County have expressed

their dismay over the ruling.

Lady 'Cats and Hayden Lobos post big wins this week

By Nathaniel A. Lopez
Copper Basin News

The Ray Lady 'Cats and the Hayden Lobos were on fire this week.

The Lady 'Cats kicked off the week on March 8, with a home game against Duncan. The girls came out on top, defeating Duncan in a devastating 26-3.

On March 10, the softball team joined other teams at the Joseph City Softball Invitational. The Lady 'Cats kept up their hot-streak

winning their first game against Hopi by shutting them out 19-0. Later that day, they played against St. Michael, and faced a tough loss with a final score of 0-11. The following day, the girls started off their day with a game against Pinon. Avenging themselves from their previous loss, the Lady 'Cats shut down Pinon 22-0. The second game of that day was against invitational hosts Joseph City. Once again, the game flip-flopped from the previous one, resulting in the girls losing 0-18.

On March 9, the Hayden baseball team played against Tempe Prep. The Lobos started off the first inning strong, not allowing Tempe Prep to post any runs, while they scored 3 runs. Hayden continued to keep control of the game, scoring 2 more runs in the second inning, 1 run in the third inning, 1 run in the fifth inning, and 2 runs in the sixth inning. Tempe

Prep struggled to break through Hayden's defense, and weren't able to score any runs. The Lobos shut out the Knights, with a final score of 9-0.

Junior Moraes Cruz and freshman Jordan Rodriguez had good days at bat, both going 3 for 4.

The Ray Bearcats had mixed results from games last week.

The boys' week started March 8, with a home game versus Morenci. The game ended in Morenci's favor, with a final score of 1-10.

On March 11, the Bearcats traveled to compete in the Bisbee Baseball Spring Tournament. The boys' only game for that day was against Alchesay, which ended with a 6-2 win. The following day started with a game against Wickenburg. The Bearcats were able to post another 6 runs during this game, but they fell short by 5 runs, with a final score of 6-11. Later that day they

met up against Wilcox. The Bearcats had a hard time breaking through Wilcox's defense, but were able to get through in the third and fourth innings. The game ended in a close 11-13, in Wilcox's favor.

Up next for Hayden: Both of Hayden's teams were scheduled to play against San Tan on yesterday at home, then travel to Superior to face off with the Panthers on March 17. Results of Tuesday's game was unavailable at press time. **Up next for Ray:** On March 16, the Lady 'Cats travel to St. John Paul II High School. The boys will host Tempe Prep on March 18. Game time is 10 a.m. The Lady 'Cats are back on the road March 21 to Sequoia Charter.

More trees planted along Gila River near Kearny

By Tom O'Connor
Special to the CBN

A beautiful Great Grandmother reflects on days gone by while enjoying the Great Gila River. She guides a determined Great Granddaughter digging and planting her first tree that will one day provide much needed shade and respite for others.

Thoughts of an old Volkswagen floating down the river, an old fun river tree rope hung years ago all the while having wishes for a safe, loving and happy future for her offspring and Kearny!

The Winkelman NRCD, led by Becky and Bill Dunn, and other volunteers babied and planted 750 river trees to rid the banks of obnoxious Salt Cedar scrubs crowding our wetlands in Kearny. A shout out to KYLE, the lead horticulturist who guided this successful planting as well as the Oracle team volunteers who made it happen!

Think about it, 750 new trees right in

Kearny's backyard getting ready for a new generation to enjoy! An impressive showing of volunteers including three ambitious young citizens, Justin better known as JR, Melaney and one of Kyle's favorite nephews, Graham, all future leaders! Not to mention Graham's Mom showing good stewardship to Graham's new brother. There were also two very energetic Mormon Missionaries, our Oracle neighbors and Kearny citizens. What a noteworthy accomplishment!

Oh wait, there is more! This team is planning more plantings in the future! If you missed out on the fun and a fabulous lunch followed by the very best Strawberry shortcake this side of my own Mom's, just watch the news for more plantings, even public gardens and new friendships!

In the words of Kearny's Mayor Jamie Ramsey, this was and will continue to be an "Historic Moment" for Kearny, Arizona! Thank you!
