OBITUARY

Phillip A. Smith Sr.

Phillip A. Smith Sr. was born April 14, 1963 in San Manuel, AZ to Rita and Federico Smith. He passed away on March 5, 2021 in Mammoth, AZ.

This is how his family remembers him.

My dad lived for his kids and grandkids. Since we were little, he always kept us busy, taking us to our sports practices, games,

teaching us how to drive up the Tucson Wash, and fishing at his favorite place Seneca Lake.

I think some of our greatest memories were our summer trips and small getaways to Disneyland, Kino, Cumpas and camping. He enjoyed hunting with Phillip and his grandkids, of course my dad would take food and snacks especially the grandkids' favorites. His happy place was the great outdoors camping at the river or the lake with his tackle box, fishing pole, his chair, a beer and playing some Ramon Ayala music, just hanging out with his family and close friends.

One time Gaby, Gabriel and my dad were supposed to meet at Rigo's by 4 a.m. It was a fishing trip to Seneca Lake they planned and my dad showed up 30-40 minutes late. When we got there, we were freezing. It was about 13 degrees. He acted like it wasn't cold, and took Gabriel to push his Tonka truck around the lake. Gabriel was like 3 or 4 years old so he was loving it. When they got back Gaby put Gabriel in the Armada to warm up cause his hands were super red and cold, and my dad said, "Que Malebulos, son."

When we were home, we knew not to say that we were bored because he always had some kind of chores we didn't want to do. We learned not to say bad words in front of my dad because it was a mouth full of chiltepinos.

We cannot forget his bright idea of him building us a pool in our backyard! You can imagine our excitement... But he said, "We have to knock down turtleneck." Phillip was so excited he got the pick and shovel and began chipping away the mountain. Then he quickly realized how hard it was, (just like hitting a rock) so it didn't

happen.

My dad was a kid at heart, after long days at work, he still had the energy to come home to play and make us laugh. Our favorite was doggie piles, and swinging us up with his legs. My dad loved Taz but he talked like Donald Duck; we always tried to figure out how he did it. I don't think any of us learned. My dad would just go along with the grandkids when they wanted to play and make jokes with him, like Daleyza using filters on him while video chatting with him.

Sorry, Dad, I have to mention the secret to your delicious menudo. It was discovered by Armando at Mayra's 1st birthday party. He goes to serve himself a plate of menudo and out comes a sock full of onion, garlic and other spices.

As a grandpa he always had something to say when we would discipline our kids, he would always say let them get dirty and eat dirt.

We are going to miss your phone calls. Adriana will treasure those conversations on the porch when you visit her; Pelon, who is going to tell him to turn the page; Phillip, who is going to tell him about politics; and Gaby, no seas Malebulo y Vero la mommy dearest? The grandkids will miss your love and your smile.

My Dad was always willing to give anyone he knew a helping hand, and was known by many people for his big beautiful heart and love that he showed to us all.

I'm sure each and every one of you has a wonderful memory of my dad, his legacy will forever live in our hearts. We love you dad and know that you are now with your son Juan De Dios, your Father Federico and the entire family of Angels up in Heaven. That Rinconsito en el Cielo is yours now, and we know you will be watching over us.

Pinal County Citizens on Patrol Posse seeks volunteers

By John Hernandez
San Manuel Miner

The Pinal County Sheriff's Office Citizens on Patrol (C.O.P.) Posse is an organization of concerned citizens working within the community to assist the Sheriff's Department in crime prevention.

Two years ago, a Citizens on Patrol Posse unit was established in the Oracle/SaddleBrooke station of the Pinal County Sheriff's Office (PCSO). An attempt was made last year to start up a unit in San Manuel but there was little interest. Recently a unit was opened in San Manuel which included a COP member and assigned vehicle for the San Manuel substation. The COP Posse program is looking for interested residents to occupy positions at the San Manuel and SaddleBrooke offices.

Gene DeLauder is the current C.O.P. Posse member assigned to the San Manuel substation. The substation is part of the Baker Region which includes SaddleBrooke, SaddleBrooke Ranch, Oracle and San Manuel. Gene has lived in San Manuel for 20 years and has been a posse member for a year and a half. He is a field training officer and treasurer for the Pinal

County C.O.P. Posse which is a non-profit 501(c)3 and can receive donations. Gene enjoys what he does, interacting with people and serving his community.

"Posse members serve as the eyes and ears for the Sheriff's Department," said Gene. "We do not carry guns or arrest people."

C.O.P. Posse members observe and report suspicious behavior to deputies. They also assist with traffic control at accidents or special events. To become a Posse member, one must pass an extensive background check, have basic computer skills and be able to write reports. Approved members will attend a week-long training academy that includes classes in knowledge of laws and regulations, CPR and basic first aid, radio codes, directing traffic, etc. If you are interested in volunteering for the C.O.P. Posse contact Lieutenant John Farrell, Baker Region Manager, at (520) 404-7217.

Lt. Farrell says that the COP program is looking for interested residents to help populate both the San Manuel and SaddleBrooke offices.

Mammoth-San Manuel Unified School District to return to in-person instruction for elementary

After more than one full year apart, students in the Mammoth-San Manuel Unified School District will see their teachers in person next week – elementary students only. Grades 6-12 will remain with online learning.

On Wednesday, March 3, the Arizona Governor issued an Executive Order to reopen all schools for in-person instruction by March 15. On Tuesday, March 9, the Mammoth-San Manuel Unified School District Governing Board voted to return to in-person instruction for Pre-K-5 grades on March 22 following spring break. All students PreK-12 will also be offered the opportunity to stay at 100% online instruction for the remainder of the school year.

The elementary in-person learning (first-fifth grade) will focus on math and reading for a half day on Monday, Tuesday, Thursday and Friday and other subjects will be done online at home. Interventions will occur on Wednesdays. The student's

classroom teacher will be reaching out to parents to discuss matters, and any changes from in-person to online and vice-versa will need to be done through the teacher. (The school cannot have students showing up to school for in-person if they are not expected due to classroom capacity and social distancing.)

All 6-12 graders will continue with their virtual learning online from home. (The Governing Board will be revisiting this at the April board meeting).

“Due to the continuation of the COVID,” school officials communicated on Facebook, “we will be strict in following our safety measures. Please understand this is for the safety of all. You will receive by mail and email the necessary safety measures, guidelines for pick up and drop off, meals, etc. Please keep an eye out for these and make sure your email and phone numbers are updated with the school.”

If you have any questions please call the school office at 520-385-2336 ext 2200.

Oracle's Mountain Vista School to return to full-time in-person learning March 24

Oracle School District administration has made the decision to return to full-time, in-person learning on March 24. Earlier this month, the school opened in a hybrid model, but following the March 3 Executive Order by Governor Doug Ducey, the district elected to go back to full-time instruction.

“In a nutshell,” Superintendent Crystle Nehrmeyer explained, “the Governor’s Executive Order says that elementary schools must return fully in-person or in a hybrid model by March 15, or after Spring Break. If a family requests continued online learning for their child, the school

is required to provide continued online learning. Likewise, if a family requests full, in-person instruction for their child, the school is required to provide full, in-person instruction.”

The District’s Cares Program is on-site supervision, not instruction and therefore does not meet the requirements of the Executive Order if a family requests full, in-person instruction.

The district does not have the resources to provide all three types of learning: full-time, in-person; online only; and hybrid learning. So to comply with the Executive

Miner Matmen head to state tourney

By Nathaniel A. Lopez
San Manuel Miner

On March 16-17, the San Manuel Miner wrestling team travels to Poston Butte High School to compete in this year's State Championship tournament. Unlike most years, this season's tournament has been moved to various locations for specific deviations. Due to the inability for Division IV to hold its sectional tournament, this year's state championships will look much fuller than most years, despite the smaller venue. All schools from Division IV will be attending the state tournament, with their full teams.

"Some weight classes are really full, and some are pretty small," Miner coach Mike Borg commented on the brackets. "There's going to be a variety of match-ups."

The Miners will be bringing their whole team, each wrestler taking their shot at placing at state.

"It's going to be a little tough, because due to COVID, we haven't really got to face off against (many) teams in our section, so it seems like we've been shot in the foot," said Borg, "The way they've been practicing and training, I'm hoping to bring home some medals."

New books sought for children's library

The San Manuel Elks Lodge is collecting books for children ages infant

to teen.

For years, the San Manuel Elks have been donating books to the Elks Clinic at the Steele Children's Research Center as part of the Arizona Elks Major Projects. When the children come to the clinic for treatment they can choose a book from the Book Nook to read while waiting and then take it home with them.

Because of COVID-19, they can only accept new books. They are

also collecting coloring books, activity books and crayons.

There is some remodeling and expansion going on at the Hospital and the new Library is going to be named in memory of San Manuel's own Judi Miller, who worked tirelessly to collect books for these kids.

A box has been set up in the bar and the Elks would appreciate members and/or community

members donating new books for these children. Their goal is to have 100 books by May 1, 2021.

"We are a long way from our goal so would appreciate everyone's help," said member Ruthie Wentworth. "If you don't want to do the shopping but would like to donate to this cause, we would be happy for your donation of money and we will do the shopping for you. Your support is always appreciated."

If you have any questions, feel free to call

the Elks Lodge at 520-385-4041.

San Manuel High's National Honor

Last week, the San Manuel chapter of the National Honor Society inducted new members into its ranks. The ceremony was held Thursday, March 11, at the San Manuel High School gymnasium. This ceremony is a rite of passage for academics and, even though students and parents were masked due to COVID-19, it was still a beautiful event. New members this year are: Mia Borg, Lidia Scott, Priscilla Ivy, Haylei Lozoya, Anthony Aronson, Samuel Scott, Daniella Kotopoulous, Autumn Small, Jessica Corona and Hayley Downing.

that whole period. We are the eyes and ears for the deputies helping them cover more territory looking for problems. We now aid in traffic control replacing a deputy to be freed up to protect the community. We respond when requested for traffic accidents, missing persons (especially children) and event security (like the SaddleBrooke Covid-19 shot

event). Recently we tweaked the training program so that we can allow more solo patrols. This creates more visible patrol time.

“During the beginning of your training, you patrol with a Field Training Officer (FTO) who guides you through things you need to know as a COP. You are also trained in Sheriff’s defensive driving.

You patrol in a Sheriff’s vehicle and use a radio that connects you with the Dispatch operator. You will be in a great group of volunteers who enjoy being part of something extremely useful to their community.

“There is a special feeling you experience in knowing you are helping your community to stay safer and you

Students wait in line to have their temperatures checked prior to entering school property. School officials will continue the practice once school has started full-time and in-person next week. John Hernandez | Miner

ORACLE BACK TO SCHOOL

Continued from page 4

Order, the district will only offer online, distance learning for families that believe that is the best option for their child and family until the last day of the school year, May 27. All other children will be taught full-time on campus.

“Effective March 24, we will not have a need for our Cares Program and will suspend our hybrid learning model,” Nehrmeyer said. “Although we planned to implement our hybrid learning model longer than one week, it was a successful week. Our mitigation procedures worked and will continue to be followed with fidelity when we welcome all of our students back to campus following Spring Break. We will continue to check temperatures and send students or staff home if they do not feel well or have symptoms of COVID-19. We will physically distance to the greatest extent possible; we will continue to wear face masks, wash our hands, stay hydrated, and disinfect

surfaces throughout the day.”

The Oracle Elementary School District Governing Board will hold a special meeting on Monday, March 22, at 6 p.m. in the school gymnasium and provide an open call to the public for comment and parents will have the opportunity to learn more about the district’s plan to keep students and staff safe.

Monday, March 22, is scheduled as an in-service day for teachers and Tuesday, March 23, is school picture day. The school has elected to leave these scheduled as planned, making the first day of school March 24. The district will continue to dismiss students at 12:45 p.m. on Wednesdays but Thursday and Friday, March 25 and 26, will be full days with a 2:45 p.m. dismissal.

Please don’t hesitate to contact the school with questions. 520-896-3070.

In April, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 33 businesses in the Copper Corridor.
