OBITUARY

Monica Juvera

'Auntie Mo'

Monica "Auntie Mo" Juvera, 51, passed away at her home early Tuesday morning, March 10, 2015, in Mammoth, Ariz.

She was born in San Manuel, Ariz. on Dec. 6, 1963 and resided in Mammoth all her life. Monica was preceded in death by her father, Angel V. Juvera. She is survived by her mother, Mary M. Juvera, and three brothers, Samuel (Diane) Juvera, Joey (Mandie) Juvera, and David (Pat) Juvera. Four nephews, Aaron, Jonathan, Oscar, and Harold Juvera. Seven nieces, Graciela, Samantha, Gabrielle, Victoria, Elizabeth, Sabrina, and Isabella Juvera, and one great niece, Marissabel Juvera. Two great nephews, Gabriel and Marcos.

Monica was known by all her friends as Auntie Mo, she loved to make people laugh with her crazy sense of humor that only

she had. She was one of a kind, and always had a shoulder or ear if you needed someone to talk to. She attended many events and parties for family and friends, and volunteered her time as much as possible. She was the life of the party. She enjoyed the outdoors hunting, riding in the mountains, but her favorite was fishing! She looked forward to the weather warming up to go fish the lakes in the White Mountains. She had some fish stories... most were true. Monica also was a fan of sports, UofA and the Philadelphia Eagles were her favorites. She always tried to be at family and friends games of any sport. She loved to cheer them on, sometimes a little too much...the lady with the loud noise maker!

She beat breast cancer and had survived being on dialysis for

over 30 years, a strong courageous women she was, and now she lay at rest with no more pain and her soul up in the heavens smiling down on all of us. She will be dearly missed by all who knew her, but her memory will forever be in our heart and mind.

Visitation was held on Sunday, March 15, 2015 from 2 to 4 p.m. at the Griffith Mortuary Chapel, Kearny, Ariz. Funeral services were held on Monday, March 16, 2015 at the Blessed Sacrament Catholic Church, Mammoth, Ariz. with visitation at 9 a.m., Rosary at 10 a.m., Mass at 10:30 a.m. and burial followed at the Valley View Cemetery, Mammoth, Ariz.

Spring Comes to the Copper Basin

The wetter-than-usual Fall and Winter rains have blessed us with a nice crop of poppies and other wild flowers this year... and given most of us yards full of weeds! Even as our beautiful saguaros are looking fat with moisture, my weeds are tall and pull-resistant. Worse yet are the bullheads, which are the toughest of all weeds to destroy.

No one likes pulling weeds, yet having them gone is one of the simplest steps toward town beautification. Having a clean yard is not only aesthetically pleasing but is a positive step toward complying with town codes.

Our Journey for a Clean Kearny continues. From time to time I will write about the town codes which are designed to

make our homes safe and desirable places to live in. Key to our compliance with town codes is the understanding that all of us are responsible for the places where we live, from the sidewalk to the back yard. Renters as well as owners are included..

As the town goes about seeking compliance, the Town Council is working to establish a cooperative relationship. Let's use the weed ordinance as an example.

First, why does the town regulate weeds? Weeds get dry and become a fire hazard, for one thing. For another, weeds are a habitat for snakes and other creatures, including poisonous ones. Weeds also affect property values. Just as someone trying to sell a home which is located in a

neighborhood filled with weeds.

The Town of Kearny has a Code Compliance Officer. His name is Bob Jordan. He is an unpaid volunteer who is giving his time and energy for the good of Kearny. The Town of Coolidge graciously provided training for Bob and he is ready and desirous to serve. Bob's objective is not to write citations; he would rather be a kind of consultant and mentor, helping all of us, especially the sick or handicapped among us, to achieve safe and beautiful places to live.

Bob uses a simple process. If he sees a violation, such as weeds, he will visit the home and let the residents know. He will also ask if they have a way to deal with the violation. If they don't, perhaps because they are ill or cannot afford to hire help, Bob will work with them to help find a way to remedy the situation.

Bob will issue citations as a last resort or, on occasion, if the violation is a matter of urgent public safety.

And I leave you with a final tip: If you

MAYOR'S CORNER

By Sam Hosler
Special to the Copper Basin News

think your home or property may be in violation of a town code, call Town Hall (363-5547) and ask Bob Jordan to pay you a visit. He will gladly make an inspection and let you know what can be done.

Citizen satisfaction survey extended to April 12

FLORENCE – The Pinal County Citizen's Satisfaction Survey has been extended for one month until Sunday, April 12.

"We are really focusing our efforts to finding more participants in the eastern part of Pinal County," said Kent Taylor who is leading the survey efforts.

"The results were a bit heavy from the central and western regions of the county. To make this more representative, we would like to know what the residents in eastern Pinal County think about services, taxes and what they would like to see out of their local government."

The 40 question survey

comes in both English and Spanish.

Copper Thimbles Quilt Guild hosts 'Treasures Galore'

Treasures Galore is at the San Manuel crafters mall next door to the Family Dollar Store. Drop by Saturday, March 21 from 8 a.m. to 2 p.m. The Copper Thimbles Quilt Guild is sponsoring this sale which will include everything under the sun except clothes and shoes. There are bed boards, mattresses, small appliances, sewing and quilting supplies, small organ, and a piano that is in Kearny and can be picked up there and is free. There will also be a section of new handmade quilts and other homemade items.

Members available to help you with your purchases come from Kearny to Oro Valley and all the towns in between. The Quilt Guild was started in Kearny in 1997 with four members and has expanded to 37 members. The members

are avid quilters. Besides their own quilts they make quilts for the Dialysis Center in Mammoth, Family First, and the VA hospital. New projects this year are wheel chair bags. They will also join the national Million Pillowcase projects for youth and adults

The Copper Thimbles meet the first and third Wednesday and do their charity work on the fifth Wednesday. They alternate their meetings between Church of the Good Shepherd in Kearny and First Baptist in San Manuel.

Proceeds from this sale will go toward their charity projects. Copper Thimbles is a member of the Arizona Quilters Guild.

You never know what you will find at a sale held by such a diverse group of women.

Six Bearcats to play in All-Star Senior Bowl

By Andrew Lubberda
Copper Basin News

Six Ray High School football players and head coach Willie Jordan were selected to play and coach in the Arizona Football Coaches Association All-Star Senior Bowl, which will take place on Saturday, June 6, 2015, at Duncan High School. The game is scheduled for 6:00 p.m.

Destry Yocum, Seth Harmon, Jacob Pace, Robbin Newman, Steven Lucero, and Jose Raul Torres are the six Bearcats who will

be playing in the game.

Gilbert Christian's Larry Cain and Pima's Jace Hancock will serve as head coaches in the All-Star game. Both teams reached the semi-finals of the 2014 state playoffs.

Five of the six players were named AIA All-Division last season, including Yocum, Pace, Harmon, Newman, and Torres while Steven Lucero was named AIA Division VI All-Section IV First Team.

Bearcats' head coach Willie Jordan was selected Coach of the Year in Section IV.

Ray Sports Update

Baseball – The Cats pounded out 15 hits and scored 17 runs in the first three innings versus San Carlos last Friday on their way to a 17 – 0 shutout victory against the Braves. Starting pitcher Destry Yocum allowed one hit in four innings and struck out 10 of the 14 batters he faced. He was also 2-for-2 with a double and two RBI at the plate. Six Bearcats' hitters had

multi-hit games, led by Jordan Pace who was 3-for-3 with two doubles and three RBI. Seth Harmon also went 3-for-3 with two doubles. Derek Pacheco, Jacob Pace, and Douglas McPeak were the other Cats to have more than one hit in the game. Upcoming schedule: Mar. 20 vs. Hayden, Mar. 24 at Ft. Thomas, Mar. 25 at Florence. All games are scheduled for 4 p.m.

Wherever you live...
Natural gas is
your neighbor.

Natural gas lines can be buried anywhere, even in areas that don't use natural gas, like all-electric or propane neighborhoods. So it's important that EVERYONE knows how to recognize and respond to a natural gas leak, wherever they are.

A leak may be present if you:

SMELL: An odor similar to rotten eggs, even if it's faint or momentary.

HEAR: A hissing or roaring coming from the ground or above-ground piping.

SEE: Dirt or water blowing into the air, unexplained dead or dying grass or vegetation, or standing water continuously bubbling.

If you suspect a leak:

- Leave the area immediately.
- From a safe place, call **911** and Southwest Gas at **1-877-860-6020**, day or night, **whether you're a customer or not**. A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don't start or stop an engine, or use automated doors.

For more information about natural gas safety, visit swgas.com/safety or call **1-877-860-6020**.

Kearny Koyotes head to the Pinal County Fair

Members of the Kearny Koyotes 4-H Club will be at 11-Mile Corner Fairgrounds this week for four days of competition and exhibition. The 4-Hers will take part in the Junior Livestock Show that is held in conjunction with

the Pinal County Fair which runs March 16 through 22.

The Junior Livestock Program provides many worthwhile experiences and opportunities for Pinal County's 4-H, FFA and Association members.

Specific objectives include:

- To teach responsibilities to junior livestock exhibitors in the caring of market animals.
- To teach skills and good habits regarding proper feeding, health care, fitting and showing of market animals.
- To provide junior livestock exhibitors a program that will be both educational and enjoyable.
- To offer a learning program with emphasis on success, but not dominated by competition.
- To promote an attitude of sharing knowledge among exhibitors with other exhibitors, older and younger, and with the entire family.
- To teach and encourage safe handling practices at all time, when working with or showing a market animal.

4-Hers from the Kearny Club have entries this year in swine, carcass swine, goat and show veal.

Live competition includes Market, Showmanship and Skill-a-Thon.

Leaders this year include Zane and Patti Bingham, Danny and Melissa Day, Tyler Bingham and Dustin Bingham.

The Livestock Auction will be held Saturday, March 21. If you would like to help a 4-Her, add-ons are still available. Contact the Bingham's at 363-5956 or at the fair for information. All donations are tax deductible.

Kearny Koyotes 4-Her Bella Wernett spent several hours recently getting her pig "Sausage" ready for the Junior Livestock Show being held this week during the Pinal County Fair.

Ray Junior High Rocket Launch: a great learning experience!

Kearny - Last Thursday, March 12, some of the science students of Ray Junior High, gathered together for a rocket launch which the *Copper Basin News* attended.

In preparation for the launch, the students had been studying several related topics, including the transfer of energy and how this affects the physical and chemical properties of Matter. There were many types of energy: chemical, heat and mechanical, to name a few.

Using an inclinometer, the students measured the angle of the rockets at a given distance from the launch pads. Students also timed how long it took the rockets to travel to the height achieved. Later, they will use trigonometry to calculate the height achieved by the rockets and physics to determine how fast the rockets traveled, or the "velocity" of the rocket during the rocket motor burn. Velocity is equal to the distance over time which will be calculated in feet and then converted to miles per hour.

It is not unusual for the rockets to travel at speeds from 300 to 500 miles per hour. Safety Officers, SOs, were assigned for the launch, SOs are responsible for the safe arming and launching of the rockets. Sydney Contreras and Deseray Godoy were the SOs during the *Copper Basin's* visit and they successfully armed and assisted in all of the launches.

Also studied were lessons in "flight" and what causes flight, students learned about lift, drag, gravity, and thrust and how

A Safety Officer readies a rocket for launch.

Second Pinal County Cinderella Pageant set for March 28

The Pinal County Cinderella Scholarship Program (CSP) will hold its second annual Cinderella Pageant on Saturday, March 28, starting at 1 p.m., at the Ray High School Auditorium. The Cinderella Scholarship Program is a non-profit organization focused on developing self-esteem, confidence and pride in the young ladies who come and "Dare to Dream"

In previous years, competition for the CSP has been divided into five age divisions: Cinderella Tot (3-6 years); Miniature Miss (7-9 years); Cinderella Miss (10-12 years); Cinderella Teen (13-17 years), and, Cinderella Woman (18-26 years, married or single). This year, three new Cinderella Baby divisions are added to the program. Cinderella Infant (0-11 months), Cinderella Baby (12-23 months), and, Cinderella Tiny Tot (24-35 months).

Participants in all age divisions are judged on poise and personality, while modeling sportswear and party wear. The older four divisions are also judged on talent presentations. Cinderella Tots are judged on an on-stage interview called "Tot Personality". The judges, who have an opportunity to evaluate their poise, confidence, grooming, and communication skills up-close, also interview all age divisions.

The Overall Cinderella Winners, Cinderella Girls, Talent/Tot Personality and Photogenic winners are eligible to attend the 2015 Arizona State Finals, in Tucson, in June.

Last year's Cinderella winners were Cinderella Tot Brianna Granillo, Cinderella Miniature Miss Alexandria O'Brien, Cinderella Miss Kaylin Pacheco and Cinderella Woman Josette Kimmel.

ROCKETS

Continued from Page 10

they determine flight. Students were then supervised in the construction of the rockets, with the goal to have 100% success in rocket building, which was achieved. Every Junior High Student was successful in building and flying their individual rockets, with over 280 launches that took place over the course of the days allotted for launch. There were two launch pads, which were constantly busy with rocket launches.

Several parents attended the rocket launch, as did many primary school children with their teachers, and a few high school classes. Those who attended the rocket launch were very surprised as to the actual dynamics of the rockets, many saying "Wow..I did not realize they would go that high and that fast...!"

Before the students made rockets, they were required to build a hot air balloon, which involved "Atmospheric Sciences." The "Balloon launch and flight" proved to be unsuccessful, mostly due to design, but, still made for a great transition into "Rocketry." Students were shown information about NASA and early space exploration, the "space race", Sputnik, and the first 7 Astronauts selected for the space program and the Mercury space missions.

Overall, students and concerned staff of Ray Junior High seemed to feel that this was a great science unit, that kept the students engaged.

Jesus of Nazareth Certainly Existed!

As Good Friday and Easter approach, it is worth considering the historic underpinnings of our faith in the Savior. Do we just take heart in a nice mythical story, or do we genuinely trust in Someone real who has done the extraordinary to free us from our sin and give us eternal life?

The famous philosopher Bertrand Russell wrote that “it is quite doubtful whether Christ ever existed at all, and if He did we do

not know anything about Him.”

F.F. Bruce, a distinguished historian, wrote to the contrary, “Some writers may toy with the fancy of a ‘Christ-myth,’ but they do not do so on the ground of historical evidence. The historicity of Christ is as axiomatic for an unbiased historian as the historicity of Julius Caesar. It is not historians who propagate the ‘Christ-myth’ theories.” The “historicity of Christ”

is “axiomatic” because everyone (enemies as well as friends) up until the 18th century had no doubt that Jesus existed and died by crucifixion. From the first century, Jewish religious leaders, Roman writers, Syrian writers, and the Jewish historian Josephus all spoke of Jesus assuming that their readers understood that He had lived.

In the Encyclopedia Britannica (1974 edition), in its article on Jesus Christ, we read, “These independent accounts prove that in ancient times even the opponents of Christianity never doubted the historicity of Jesus, which was disputed for the first time and on inadequate grounds by several authors at the end of the 18th,

during the 19th, and at the beginning of the 20th centuries.”

I. Howard Marshall, another eminent historian, wrote, “It is not possible to explain the rise of the Christian church or the writing of the Gospels and the stream of tradition that lies behind them without accepting the fact that the Founder of Christianity actually existed.”
