OBITUARIES

Jodi Rae Monfred

Jodi Rae Monfred went home to be with her Lord and Savior on Jan. 16, 2014. She was born Jan. 23, 1971 in Kearny to Ken and Norma Reeves Watkins. She grew up with her younger brother, Jay, and her cousin, Sean. The happiest times of her childhood were spent at her Grandad, Avery (Curly) Trainer's ranch in New Mexico.

She was proud to have worked at Magma and at the San Manuel Fire Department. However, she discovered her true calling in life on July 11, 1988, when she became a mother for the first time. She loved being a mother so much that she didn't allow it to end with her three sons and one daughter. Any kid who wanted to be in the house, and part of the family, would never be turned away.

She married the love of her life, Paul Monfred, on Nov. 26, 1994. Together, they developed a love that would be

the pride and inspiration of their entire family.

She is preceded in death by her grandmother Ella Mae Reeves, grandparents Jay and Ida Richins, grandparents Norman and Margret Reeves, brother-in-law Andrew Monfred; and her best friend, and mother-in-law, Elene Monfred.

She is survived by her three sons, Wade (Adi), AJ and Andy; daughter, Kadi; husband, Paul; brother, Jay (Brandi) Watkins; two nieces, Jessica and Courtney Watkins; uncles, Benny (Joann) and Bobby (Rene) Reeves; granddaughter, Maya Monfred; and 10 cousins.

OBITUARY

Abraham Elihu Auerbach

Abraham Elihu Auerbach died at age 87 on Jan. 12, 2014, at Grace Manor in Oracle, AZ. He was born in Washington, D.C. in 1927. Known as Abe by family and friends alike, he is survived by wife Evaline, who continues to live in Oracle; son David, who lives and works in Boston; and by cousins in Capetown, South Africa, and York, England.

Abe was the only child of Russian immigrants Meyer Auerbach, from Orsha, now in Belarus, and Hanna Saks Auerbach from Libau/Liepaja, now in Latvia. Meyer worked as a grocery wholesaler in New York and then in Washington, DC. He "sent home" for a wife and Hanna arrived to marry him in 1926.

Abe grew up near the patent office in Washington, D.C. where his visits set off his desire to invent. He attended a technical school studying electronics following High School and set off to promote inventions and work at technical and other jobs in Basel, Switzerland and then Chicago. After working at radio stations as electrician, he switched to computer programming in the very early days of computers. He programmed using punch cards for the Firestone tire company in Hawthorne, near Los Angeles, California. After his father died at their home in Miami, Florida in 1966, his mother moved in with him. She moved to Tucson in 1981 and passed from there in 1990.

Abe met Evaline, who has lived in Oracle since 1976, by answering her personal ad in the New York Review of Books. Their relationship grew by telephone for most of 1980, and in the late summer of that year he visited her in Oracle, where he fell in love with her and with the town — in that order, he insisted.

They were married in the Oracle Union Church in December 1980 and held their reception at the Acadia. They honeymooned in Mexico, where Abe fixed his old car with a rubber band. This repair which lasted long after the couple had returned home to Oracle; thus began the legend and reality of Abe the inventor and fix-it-cheap man.

When their son was born, Abe settled in to a role as caretaker and while Evaline continued to teach at Aravaipa Campus of Central Arizona College. Abe served as Evaline's support in her work and community activities as well, and accompanied her to Iowa City in 1983-84 while she spent her sabbatical at the University of Iowa, earning a PhD in Instructional Design.

In pursuit of his own ideas, Abe travelled to various businesses across the US and even to Switzerland. However, his most successful ideas were those applied in his home and still used there. One of his ideas, the HandiVisor, is shortly going to be on Kickstarter so that people can buy it and back it. The device is handheld to protect the driver from glare — the sun or headlights. It will be saving lives for years once it is known to the world.

As a child, Abe was sickly and asthmatic, but he brought himself up through physical training. He continued to believe in healthy exercise and lifestyle,

with a miniature gym on his back porch. However, in about 2009, failing eyesight and then heart failure began to incapacitate him. After a fall in 2012 for which he was hospitalized, he lived in three care homes before he came to Grace Manor in April of 2013, just as it opened.

His family and friends are grateful for those who cared for him, especially at Grace Manor. We believe he was as the best place he could be while still living, a "heaven away from heaven." We mourn its closing.

Abe did not ever want a "fuss" made over him, so requested no services. Donations of flowers can be sent to the staff of Grace Manor Grace Manor is at 1205 Hunter Circle. Monetary donations can be sent to the Oracle Public Library, 565 E American Ave., in his name to recognize his lifelong love of libraries.

The home and mailing address is 2045 W. Paseo Redondo. All addresses: Oracle, AZ 85623. Both Evaline Auerbach and David Auerbach are on Facebook and evaline's email is evalineja@gmail.com.

LETTER TO THE EDITOR

Mammoth Vice Mayor sees good things happening for town

My name is Rogina Medina I am the Vice Mayor in Mammoth.

I have been on the Town Council for 19 months. While on the Town Council I have been involved with the sidewalks, Kids Closet, Dollar General, Casino, Owens and San Pedro being paved also Catalina St., street signs, water drain on Vine St, potholes filled in, working

on the culvert on Sunset and Hetzel.

The council also voted on the property on Hwy 77 Los Michoacanas, and, a meat market next door. Also, an R.O. System to be installed on San Manuel Dr, on property the Town purchased. So much

more has been done. The Town Council has been working hard on all these projects along with the Town Clerk.

I have lived in Mammoth most of my life and always wanted to see change come to our hometown, Mammoth. So, in my time on the Town

Council I have been able to do just that with the help of the Council and the citizens of Mammoth.

I would love to serve 4 more years. Can you Imagine what else we can achieve, in spite of the negativity that has been spread around? Go for

a drive around town and see for yourself. If someone ask what you've done in your life, hold your head up high and be proud and let your heart speak, "the truth".

Sincerely,
/s/ Rogina Medina
Mammoth Vice Mayor

Six Central Arizona College students earn All-Arizona Academic honors

Mesa – Six of Central Arizona College's outstanding students have been selected to the Phi Theta Kappa International Honor Society All-Arizona Academic Team. Among the six are two locals:

Lorena Villanueva of San Manuel, graduated from San Manuel High School, who was selected for the First Team, and, Kandace Kelly of Oracle, named to the Third Team, whom was homeschooled. Both currently attend Central Arizona College at the Aravaipa Campus.

Lorena Villanueva, an active volunteer in kindergarten classrooms in the town of Oracle, Villanueva boasts a 3.81 grade point average as a biology major. Involved in CAC's Student Leadership Organization, she is an active member of Phi Theta Kappa. In the spring of 2013, she earned recognition as the Aravaipa Campus' Most Outstanding Student for the 2012-2013 academic year. Villanueva plans to transfer to the University of Arizona with the intention of becoming an occupational therapist.

Kandace Kelly is an English major with a 3.71 grade point average. A member of Phi Theta Kappa, Kelly has been involved with local animal shelters, delivering food for rescued animals. Last spring, Kelly was recognized as the Aravaipa Campus' most outstanding communications division student. She plans to transfer to Northern Arizona University in pursuit of a career as a writer, which she seems

equipped to do after recently winning CAC's 14th Annual Black History Month Poetry Contest.

The awards were announced on Wed., Feb. 19 at the All-Arizona Academic Team Recognition Ceremony held at the Hilton Phoenix/Mesa. First Team members Kolder, Kraus and Villanueva are now eligible for the All-USA Academic Team that will be published in USA Today in April 8.

Phi Theta Kappa, USA Today, community college presidents, and community college state associations co-sponsor All-State Academic Team recognition programs in 35 states. Students nominated to the All-USA Academic Team are automatically named to the All-State Academic Team. Ranking on the All-State team is determined by the student's score in the national competition. Nominations are based on outstanding academic performance and service to the college and community.

All-Arizona Academic Team members receive special recognition, including medallions, certificates and scholarships. First Team members receive a \$1,000 check, while Second Team members are presented with \$750 and Third Team members are granted \$500.

They are also eligible for full tuition scholarships to any of the Grand Canyon State's three public universities: Arizona State University, Northern Arizona University or the University of Arizona.

Keeping Oracle Historacle: Happenings at Oracle Historical Society

By John Hernandez
San Manuel Miner

The Oracle Historical Society (OHS) was busy in 2013. Thanks to some grants received in 2012 from the International Questers and the Arizona Historical Society, OHS was able to complete restoration work on the Acadia Ranch Museum porch and the Ice House. The Ice House is a two room structure attached to

the Acadia and was originally built around the late 1880s or early 1890s. An original 18" high porch railing once ran around the entire Acadia Ranch building porch. The railing was reproduced plus another 18" upper railing was added above the reproduction for safety purposes. Chuck Sternberg spearheaded both projects.

The American Flag Ranch once home to the first post office in Oracle has undergone significant restoration and

improvements. Thanks to a donation from John Rendall the barn at American Flag Ranch has been restored and made more stable while maintaining its historic look. Thanks to a number of hard working volunteers, the exterior of the American Flag Ranch building has been completed with the interior of the building scheduled to be finished early in 2014. Kevin Armbrust has led the renovation project for the past 18 months. John Medley and Brian Kirkpatrick have worked week by week with Kevin. Other volunteers working on the project are John Wasley, Jack Assini, and JoAnn Stine. Phil and Jo Ann Stine have been living on the grounds of the American Flag Ranch and have done a lot of work fixing up the landscaping as well as acting as caretakers for the property. Special thanks went out to Committee members: Chairman Kevin Armbrust, John Wasley, Jack Assini, Karen Lombardi, Cinnamon Schieck, Monica Chavez, John Rendall, Chuck Sternberg, and Brian Kirkpatrick.

Long time Oracle resident Nancy Patten donated part of the original Acadia corrals and stable property to the

Oracle Historical Society. In 2013 the old adobe tack room building was given to OHS by Nancy. The Tack Room is located east of and adjacent to the Acadia Ranch Museum. Kevin Armbrust, Brian Kirkpatrick, and John Medley installed an access gate, cleaned up brush, removed old building materials and installed fencing around the property line. Chuck Sternberg will be leading a restoration project with a proposed completion date sometime at the end of 2014. A very heart felt thank you from the Oracle Historical Society to Nancy Patten for her gift. People involved in the work that made Nancy's gift of property a success were John Wasley, Kevin Armbrust, Cinnamon Schieck, Helen Vinson and Scott McMullen.

Chuck Sternberg has been working on the next exhibition for the museum entitled "Oracle Between the Wars, the 1920s – 1930s". It is scheduled to open Saturday, April 5, from 1-4 pm. It is a photographic journey through Oracle during the days of Prohibition, the construction of the Mt. Lemmon Road, dude ranches and the Great Depression. During these years the

Arizona Medical Eye Unit to visit Oracle

Oracle - The Arizona Medical Eye Unit (the "Unit") from the Lions Vision Center, Inc. will be giving Ophthalmological Medical Eye Examinations in Oracle at the Sun Life Medical

building on April 3, 2014. The charge per patient is \$40, which covers operating expenses. Call 896-9299 for an appointment.

The "Unit", sponsored by the Gamma Epsilon

Sorority, was donated to the Lions Vision Center, Inc., through the Odd Fellows and Rebekahs of Arizona. The Arizona Ophthalmological Society provided the funding for the 2012

Ford F-350 truck and sponsors the "Unit". Arizona Ophthalmologists, in private practice, volunteer their time on the "Unit" and receive no remuneration.

It's all about the kids.

Kids' Closet recognizes Tucson volunteer

As SaddleBrooke Community Outreach works to help our neighboring children through programs like Kids' Closet, educational opportunities including tutoring, enrichment programs and college scholarships, we often find other residents who step in to work with us.

Enter Trent Rowley. He is employed by University Termite & Pest Control and encouraged them to provide pest control to the new Kids' Closet in Mammoth at the cost of materials only. Trent then applies those materials when the children are not at the closet, and has kept this operation bug free!

He is well known in his Tucson community for an annual diaper drive. He also asked his 400 fellow employees to contribute to this drive which benefits the Diaper Bank of Southern Arizona. In early October a community yard sale was organized which raised \$2,500 in cash, collected 28,368 diapers and 4,640 wipes. All of this was turned into radio MIXfm holiday diaper drive.

Sea Lions compete at State Championship Meet

The Arizona State Championship Swim Meet was held March 6-9 at the Oro Valley Aquatic Center. Sea Lion Swimmers Tabitha Kellam (10), Evan Apuron (10), Riley Stewart (10), Darien Apuron (12) and Gianna Sweeney (12) all achieved individual qualifying times at USA Swimming sanctioned meets to allow them to compete at the championship meet for swimmers ages 14 and under. Additionally, the Sea Lions qualified six relay teams for the meet. The Sea Lions team scored 138 points to finish in 18th place (out of 41 teams in the Arizona). Head Coach Alex Gort expressed pride in the fact that a community our size fielded a team that beat more than half the teams in the state.

This was the first year that the Sea Lions qualified to swim relays at the championship meet and they did very well. The 12 and Under Girls Relay Team of Gianna Sweeney, Darien Apuron, Tabitha Kellam, and Jasmine Smith (12) had great swims in the 400 Freestyle Relay (finished 19th), 200 Medley Relay (20th), 200 Freestyle Relay (19th), and 400 Medley Relay (22nd). The 10 and Under Boys 200 Medley Relay team of Riley Stewart, Mason Stewart (8), Evan Apuron, and Rocky Andrade (8), finished 13th, while the 200 Freestyle Relay Team of Riley Stewart, Evan Apuron, Ethan Kellam (8) and Rocky Andrade finished 15th. "The relays are the backbone of any swim team and we had some great relay swims," added Coach Gort.

In the championship swim meet format, all swimmers compete in preliminaries each morning. The fastest 16 swimmers return in the evening for finals. Swimmers are limited to a maximum of six individual events over the four day meet.

Gianna Sweeney qualified for many events and decided to compete in some of the toughest grueling events. She started the meet with 1650 yard freestyle in which she finished 24th. The following day she competed in the 200 Breaststroke (26th) and 400 Individual Medley (30th) achieving best times in both. Personal best times in the 50 Breaststroke (19th) and the 500 Freestyle (37th) were not good enough to crack the top 16. It was on the final day of the meet that Sweeney was able to qualify for the finals session placing 15th place in the 100 IM with a great swim of 1:10.53.

Darien Apuron qualified in three individual events, finishing 38th in the 50 Butterfly, 31st in the 50 Backstroke, and 39th in the 200 Backstroke.

Riley Stewart qualified for the Consolation Finals (9th-16th) in the 200 Freestyle and won to finish 9th. Stewart would swim well over the next few days, but the tough competition would keep him out of the top 16 places. Stewart finished 20th in the 200 IM, 18th in the 50 Breaststroke, 23rd in the 100 Breaststroke, 18th in the 50 Freestyle, and was disqualified for an illegal turn in the 100 IM.

Tabitha Kellam started the meet off with a 9th place finish in the 500 Freestyle on Thursday evening. The next morning she finished 8th in the 200 Freestyle which qualified her for the championship finals (top 8). At finals, she went a couple of seconds faster to swim a 2:25.48 and finished in 8th place. Kellam went on to have a great meet swim her fastest times in virtually every event and finishing in the top 16 several times; 11th place in the 200 IM, 10th place in the 100 IM, 12th place in the 50 Freestyle and 24th place in the 50 Breaststroke.

Evan Apuron qualified for every event in the 10 and Under age group, but had to choose which six to swim at the meet. On his first morning of competition, he swam the 50-yard

Butterfly and 100 Freestyle and qualified both for the championship finals (top 8). In the evening finals session, Apuron had some great races finishing 5th in the 50 Butterfly with a time of 31.56 seconds and 6th in the 100 Freestyle with a time of 1:05.18. During the Saturday morning preliminary session, he qualified for the consolation finals of the 50-yard Breaststroke. Later in the 50 Breaststroke Consolation Finals, he was able to beat the field and earn 9th place. During Sunday preliminaries, he qualified for championship finals in all three of his events; 100 IM, 100 Fly, and 50 Free. Apuron started the evening with a 5th place finish in the 100 IM (1:13.68) followed by third place finish in the 100 Butterfly with a time of 1:10.41 to earn a spot on the podium to receive a medal. Apuron went on to finish the evening with an 8th place finish in the 50 Freestyle with a time of 30.22. Coach Gort summarized Apuron's performance at the meet, "Evan qualified for the championship finals in five out of the six events he swam and finished 9th in the 6th event. He had tremendous improvements in his times - what a great meet for Evan!"

The Sea Lion Swim Team practices in San Manuel when the water is warm enough, and in Oro Valley during the rest of the

year. Registration for the summer swim team in San Manuel will begin in a couple of weeks. Please contact Alex Gort for more information at 896-2190.

Miners' baseball team cruises past Lobos

By Andrew Luberda
San Manuel Miner

The San Manuel baseball team defeated the Hayden Lobos last Tuesday, 13 – 3. It was the Miners second consecutive win.

The Miners have now won two consecutive games for the second time this season. They previously did it in their first two games to open the season.

Both times they have won consecutive games, the Miners have held their opponents to 2 runs or less. In the first two games of the season they held both

of their opponents scoreless. In the most recent back-to-back wins against Apache Junction and Hayden they allowed a combined 4 runs between both games.

On the season, the Miners are now 4 – 2 and in their four victories they've allowed a total of 4 runs. It appears good pitching and sound defense is the secret to the Miners' success.

After games versus Tombstone and Hayden this week, the Miners will return to action on March 25 at Pusch Ridge Christian Academy. On March 26 they will travel to Duncan. Both games begin at 4 p.m.

their opponents by a combined score of 27 – 4.

The art of peace: local artists plan community project

By **John Hernandez**
San Manuel Miner

A group of local artists have planned a community art project that is a fundraiser, a learning and creative experience as well as an expression of peace. The public art installation will create an army of "Peace Warriors". The idea is for community members to come together and create a band of terracotta soldiers that will stand in a field overlooking and guarding the Catalina Mountains. These unfired terracotta soldiers will stand watch until they eventually, slowly melt back into the earth.

The concept for the terracotta soldiers was inspired by the discovery of the first Chinese Emperor Quin Shi Huang's burial ground. Quin Shi had a terracotta army of 8,000 life size sculptures plus terracotta horses, chariots and real weapons entombed with him at his death around 210-209 BC. The terracotta army was discovered in 1974 by farmers. Archaeologists then began excavating the site.

The idea of using the project as an expression of peace came from a woman who became known as the Peace Pilgrim. Mildred Norman Rider became known as Peace Pilgrim when she began walking across North America in 1953. She vowed to walk until mankind had learned the way of peace. She walked until given shelter and fasted until given food while spreading her message of peace. She wandered from 1953 until 1981 when she died in an automobile accident while on her way to a speaking engagement. She touched many lives and hearts during her journey of over 25,000 miles trusting people to give her shelter and food. Most of the artists working in the project have a connection with the Peace Pilgrim in some way or knew someone who had a connection to her. For Carol Mahoney

the connection began in a bookstore. ABC Books was a store in Denver, Colo. owned by Carol. Her mother Gerry Magnie worked there. Many customers came in the store and asked for books about or by the Peace Pilgrim. They finally ordered some and were so touched by the message in the book they organized an annual Peace Walk which was held every October. The Peace Pilgrim's message continues to inspire people around the world.

No experience is necessary to participate and artists of all levels are welcome. Everyone will be able to personalize their sculptured soldier starting with a clay impression of their own face. Each participant will be given a 25 pound bag of terracotta clay. Five Arizona sculptors will give a demonstration on how to build the figures and will help guide you along the way. The five sculptors are Sharon Brady, Fox McGrew, Julie Stein, Carol Goldberg and Danielle Neibling. There will also be live music performed by John Magnie of the New Orleans band "Subdudes".

The fee for participating in the community art project is \$60. There is no charge for observers. The profit from the event will go toward the purchase of a large state of the art community kiln. The event will be held April 5 at the Wilson Barn, 2436 W Linda Vista Rd. in Oracle. It is from 10 a.m. to 3 p.m. The schedule for the day follows:

- 10 a.m. to 11 a.m.: Participants will observe five artists each build a soldier figure to start the army. You will be able to ask questions and collect ideas while you prepare to make a soldier.
 - 11 a.m. to 3 p.m.: Everyone will build their soldiers and help place the army facing the mountains, photographing as we go.
- If you can't make the event you can still donate. Some scholarships will be made available to local junior high and high school

students interested in the project. For more information or to make a reservation contact Carol Mahoney at 520-827-1209 call/text or email at cmahoneyworks@icloud.com. Make checks payable to RLV OracleArt and mail to Carol Mahoney, 1055 E. Paseo Encino, Oracle,

AZ 85623-6205. You can also pay at the door with cash, check, or credit card. Join the Peace Army.

"This is the way of peace: Overcome evil with good, and falsehood with truth, and hatred with love."...Peace Pilgrim
