LETTER TO THE EDITOR

Little Leaguer representing local town

Hi my name is Cooper Cook, I am 8 years old, I live in Phoenix. My baseball league has assigned every team a city's name from AZ. Our team this year is the Oracle Diamondbacks. My Dad showed me where Oracle was on the map today and the city looked really neat. We are currently undefeated and are trying hard to represent the

city of Oracle well. We hope to raise the trophy at the end of the year in Oracle's honor!

Just thought we would share our great season so far with one of our great cities.

Chisholm Relations

Some of those who read my Georgie Digs articles say it is obvious that I like history, especially family histories. I think that it is only natural that I have often mentioned Aravaipa Creek because I had lived there for many years and did learn quite a bit of its history and the people who had earlier lived there. I believe that much history is lost because of not being passed on to later generations via letters, memoirs, or the media.

I wonder if there are many large family reunions anymore. On Jan. 12, 2013, I, with my daughter, Frances (Wood) Meyer, who we call Francie, and with her cousin, Lynn Wood, son of my husband Cliff Wood's brother, Fred Wood, attended a Chisholm Family Reunion at the impressive San Marcos Golf Resort in Chandler, Arizona. This reunion was not about Jesse Chisholm who has been stated to be the one that the Chisholm Trail was attributed to. My husband Cliff Wood's mother, Frankie Belle (Middleton) Wood, was a great-granddaughter to Richard H. Chisholm whose history in Texas is included in Zenna Chisholm Snowden's

book that was available at that reunion. It was stated that Richard H. Chisholm had started the town of Clinton, Texas.

Also included in that book are many pictures of descendants of Richard H. Chisholm and their families. The book listed the four children born to Richard

Vision and Eye Health

Many of the problems that occur with vision, such as cataracts, glaucoma and macular degeneration, might well be prevented with proper planning.

As with any degenerative condition, free radical damage is a major contributing factor. It is, therefore, a very good idea to supplement your normal diet with anti-oxidants.

Two particularly good anti-oxidants for the eyes are beta-carotene and Vitamin C. It is interesting that all mammals, except man, the guinea pig, and a couple of birds and a bat, produce their own Vitamin C. The other mammals produce the equivalent of 6,000 milligrams a day. That is extraordinary when you consider that the RDA for Vitamin C is only 60 milligrams, just enough to prevent scurvy.

Vitamin C is also very good for connective tissue. Connective tissue comprises much of the structure of the eye and contributes to the flow of the fluids in and around the eye.

Other important supplements for connective tissues are the bioflavonoids. Bioflavonoids are the constituents of plants that are responsible for the color in berries. Therefore, berries can be

considered very healthy for the eyes.

Many people elect to supplement with more concentrated forms of the bioflavonoids than can be derived by eating berries directly. A very good bioflavonoid supplement to consider for the eyes is bilberry. Pycnogenol is another popular bioflavonoid.

An important aspect of eye health is exercise. It serves not only to keep the muscles fit, but also to keep the fluids moving by squeezing and stretching the

New president for Oracle Community Center

By **John Hernandez**
San Manuel Miner

The Oracle Community Center has a new President and is busy organizing and preparing for the Oaks Festival. The new President is Debiann Hyman.

She is new in Oracle, arriving in 2016. She said that she "loves it here."

DebiAnn said that she has roots in the Copper Corridor area. Her father once worked in the mines, and her parents lived in Oracle in the early '70s. Her mother was killed instantly in a car accident in Tucson while eight months pregnant with Debiann. Miraculously, Debiann survived the accident and birth. Her mother was a 1970 graduate from Ray High School. She and her father moved to Louisiana to live with her grandparents who had just moved from Mammoth. Her mother's parents had lived in Kearny. She also had an aunt and uncle that lived in Dudleyville. She has been married to her husband Rick for almost 17 years. They have four daughters and 12 grandchildren.

Debiann says her first priority is to restore trust and confidence within the community

through integrity and accountability.

"We are going to restructure the bylaws, reorganize the Board of Directors, committees and volunteer services," she explained.

Debiann and the new board members have plans and ideas for making the Oracle Community Center better. These plans include upgrading the facilities inside and out.

"We want to make it more exciting and create excitement and enthusiasm within the community," said Debiann.

"We will be bringing in new programs and activities for all ages. We have an established senior group and we love them, but we want to include our young families and teenagers as well. We want to serve our community and its needs. We want to create a culture of unity with the Community Center being the central place to gather and unify the community," she added.

The Oracle Community Center is looking for a kitchen manager. They serve a meal every Monday at noon that is open to the public. Bring a dish or pay \$5 at the door. They are always looking for volunteers. If interested call the office 520-896-9327 or cell 520-800-9041.

Debiann Hyman is the new president of the Oracle Community Center Board.

Catalina church continues its 'Faith in Action' promise

For several years Mountain Shadows Presbyterian Church has hosted a special Sunday program called "Faith in Action" where congregants and guests get involved in activities that benefit others in our neighboring communities. There are a variety of activities that involve

people in projects designed to show our love for our neighbors. Having faith is not enough, it is an ability to believe, but you must act on that ability to believe. This church is Centered in Christ, Caring for Community, and the recent morning of expressing that caring resulted

in assistance to people in Catalina who needed help with home and garden chores, entertaining residents at Brookdale Care Facility with joyous music. Easter cards were created for clients of Interfaith Community Services that will be delivered with meals on wheels. Dresses for little girls in Africa were assembled by industrious women redesigning pillow cases; letters were sent to missionaries who have ongoing relations with MSPC, and large quantities of clothes and hygiene items were collected, sorted, and ready for transportation to Sister Jose Women's Center in Tucson. Still one more group of parishioners work on maintenance projects at the church. And that's not all! Children's books were collected, cleaned and prepared for the Literacy Connect program in Tucson. Kitchen Aids was a category for cooking and hygiene items destined for the Tri-Community Food Bank in Mammoth. Six specific items for cooking and cleaning were delivered to TCFB as needed. For those unable to work on projects, donations were happily received. After spending time on the projects, a special service honoring Faith in Action was held in the sanctuary, and was followed by a shared lunch of sandwiches, chips, cookies, and good conversation. All of this was coordinated by Laura Carey, Mission and Outreach Elder, who worked with a team to generate the activities and help determine which organizations would truly benefit from the program. Mountain Shadows is located at 14240 N. Oracle, in Catalina. A website: www.mountainshadowchurch.org can answer questions. Need more information? Call us at 825-7858. This is an energetic congregation Centered on Christ and Caring for Community, and a group of people who truly believe in that as we live out our beliefs by loving others and caring for their needs.

Sea Lion swimmers compete at Age Group State Championship Meet

On March 8-11, the Age Group State Championship Meet was held at the Oro Valley Aquatic Center for Swimmers 14 years old and younger. Eight members of the Sea Lions Swim Team competed. Ethan Kellam (12), Mason Stewart (12), Joey Castellanos (12), Ben Fister (12), Tabitha Kellam (14), Evan Apuron (14), AJ Lopez (14) and Riley Stewart (14) achieved qualifying times at USA Swimming sanctioned meets to allow them to compete at the meet. The Sea Lions finished in 15th place (out of 41 teams in Arizona) with a total of 287 points.

The 12 year old boys (Ben, Mason, Ethan, Joey) were solid for the Sea Lions in 4 relays (200 Free, 200 Medley, 400 Free and 400 Medley), finishing no worse than 12th place and as high as 10th place, a very good result for a team from a community our size. The 200 Free Relay achieved a new team record time of 1:58.14 and the 200 Medley Relay achieved a new team record time of 2:12.85.

Mason swam personal best times on his way to 18th place in the 400 IM, 24th place in the 100 IM and 28th place in the 100 Breaststroke.

Ethan finished in 12th place in the grueling 1650 yard Freestyle.

After swimming Relays at last year's State Championship, AJ Lopez gained valuable experience this year competing in 6 individual events which is the maximum allowed. AJ had finishes of 23rd (100 Breaststroke), 31st (400 IM), 36th (100 Backstroke, 50 Freestyle, 200 IM) and 47th (100 Butterfly).

Swimmers who finish in the top 16 places in preliminaries each morning advance to finals in the evening. Ben Fister, Tabitha Kellam, Evan Apuron and Riley Stewart each had several swims in finals.

Tabitha swam to a 12th place finish in the 200 Freestyle and 16th in the 200 IM.

Ben Fister earned a place in the finals in four events. He finished in 4th place in the 50 Butterfly, 6th in the 100 IM, 9th in the 100 Fly and 9th in the 50 Freestyle with a new team record time of 26.07.

Riley Stewart had an exciting weekend finishing in the top 8 in every event he entered. Riley finished 2nd in the 100 Breaststroke in a time of 1:01.66 (a new team record), and narrowly missed being the State Champion by only 1/100th of a second.

Riley also achieved some big swimming

eyeball. Two good exercises to do are figure eights and focusing on objects at various distances from up close all the way to the horizon.

Cataracts are a condition associated with outdoor living. An interesting approach to correcting cataracts is to apply a drop of DMSO into each eye daily. This will help dissolve the cataracts.

Be careful as it will sting. It has the potential for overuse.

Another eye problem common to outdoor living is pterygiums. These are the horizontal buildup of yellowish tissue usually found on the nose side of the eye that is caused by wind irritation. Again, good nutritional consideration is helpful for your own body to address this condition.

Fortunately, new advances in laser techniques have been successful at correcting some of these problems that have gotten too bad for our own bodies to correct.

In review, nutritional supplements helpful for good eye health include high doses of Vitamin C and bioflavonoids, especially bilberry. Eye exercises keep the eye muscles strong and promote movement of cleansing fluids both outside and inside the eye.

And, finally, protect your eyes from the harsh environment with proper sunglasses or goggles.

As is true with any condition, remember that your eyes are part of the entire integrated system that is your body. Support your overall body with good nutrition and exercise and the benefits will be reflected throughout.

H. Chisholm and his wife, Hardenia Taylor, and the oldest was Glenn Thornton Chisholm who was married at the age of 21 years to 15 years old Jane P. (Jennie) Fore. In March of 1868 on one of his freighting trips, Glenn Thornton was killed at the age of 37 during a wagon accident. Of the nine children who had been born to he and his wife,

the fourth born was Cora Ellsworth Chisholm, the mother to Frankie Belle, my husband Cliff Wood's mother. I may at another time add more about Cora's

life, although it was not all good.

I was impressed that in one photo of Glenn Thornton's wife, Jane, she looked so much like her

granddaughter, Frankie Belle. Well, all of us are the results of the genes of so many ancestors that

there is no telling what one child will look like. I know my three children, Ann, Francie, and Neal, do not

resemble each other, and I enjoy trying to figure out where they got their good looks! It sure wasn't me!

By **Andrew Luberd**
San Manuel Miner

The San Manuel track team hosted nine teams in the March qualifier on Wednesday, March 14. The Miners boys' team finished third while the girls finished fourth. Members of both Miners' teams were battling illnesses, which affected their results.

"(We) were hindered by sickness of some of the athletes, but those who participated gave there all and had a good meet," San Manuel head coach "Bill" Smith told the Miner.

Jesus Diaz (2nd – 800m), Adrian

Sierra (3rd – 800m), Gilberto Pinedo (3rd – 1600m), and Alex Velasquez (3rd – 3200m) were among the standouts at the meet for the boys' team. The boys' 4x400m relay team finished second. Stars in the field events included Elvis Mejia (3rd – Triple Jump), Michael Primero took first in the Pole Vault (8'00"), and Michael Ochoa, who took first in both the Shot Put (38'9") and Discus (130'9").

For the girls' team, Araceli Curry (1st – 3200m) was the top finisher. Alicia Guerrero took first place in Pole Vault (6'0"). The girls' 4x100m relay team finished second.
