Kearny pulls out of joint chief selection; Hayden and Mammoth to hire shared chief

By Mila Besich-Lira
Copper Area News

During a special Kearny Town Council meeting on Friday, March 10, the Kearny Town Council voted to no longer participate in the selection process for a shared Chief of Police with the towns of Hayden, Winkelman and Mammoth. The four communities had been collaborating for almost two years and were in a final selection process

for hiring the joint chief of police.

Hayden, Mammoth and Kearny had all approved a joint contract in a previous meeting. Kearny council voted to hire a chief that would just serve the Town of Kearny.

The communities had been discussing the possibility of developing a Police Services District that would have created one police department for all four communities. Hayden Mayor Bobby Smith explained that those discussions are no longer in the works. It does not appear

that a police district would be feasible should one of the communities not want to participate.

Hayden and Mammoth will proceed with hiring a shared police chief. They expect to hire the chief in an upcoming meeting. Winkelman does not have a police force, instead they contract with the Town of Hayden for police services.

The three communities are all being served by an interim chief provided by Pinal County Sheriff's office.

Reward offered in Mammoth double homicide

A reward of up to \$2,000 for any information leading to an arrest or an indictment in the murders of Mark Reynoso and Maria DeSantiago of Mammoth is being offered by the Pinal County Sheriff's Office of Victim Services and Silent Witness.

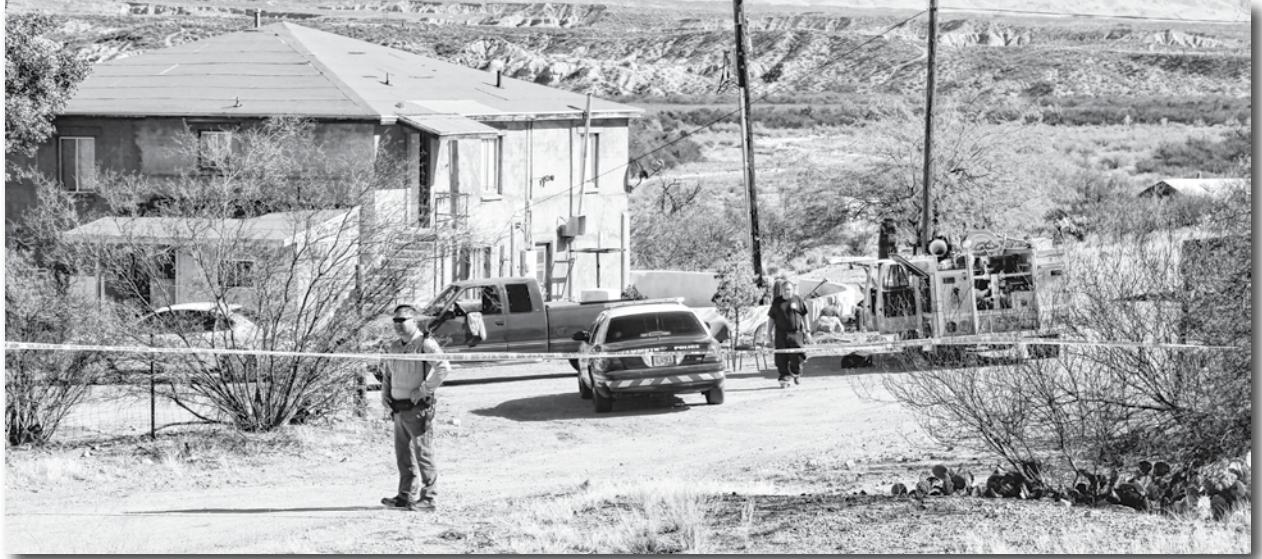

On Tuesday, Jan. 31, 2017, shortly after noon, the bodies of Reynoso and DeSantiago were discovered dead at their home in the 400 block of S. Main St., Mammoth. Pinal County Sheriff's Homicide Detectives were called in to investigate the incident and they announced that the deaths were homicides.

It is believed that the suspect or suspects drove to the victim's house in a midsize sedan or midsize pickup truck.

The murders came one day after the two-year anniversary of a fatal auto accident which involved Reynoso. Three people were killed in the accident and others, including Reynoso, were severely injured. Reynoso had been charged with three counts of manslaughter in the accident.

When asked if the homicides were connected to the fatal accident which occurred on Jan. 30, 2015 on Hwy. 77 near Aravaipa, a Sheriff's Office representative said, "There are several motives being considered at this time, among them is the 2015 traffic collision."

A press conference was held at La Casita Restaurant in Mammoth on Tuesday, March 14, where the reward was

Hewitt Station Road to be closed-off beginning Friday, March 24

FLORENCE, AZ – Hewitt Station Road will be closed to through traffic starting Friday, March 24.

Drivers will now need to use Highway 60's exit at Queen Valley Rd. to access Queen Valley.

"Hewitt Station Road is the U.S. Forest Service Road that ran through several parcels of private property," stated Supervisor Pete Rios. "Some of the owners objected to ATVs and other off-highway vehicles

"tearing up" their property. They do have the legal authority to close off the road through their private parcel; thankfully the owners did work with the Forest Service and Pinal County to terminate ingress and egress."

Pinal County will continue to courtesy grade the road for the Forest Service. The county is placing warning signs on the road to give drivers notice of the closure.

Pinal County branch of Libertarian Party files for charter status as political organization

By James Hodl
Copper Area News

Papers have been filed with the Arizona Secretary of State to officially charter a chapter of the Libertarian Party in Pinal County. The move will make official the current informal organization of Libertarian Party members and put the group on par with similar Republican and Democrat political organizations in the county.

"The purpose of the Libertarian Party of Pinal County (LPPC) will be to recruit candidates for county offices and for legislative districts that cover all or part of Pinal County," said Michael Hernandez, a San Tan Valley realtor who will serve as LPPC chairman once the charter is approved. "The group also will solicit political donations to fund Libertarian candidate campaigns, and will conduct educational campaigns on where the party stands on local and national political issues."

There are currently 1,400 voters registered as Libertarians in Pinal County, Hernandez noted. Nationwide the Libertarian Party has the third largest number of registered voters after the Democrat and Republican parties.

In anticipation of being chartered, LPPC has secured an Internet web address. While that website is under construction, LPPC has a Facebook page at www.facebook.com/LPPinalAZ where news and information on the organization is posted.

LPPC members and guests also meet on the second

Monday of every month at 6 p.m. at The Gym Bar & Grill, 2510 E. Hunt Hwy. in the Copper Basin neighborhood of San Tan Valley. At the December 2016 meeting, newly elected Sheriff Mark Lamb and Pinal District 3 Supervisor Mike Goodman addressed attendees on what they planned to do in office.

Hernandez, who also was a co-chairman of Libertarian Party 2016 Presidential Candidate Gary Johnson's campaign in Arizona, is already looking toward to 2018 and is contemplating running for State Senator in Arizona's 16th District.

Defending champs making it look easy

By Andrew Luberda
Copper Basin News

The defending Division V State Champion Ray softball team has bounced back nicely from its only loss with a pair of easy victories last week against San Carlos and Coolidge.

Gabby Montano, Ema Alverado and Haily Mabuce each had two hits, including a double apiece, and combined for eight RBI, led by Montano's four, in a 17 –

4 victory over the Lady Braves last Wednesday. The trio was three of six Lady Cats who had at least two RBI in the win.

Junior Janae Ruiz, who went 2-for-3, drove in three runs while Tara Lorona and Julie Meza each had two RBI.

Starting pitcher Dani Montano and reliever Daniella Hinojos combined for five innings pitched, allowing one run on four hits with seven strikeouts and no walks.

The Lady Cats posted a seven-run fifth inning at

Coolidge last Friday, leading to an 11 – 1 victory, their fifth of the season.

Alverado and Hinojos each had two hits and drove in three runs apiece to lead the offensive attack against the Lady Bears. Janae Ruiz also had two hits as did Julie Meza, who doubled for one of her two hits.

Hinojos earned the complete-game victory versus Coolidge, allowing an unearned run on four hits with nine strikeouts and a pair of walks.

The win was Hinojos' fourth of the season.

Bearcats' 14-run first inning leads to another rout

By Andrew Luberda
Copper Basin News

The Ray baseball team is on some kind of roll right now. The Bearcats posted a 14-run first inning against San Carlos on Mar. 15, leading to a 17 – 4 victory, their third-straight lopsided win.

The Bearcats, who have averaged 16 runs per game in their last three games, all wins, pounded 15 hits against the Braves. Jaden Pace and Fabian Valenzuela each had three hits and were two of five Cats to have at least two hits in the game. Pace, who doubled and tripled, drove in two runs while Valenzuela, who hit a double, had a game-

high four RBI.

Jordan Pace (two doubles), Brett Fackiner (two RBI) and Richard Valenzuela had two hits apiece in the win. Anthony Acuna, a senior, had a hit and two RBI in the Cats' sixth win of the season.

Starting pitcher Richard Valenzuela earned his second win of the year following a two-inning no-hit, no-run outing. The junior fanned six and allowed a single walk before giving way to Fabian Valenzuela for the final three innings of relief.

The forums are designed to provide an opportunity for open dialog between Dr. Elliott and community members. On April 1, 2017 Cobre Valley Regional Medical Center (CVRMC) will be hosting its annual Health Fair on the campus of the hospital located at 5880 S. Hospital Drive from 9 a.m. to 1 p.m.

“Our main focus is the health of all our communities. Through health screenings, education, information, and fitness activities provided by many professionals within our region, we can guide our community to healthier life choices,” affirmed Neal

Jensen, CVRMC CEO.

“Together, our mission is truly the health of the people we are dedicated to serve.”

The CVRMC Health Fair was designed to promote health, wellness, and injury/illness prevention by gathering many regional health and wellness professionals together in one location where free health screenings and valuable information could be disseminated to the population.

Information regarding dental health, well baby checks, air ambulance

information, heart health, living wills, donor information, health careers, and much more will be provided at the health fair. CVRMC will be providing free health screenings including smoking cessation, AccuChecks, blood pressure, as well as information on prenatal care, mammography and much more. We are excited to bring the fair back this year after taking a short break due to construction.

With the goal of promoting physical wellness for all ages, the CVRMC Health Fair

will kick off with the “Get Fit Run” The run is set to begin at 7:30 a.m. and will go behind the hospital and onto a dirt path connecting with Ragus Rd. and up to Charles A Bejarano and around Lee Kornegay Schools. The Get Fit Run is a 5K and you can be timed with a \$5 donation. Timed winners will be announced during the health fair at 9 a.m. Create a team, or take a run on your own! You can sign up online at www.cvrmc.org – click on our Health Fair page. We hope to see you there!

The Tonto National Forest (Forest Service) has prepared a proposed management plan for the Apache Leap Special Management Area (SMA) as directed by the Carl Levin and Howard P. “Buck” McKeon National Defense Authorization Act (NDAA) for Fiscal Year 2015. As directed by the NDAA, the proposed plan was prepared in consultation with affected tribes, the Town of Superior in Pinal County, Arizona, Resolution Copper Mining LLC, and interested members of the public. The proposed plan establishes management direction in the form of desired conditions, management objectives, and standards for the approximately 807-acre SMA area in accordance with the NDAA and Forest Service planning requirements. The Responsible Official for the plan decision is Neil Bosworth, Forest Supervisor, Tonto National Forest.

As required by the National Environmental Policy Act (NEPA), the Forest Service is preparing an Environmental Assessment (EA) in support of the proposed management plan. The EA will assess whether there may be significant impacts from implementation of the proposed management plan.

A 45-day public comment period for the proposed plan and scoping for the EA will be open from March 17 to April 30, 2017. The open house will be held from 5 to 8 p.m. with a presentation and question and answer session about the proposed plan beginning at 5:30 p.m.

Cosmetology is one of the programs offered by CVIT through the Gila Community College.

What does college, and career ready mean? Cobre Valley Institute of Technology (CVIT) provides answers

College today means a lot more than just pursuing a four-year degree at a university. Being “college ready” means being prepared for any postsecondary experience, including study at 2- and four-year institutions leading to a postsecondary credential (i.e. a certificate, license, Associate’s and Bachelor’s degree). In today’s economy a career is not just a job. A career provides a family-sustaining wage and pathways to advancement.

About 40 years ago, 72 percent of U.S jobs were held by individuals with a high school degree or less. By 2018, only 38 percent of jobs will be available to individuals without some education and training after high school. Nearly one-half of all job openings in the United States are in “middle skill” jobs, all of which require at least some postsecondary education and training. By contrast, those with a high school diploma or less are eligible only for the one-fifth of all job openings that are deemed “low skill.”

CVIT with its Central Programs offers career readiness while still in high school. Superior, Globe, Miami, San Carlos, Hayden, Winkelman and Kearny students take advantage of free college training that leads to community college and/or industry certifications. “With a

wide range of program offering we hope not only to reach interest of students in our communities, but also meet the industry needs,” said Pete Guzman CVIT’s Superintendent.

Medical Assistant, Licensed Nursing Assistant, Dental Assistant, Fire Science, Welding Technology, Graphic Design and Cosmetology programs are provided in cooperation with Gila Community College. Certified Nursing Assistant, Education Professions and Welding technology are provided in cooperation with Central Arizona College at the Aravaipa campus. All CVIT programs are tuition free to the students. CVIT also provides books, supplies and uniforms without cost to the student.

“Our academic year 2017-2018 enrollment is open, and we would like to encourage all the high school students in our communities to apply for one of the programs and start creating their futures of success,” said Beata Tarasiuk, CVIT Executive Program Director. Beata can be reached at 928-961-2446 or btarasiuk@cvit81.org. Applications are available in High School counseling offices, Gila Pueblo Campus of Gila Community College and Aravaipa Campus of Central Arizona College.
