OBITUARIES

Kenneth Franklin Palmer

Kenneth Franklin Palmer, who was born on Nov. 2, 1934, passed into Heaven on Jan. 8, 2016 after struggling with the effects of Parkinson's Disease. He was a husband twice. He was married for 53 years to the late Ruth Virginia (Padgit) Palmer and for 2 1/2 years to Vicki (Whelchel) Palmer of Kearny, Arizona. He was a good father who provided well for his three children – Joseph Palmer, Debra Schrick, and Diane Fuller (deceased). To 10 natural grandchildren and to two informally adopted granddaughters, he was entirely affectionate. To his daughters-in-law and sons-in-law he was kind and supportive. One grandson bears his name.

Kenneth was an army veteran and a welder by trade. He had an entrepreneurial spirit and for a few years owned a business which manufactured dump-beds and trailers for large trucks. Afterwards he worked for a copper mine, and rose in the company to be a supervisor over the fabrication and machine shops. He was a man who could figure out how to build almost anything big. His

craftsmanship with metal, brick, and lumber added value to his properties and holdings. He could see in his mind's eye what something would be like once he took the raw material and manipulated it in just the right way.

His love and dedication to his family and friends often led him to make decisions which were inconvenient for him. When his wife (Ruth) was told by a doctor to move to the dry climate of Arizona for her health, Ken did not even flinch. With little money and no job prospects he took his family from the new home he had had constructed in West Virginia and moved to Tucson. Within a week of arriving in Arizona, he was employed. He continued working for the next thirty years even when it meant taking a job which required 12 hour days over 7 days a week for 52 weeks during a year. Copper mines open and close. Every dollar was earned the hard way, and what did he do with his dollars? He not only cared for his family by providing the necessities, he also put his children through college with the one hope that they would gain an education which would allow them to work at a job they truly enjoyed.

Kenneth felt a sense of accomplishment as an employee, but he did not really enjoy his employment. What he did enjoy were his friends on the job. Roy and Red and others

were the characters in many of his stories. His neighbors Lefty and Vern (and their families) were long-time friends with whom He and Ruth spent much time. Friends from churches (Del Norte Baptist, Northwest Community, Canyon Del Oro Baptist, and Fellowship Baptist) were many and very important to Ken. He was happy to be known as a believer in Jesus Christ and to be in the company of others who knew Him.

Mr. Palmer grew up during the forties and fifties. As a boy he gathered scrap for the war effort, delivered papers, and fixed bicycles. During his senior year of high school he was chosen to work after school as a machinist apprentice. He was an Eagle Boy Scout and made two trips to Philmont Scout Ranch.

He was born and raised in Parkersburg W.Va. by Joseph Franklin and Beatrice Palmer. He had two older sisters and a brother who have passed on before him. He has had four nephews and a niece, and to some (because of his kindness) he was more like a father than an uncle. The first home he owned was in Lubeck W.Va. Other homes were in Ellenboro and St. Mary's W.Va. and Tucson, Oro Valley, and Kearny Arizona.

Memorial services for Kenneth will be held on Friday, March 25, 11 a.m. at Fellowship Baptist Church. All are welcome. A luncheon will follow.

Jep and Peggy White

A Celebration of Life will be held Friday, March 25, from 3-6 p.m. at the CAC Aravaipa Campus for Jep and Peggy White.

Jep and Peggy were lifelong residents of the Aravaipa Canyon.

Artemisa Romero Contreras

Artemisa "Artie" Romero Contreras was born on April 21, 1918 to Jose and Carmen Romero in Christmas, Arizona, the first of a family of 12. She passed away on March 13, 2016 at her home in Hayden with her two daughters at her side. She was 97 years old, just one month shy of her 98th birthday.

Artie was loved by many and a joy to behold. She was a housewife and she loved to cook and write in her daily journal. She was a member of her local LDS church and one of her proudest accomplishments was being a missionary for the Mormon Temple in Mexico City, where she served two years. Artie and her daughter, Sally also served together in the Mesa Mormon Temple.

Artie was preceded in death by her husband, Manuel, eldest daughter Carmelita, five sisters and one brother. She leaves behind her daughters, Celia and Christina Contreras; four grandchildren; 11 great-grandchildren and one great-great-grandchild; and brothers, Frank (Cruz), Walter, Robert (Betty), Billy (Yolanda) and Joey Romero.

Services were held Friday, March 18, at the Church of Latter-day Saints in Kearny. Interment was at Mountain View Cemetery in Hayden.

Many Events Set for Kearny This Week

Pioneer Days in Kearny are this week, and the town will be filled with people. It is also Holy Week for Christians, so many church events will also fill the days and bring families together. The theme this year is "Spirit of the West," so it is appropriate that a Gymkhana will take place at the rodeo grounds on Friday, beginning at 9 a.m.

With the carnival taking place, tournaments at the ball park, and events at the rodeo grounds, the Kearny Police Department is asking for our assistance. Please park your car carefully and lawfully.

The road to the rodeo (by the ball park) needs to be kept clear for large vehicles, sometimes pulling trailers. Improperly parked cars will be towed.

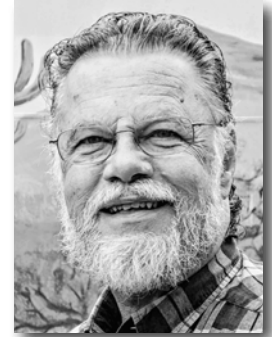

Overflow parking for the carnival and ball park is in the empty lot on Jamestown by the railroad crossing. This is private land, so please be courteous.

Kearny's Volunteers in Patrol (the VIPs) will be out and about all of Pioneer Days, assisting our Police Department. At their last meeting, Mary Flint was chosen at VIPs leader. We are glad to see some new people in VIPs, too.

The annual egg hunt will take place in Hubbard Park on Saturday at 8:30 a.m. This will happen about the time that the floats are getting ready for the 10 a.m. parade, so this area will be busy. Please, everyone, be careful with so many young'uns about.

On Friday afternoon, April 1, the landscape architecture students from Arizona State University are asking the public, especially teens and younger adults, to take part in their presentation at Ray Hall of Church of the Good Shepherd.

Resolution Copper announces key milestone with start of the environmental study process

Superior, AZ - Resolution Copper marks another significant milestone with today's announcement by the United States Forest Service (USFS) that it has opened a 60-day public scoping period under the National Environmental Policy Act (NEPA) for its proposed copper project located near Superior, AZ (<http://1.usa.gov/1px3Wcg>).

"We welcome the opening of the public comment period and the process to evaluate our Mine Plan of Operations and Land Exchange," said Andrew Taplin, project director, Resolution Copper. "NEPA is entirely consistent with the way in which we develop state-of-the-art projects worldwide and it is an important process that allows stakeholders to identify potential environmental and cultural concerns so that they can be analyzed and mitigated," said Taplin. "Our commitment is to people and the environment. Our values mandate that our project be open to public scrutiny and respectful of all views being expressed. As we move from project permitting to a mining operation, our pledge is to continually improve our performance. We know what technology and best-practices can deliver," concluded Taplin.

The USFS is responsible for conducting an independent environmental review of the project. The announcement signals the start of the public engagement process and it provides information on the mine plan of operations, the land exchange, location and time of public scoping meetings, as well as instructions on how to submit comments to the public record. Input in to the NEPA scoping process will be collected by the USFS and used to prepare an Environmental Impact Statement. "The process requires an open and transparent interaction between the USFS and stakeholders and in a very real sense, that interaction will shape the future of the project and provide a pathway to move the project forward," said Vicky Peacey, Sr. manager, permitting, Resolution Copper.

The Mine Plan of Operations and Land Exchange include the construction, operation and reclamation by Resolution Copper of a proposed large-scale mine and the exchange of land between Resolution Copper and the United States.

Resolution Copper is one of the largest undeveloped copper deposits in the world, located in the historic Magma Copper Mine in the Pioneering Mining District. The Resolution copper deposit

lies nearly 7,000 feet below the earth's surface and it is believed to contain than 1.9 billion tons of copper ore. The Resolution Copper project would provide significant economic benefits to the local community and the people of Arizona including new state revenues to schools and local government and thousands of new job opportunities. Based on current estimates, the Resolution Copper Mine is expected to have an economic value of more than \$60 billion over the projected life of the project, through direct and indirect project benefits. The project seeks to create mutually beneficial partnerships in such areas as land stewardship, direct-employment, job training as well as contracting and commercial opportunities for local and Native American-owned businesses.

The U.S. Forest News release invites the public to submit written comments on the Mine Plan of Operations and Land Exchange. Comments must be received to the U.S. Forest Service by May 17, 2016.

Comments may be sent in one of four ways to the USFS:

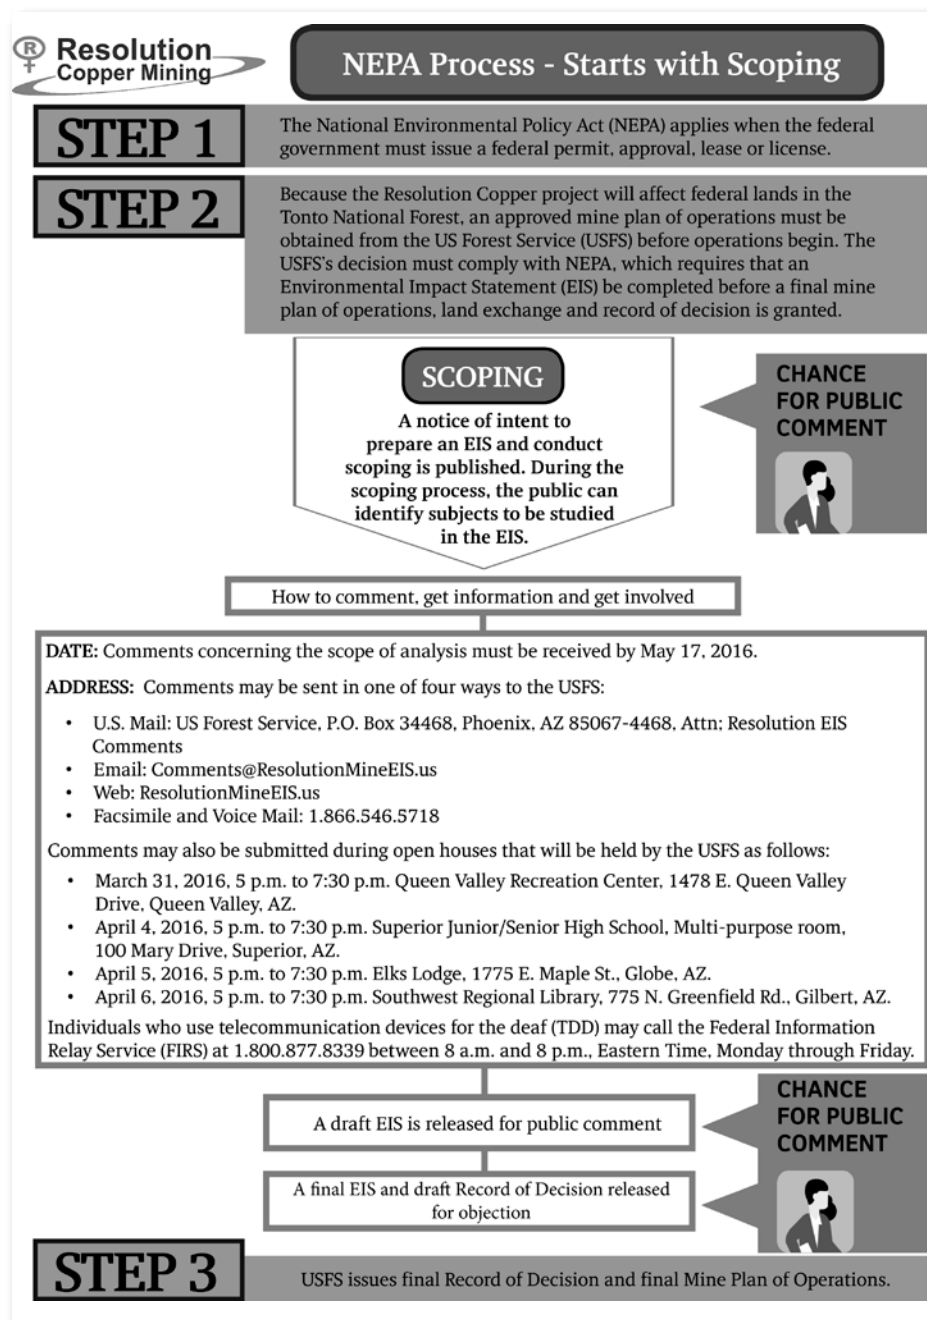

- U.S. Mail: US Forest Service, P.O. Box 34468, Phoenix, AZ 85067-4468, Attn: Resolution EIS
- Email: Comments@ResolutionMineEIS.us
- Web: ResolutionMineEIS.us
- Fax and Voice Mail: 1-866-546-5718

Comments may also be submitted during open houses that will be held by the USFS as follows:

- March 31, 2016, 5 p.m. to 7:30 p.m. Queen Valley Recreation Center, 1478 E. Queen Valley Drive, Queen Valley, AZ.
- April 4, 2016, 5 p.m. to 7:30 p.m. Superior Junior/Senior High School, Multi-purpose room, 100 Mary Drive, Superior, AZ.
- April 5, 2016, 5 p.m. to 7:30 p.m. Elks Lodge, 1775 E. Maple St., Globe, AZ.
- April 6, 2016, 5 p.m. to 7:30 p.m. Southwest Regional Library, 775 N. Greenfield Rd., Gilbert, AZ.

Individuals who use telecommunication devices for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern Time, Monday through Friday.

Additional information concerning the NEPA Scoping Process should be directed to the U.S. Forest Service at (602) 225-5222.

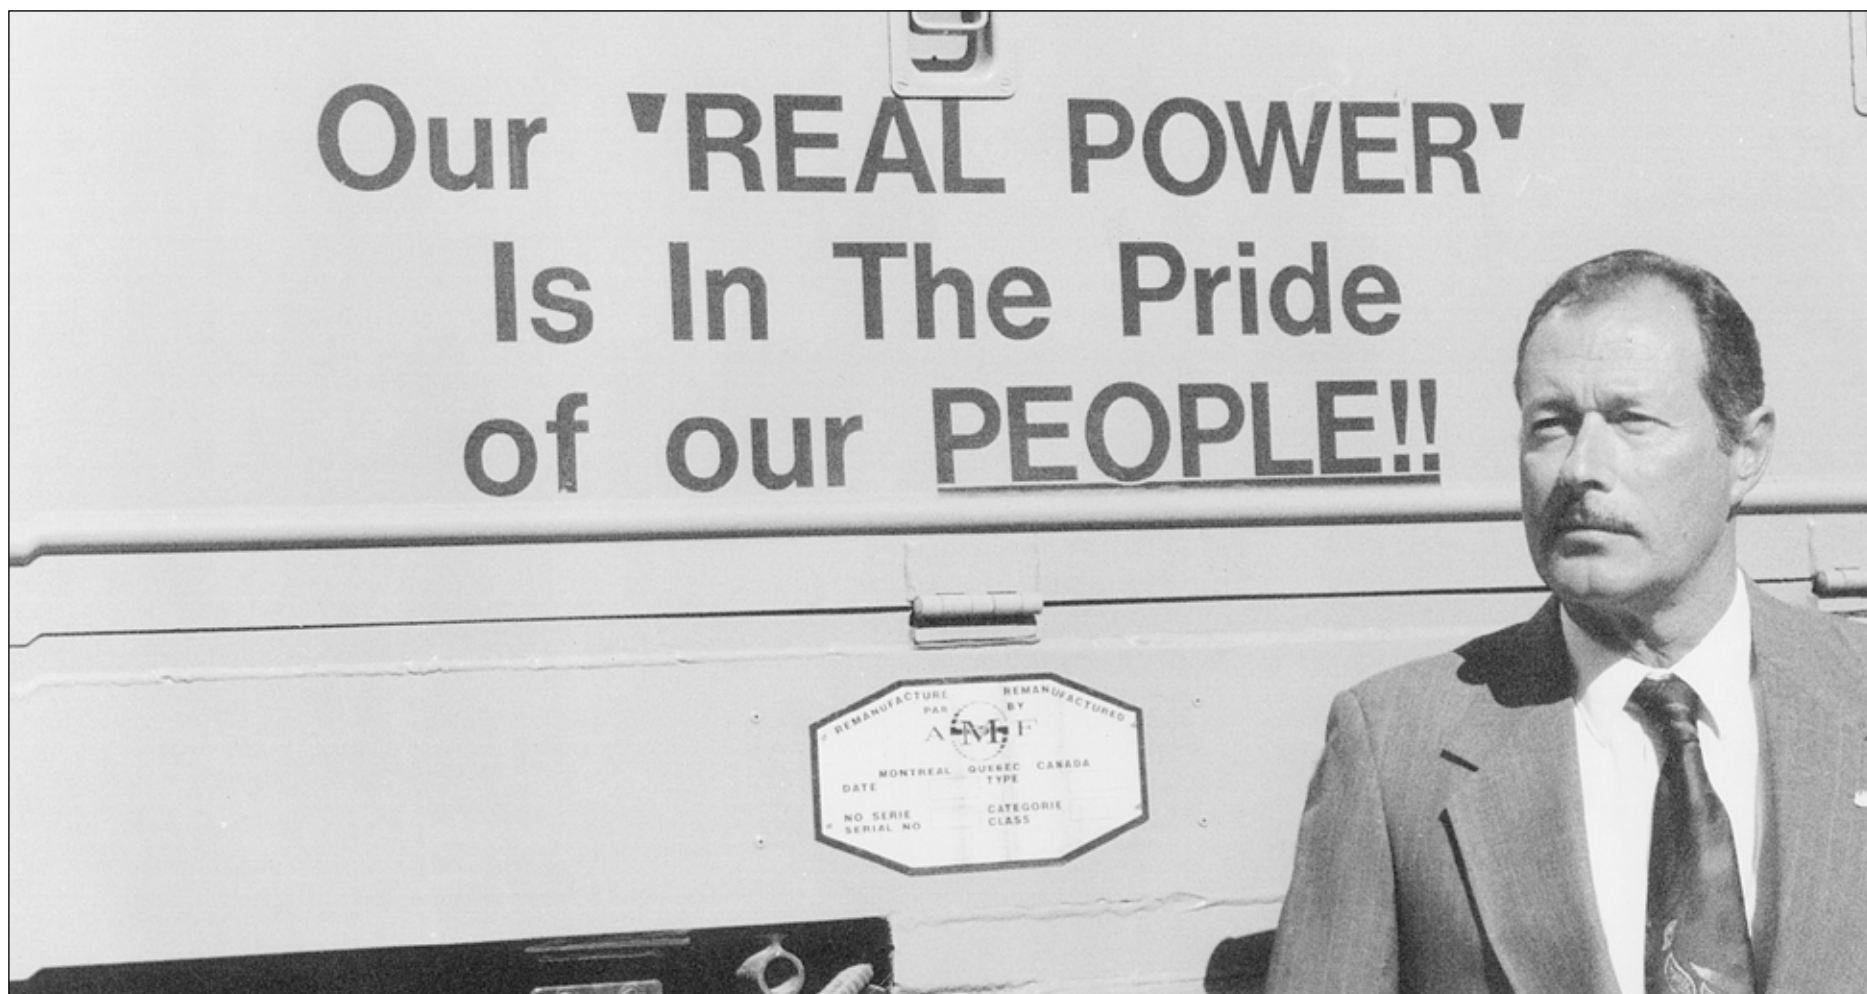

About Resolution Copper

Resolution Copper Mining is a limited liability company working to develop the third largest undeveloped copper resource in the world near Superior, AZ. The project will mine ore using underground block-caving methods at depths of nearly 7,000 feet below surface. When in full production, the mine will employ 1,400 workers directly

and generate an additional 2,300 indirect and induced jobs. The mine will be North America's largest copper producer when in full production, capable of producing more than 25 percent of the nation's demand based on today's usage.

Pioneer Days 2016: family fun, memories and reunions

Pioneer Days is the time for family reunions. Classmates know they will find long lost friends and relatives at the softball fields, roping arena, following children around the carnival and especially at their favorite food booths.

The theme is Spirit of the West and is depicted on the brown T-shirts. There is still time to sign up for the parade but don't wait till Saturday morning. They will need a signed form and something about your entry for the Master of Ceremonies. Look for Rose Bradford or Debra Sommers at Pioneer Park or sign up at the Chamber table at the Ramada. The parade line up begins at 9 a.m. and starts promptly at 10 a.m.

Look for these food vendors starting with our two local families. Jenny and Jerry MaGee- fry bread, funnel cake, curly fries; The Lara's Sun Clan Catering- fry bread or Indian tacos, New Mexico Posole, corn tacos. Others returning are Diamond W - Chicago or chili dogs, pulled pork sandwiches, nachos, funnel cakes, and raspados; Don Rigdon - sno cones and gelato; Jakes Donuts - mini donuts, funnel cakes, cotton candy,

shaved ice; Al O Banion - Texas twister real lemonade, iced tea, hot chocolate; Big Papas Italian Sausage sandwich, New York cheesesteak, cheesesteak combo, sirloin hamburger, 3 piece chicken tenders, mac and cheese bites, curly fries, vegetable sandwich, hand dipped corn dogs; Big Papa's Soda Wagon; Big Top Concessions Gorditas, tacos, burritos, fajitas, nachos, sausage wraps, turkey legs.

There will be the usual merchandise vendors with handbags, t-shirts and toys the children love and on Saturday there will be information booths lined up along the Little League area of Pioneer Park with some really good information. Of course this year there will be an abundance of politicians.

Because of insurance regulations vehicles are not allowed in the area once the carnival starts. Strollers and wheelchairs are welcomed. No dogs, no smoking has to be enforced especially around areas where food is served.

The weather should be great. Have fun during Pioneer Days.

Frazier Shows set up a little earlier this year to accommodate the change in schedule for Pioneer Days. Pioneer Days runs Wednesday through Saturday.

MAYOR'S CORNER

Continued from page 3

The students wish to engage every sector in town on the ways we use the Gila River and what we would like to see once the tamarisks are removed. More details next week.

I'll confess that the last three months have been a bit difficult for me. My nerves affected everything in my body below the neck, so walking was difficult and my hands felt like overgrown sausages. The medication after surgery made me a bit loopy, too. I still have some short-term memory difficulties which make it difficult for me to come up with names in conversation. I will start physical therapy this week. All in all, I am much improved and I am getting around much more. Thank you for your consideration and for your prayers.

Kudos to the Journey for the Clean Kearny group for taking care of so many yards and for the desert plantings at the top of Tilbury. This group is sponsoring a float in the Pioneer Days parade featuring their hopes to get all of us involved in beautifying our uptown

district. I won't tell you more... just look for the float. Thank you!

Request for Comments and Notice of Public scoping ON RESOLUTION COPPER PROJECT AND LAND EXCHANGE ENVIRONMENTAL IMPACT STATEMENT U.S. DEPARTMENT OF AGRICULTURE, FOREST SERVICE, TONTO NATIONAL FOREST

The Tonto National Forest (TNF) is preparing an environmental impact statement (EIS) to evaluate and disclose the potential environmental effects from: (1) approval of a plan of operations submitted by Resolution Copper Mining, LLC (Resolution Copper), for mining operations on Forest Service lands associated with a proposed large-scale mine; (2) the exchange of land between Resolution Copper and the United States; and (3) amendments to the Tonto National Forest Land and Resource Management Plan. Resolution Copper proposes mining and ore processing activities, which would take place near the town of Superior, Arizona on a mixture of private, state and Forest Service lands. Copper concentrate would be pumped approximately 22 miles southwest along an existing railroad corridor for additional processing near Magma, Arizona. Tailings disposal is proposed to take place approximately 5 miles northwest of Superior, on 4,400 acres of Forest Service land.

The congressionally authorized land exchange will transfer to Resolution Copper 2,422 acres of federal land around Oak Flat, located east of Superior. In return, Resolution Copper will transfer parcels of private land located throughout Arizona to the United States and, if requested, the town of Superior.

A Notice of Intent to Prepare an Environmental Impact Statement was published in the Federal Register and is available online at: <http://www.ResolutionMineEIS.us/>. The notice and supporting documentation is also available for review at the Tonto National Forest, 2324 East McDowell Road, Phoenix, AZ 85006.

Public open house meetings will be held as follows. Each meeting will take place from 5:00 to 8:00 p.m.; a presentation will take place at 5:30, followed by a brief question and answer period:

1. March 31, 5:00 – 8:00 p.m. Queen Valley Recreation Hall, 1478 East Queen Valley Drive, Queen Valley, Arizona.
2. April 4, 5:00 – 8:00 p.m. Superior High School, Multi-purpose room, 100 Mary Drive, Superior, Arizona.
3. April 5, 2016, 5:00 – 8:00 p.m. Elks Lodge, 1775 East Maple Street, Globe, Arizona.
4. April 6, 2016, 5:00 – 8:00 p.m. Southwest Regional Library, 775 North Greenfield Road, Gilbert, Arizona.

Additional information regarding the project can be obtained from Mark Nelson, Project Manager; (602) 225- 5222; mrNelson@fs.fed.us.

Lady Cats win Softball Classic Title

By Andrew Luberd
Copper Basin News

The Ray softball team won five-straight games in three days to win the Platinum Division of the 12th Annual Salt River/Chandler Prep Softball Classic, which took place last weekend at Valley Christian High School in Chandler.

The Lady Cats, who had lost two-straight to rival state title contenders San Manuel and Superior just before last weekend's tournament, avenged at least one of those losses, defeating the Lady Miners 7 – 1 in the championship game.

Senior Stormee Galka pitched a complete game in the championship, allowing only an

unearned run on six hits with no walks and nine strikeouts. Sophomore Janae Ruiz had three of the Lady Cats' seven hits in the win while freshmen Daniella Hinojos, who was 1-for-3 with a double, and Tara Lorona each drove in two runs.

Galka, a Maryville University commit, was the winning pitcher in all five games played, dominating opposing hitters as evidenced by her pitching line during the three-day tournament: 19 IP, 10 H, 3 R, 0 ER, 1 BB, and 23 K.

Upcoming schedule: Mar. 22 vs. Miami, Mar. 24 at San Carlos (6 p.m.), Mar. 25 at Santa Cruz Valley, and Mar. 29 vs. American Leadership Academy. All games are scheduled for 4 p.m. unless noted otherwise.

The Ray baseball team reached the Gold Division Championship Game of the 12th Annual Salt River/Chandler Prep Baseball Classic, which took place last weekend at Phoenix Christian High School.

The Cats, who entered bracket play as the No. 1-seed, won four-straight games, including a 9 – 2 win in the semifinals against Glendale Prep, before taking on Phoenix Christian for the championship.

Ray scored three first-inning runs against Phoenix Christian and added another run in

the third inning to take a 4 – 0 lead. But the Cougars scored five of their 11 unanswered runs in the bottom of the third on their way to an 11 – 4 victory.

Jordan Pace, a junior, hit two homeruns in one day last Thursday, the first an inside-the-park job in an 8 – 6 victory against St. Johns and another, this one a grand slam against Coronado, which the Cats defeated, 26 – 4.

Upcoming schedule: Mar. 22 vs. Miami, Mar. 23 vs. Superior, Mar. 24 at San Carlos (6 p.m.), Mar. 25 at Santa Cruz Valley, and Mar. 29 vs. American Leadership Academy. All games are scheduled for 4 p.m. unless otherwise noted.
