to the public. Contributions honoring Junior, locally, may be made to the Payson Senior Center, 514 W. Main St., Payson, AZ 85541.

LETTER TO THE EDITOR

Sheriff to redeploy Deputies to fast growing San Tan Valley

Our population continues to grow in Pinal County, even in a down economy. New families are relocating in the faster growing cities of Maricopa and Casa Grande, yet it doesn't compare to unincorporated San Tan Valley. The 2010 census counts 81,321 San Tan residents and current estimates show 90,000 or more.

Last year, the county contracted with the Segal Company of Washington DC to perform a staffing study for the Sheriff's Office which said, "Based on population, the average staffing for Maricopa and Pima Counties is 1.33 per 1,000 residents...Pinal County would need 141 additional sworn personnel."

The Board of Supervisors approved our current \$330 million county-wide budget with nearly \$40 million in cash reserves. I requested 64 additional sworn positions to meet the increased demand for service and population growth, yet the board denied

any new positions.

Last week, the board hosted a budget summit with all elected officials and we heard a gloomy forecast of shrinking cash reserves. I will again make a request for additional Deputies this year, yet I'm not counting on the board to view this second request as their priority.

At this meeting, I challenged the board to make good on their campaign promises of 2012. While campaigning, they promised to reorganize county government and prioritize public safety, yet there have been next to no changes in the priorities of this government.

In 2008 I made several promises to you - my future bosses, that I would improve staff training, hold staff accountable, obtain Jail accreditation and reduce Deputy response time to emergencies. We've achieved all these goals and more, yet continued population growth requires additional staff to keep up with increased

demand for service. Instead, the 2014 Sheriff's Office budget has 29 less full time positions than in 2008.

My senior staff has recommended that I redeploy Deputies and other sworn staff to meet the changing demands for service. I have already terminated long standing agreements with the FBI and DEA multi-agency task forces in order to reassign deputies back to uniformed patrol. My staff recommended permanent reassignment of 20 deputies from other areas of Pinal County to San Tan Valley effective June 1st.

I'm bringing this issue to your attention in advance, to let you know that with current staffing levels I can no longer fulfill my promise of faster emergency response times in most areas of Pinal County. We shall respond immediately to all emergency calls, yet lower priority calls (non-life threatening) may have an extended response time.

As Sheriff, I will make do with whatever financial resources and staff that the board provides. I am confident that our Sheriff's Office shall continue to provide exceptional law enforcement services.

I thank and appreciate the citizens of Pinal County for your continued trust and support as we strive to be the very best in law enforcement. It is our sincere privilege at PCSO to serve and protect our Pinal families.

Respectfully,
/s/ Paul Babeu, Sheriff

Sheriff Babeu to reallocate 20 officers to San Tan Valley

By Michael Carnes
Copper Area News

The Pinal County Board of Supervisors and the Sheriff's Office have begun the political posturing portion of the budgeting process.

During a recent budget working session, the Board of Supervisors left Sheriff Paul Babeu with the impression that new funds would not be forthcoming in the 2014-2015 budget. In response, Sheriff Babeu released a letter to the media outlining his plan to deal with the growing population in unincorporated areas and a

lack of new resources. According to his letter, the Sheriff will reallocate 20 sworn personnel to San Tan Valley from the rest of the County areas.

According to the Sheriff, PCSO would need 141 additional sworn personnel to meet similar staffing levels maintained by Maricopa and Pima counties. Last year the Sheriff sought 64 new sworn personnel, but received no additional funds. Babeu indicated that the efficiency gains via new technology, procedures and training allowed the department to handle the growing population while overall staff-

ing was reduced. However, the Sheriff asserts population gains coupled with efficiency improvements have reached parity. To maintain countywide service levels, PCSO must increase staff, or barring that, shift resources to meet minimum service levels in the high population grow areas. The beneficiaries of the reshuffle will be the residents of San Tan Valley.

The effect on the remaining areas of the county is not clear. The Sheriff indicates that Priority 1 calls will be still be handled quickly, but lower priority calls might have a longer response time.

As the county continues to add population to unincorporated areas, the pressure on PCSO will continue to increase. Either additional funds will need to be provided or the high growth areas could take steps to build their own police forces via incorporation. No one has a crystal ball to determine which course makes the most sense for the high growth areas and the County as a whole. What is all but certain, is the pressure on County finances and the Sheriff's department will continue.

Supervisors Pete Rios and Cheryl Chase did not have a comment before press time.

Kearny Council calls for election and hires new manager

By Mila Besich-Lira
Copper Basin News

During the monthly Kearny Town Council meeting the council approved the call for election this summer. The positions on the council up for election is the mayors seat and three council seats. The two year seat for Mayor Sam Hossler is open in addition to the four year terms for Vice Mayor Daniel Radcliff and Councilmembers Neil Gambell and Lana Dalton. The election will be held during the primary elections on Tuesday, Aug. 26. If a general election is needed it will be held on Nov. 4. Those interested in running for

office should pick up a candidate packet on Monday, March 24, 2014.

Following a brief executive session the council returned to open session and voted to hire Interim Town Manager Anna Flores as the new town manager. Flores will officially replace Gene Green who resigned in January. Flores has been serving the Town of Kearny for two years as the town clerk.

The council voted to approve a \$12,300 reimbursement to the Copper Basin Railway for the upgrading of the Tilbury railroad crossing. The associated costs will cover the removal, excavation and installation of existing and new asphalt.

The council also approved a few housekeeping items for Pioneer Days and heard a presentation on the upcoming San Pedro River Festival which will be held at the Winkelman Flats Town Park in May.

Lobos honor coaching legends

By **Andrew Luberda**
Copper Basin News

Hayden High School Athletic Director Lydia Martinez announced the dedication and naming of the baseball and softball fields at the school in honor of two Lobos' coaching legends. Former baseball coach David O. Lagunas and former

softball coach Ysidro "Chito" Guzman had the respective fields named in their honor.

Hayden's new David O. Lagunas Baseball Field was dedicated to honor the coaching legend with 5 State Championships during the late 1970s and early 1980s. Lagunas led the Lobos baseball program for 15 years and reached the state

playoffs 11 times. The Lobos reached the Championship game in 8 of the 11 trips to the playoffs and won 5 state titles. He was twice named the Arizona Republic Coach of the Year and was inducted into the Arizona Coaches Hall of Fame in 2001.

The newly dedicated Ysidro "Chito" Guzman Softball Field honors the man who began his Lobos' head

coaching career in 1982. He led the Lobos to the State Championship at the end of that first year and followed it with 7 more state titles. He led the Lobos' to 4 straight State Championships in the years 1986-89. The Lobos reached the championship game 12 times with "Chito" as their head coach. In what could be the greatest testament to

his success, Guzman's Lobos won state titles in three different decades – five in the 1980s, two in the 1990s and another in 2000. He finished with a career record of 450 wins and 172 losses.

Future Lobos' players will have the privilege of playing at the fields dedicated to these two coaching legends.

Hayden's softball field is dedicated to Ysidro 'Chito' Guzman.

Hayden's baseball field is dedicated to David O. Lagunas.

Buzzys reopens in time for Pioneer Days

By Vicki Clark
Copper Basin News

The long awaited re-opening of the iconic Buzzys Drive In, located in Kearny, happened last Saturday and was met with an over-whelming response of loyal and Buzzys hungry patrons.

Lines began to form way before the 10 a.m. opening of the doors and snaked out over the parking lot and

beyond by noon. Parking was limited and people used the Napa area and Hand-Me-Up Shop area to park. Walking to get in line didn't seem to phase most people and the crowds kept coming all day and evening.

The re-opening date was extra special as it was held in conjunction with this year's annual Pioneer Days celebration and many, if not hundreds who come home for the weekend's events were able to again

enjoy the treats reminding them of their youth.

The pre-existing Buzzys building was destroyed in a fire last August. After a six-month effort by the family owned business aided by many community members who volunteered their time and expertise, vanilla, chocolate and cherry Pepsis, green and red chili burros, burgers and fries, tacos, fry bread and much more are again available.

Bearcats dominating in all facets

By Andrew Luberda
Copper Basin News

The Ray baseball team entered the 2014 season unhappy with the way the 2013 season ended. They vowed to make amends in what they plan to be a championship season in

2014. They certainly are playing like champions, especially during their current four-game winning streak.

Over their last five games, the 'Cats are scoring 15 runs per game while allowing just over 4 runs per game to their

opponents. Their average runs against includes the 16 runs allowed versus Show Low, the only loss in their last nine games.

Last week they defeated Hayden (14 - 1) and Gilbert Classical Academy (18 - 3).

The 'Cats pounded out 17

hits, including 8 extra-base hits versus the Lobos. Junior Destry Yocum was the winning pitcher. He also helped himself at the plate, going 3-for-4 with a homerun and a double. Junior Kolton Bray was 2-for-2 with 2 doubles and sophomore Johnny Wernett was 1-for-3 with a homerun and 2 RBI. Jacob Pace, Dominic Bravo, and Douglas McPeak each recorded a multi-hit game.

Upcoming schedule: Mar. 27 vs. St. John's (4:00 p.m.), Mar. 28 vs. Northland Prep Academy (2:00 p.m.) and Mar. 28 vs. Scottsdale Preparatory Academy (4:00 p.m.). Please check with the school or the team to confirm locations of the games. Some games may be part of a tournament and played at a neutral site.
