# Pinal County Superior Court to pilot Online Dispute Resolution program

PHOENIX – Arizona's Administrative Office of the Courts announces the launch of Online Dispute Resolution (ODR), a new pilot program in Pinal County, beginning March 25, 2019. ODR is a free service that can be used over the internet without having to go to a courthouse. When a party in the Pinal County Superior Court files to initiate or modify a family court matter, ODR will allow the parties to negotiate their case online with the help of a court facilitator. The service is free, and in most cases,

eliminates the need for parties to appear in person at the courthouse.

Based on the issue to be decided and other factors, the Pinal County Superior Court's Conciliation Services Department identifies the cases that can take part in ODR and invites the parties to register in the program. The program is available to the parties 24 hours a day from either a computer or a mobile device and allows the parties to communicate directly with the court facilitator

assigned to their case. The facilitator moderates the conversation between the parties and prepares the court documents online for filing with the court.

Pinal County's program is one of several pilot programs testing this technology for its potential use in courts around the state. For more information about participating in Pinal County's program, please contact the Pinal County Superior Court, Conciliation Services Department at 520-866-5760.

March 13, 2019

Dear Kearny Residents,

Much of the Southwest is considered a high-hazard fire environment. Based on recent history and experience, these areas possess all of the ingredients necessary to support large, intense, and uncontrollable wildfires.

Within this hazardous environment are individual homes, and entire communities. Many homeowners, are ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing.

The Town of Kearny would like to protect you and the community from the dangers of wildfires. Living where wildfires can occur, poses a risk to your property and loved ones – but it is possible to live compatibly with this natural event. The Fire Chief is very concerned about this upcoming fire season. Even though, we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season.

Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property.

Thank you for your support.

# Superior's McConnell does it all against No. 4 Bearcats, first of two outings between the two teams

By **Andrew Luberda**  
Copper Area News

Top-ranked Superior benefitted from a memorable performance by junior Daniel McConnell, who starred on the mound and at the plate in the Panthers' 4 – 1 victory at Ray last Wednesday.

The loss was the Cats' first of the season and ended their seven-game winning streak.

On the mound, McConnell limited the Cats' high-scoring offense, which entered the game averaging more than 15 runs per game, to only two hits and an unearned run with three walks and eight strikeouts

in 6-2/3 IP. He also helped himself at the plate, going 3-for-4, including a pair of doubles, with three RBI's.

"(Daniel) had an all-around performance by helping himself out and drove in some runs," Superior head coach Manuel Ortega told the Superior Sun. "His performance on the mound was amazing. He controlled the game and executed very well."

Gabe Otero, Kale Major and Jesus Castellanos each had two hits for the Panthers, Castellanos, a senior, pitch one-third of an inning to pick up the save.

Wednesday's game was the first of two – and likely

more – between two teams that may be the favorites to play for the state championship later this spring.

"I like how my team is playing right now," Ortega said. "This is a team game and everyone from the first batter all the way down to the bench players have to execute and do their job. If we keep playing like this, we will be a very tough team to beat."

**Superior up next:** Mar. 28 at Bagdad (5 p.m.), Mar. 29 vs. Valley Union (3:15 p.m.), and Apr. 2 at Duncan (4 p.m.).

**Ray up next:** Mar. 29 vs. Duncan (4 p.m.), Apr. 1 vs. NFL Yet Academy (4 p.m.) and Apr. 2 at Ft. Thomas (4 p.m.).

**Town of Kearny  
Public Hearing Regarding Use of CDBG Funds**

The Town is expected to receive approximately \$496,548 in FY2019 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The Town may also apply for \$300,000 in FY2019 CDBG funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Kearny has a population of approximately 1950 people, with 64% (1248 people) who are in low-moderate income households as indicated by a Special Income Survey. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the regular City Council meeting at 7:30 pm on April 15, 2019 at Kearny Town Hall, 912 C Tilbury Dr., Kearny, AZ 85137 to discuss the potential projects. It is expected that the Town Council will select the final projects at this hearing and adopt applicable resolutions. The potential CDBG projects are named and described as follows:

1. Wastewater System Rehabilitation Phase 2: The continuation of mainline repairs as determined by the Phase 1 engineering prioritization list to the extent funding allows.
2. Water System Rehabilitation: To evaluate and repair the water system filtration facility and continue the Fire Hydrant replacement program if funding allows.
3. Street Improvements: To continue community street repairs following the Town's schedule for priority repairs to the extent funding allows.

# Lorona's long ball leads No. 1 Ray past No. 5 Superior

By Andrew Luberda  
Copper Area News

Senior Tara Lorona, a Gateway Community College commit, broke a scoreless game with a sixth-inning homerun to lead the top-ranked Lady Bearcats to a 1 – 0 victory against the visiting Pantherettes last Wednesday.

The game was the first of two regular-season meetings between the teams with the potential for a third in the playoffs, where both figure to be contenders for a state title in May.

Lorona's blast was one of only two Lady Cats' hits in the game but it was enough with senior Daniella Hinojos on the mound. Ray's ace tossed a three-hit,

complete-game shutout to pick up her fifth-straight win of the season. She fanned eight and issued only one walk.

Superior senior Korinna Romero matched Hinojos nearly pitch for pitch. In her longest outing of the season, Romero surrendered only two hits while striking out six Ray hitters without issuing a walk.

Seniors Lindsay Ketron and Marisa Estatico accounted for two of the Pantherettes' three hits. Sophomore McKenna Duarte had the other.

Officials cut the ribbon officially opening the new LOST connector trail. Gerry Kaufhold | Submitted

# LOST celebrates grand reopening of connector trail

More than 100 people gathered at the Picket Post trail head on Sunday morning for a ribbon cutting celebration and hike on the newest segment of the Legends of Superior Trails. In 2011, the LOST had opened the first Gateway Community Connector trail connecting the Arizona National Scenic Trail to the Town of Superior. That trail alignment was closed in 2015 when the Arizona Department of Transportation expanded the US 60. Fortunately the highway expansion provided mitigation funding for building a new Gateway Community Trail to Superior. It took the LOST, ADOT and the Tonto National Forest a bit of time to find the perfect trail alignment and after a few assessments and many meetings, it was determined that building the trail through Arnett Canyon would be the best alignment, not only for access but also for long term preservation of the natural environment and recreation in the canyon. In 2017 the Tonto National Forest approved an environmental assessment to build the trail and then American Conservation Experiences

(ACE) began constructing the trail. ACE employs young adults from across America as Americorp volunteers. They travel throughout the western United States working on trails and other outdoor projects. These young adults aligned and built the Arnett Canyon segment to withstand flooding, limit times that trail users have to cross the creek and created a better accessibility into the canyon by cutting steps into the rock. The LOST-Arnett Canyon segment is a six mile hike that travels from Picket Post Trailhead to the Superior Airport.
