# Filiberto 'Gili' Ruiz Cruz

On Feb. 21, 2016, Filiberto "Gili" Ruiz Cruz peacefully entered into rest with his five daughters by his side at Casa de La Luz Hospice.

Gili was a 1952 Hayden High School graduate. While in high school he lettered in both baseball and basketball and was very proud of his athletic abilities. He was fond of showing his talents by sharing his "Burrito" yearbook to his grandkids and family.

Immediately after graduation he began working for Kennecott, then Asarco and then he retired. After he retired he also worked as a security guard for Pinkerton. In 1956 he married his darling, the late Enedina Sanchez. They were married for 58 years before she passed away leaving him heartbroken. Together they raised five daughters, Rosa (John) Escalante, Elena (late Marcos) Escalante, Susie (Robert) Escalante, Patty (Iva) Cruz and Kathy Cruz. He was blessed with 11 special grandchildren that he loved dearly, John (Danyell), Sonia (Jay), Mikey, Richard (Natasha), Daniella (Daniel), Nick, Andy (Emily) Chris (Celina) Baby Angel, Matthew, Sarah and 19 great grandchildren and one on the way.

Gili was a man of great faith. He was an active parishioner at St. Joseph's serving as a Eucharistic minister, a Cursillista and a member of the Knights of Columbus. He enjoyed playing and watching many sports

as well as coaching community baseball/softball leagues, shooting hoops, bowling and playing golf. He was a big fan of the Hayden Lobos, U of A Wildcats, NY Yankees and Denver Broncos!

He will be greatly missed and was preceded in death by his parents, siblings, grandson Angel Escalante, great-granddaughter Angelina Escalante, and his wife Enedina.

# ASU Herberger Institute facilitates planning for Kearny

Following the fire along the Gila River this past summer, local leaders and community members began looking at ways to further protect the town from fire and create a recreational area that would be good for both residents and visitors to the area. Last week Chingwen Cheng and her students hosted a design project facilitation at the Church of the Good Shepherd in Kearny.

Cheng is the Assistant Professor of Landscape Architecture at the ASU Herberger Institute for Design and the Arts. She explained that local resident Gerry Kaufhold contacted the school to see how they school could help local leaders develop a plan for the river area that would protect the town from fires and other natural disasters as well as create more recreational areas along the river.

The afternoon facilitation included using various activities from dropping candle wax on maps of the area where locals felt needed more fire prevention, planning of recreational green belts using tiles and painting. Each station allowed the participants to work as a group to provide input for the students of the Herberger school. The students will then analyze the public participation process, layer that with their knowledge and present plans and ideas for what can be done in the areas along the Gila River.

# Public comment open on ASARCO tailing expansion

By Mila Besich-Lira  
Copper Area News

The Army Corps of Engineers has announced that it is soliciting comments on the draft Environmental Impact Statement (EIS) for the Ray Mine Proposed Tailings Storage Facility. The storage facility is near Ripsey Wash, the Gila River and other unnamed washes in the area. The comment period is open from Jan. 29, 2016 - March 14, 2016.

The Corps' regulatory division is soliciting comments from the public, federal, state and local agencies, Native American tribes and local agencies. The draft EIS has been prepared to evaluate the effects of the proposed project not the natural and human environment. This comment period is the appropriate time for the public to express their concerns or support for the new tailings facility. To view the draft EIS you can read it online: <http://bit.ly/ASARCOdraftEIS>

The new ASARCO tailings facility is needed to continue mining into the future as current permitted tailings sites are close to maximum capacity. The federal permitting process along with proper construction are time consuming so the company must plan for the future for

tailing locations.

For more information on the proposed tailing sites or to submit your public comments you may contact Michael Langley, project manager at 602-230-6953 or via email at [michael.w.langley@usace.army.mil](mailto:michael.w.langley@usace.army.mil).

# Lady Cats' late comeback in Q-Finals falls short

By **Andrew Luberda**  
Copper Basin News

The No. 6-seed Ray basketball showed the fight and resiliency of a champion in a 59 – 56 loss against No. 3-seed Rock Point in the quarterfinals of the 2016 Division V State

Championship, which took place last Friday in Prescott Valley.

The Lady Cats were outscored 29 – 11 in the third quarter after leading at halftime, 27 – 24. They entered the final quarter trailing by 15 points but fought their way back, outscoring the Lady Cougars 18 – 6 in the fourth to just

miss from advancing to the state semis.

The great comeback perhaps makes the loss a little more bitter considering the end result, but it doesn't take away the great accomplishments of this season, even if they're not immediately in view.

The Lady Cats won 21 games this season,

their most in at least 10 years. They went 12 – 4 in section games and tied with San Carlos for the most wins in Section IV, which was arguably the most difficult section in the state regardless of division. Six teams from Section IV reached the state tournament.

Congratulations on a great season, Lady Cats!

Hayden High School wrestlers Mikee Mariscal and Antonio Trevizo.

## Mariscal, Trevizo advance deep in state wrestling championship

Two Hayden High School wrestlers advanced deep into the AIIA Division State tournament last week. Both wrestlers qualified for state placing at the State Wrestling Sectional Tournament on Feb. 6, and wrestled in the AIA State Tournament on Feb. 11 and 12.

"They both missed placing at the AIA by one match which is a disappointment to them," said Coach Jeff Gregorich, "but I am proud of their performance and effort at state tournament. The state championship matches they lost were all close matches heartbreaking losses, against very good wrestlers."

He added, "What I look for in a wrestler is how much they improved from the beginning of the session to the end of the year. I can say that both Mikee Mariscal and Antonio Trevizo made significant improvements and it showed at the end of the year."

Antonio ended his senior year with a 29 – 8 record, and has plans to wrestle in college and continue his wrestling career. Mikee finished the season with a 26-8 record, and has two years left to reach his dream of being a state wrestling champ. He is now training with the Hayden USA Freestyle Wrestling Club on Tuesday and Thursday nights, and will be competing in wrestling tournaments throughout the spring.

"I believe wrestling champions train all year long, and the wrestlers that are winning the championship start early in their lives and compete in freestyle and off season tournaments," said Gregorich. "I hope we can continue to see our youth wrestling programs develop through community school programs and wrestling clubs. I believe the number of wrestlers in our junior high and high school programs will increase over the coming years because of these youth programs."
