# Public comment open on ASARCO tailing expansion

By Mila Besich-Lira  
Copper Area News

The Army Corps of Engineers has announced that it is soliciting comments on the draft Environmental Impact

Statement (EIS) for the Ray Mine Proposed Tailings Storage Facility. The storage facility is near Ripsey Wash, the Gila River and other unnamed washes in the area. The comment period is open from Jan. 29, 2016 - March 14, 2016.

The Corps' regulatory division is soliciting comments from the public, federal, state and local agencies, Native American tribes and local agencies. The draft EIS has been prepared to evaluate the effects of the proposed project not the natural and human environment. This comment period is the appropriate time for the public to express their concerns or support for the new tailings

facility. To view the draft EIS you can read it online: <http://bit.ly/ASARCODraftEIS>

The new ASARCO tailings facility is needed to continue mining into the future as current permitted tailings sites are close to maximum capacity. The federal permitting process along with proper construction are time consuming so the company must plan for the future for tailing locations.

For more information on the proposed tailing sites or to submit your public comments you may contact Michael Langley, project manager at 602-230-6953 or via email at [michael.w.langley@usace.army.mil](mailto:michael.w.langley@usace.army.mil).

# Oracle Piano Society to host Spanish Fiesta

It will be Spanish Fiesta time in Oracle, Sunday, March 6, beginning at 3 p.m. at The Oracle Center for the Arts, 700 Kingston St. (former Masonic Lodge).

The event is one of many held on a regular basis by the Oracle Piano Society (OPS).

Sunday will feature Spanish music, played by local professionals as well as students of OPS Chairman Elaine Helzer and OPS Artistic Director Dr. Stephen Cook and will include a food tasting with the \$20 price of admission. Students will be admitted free.

One of the goals of the Piano Society is to promote youth musicianship by providing an atmosphere and venue where

youth and others can perform and gain confidence while refining their talents and skills before a live audience.

Performers will include Mrs. Helzer's students Annalupe Rodriquez, daughter of Oracle residents Juan and Maria Rodriquez, owners of DeMarcos; George Rivas, son of Mr. and Mrs. George Rivas, owners of Sammy's Grill in Catalina. Annalupe is a student at Mountain Vista in Oracle and George attends Ironwood High School in Tucson; and former student Sabrina Delzer of San Manuel, who will play solo as well as a duet with Mrs. Helzer.

Dr. Cook's students include Zane Sciacca-Beaver, Mikhaila Teramato, James Forsmo, Daniel Glauber and

Justin Palacios.

Professionals performing will include Mrs. Helzer and Elise Feingold Jackendoff, Music Director for the Oracle Community Church.

Food tastings will be provided by Chula's Tortillas of Oracle, Sammy's Grill of Catalina and Mi Pueblitos of Mammoth. One tasting will be included with admission and additional "tasting" tickets will be available for purchase from the vendors. Music during the tasting will be performed by Genaro Moreno, who has performed at Mi Pueblitos and Central Arizona College Aravaipa Campus graduations over the years.

## Miner track team set to defend section championship

trying to fill as many event positions as possible."

Andrea Castaneda, Cita Sweeney, Patrick Lopez, and Michael Sanchez will captain the two-unit (boys and girls) Miners' team, which includes a number of returning starters.

There 14 returning boys' starters, including Seth Goff (12), Isaac Gonzalez (12), Patrick Lopez (11), Carlos Salas (12), Michael Sanchez (12), Levi Schiffers (12), Taylor Woods (12), Andrew Gomez (11), Mason Clark (11), Jacob Medina (11), Tylo Montes (11), Colbey Stratton (11), Robert Sweeney (11), and Jose Damian (10).

# San Manuel Sea Lions compete at regional championship meet in Yuma

The Arizona Regional Championship Swim Meet was held Feb. 19-21 at the Valley Aquatic Center in Yuma, Arizona. Twenty teams from Western and Southern Arizona competed at the meet. The San Manuel Sea Lions finished in 5th place overall with 362 points. The Westside Silver Fins (Glendale), Vitras Swim Club (Verrado/Buckeye), Aquaforce (Yuma), and TJCC (Tucson) all finished ahead of the Sea Lions.

Swimmers must have achieved regional qualifying times at sanctioned USA swim meets to be eligible to swim in the Regional Championships. Thirteen swimmers from San Manuel qualified for the meet. The Sea Lions swimmers always seem to swim fast in Yuma and this year was no exception – perhaps it's the ideal February weather or the Sea Level elevation.

Several Sea Lions Swimmers finished in the top 3 to earn medals. In the 10 and Under Boys division Ben Fister (10), Ethan Kellam (10) and Mason Stewart (10) came home with a good collection of medals. In a swim that really impressed the coaches, Mason Stewart won the 50 Butterfly. Mason also earned medals in the 50 Backstroke and 100 Backstroke.

Ethan Kellam came home with medals in the 50 Breaststroke, 50 Butterfly, 100 Butterfly, and 100 Individual Medley (IM). Ben Fister won 4 races – the 500 Freestyle, 200 Freestyle, 100 Backstroke, and 100 Butterfly, and medaled in the 50 Backstroke and 100 Breaststroke.

Riley Stewart (12) had a great meet winning all four of the races he entered. After winning close races in the 50 Backstroke and 100 Freestyle, he swam superb races in both the 100 Butterfly and 200 Butterfly to finish ahead of the field in commanding fashion.

Darien Apuron (14) won the 50 Butterfly, 400 IM, and 200 Butterfly. Her swims in the 50 Backstroke, 100 Butterfly, and 200 Backstroke were fast enough to earn medals.

It was Tabitha Kellam (12) who put on a show at Regionals. She swam 9 events at the meet, and won 8 of them (her only 2nd place finish was in the 200 Butterfly). She dominated the distance events, winning the 1650 Freestyle, 1000 Freestyle and 500 Freestyle by huge margins. She had been trying to break the 6 minute barrier in the 500 Freestyle for several months and crashed through it to finish with a time of

5:49.80. Her Butterfly form looked almost perfect as she won the 50 and 100 Butterfly events. If any events were close, it was

the 50 and 100 Backstroke where Tabitha found a way to get her hand on the wall to

# Pima County JTED students receive wildland fire training

By John Hernandez  
San Manuel Miner

Forty-one students involved in the Pima County Joint Technical Education District (JTED) Fire Service Program participated in an interagency wildland fire training exercise in Catalina on Sunday, Feb. 28. The training was held at the former Catalina Mountain School campus area off of Oracle Rd. The training was hosted by the U.S. Forest Service, Arizona State Forestry and Golder Ranch

Fire District.

The exercise simulated a live fire incident and included training in engine operations, deploying shelters, and hand line construction. The JTED students received the hands on training, working with and instructed by agencies that will be responding to wildland fires in southern Arizona this fire season.

JTED student Amanda from Tucson said of the Fire Service Program, "I really like it a lot." She said that when she turns 18 she will be able to test for firefighter.

The Fire Service Program is one of the more popular programs offered by the Pima

County JTED. The program takes students from their classroom to the work force.

The Mammoth-San Manuel School District is part of the Pima County JTED district and students from the district are able to take the classes tuition free. The program is open to high school juniors and seniors only. For more information, visit the JTED website at [www.pimajted.org](http://www.pimajted.org). You may also call JTED for more information: Amy Maklin, counselor at JTED Master Pieces site (520) 352-5833 or check with your school counselor. Registration for the 2016-17 school year is going on now.
