Third map proposed for the Pinal County redistricting

The Pinal County Board of Supervisors reviewed a third map proposal for the proposed re-districting.

The first two maps proposed that the Copper Corridor would be split into two different districts. The third map still has the Copper Corridor split into two supervisor districts, but this time Superior and Kearny would be in a district with Queen Valley, Gold Canyon and Apache Junction. Dudleyville and Pinal County segments of Winkelman would also be in District 5. The incumbent Supervisor Jeff Serdy would be the candidate for the 2024 election; he currently

represents District 5.

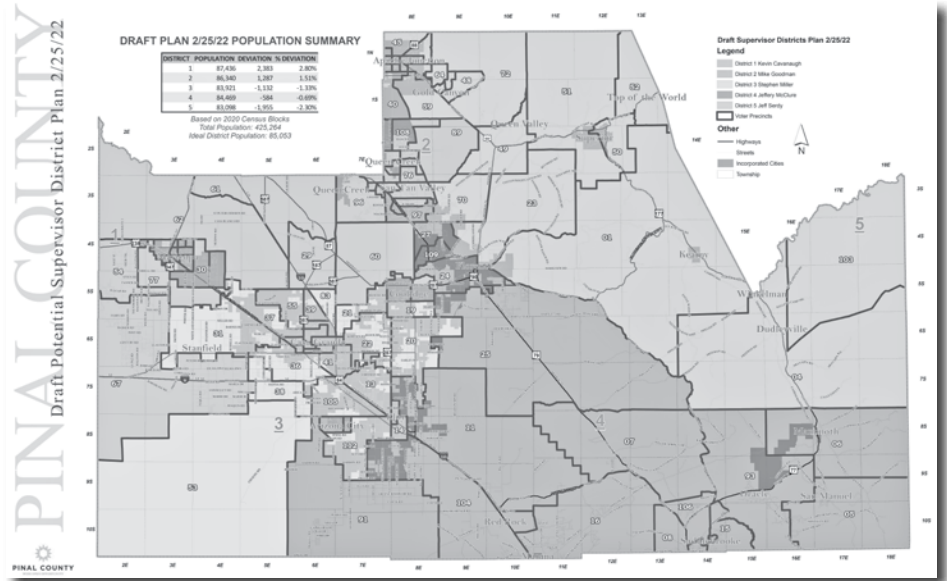

San Manuel, Mammoth, and Oracle would now be placed into District 4 which would include SaddleBrooke Ranch, SaddleBrooke, Marana and Red Rock and travel as far as Arizona City to the west and Florence and San Tan Valley to the north. This new district alignment would likely be served by current County Supervisor Jeff McClure.

Eloy, Casa Grande and Stanfield would be placed into District 3 which is served by incumbent Steven Miller.

Supervisor Kevin Cavanaugh, who was

elected to serve the Copper Corridor region, would be the incumbent serving a new District 1 which would include Coolidge, Maricopa and Queen Creek. District 2 would be served by Supervisor Mike Goodman and would include the majority of San Tan Valley.

The Board of Supervisors is expected to be discussing this during their meeting on Tuesday, March 1, 2022.

Panthers do well at pre-season tournament; Joe Padilla Tourney next

By Nathaniel A. Lopez
Superior Sun

The Superior High School baseball team started its 2022 season on Feb. 24, competing in the Charger Pre-Season Classic. Over the three days of the tournament, the Panthers faced Mogollon, Scottsdale Prep, and Benjamin Franklin high schools, and the boys were able to leave with a win.

"We are a very young team, so we have to teach them how to play baseball and they have a lot to learn, but they are excited to learn, they want to learn, they

want to practice, so that makes things easier. We played three games this past weekend and they improved with each game. These boys just need to play games," commented head baseball coach Manuel Ortega. "Our top expectation is to win a state championship. Along the way, we have the expectations of trying to get better everyday, increasing our baseball IQ, being better teammates, and to always leave everything on the field. We have a long way to go, but it will be worth it."

The Panthers have a total of 15 players this season, two of them seniors, and

four of them returning starters from last season. The boys hosted Miami yesterday; results from that game were unavailable at press time. The boys will continue their week by competing in the 34th Annual Joe Padilla Tournament starting on March 2 in Florence.

The Lady Panthers have eight returning to the field this season; four seniors, three juniors, and one sophomore. Along with those returning, they also have seven new players. Their season yesterday at home against Miami; results from that game were unavailable at press time. The Lady Panthers will not see another game until

their March 8 game against Fort Thomas.

"I look forward to another successful year with the seniors we have leading the way. I'm expecting a great year from all of them. I'm expecting a great year from all of them. I'm expecting Danika Bryant to have a great year at the circle, and I think they will have a great year at the plate," stated head softball coach Alfonso Lopez. "Our defense should be solid, we have some big shoes to fill, but the additional girls that came out this year are quickly getting better and are improving every day. As long as we stay healthy, we should compete very well this year."

Support Local: King Chiropractic

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 137 businesses and groups in the Copper Corridor.

Dr. Susan King is celebrating her fifth year in business in Superior. Located in office suite number six at 18 North Magma Avenue, the office is open Tuesday and Thursdays. Appointments are not required as she can usually accommodate walk in patients. Treatments are \$30.

Dr. King uses a drop table which helps to avoid soft tissue trauma during treatment. For more vulnerable or frail patients, this table allows her to work more delicately.

Chiropractic care is considered a preventative maintenance care focussed on the nervous system. Dr. King explains that oftentimes the nervous system will identify other health issues or other health issues will affect the nervous system. Keeping the nervous system aligned is helpful for optimal health. Many find great relief from headaches and sciatica by using chiropractic care.

Susan has been a Chiropractor since 1988, and truly loves what she does. During the early days of the pandemic, she was shut down for about six months. Since

Dr. Susan King and LuVee are ready to help at King Chiropractic. Mila Besich | Sun

reopening, her patients have returned along with new patients.

An adjustment takes about 5-10 minutes, and new patients will need to fill out some required paperwork.

LuVee, Dr. King's American Akita, is also on-site with her. LuVee is there to greet patients, and to share her love.

For more information or to set an appointment, call Dr. King directly at 480-628-6435.
