LETTER TO THE EDITOR

Input sought on OHV trail

Land use in and around Kearny is in the spotlight. The town council has been asked by the railroad to evaluate the current agreement for the use of the OHV access trail that allows non-licensed off-road vehicles a way to enter and exit town without using the public streets.

This access is typically used by our citizens, and/or visitors, that have four-wheelers or dirt bikes that are not street legal. There have been numerous citizens that own and ride horses, who use this route rather than riding down the public streets. It was under consideration by the Town Council to just abandon the current easement. I asked for a time to obtain public input. The Council Members said they would love to have your input, so, I volunteered to put out petitions.

The construction of this trail was paid for with grant funds that created the Mescal Mountain OHV Park and

Trail system. In light of all the recent land closures, in and around Kearny, marked by the red and white no trespassing signs and new fences, this access is one of the only remaining access routes that allows anyone who goes horseback riding, motorcycle riding, ATV riding, a safe way in and out of town.

We need to keep this access route to avoid the problems that my friends and I had riding our motorcycles in and out of Kearny in the 70s. The very route that is now the current trail was the one where we had to use excessive speed to flee the pursuing local authorities, who thought that we should push our motorcycles all the way to the end of city limits. This sometimes ended well and, other times, ended with tickets and unhappy parents. The purpose of this trail was to create a safe and legal access for our citizens.

Patience Appreciated for Survey

More than a few people have asked me, "What happened to the survey letter you wrote about back in January? No one sent me one."

This is a story of bureaucratic entanglement. When surveys are sent out as part of a preliminary grant process, the federal government requires that they be sent to a recognized legal address, in our case a street address. Well, as you know, everyone in Kearny has a post office box, for we have no street delivery. When Central Arizona Governments sent out the surveys in January, they complied with federal rules and used street addresses. As a result, only a very few of the letters were actually delivered; the rest were "returned to sender."

I thank the few who received the letter and promptly replied – you get a gold star in my book. But now we are exploring the issue with the feds, who do not recognize letters sent to box numbers for the purpose of surveys. It is possible that we will receive a waiver of sorts. We'll still have to use street addresses, but will probably have to hand deliver the surveys. I'll let you know when we find out for sure.

The financial survey is part of our ten-year plan which, once it is completed, will serve as a basis for grant requests over the next several years.

Previous 10-year plans did not deal overly much with the economy of the town and the region. Our new plan will be different, containing factual information and eco-

nomie development goals for Kearny and the whole Copper Basin. This is a crucial part of the plan, because historically the mining towns in Arizona have suffered economic batterings which the majority of cities and towns in Arizona have not experienced.

Thank you for your patience. Anyone in town who has ever ordered items through the mail knows that the manner of delivery (post office, UPS or FedEx) is a critical matter. Things were even more complicated a few years ago when our ZIP code of 85237 was changed to 85137. Many stores which delivered to Kearny took a long while to change to the new code, and our packages went everywhere but where they were supposed to be!

Well, take a break from worrying and get ready for our Pioneer Days coming up in less than two weeks. We know who we are and where we are, even if the larger world

Over the years, we have lost so many of the things that were placed here for our kids and grandkids that we cannot afford to give up this access. Petitions will be placed around town, asking for your support to keep this easement open. Residents

and non-residents who use our parks, land and lake are encouraged to sign the petition. A video of the access trail can be viewed by going to YouTube.com; then, type in the search box: Kearny Land Access. Please share this

letter and the video on Facebook, Twitter, etc. Please understand: the Kearny Town Council is aware of this petition and would like your input. Also, they would like to have some volunteer help in maintaining the brush on the trail.

Presales are \$15 for a mega card that is good for eight rides and a sheet of 40 tickets is \$25.

Those who like to go down memory lane during Pioneer Days will remember the wonderful food and hard work that went into the food booths and the camaraderie the workers all shared. The band booth and their burros, the ROTC and their fry bread, ARC with enchiladas and tamales and the Sornorense menu you could get at 8 a.m. and eat while watching the ball games with Fina and Tony.

The favorite food vendors are back with their familiar menus.

The crowning of the Queens will take place at the bandstand in the middle of the carnival midway on Thursday,

March 12 and immediately following is the drawing for the cash awards from the tickets that the queen contestants have been selling.

On Friday, March 13 at the Cul de Sac at the end of the food vendor row, Olivia Fernandez will open for the Cardells at 5:30 p.m. Doug and Shay Cardell have been performing at chamber events for several years and have an interesting history since their music sounds like a full orchestra. They

performed as SKY in the 70's and have performed with many other musicians over the years. To make the orchestra affect they record the backing track with Shay playing flute, violin, bass and drums and Doug plays harmonica. In addition to guitar and keyboard they also include 12 string guitars, steel guitars or even banjos. They use a computer to play back the recorded backing tracks and to control the mixing board. So when you listen to the

Cardell's what you are hearing are the Cardells. Both have been instructors at the CAC Aravaipa campus and make their home at Aravaipa. Their key phrase is you are never old if you rock and roll.

Anyone interested in providing entertainment Saturday can contact Adam Perlman at the Ray Credit Union. The Bandstand or the Cul de Sac are available from 1 p.m. to 9 p.m.

See you at Pioneer Park on March 12-15.

Feb. 23, at the Oracle Inn.

At the meeting he gave an update on the Apache Sky Casino that has been planned for the area near Dudleyville off of Highway 77. There has been a delay

in construction as a different site has to be selected due to the soil conditions in the area that was previously

chosen. The new site is within a quarter of a mile of the original site and ground is scheduled to be broken in the late

fall.

Construction of phase one of the new casino is expected to be completed in 2017.

Over 1,000 Catholics expected to gather March 5-7 at the Tucson Convention Center

Tucson - Father Robert Barron, host of "Catholicism" series and founder of Word on Fire, and Dr. Carolyn Y. Woo, president and CEO of Catholic Relief Services, to present keynote speeches.

"We are People of Faith, Hope and Charity," is the theme for diocese-wide conference for all Catholics in the Diocese of Tucson coming to the Tucson Convention Center March, 5, 6 and 7. The conference is called "Co-workers in the Vineyard".

"This conference has been planned to help Catholics broaden their understanding of Catholicism, meet new Catholics and to be inspired by a large gathering of others following the Catholic faith," said Bishop Gerald F. Kicanas, leader of the Diocese. He continued, "We have invited truly top-notch speakers and the 30 workshops taking place will give Catholics information on everything from how to boost personal faith journeys, to discussions about sacred art and

spirituality to learning how to foster faith growth in children. There also are two workshops involving discussions of Pope Francis; one on the topic of missionary discipleship and another about Catholic social teaching."

These themes also will be featured in the 30 Spanish language workshops and two Spanish speaking keynote presentations. The Spanish keynote speakers are Bishop Sigifredo Noriega Barceló, Bishop of the Diocese of Zacatecas Mexico, and Father Alfonso Garcia from the Archdiocese of Guadalajara, Mexico.

Bishop Gerald Kicanas will open the conference with his presentation at 8 p.m. Thursday, March 5 at the Convention Center Arena. The first conference of this kind was held in the Diocese in 2012. More than 1,800 people attended, some coming from as far away as Yuma – the westernmost part of the Diocese of Tucson.

In addition to the workshops, those attending the conference also can

participate in Stations of the Cross at St. Augustine Cathedral, just across the street from the conference, attend a closing Mass and can view materials from vendors or organizations in the conference exhibition hall.

In the exhibition area there will be the Sonoran Spirit art booth that will feature books, photographs, sculptures, weaving and other artwork by religious men and women in the Diocese of

Tucson, including photos taken by Bishop Kicanas during his world travels as Chairman of the Board with Catholic Relief Services from 2011 to 2013.

Registration is required and can be made at <http://coworkers.diocesetucson.org>, or at the door of the event. The cost of the weekend registration is \$45. For more information, people can click on the conference icon on the Diocese homepage at www.diocesetucson.org.

By Andrew Luberda
Copper Basin News

The Ray baseball team opened its season last week as one of five teams competing in the Tomas Pinon/Matt Huffman Memorial, a pool-play style preseason tournament hosted by Casa Grande and Maricopa high schools.

Ray Junior High Bearcat Softball open season with a win

The Junior Cats played their first game of the season last Wednesday. With the loss of nine players from last year's team, the five returning players and seven new players had some work to do before the start of their first game. Wednesday's game with the visiting Mt. Vista Cougars allowed the coaches to see what skills and drills the team needed to work on to continue to progress through the softball season. The start of the first inning the Cougars sent three batters to the plate the result, three up, three down. The Bearcats sent four batters to the plate with Julie Meza breaking the 0-0 tie with a double and run scored. The second inning the Cougars sent three more batters to the plate three up, three down. The Bearcats sent six batters to the plate resulting in two runs scored, led by Danielle Barajas and Shelby Yocum singles and an Ameer Kenyon double.

The third inning the Cougars sent three more batters to the plate and with the same result, three up three down. The Bearcats sent five batters to the plate in this inning resulting in 0 runs scored. The fourth inning the Cougars bats were waking up. They sent six batters to the plate, filling the bases but the Bearcat defense held them scoreless. This turn at bat for the Bearcats resulted in three runs by seven batters at the plate. Leading the offense this inning was a Tara Lorona triple, Julie Meza double, and a Julia Lorona single. At the end of four complete innings the score was 6-0. The top of the fifth inning the Bearcats made some fielding changes to allow players to experience playing other positions. The Cougars were able to send nine batters to the plate this inning resulting in five scored runs. Holding on to a one run lead the Bearcats sent five batters to the plate resulting in one insurance run. The score after five complete innings 7-5.

Continued on page 12

The Cats went 1 – 3 in the four-day tournament, which began with a 7 – 5 loss to Marana on Feb. 25. Ray's lone win in the tourney came against Maricopa, an 11 – 1 run-rule victory on Feb. 27. The Cats scored in each of the game's five innings, which included scoring three runs each in the second, fourth, and fifth frames.

The Bearcats, the only Division IV team in the

tournament, played against four Division II programs – Marana, Casa Grande, Maricopa, and Higley.

Upcoming schedule: Mar. 4 at Combs (3:15 p.m.), Mar. 6 at Combs vs. Estrella Foothills (3:15 p.m.). Both games are part of the Joe S. Padilla Tournament, which may continue through this weekend. Women's Expo in Winkelman

By **Nina Crowder**
Copper Basin News

The fifth annual Women's Expo held at the Hayden High School was a fun filled day with good food, fun, learning, laughing, shopping and prizes! The vendors were happy to talk with everyone about their booths. The concession stands had good food to keep everyone fed and the money will benefit the Hayden PTO. Throughout the course of the day many people cycled through the Women's Expo, the parking lot seemed constantly filled. There were prizes drawn every hour that consisted of many different items from vendors and sponsors. The grand prize was a one night stay at Apache Gold Casino and two rounds of golf.

Thank you to the event sponsor's: Apache Gold Casino, ASARCO, Copper Basin Chamber of Commerce, Ray Federal Credit Union, Gordon's Market IGA Food Store, Town of Winkelman and Hayden School District. It would be difficult to have such events without the benefits of these sponsors.

Among the speakers Iona Dease spoke about PTSD what it is, what treatments are available for it and other helpful information. Hayden Police Chief Louie Tartaglia spoke to the attendees about self defense and awareness. Martina Burnam spoke about Mediocre Meditation and how it is important for us to take time to relax in our lives. Cobre Valley Hospital was available to perform blood pressure checks and answer questions.

The vendors that helped make this event successful included Pampered Chef,

Central Arizona College, Copper Community Action Board, Melaleuca, AVON, Native Air, She's Country Boutique, Scentsy, Georgianna Woods local author, Mary Kay, Girl Scouts; there was not a shortage of things to experience.

The day was pleasant as was the vendors and

speakers. There was also a fashion show by the Pioneer Day Queen Contestant's. All the young girls did a fantastic job at entertaining a large audience with the fashion show. Thanks to everyone who came out and supported the Copper Basin fifth annual Women's Expo!

Arboretum to have sunset concert Saturday

Percussion and flute by local resident, recording artist and shaman, Saggio, will be featured in a sunset concert March 7 (Saturday) at Boyce Thompson Arboretum from 5-6:30 p.m. Music's included with BTA daily admission of \$10; at no charge for Arboretum annual members and AZ State Parks pass-holders.

Saggio and Scott Schaefer during the recently held Fall Foliage Fest.

Shown here with a 'hang' percussion instrument, Saggio and flute/didgeridoo player Scott Schaefer will share the stage for a unique evening of music. Scott Schaefer's spending the weekend as 'artist-in-residence' at BTA, leading a two-day workshop teaching students how to make howling, growling didgeridoos from hollowed Agave stalks. Being onsite for a Saturday evening inspired Scott to offer a unique concert featuring 'indigenous instruments,' playing didgeridoo and Native American style flutes accompanied by Saggio - who adds ethereal arias of percussion with hand-pans and the 'hang' (plus his own music on Native American style flute, too).

BTA will remain open one hour later than usual - taking admissions until the music begins at 5 p.m. The Arboretum will close promptly at 6:30 Saturday evening.

The two musicians shared the stage in November during the Arboretum's Fall Foliage Festival, said Schaefer: "the didgeridoo is a powerful instrument - with a sound even

more soul-inspiring when that hypnotic drone of the didge wraps around Saggio's percussion, using hand-pans and a hang drum. Listeners unfamiliar with a hang drum often remark that it sounds like the lilting steel drums that are typical of Caribbean music. I'm always honored when Saggio has an evening free to create a completely new, organic and exotic musical improvisation together. Our time on stage is a rare event you won't want to miss - and I'd also invite others who play an instrument to bring it along; you might just be invited to share the 'mic with us for a melody or two that evening."

Musicians who'd like to play are asked to call Scott Schaefer ahead at 602.570.9396 to discuss instruments.

The Arboretum offers daily 11 a.m. guided walks, special wildflower walks every Thursday and Saturday of March, plus weekend nature and botany walks -- plus craft classes, too. Confirm event times and read more at cals.arizona.edu/bta.

Folklorico dancers come to Gold Canyon

The Gold Canyon Arts Council presents "Ballet Folklórico Quetzalli de Veracruz" on Friday, March 27, 2015, 7:30 p.m. at the Gold Canyon United Methodist Church, 6640 S Kings Ranch Rd., Gold Canyon, Ariz.

Mark your calendars for "Fiesta Mexico", a spectacular performance by world renowned dance troupe, "Ballet Folklórico Quetzalli de Veracruz". Backed by wonderful musicians, they recreate the dances and music of several regional festivals across Mexico. Fiestas featured will be from the states of Guerrero, Nayarit, Michoacan, Nuevo Leon, and the group's home state of Veracruz.

While recreating the pageantry, spectacle, and color of each fiesta, the choreography of each dance represents a unique facet of life, culture, history, or nature. The rhythms and music are a synthesis of Spanish, European, Indigenous, and Afro-Caribbean influences.

The troupe is named after the "Quetzal", a splendid regional bird of southern Mexico, and with costumes that echo the bird's plumage; they tap their heels, twirl their skirts, and thoroughly entertain an audience. One of their best known performances is "La Bamba", originally a folk song, then converted to a dance, and later made famous by Ritchie Valen's 1958 adaptation which became a top 40 hit in the US. "Ballet Folklórico Quetzalli" was founded in 1985 by maestro Hugo Betancourt after spending years learning the artistry of dance and passion for these traditions. Since 1986, the dance company has been the official representatives for the Secretary of Tourism and Economic Development for the State of Veracruz, giving hundreds of performances across the world.

Cards of Thanks

Family and Friends, I would like to thank you for the tremendous outpouring of love and support during this difficult time. The amount of planning, hard work and generous donations made the Tardeada a memorable event that I will always cherish. A special thanks to Richard and Rosie Tameron and member of the Committee that helped make the Tardeada a success. A special thank you to all those who donated gifts and items for the raffles and auctions. While I would like to name each and every one of you who gave of your time and of yourselves, they are too numerous to name.

To my immediate family, relatives, my "Superior" family, snowbird friends, customers and out-of-town friends, who attended to show their support and share this special time with me, THANK YOU. Words alone cannot express my gratitude and appreciation for the efforts that were put forth by all to make this event a success.

Most importantly, I would like to thank my heavenly Father for His goodness, mercy and grace in my life. I am truly blessed. I appreciate all the continued prayers for my well being. May God bless each and every one of you and again thank you for being "Superior" people.

Florence Aldrete

Master Plan for trails in the works for Superior area

By Mila Besich-Lira
Copper Area News

Last week the Legends of Superior Trail Committee along with the International Mountain Biking Association hosted a joint kick off meeting to start mapping and planning for mountain bike, hiking and some equestrian trails in the area surrounding Superior.

About a dozen local residents along with outdoor enthusiasts from Kearny, Tucson, Scottsdale, Tempe and Gold Canyon attended the open house meeting. There is a tremendous amount of enthusiasm for this project and its potential impact. One type of trail that will be developed are gravity trails to be used specifically by mountain bikers who want a down hill rush.

The planning and mapping process will take about three to four months. Once the plan is complete the IMBA will present it to the LOST committee for modifications. The two groups will be working closely with the Tonto National Forest on the planning stages. Once the plan is complete the plan will need to have an environmental impact statement written about the project that will take two to three years for completion. Following an approved EIS/NEPA the trails will be able to be constructed.

The Legends of Superior Committee will be forming a 501c3 organization to be able to apply for grants to fund the construction of the trails as well as other trails in the area. Funding for the planning and mapping of the trail is being funded by Resolution Copper.
