Oracle concerns discussed at multi-group meeting on Feb. 19; more to follow

Oracle - On Thursday, Feb. 19 a meeting was held to address the concerns of several residents of Oracle. In attendance were Executive Director Brian Heath of ROP, Compliance Manager Chad Roche, Program Director/SCA Ike Shipman from the Sycamore Canyon Academy (SCA); Captain Leos, Lt. Villegas and Lt. Evans of the Pinal County Sheriff's Office; Jane Mahen and Jim Montano from We the People; and, Ron Thompson and Cy Miller from the Oracle Neighborhood Watch.

The objectives of the meeting, as stated in a letter of request addressed to SCA, were to address concerns of the community, procedural processes between the school and law

enforcement, and to reduce tensions from unfounded myths and misperceptions which stemmed from the reaction of some to the lack of transparency which results from the program being based on State and Federal confidentiality regulations.

According to attendee Ron Thompson, "The meeting was extremely cordial, with all parties expressing their issues and concerns. In the process, many procedural elements were discussed with positive input from all parties. Environmental, therapeutic programs, security, etc. were discussed to the mutual satisfaction of the community grps. as well as the Sheriff's Department."

Mr. Thompson continued, "From the description of their medical resources/personnel, the issues of diseases, physical and mental, appear to be adequately handled by their staff. The risk factor - escapes, violence- appears to be of minimal impact

and the incident, assault rates for the past few months was surprisingly lower than we expected. All in all, I would have to say that the many myths, rumors, etc. are being found as just that and now that the community is working with the school, the anxiety/fear factor should be dramatically reduced."

Volunteer programs were discussed, as well as contacting the Community Advisory Board, which has been in existence for some time, but relatively inactive, to see if they would like to participate in future discussions. Currently, it is expected that meetings between the Oracle Neighborhood Watch, We the People and authorities from SCA will continue on a monthly basis, in hopes of further developing a working relationship between the Oracle community and SCA. A tour of the campus will be scheduled in the near future. Potential attendees should contact the Oracle Neighborhood Watch for more information.

Changes coming for San Manuel Airport

By **John Hernandez**
San Manuel Miner

Jim Petty, director of the Pinal County Airport Economic Development Department has shared an update on San Manuel Airport news. The most recent news that will impact San Manuel Airport includes:

#1 – The county is getting ready to bid out the ramp reconstruction. The bids are due March 24 and around April 5 a bidder will have been vetted and a contract will then go to the board. Upon approval construction should begin by early May. This will be a multi-phase project where an area will be completed so people can move their planes to the finished area while the area where they were once at can be re-done. Construction is expected to be completed in about two months. This is a full construction and not just an overlay. Shade ports will be

an additional item that is up for bid, and depending on the cost will be completed as well.

#2 – In regard to fire protection, there is a five year memorandum of understanding with the San Manuel Fire Department that expires June 22, 2016. There is a district that may be formed that includes the San Manuel Airport. This presents some big issues, including response time to a fire or accident. “The county is really working on this issue but there are many layers to it,” said Jim. Director Petty will keep everyone informed and if anyone has any questions they can contact Jim Petty at 520-866-6545 or Jim.Petty@pinalcountyaz.gov.

#3 – The Flood Control section of Public Works installed a water gauge on the entrance road to the airport on Feb. 24. It is part of a network of gauges that monitor flow rates across the county.

Construction delayed at Apache Sky Casino

By **John Hernandez**
San Manuel Miner

Gary Murrey, general manager of the Apache Gold Casino and Resort attended the Oracle Business Appreciation Dinner held Monday, Feb. 23, at the Oracle Inn.

At the meeting he gave an update on the Apache Sky Casino that has been planned for the area near Dudleyville off

of Highway 77. There has been a delay in construction as a different site has to be selected due to the soil conditions in the area that was previously chosen. The new site is within a quarter of a mile of the original site and ground is scheduled to be broken in the late fall.

Construction of phase one of the new casino is expected to be completed in 2017.

Oracle Business Appreciation Dinner draws good response

By John Hernandez
San Manuel Miner

On Monday, Feb. 23 the Oracle Business Appreciation Dinner was held at the Oracle Inn. A good crowd of around 50 local business owners showed up to listen to the guest speakers and discuss ideas for the economic future of Oracle and the surrounding areas. The event was coordinated by the Oracle Women's Network (OWN) and sponsored by Apache Gold Casino/Resort; Biosphere 2; Oracle Ford; Oracle Land and Homes; and Oracle Inn and Steak House.

After a nice dinner, Alicia Bristow, president of O.W.N. welcomed everyone and began introductions of the guest speakers which included Tim Kanavel, Pinal County Economic Development Manager; Mila Lira representing the Copper Corridor Economic Development Coalition and Copper Area Publications; Julio Espinoza, International Relations, Tucson Hispanic Chamber of Commerce; and Gary Murrey, general manager, Apache Gold Casino/Resort.

Kanavel spoke about some of the economic plans for Pinal County. He told the audience that they should begin developing their own economic plans for Oracle as Pinal County is growing.

Mila Lira talked about the Copper Corridor Economic Development Coalition and how they are working on bringing commercial

broadband to the area. She also spoke about the Hispanic Leadership Academy coming to the area. Mila gave an update on the Oracle and Copper Area Guides being prepared by Copper Area Publications.

Julio Espinoza talked about the Tucson Hispanic Chamber of Commerce and how they are working to attract international visitors and businesses to Tucson. He suggested that businesses should attempt to attract visitors from Mexico. The Mexican middle class is growing and they want to travel.

Gary Murrey gave an update on the plans for the Apache Sky Casino/Resort planned for the Dudleyville area. Groundbreaking, barring any unforeseen problems, will be in late fall with the first phase to be completed within 18 months sometime in 2017. They will bring 300 jobs to the area when completed.

The audience then participated in giving feedback for what they would like to see Oracle look like in three to five years. The consensus seemed to be that Oracle should develop ecotourism for the area with the Arizona Trail, Oracle State Park and a new zip line planned on the back road to Mt. Lemmon being some of the attractions mentioned. Communication between businesses was stressed as well as beautifying American Avenue. Mark Phelps, owner of Oracle Ford said that the county should look at San Manuel as a potential industrial site.

San Manuel Elks honor First Responders,

By **Jennifer R. Carnes**
San Manuel Miner

Over the past several weeks and months, the Tri-Community has seen more than its fair share of tragedy. Families have lost loved ones to fatal accidents. Others have suffered serious injuries and spend months recuperating. And, in the heart of the Tri-Community a man lost his life in a deputy-involved shooting.

Citizens have rallied around those left reeling in the aftermath.

But who rallies around the ones on the other side of the accidents, the tragedies?

Saturday night, it was the San Manuel Elks. The Elks, with assistance from the San Manuel National Junior Honor Society, served up the annual First Responders Recognition Dinner.

Sheriff's Deputies, Firefighters, EMTs, Paramedics and Arizona Department of Public Safety (DPS) Officers attended in full uniform to socialize and, finally, recognize one of their own for service to the community.

It was a time to say thank you to the men and women on the front line as well as thank those who support them – their families.

State Representative Frank Pratt, Justice of the Peace Arnold Estrada as well as a representative of Pinal County Attorney Lando Voyles all offered their thanks and congratulations before those being honored by their peers were announced.

Pinal County Sheriff Paul Babeu named **Deputy Nik Zovko** as Deputy of the Year. "He's been a leader," Babeu said, commending the deputy for his exemplary conduct with citizens.

Zovko is stationed in the Tri-Community. Babeu said that over the past year, Zovko had handled 532 calls, made 46 arrests and 120 traffic stops. It was his fellow deputies, Babeu said, who nominated him because of his performance.

DPS Officer Austin Sabin was named the Officer of the Year by his department. Sergeant Vern Havens told the audience that over the past year several very experienced officers had retired, leaving him with a relatively young force. The exception, he said, was Sabin.

"(Sabin) has stepped up," Havens said, becoming a leader and mentor for the younger officers.

Havens said that over the past year Sabin has made more than 1,000 traffic stops and issued more than 450 citations, of which 110 were for seatbelt violations.

Sabin, he said, exemplifies the best of the agency.

Oracle Fire Department named **Paul Farrell** as its Firefighter of the Year.

Chief Larry Southard said that Farrell has been with the department for seven years and in that time, Southard said, he has seen Farrell go from a young man to a home owner to a husband and a father.

Farrell holds 35 certifications including one for hazardous materials from the National Fire Academy. He helped establish minimum company standards and training requirements for his shift, which, Southard said, has spread to the other shifts as well. Farrell also set out and accomplished his goal of retaking his national certification as an EMT.

Farrell was just recently promoted to the rank of captain.

Mammoth Fire Chief Monty Ponce made the lone trek to the podium to accept the award for his entire department, stating that the entire department's dedication to their work made it difficult to name just one person as Firefighter of the Year.

Casey Cross was named Firefighter of the Year for the San Manuel Fire Department.

Chief John Sandford said that Cross had been with the department for two years, coming to them fresh out of the fire academy.

"He's taken on the task of training the new guys," Sandford said, "and he's always willing to learn."

Sandford also named him the "Nacho King" and begged Salt & Pepper Market to never run out.

Tri-City Meds Ambulance named **Tyler Cassabaum** as its Officer of the Year. Mike Balta, on behalf of Tri-City Meds, presented the award.

"(Cassabaum) is a great individual," Balta said.

Cassabaum has just completed his training as a chaplain and will take over those duties for the local department.

The San Manuel Elks always uses the annual First Responders Recognition Dinner to honor one individual from the Tri-Community who has made a difference, someone who gives of themselves without thought.

This year, the San Manuel Elks has named **John Ecker** as the 2014 Citizen of the Year.

From Boy Scouts to volunteering to help seniors, Ecker "does a lot for the community," said Elks Treasurer Fred Creeley, emcee for the night.

(At this point, I'm afraid this writer stopped taking notes about the Citizen of the Year. I was too busy clapping and joining the rest of those at the dinner in a standing ovation for John. Just know, John, that we are very grateful for all you do in the community.)

Fred Creeley, left, awards the Citizen of the Year certificate to John Ecker.

Kids save spare change to buy cookies for the troops

Led by the first grades at First Avenue Elementary school, U.S. troops serving overseas will be receiving 84 boxes of Girl Scout Cookies thanks to the "spare change" donated by students, family and friends at the school.

First grade teacher, Isabel

Austin said, "The students learned to sort and group cookies by types as well as sort and group coins by value and can now count by ones, fives, tens and 25's."

Along with spare change from home, students turned in change they found on the playground.

If nobody claimed it, the money went into the cookie fund, according to Deb Mansager, teacher.

"The entire school came together to help us meet our goal of \$200 dollars so we could send 50 boxes of cookies to our troops overseas. But we surpassed that target by 68% for an overwhelming \$336.00," she explained.

Students also reported finding change on the ground at gas stations, car washes, in their backyards, roofs and dog's dishes.

Local Girl Scout and entrepreneur Tabitha Kellam helped explain, coordinate and organize the "Cookies for the Military" project at First Avenue. She is an individual Girl Scout affiliated with Girl Scouts of Southern Arizona.

At 11 years old, Tabitha already has seven years' experience selling Girl Scout cookies.

"We want to express our appreciation for the sacrifice our military and

their families are making and have made," Mansager said.

Last November, area students, parents and neighbors donated approximately 160 pounds of personal care items to

the Veterans Hospital in Tucson. They received many thanks from the Fourth Degree Knights of Columbus and the Veterans Affairs Volunteer Service which estimated the donation worth more than

\$500.

"The students' donations were so appreciated and so important to our Veterans," said Deborah Brookshire, Chief of Volunteer Services at the Tucson Veterans' Hospital in Tucson.

San Manuel Sea Lions finish second at regional championship meet in Yuma

The Regional Age Group Championship Swim Meet was held Feb. 20-22 at the Valley Aquatic Center in Yuma, Ariz. Sixteen teams from Western and Southern Arizona competed at the meet. The final team standings were as follows:

1. Desert Thunder – Chandler (797)
2. San Manuel Sea Lions (533)
3. Phoenix Swim Club (511)
4. Tucson JCC Stingrays (417)
5. Tucson Ford (416)
6. Yuma Heat (358)
7. Life Time Arizona (233)
8. Flying Fish – Oro Valley (190)
9. Sahuarita Aquatics (134)
10. Tucson YMCA (91)
11. Havasu Stingrays (87)
12. Oro Valley Swim Team (77)
13. Tiger Sharks – Tucson (70)
14. La Mariposa – Tucson (61)
15. Sierra Vista Tsunamis (49)
16. Monsoon Swim Club – Tucson (35)

Swimmers must have achieved regional qualifying times at sanctioned USA swim meets to be eligible to swim in the regional championships. Fifteen swimmers from San Manuel qualified for the meet. There were many great individual races from the Sea Lions, but it was the relays that propelled the Sea Lions into second place overall to bring home a team trophy. Finishing second place at a regional championship meet is a huge accomplishment by the Sea Lions and was best summed up by one of the younger swimmers, “We won second place!”

Coach Alex Gort proudly stated, “At this meet the 13-14 Girls came through in a big way!” In fact, going into the meet, the 13-14 Girls Relay Team of Gianna Sweeney (13), Raya Woods (14), Raquel Ortiz (14), and Darien Apuron (13) were

seeded in fourth or fifth place in each of the five relays contested and had hopes of achieving state qualifying times in each. In the opening event, the 200 Freestyle Relay, the girls finished second and achieved a state qualifying time. At the end of that session on Friday night in the 200 Medley Relay, it was the Sea Lions that won, again qualifying for state. That group of girls went on to win the 800 Free Relay and 400 Medley Relay on Saturday and Sunday. When it was evident that any legal finish in the final relay of the meet would earn the team a trophy, the girls performed safe relay exchanges on the way to finish third in the relay and secured second place in the team standings.

The 12 and under boys won all four Relays - Riley Stewart (11), Mason Stewart (9), Evan Apuron (11), and Nate Fister (12) won the 200 and 400 Medley Relays, while Riley Stewart, Ben Fister (9), Nate Fister and Evan Apuron won the 200 and 400 Free Relays. In the 10 and under relays, it was the team of Mason Stewart, Joey Castellanos (9), Ethan Kellam (9) and Johnny Smallhouse (8) that finished second in the 200 Free Relay, and the team of Joey Castellanos, Ethan Kellam, Ben Fister, and Johnny Smallhouse that finished second in the 200 Medley Relay.

Medals were awarded for the top three finishers and in addition to the relay medals, nine swimmers came home with medals in individual events. Evan Apuron lead the pack with the most individual wins, Evan won the 1000 Free, 50 Back, 100 Back, and 200 Fly. Taylor Woods (16) won three races, 50 Back, 50 Breast, and 100 Free while also finishing in the top three in the 200 Free and 100 Back.

Gianna Sweeney won the 50 and 200 Breast and medaled in the 1650 Free, 50 Free, 1000 Free, 100 Breast, and 200 IM. Riley Stewart won the 50 and 100 Breast, while finishing in the medal contention in the 1000 Free, 50 Free, 200 Free, 100 IM, and 100 Free. Tabitha Kellam (11) won the 200 Breast, and took home medals in the 1000 Free, 50 Breast, 50 Free, 200 Free, 100 Free, 200 IM, and 500 Free. Darien Apuron won the 400 IM, and placed in the top three in the 100 Fly, 200 Back, and 200 Fly. Raquel Ortiz finished

second in the 50 Fly, Mason Stewart finished third in the 100 IM, and Nate Fister took third in the 100 Free.

Thirteen Sea Lion Swimmers have qualified in individual events or relays to participate in the Age Group State Championship Meet. This is the largest group of Sea Lions ever headed to the state meet which will be held March 5-8 at the Oro Valley Aquatic Center.

Anyone who would like more information about the Sea Lions Swim team can contact Alex Gort at 896-2190.

San Manuel Copper Classic set for this Saturday

The Trail Riders of Southern Arizona (TRS) will be hosting the San Manuel Copper Classic Hare Scramble on Saturday March 7, 2014. The latest Copper Classic will mark the 10th time this race will be held in San Manuel since 2006.

You may not have heard of the TRS dirt bike motorcycle club, but it has been around since 2004 and represents off-road trail-riding enthusiasts of Southern Arizona. This club belongs to the Arizona Motorcycle Riders Association (AMRA) which is a non-profit, volunteer-run association made up of eight statewide off-road motorcycle clubs. Like AMRA, TRS' intent is to promote a positive off-road motorcycling experience. Each year the AMRA organizes Arizona's premier off-road motorcycle championship series (which includes the San Manuel Copper Classic), intent on providing high quality, fun and safe off-road racing for the whole family. In addition to racing, AMRA and TRS promote non-competitive events and fundraisers that contribute to the health of the sport.

So just what is a Hare Scramble race you may ask? Per the American Motorcyclist Association's (AMA) rulebook, a Hare Scramble is a race conducted on a closed course, using trails and paths over natural terrain. The course can be between two and a half and 40 miles in length. In the Copper Classic's case, the distance is typically around 25 miles. Course markings are used to aid the riders in determining the proper route when the terrain does not clearly dictate direction. The racer's objective is to navigate the racecourse as fast as possible for as many as three laps.

As in past years, the race will be staged out of the Gardner Middle School ball fields at the end of Erickson St. The mini rider's race will begin after 8 a.m., with the big bike race starting around noon. The start and finish lines will be near the staging area and spectator viewing is strongly encouraged.

But the San Manuel Copper Classic is not just about racing. TRS hosts this event as a fundraiser for the local school board. After each race, TRS typically donates \$500 to \$1,000 to the school board to support extracurricular activities. An additional economic benefit of this race is the amount of

business the racers and spectators bring to the shops and restaurants of San Manuel.

So mark your calendars today for the seventh of March 2015 for the San Manuel Copper Classic. Watch for the

race fliers that will be posted in stores around town for more details. Hope we see you on race day!
