Two charged in death of Kearny man

By Mila Besich Lira
Copper Area News

Two men have been arrested in connection with the death of Milo Candelaria.

Anthony Sigala and Juan "Johnny" Lopez have been charged with aggravated assault and manslaughter. The two turned themselves in at

the Kearny Police Department on Thursday, Feb. 27, 2014. Sigala turned himself in at 2 a.m. and Lopez turned himself in at 9 a.m.

Kearny Police Chief Bob Inguilli commended the witnesses of this crime for bringing forth information that led to the arrest of the two suspects.

Candelaria was assaulted Friday,

Feb. 21, in front of La Cantina in Kearny. He was transported by helicopter to University Medical Center in Tucson where he later succumbed to his injuries.

Sigala is being held at the Pinal County Jail on a \$100,000 secured bond. Lopez is being held on a \$20,000 secured bond. Both are scheduled to be in court on March 10.

Arizona Water wants EPA, Asarco to protect the groundwater near Hayden, Winkelman

On Feb. 21, 2014, Arizona Water Company, which owns and operates the water system in Hayden and Winkelman, sent the following letter to John Hillenbrand, project manager for the United States Environmental Protection Agency. A copy of the letter was also sent to the *Copper Basin News*.

The *Copper Basin News* requested a response from Tom Aldrich of Asarco. His comments are included below. Arizona Water Company's letter

Arizona Water Company ("Arizona Water") is very concerned about the serious threat to local drinking water supplies caused by pollutants from the ASARCO mining operations in the Hayden and Winkelman area.

FUNERAL NOTICE

Roy E. Mann Sr.

Funeral services for Roy E. Mann Sr. will be held at Mountain View Bible Church, 56405 E. Simmons Way in Riverside, at 10:30 a.m. on Saturday, March 8.

Mr. Mann passed away on Dec. 20, 2013 at his home in Riverside, AZ.

Arizona water, a public service corporation, relies on local groundwater supplies to provide water service to residents and businesses in the Town of Winkelman. In December 2013, ASARCO began quarterly sampling of Arizona Water's wells to assess the threat of pollution in local groundwater.

Arizona Water requests the following as the Phase II Remedial Investigation and Feasibility Study ("RIFS") is developed:

1. Provide Arizona Water with all monthly progress reports ASARCO submits to EPA pursuant to the Administrative Settlement Agreement and Order on Consent.
2. Provide all groundwater quality data gathered or compiled in connection with any phase of the RIFS for this site.
3. Provide Arizona Water with all future drafts of the RIFS for Arizona Water's review, input and comments.
4. Provide copies of reports from the previous EPA investigations of ASARCO's mining operations in the Hayden/Winkelman area, including, but not limited to, the Preliminary Assessment.
5. Add PCBs on the list of substances analyzed in groundwater samples in the Phase II RIFS.
6. Form a Community Advisory Group including EPA, Arizona Water and ASARCO to encourage community involvement for timely distribution of information. The Community Advisory Group should conduct regular meetings to review the progress and findings of the Phase II RIFS.
7. Require ASARCO to create and maintain a public information repository such as a community website,

where all information on the investigation and related matters is readily available.

It is critical that EPA determine the fate and transport of the pollutants from ASARCO's mining operations and their effect on Arizona Water's groundwater supplies, the only source of drinking water for Winkelman. Arizona Water strongly urges EPA and ASARCO to take all actions necessary to protect the groundwater for public drinking water supply purposes.

Asarco's Response

EPA has previously stated the drinking water supply for the Towns of Hayden and Winkelman meet drinking water quality standards.

Each year the ADEQ samples public water supplies. Those results are presented in the Consumer Confidence Report which is issued by the operator of the public water system.

The Consumer Confidence Report for Asarco's PWS #04-012, which gets its water from the Hayden Well Field indicates that the water meets water quality standards.

The wells for the Arizona Water Company are roughly one mile upstream on the Gila. The link for the Consumer Confidence Report for Winkelman is found on the Arizona Water Company web page (link below). The report states that the Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards.

http://www.azwater.com/set_ccr.html

Sampling of groundwater is routinely done as part of EPA's investigation.

Only three weeks until Pioneer Days 2014

Of course, there is going to be a weather change, it is almost Pioneer Days. Excitement is brewing because the carnival pre-sale tickets are in and the pre-sales have begun. The sheet of 40 tickets can be purchased for \$25 and is the same price as in previous years. Instead of bracelets Mega Punch Cards are available, eight ride punches for \$15. Gloria Ruiz at the Winkelman Town Hall, Nancy Hinojos at the Hayden Town Hall and the chamber office will be available to sell tickets until March 14.

Sorry for the error in the deadline date for t-shirt pre-sales which is actually March 10. The t-shirts are dark grey and have a Conestoga wagon on the front with the words Pioneer Days 2014. The deadline for ads on the back is also March 10. Ads are \$40 and include the individual name or business name and a t-shirt. All extra t-shirts are \$12 each up to XL with \$1 for each X above that. Jean Slater and Nancy Hinojos are in charge of the t-shirt ads and sales.

We are all so used to an empty Pioneer Park that is accessible

to drive around, but once the carnival starts to set up vehicle traffic gets in the way. Those attending can park at the Little League Park and walk over to observe, but just driving around is a nuisance especially at night. There are some rules that have to be emphasized and will be repeated again prior to Pioneer Days. One comment we are sure to hear is, "Why? We've never had to do this before." The front entrance will be closed at 4 p.m. on Thursday and Friday; 11 a.m. on Saturday and noon on Sunday. It is an insurance rule that there is not to be any motorized vehicles which includes bicycles, skateboards, scooters, etc., inside Pioneer Park once the carnival starts their rides. Wheel chairs, strollers and hov-arounds are exceptions. Parents and children can feel safe and children can enjoy their excitement by not having to lookout for vehicles. There will be a vehicle at the front gate for handicapped riders. For those who are performing at the bandstand you must park your vehicles on the outskirts of the carnival, not any closer than the office door of the Frazier Shows Office, and use a dollie to carry

in your equipment.

No dogs are allowed even if on a leash or tucked inside a jacket! There have been complaints of fresh dog poop and the health department frowns upon animals near food vendors. Service dogs are allowed.

Parade applications are available at the chamber office or from Margaret Gaston. There is no fee but the parade committee has one request, turn in applications by Thursday, March 20 with a complete description of the parade entry. This information has to be typed and ready for the judges. Late entries will not have any comments by the Master of Ceremonies as they pass the judges stand. The parade starts on Allen and goes to Upton, then down Alden. Entries will stop at the Judges stand in front of the Pinal County Building. The parade will proceed down Tilbury all the way across the tracks to Beuford and Industrial. The businesses on Airport Drive must not be blocked.

Anyone who has lived or worked on Santos Ranch, Crescent Ranch or other ranches in this vicinity are requested to enter the parade either horseback, on a float, or any other clever entry.

The Junior and Queen candidates are out and about selling tickets. They have been meeting weekly and will be introduced at the Women's Expo this Saturday when they present their fashion show.

Anna Flores has the volunteer list at the town hall. Check with her to find out what volunteers can do.

The Pioneer Days committee chairpersons are: T-shirts, Jean Slater, Nancy Hinojos; poster, flyers and handicapped vehicle, Martina Burnam; parade, Margaret Gaston; volunteers, Anna Flores; entertainment equipment set up, Adam Perlman; maintenance crew, Myra Warren; church services, Joe Palmer, Nina Yardley; security, VIP's, and Pioneer Park setup, Bill Loehr, Troy Ramirez; Queens and all Pioneer Days info, Angela Ramirez; general chairperson, Rosalind Padilla.

Rim Vidziunas photography exhibited March 2014 at the Arboretum

Mesa photographer Rim Vidziunas has earned an avid online following who appreciate his stylized images of Boyce Thompson Arboretum and the Sonoran Desert -- plus eclectic subjects ranging from classic cars to macros. He's probably even more well-known amongst the Arboretum's 5,000 fans on Facebook - where Rim shares photos with heightened color and effects he produces via 'HDR' post-processing software. March brings the chance to see enlarged versions of his works in the Arboretum visitor center gallery, where Rim's the featured exhibitor -- plus opportunities to learn his camera and software techniques in a classroom setting. He'll teach 'basic work-flow' and file management for digital photographers March 12 from 2-4pm, a Wednesday class that's ideal for novice/beginner photographers, and with low enrollment of \$30. He also coaches a more specialized and technical users group March 17 from 10am til noon (more complete descriptions are at ag.arizona.edu/bta/photoclass). Call BTA staff during daytime business hours at 520-689-2723 to enroll in the Wednesday class. Friends and guests have also marked March 16 their calendars for Rim's meet-the-artist gallery reception that Sunday from 10am-1pm. "I knew I was destined to become a photographer

Red Spined Cactus Macro by Rim Vidziunas

since I was a kid -- I was 11 years old when I snapped my first pictures of our German Shepherd with a Kodak Brownie box camera. In the darkroom, magically, images appeared, literally right before my eyes - and passion for photography was born. Perhaps it's ancestral, my family's history is rooted in Lithuania where my name, Vidziunas has the Latin root is-vysti which means to see more clearly with perception."

"My approach to photography remains to 'get it right in-camera.' Shooting in the RAW mode allows post-processing to adjust the white balance, increase or decrease exposure, clarity, sharpen my images, adjust color -- in short, to add painterly or artistic touches, and be an artist with a camera via post-processing."

"I use HDR for tone mapping merging three exposed (+2,0,-2) images to make an artistic statement, add drama or a mood about how I'm feeling about the subject. For instance, in a photo of the Drover's Shed at the Arboretum to make it appear a storm is brewing -- or HDR applied to my Dodge Power Wagon picture makes dull rust colors 'pop' and brings out detail."

"My favorite places at BTA? I find the Demonstration Garden and Cactus Garden among the most compelling. Recently I'm exploring macro-photography with an old Nikon Micro-Nikkor 55mm lens mounted on a modern D7000 camera body. That lens was manufactured in 1984, my 92-year-old father gave it to me and yes, you can use old Nikon film camera lenses on new Nikon digital cameras with amazing results."

Rim doesn't work the East Valley art show circuit, but his photos be seen (and prints in a wide array of formats and media ordered) at photographybyrimgaudas.com. For his Arboretum gallery show, prints will be matted, framed and available in sizes ranging from 4x6 to 12x18, and priced from \$50-\$200.

"I'm honored and humbled to be approved as a gallery exhibitor as a way to bring attention to my work and to the Arboretum, and to give others the opportunity to enjoy my images and imagination; I'm not planning other gallery exhibits during 2014, in part because I so much

enjoy teaching occasional classes at BTA, and also being the volunteer coordinator for the new Adobe Photoshop

Six young ladies toss hats in the ring for Pioneer Days crown

August Patterson

The 2014 Pioneer Day Queen contestants have been hard at work for several weeks earning points to see who will earn the crowns.

Along with selling raffle tickets, the girls will compete in a fashion show and speech contest this Saturday during the Women's Expo.

Although there is just one contestant entered this year in the Sr. Queen division, she is still required to adhere to the rules of the contest to earn her crown. Meanwhile, five young ladies are competing for the Jr.

Allison Ballard

Isabella Mendoza

Queen crown.

August L. Patterson is working to wear the Sr. crown and vying for the Jr. crown are Allison Ballard, Lanna Rae (Long) Brady, Kailey Gillaspay, Isabella Marie Mendoza and Trinity Hope Olson.

August is the daughter of Dustin and Julie Patterson of Kearny. She is 15 years old and is a freshman at Ray High School. Her school activities include playing volleyball and softball and serving as treasurer of her class. She also was named to the Honor Roll last semester.

She says she enjoys many hobbies including drawing and hiking. "I also like shooting shot guns, but I'd rather draw back a bow and land an arrow in the target," August said.

Her hopes for the future are definitely to graduate from high school and go to college. She would prefer to go directly to an university to study for the career of a forensic scientist, but would consider starting at the junior college level and transferring. Her school of choice at this time is GCU because of its outstanding forensic program.

She decided to run for Pioneer Days Queen because it is something she wouldn't normally do. "I want to get out there and help the community," she said. "I want to show people that I do have a voice and because I'm not very out spoken, I want to change that about myself," she added.

Allison is 14, is an eighth grader at Ray Jr. High and is the daughter of Terra Ballard of

Pioneer Days Queen and Jr. Queen Contestants are, from left: Trinity Olson, Allison Ballard, Lanna Brady, August Patterson, Isabella Mendoza and Kailey Gillaspay.

Angela Ramirez | Copper Basin Chamber of Commerce

Kearny and Gary Ballard.

She is a honor roll student and was on the student council in the fifth and sixth grade. She was a cheerleader and is currently in band. She also has played volleyball for the last two years, softball last year and participated in track in the sixth grade and again this year.

She volunteers at her church with various activities including making bulletin boards and posters and cleaning. She also helps her mom do paperwork at the prison.

Her hobbies include playing sports and she likes to make people happy. During

church she also likes doing puppet show for Leadership Training for Christ.

As to her future plans, she said she would like to stride for a scholarship in volleyball at ASU to study to become a teacher or animal cop.

When asked why she wanted to enter the contest she said, "I want to put myself out there and have a lot of fun."

Lanna, 14, attend Ray Jr. High where she is in the eighth grade. She is the daughter of Michelle Brady of Kearny and Paul Long.

Her school activities include volleyball, basketball, softball and track and she also

helps out in the school library. And her hobbies include reading a track.

Her future plans include getting into George Town University where she would like to study to become a pediatric oncologist.

She decided to run for the Jr. crown because, "I would love to try something new, also to get to know what the people in my community are like."

Kailey is the daughter of Samuel and Michelle Gillaspay of Kearny and Kimberly Gillaspay. She is 12 years old and is a seventh grader at Ray Jr. High where she is a honor roll student, a band member and plays

softball.

She is active in her church with Mutual on Wednesdays and Thursdays. And she likes to paint, play basketball, volleyball, softball and run track. She also loves to decorate everything.

She would like to attend ASU after high school and then go to EMT classes. "I would like my big sister Kara and be a dispatcher and then move up a step to become a cop," she said.

Her reasons for entering the contest include getting to help people and helping the community with as much as she can. "I

Kailey Gillaspay

would for people to maybe remember me as something more than I already am," she said.

Isabella, 14, is the daughter of Maria Acevedo of Kearny and is in the eighth grade at Ray Jr. High.

She has played basketball and volleyball for the last two years and is currently a Student Council representative for her class.

She is an active member of the Infant Jesus of Prague Catholic Church where she has been an altar server and youth lector. She said as she continues her religious education she would hopes to become a Sunday school teacher.

Her hobbies include spending time with her family and friends, listening to music and baking.

Her goals for the future are to graduate from high school and attend ASU to pursue a degree in Elementary Education. "My hope is to educate the future of the world," she said.

She wanted to run for Jr. Queen because she wants to be an active member of society. "I would like to one day change the world and this is the first step in that direction," she said. She added that she would like to thank the Copper Basin community for this wonderful opportunity.

Trinity is the daughter of Michelle Brady and Olin Olson of Kearny. She is 13 and is in the seventh grade at Ray Jr. High where she plays softball, soccer and flag football.

Her community service includes helping the elderly with house hold chores.

Lanna Brady

She likes to play softball, soccer and catch with her dad and also enjoys drawing.

After high school she would like to attend Harvard and study to become a lawyer.

"I wanted to try something new," she said when asked why she decided to enter the contest.

These girls need the support of the community, so if you see them out and about please purchase a ticket or two. The Queen Crowning is scheduled for Thursday, Mar. 20.

Bobby Cook, Wyatt Earp and a piece of Vegas to perform during Superior's Mining Festival

By Mila Besich Lira
Copper Area News

The 26th annual Apache Leap Mining Festival is this weekend and the Superior Chamber of Commerce has a full line up of events, entertainment and vendors to entertain everyone in the family.

The festival kicks off into high gear on Saturday with a parade at 10 a.m. The theme for the Apache Leap Mining Festival celebrates the history of the Magma Arizona Rail Road Company (MARRCo). Bruce Wittig, retired employee from the MARRCo, will be the grand marshal for the parade. Following the parade the annual chihuahua races and mining competition will commence.

There is plenty of free entertainment scheduled throughout the day. Superiorite Bobby Cook will reunite with his former band mate Manuel "Punky" Sanchez from the band Phoenix. Cook has been performing in Las Vegas at Caesars Palace the "M" and the Cosmopolitan. New to the festival this year will be SambAZ dancers, they are a

Vegas style dance group with head feathers and all. "The men will drool and the ladies will pretend to be embarrassed but will love it! They will also mingle with the crowd for photos," explained Sue Anderson, chamber president. Returning to the festival line up this year is Wyatt Earp who will perform an excerpt from his play, the Apache Crown Dancers from the White Mountain Apache Tribe and Wildman Phil will perform his comedic routine with his desert animals. Baile Folklorico Alma de Superior will also return to the stage on Sunday. There will be a street dance and beer garden on Saturday night.

The annual carnival will operate Friday, Saturday and Sunday. Pre-sale, unlimited ride wristbands are available at Save Money Market for \$20, the price during the carnival for the unlimited ride wristband will be \$30.

Those planning on attending the event or participating in any of the competitions should double check the festival entertainment schedule and contact the Superior Chamber of Commerce at 520-689-0200.

The Superior Chamber of Commerce is offering a \$2,000 purse for the winner of the hard rock mining competition on Saturday.

Talks will include Inspirational Speaker Gil Morales, Mediocre Meditation with Martina Burnam, Southern Arizona Ghost and Paranormal Society, and Rainbow

Looming with Angela Ramirez.

Vendors will include JR Watkins Naturals, Pampered Chef, Melaleuca, Central Arizona College, AVON, Gold Canyon Candles, Thirty-one Bags, Northern Arizona University, ZORT-Zombie Outbreak Response Team, Copper Community Action Board, Town of Winkelman, Tully's Place, A Captured Moment photo booth, Beverly Howell Tax Services, Herbalife, Java Coffee Weight Loss, Mary Kay, and the Copper Basin Chapter of Well Armed Women.

In addition, there will be a Pioneer Day Queen Contestant Fashion Show, a performance by Copper Basin Idol 2013 Winner Josette Kimmel, food concessions and drawings for prizes every hour.

PASTOR'S CORNER

Shuffling Forever

By Pastor Joe Palmer
Fellowship Baptist Church
I don't play poker. The last time I did, I lost all my spending money to a clever kid with a smirk on his greedy face. Since then, I try to work on sure bets. I don't bet on dice or football or that I (rather than my wife) am right. So it may sound like a contradiction for me to say that I'll bet you that you will never shuffle a deck of cards into any one pre-chosen order. I raise this challenge to prove beyond a shadow of a doubt that we have a Maker. We did not evolve; we were made. Let me explain.
For order in complexity to exist, three things must exist prior to the order: energy, a mechanism, and intelligence. For any

one pre-chosen order of a 52 card deck to come into existence what is necessary is a person who has eaten lunch (chemical energy), who has arms, hands, fingers, and eyes (mechanisms), and who is smart enough to guide the mechanisms to sort out the deck (intelligence). It will take him less than 10 minutes to complete the task.

To try to shuffle those 52 cards into the same order will require an almost endless amount of time. With a deck of 52 cards there are 52! (factorial) possible different orders. 52! is 1x2x3x4x5x6x...x50x51x52. This number is 8.065817517x10⁶⁷. How big of a number is this?

Eye Unit to visit Kearny

Kearny- The Arizona Medical Eye Unit from the Lions Vision Center, Inc. will be giving Ophthalmological Medical Eye Examinations for the benefit of residents of Kearny and surrounding localities. The Medical Eye Unit will be located at Copper Basin Chamber of Commerce on March 10, from 8:30 am - 4 pm. Appointments and information may be obtained by calling 480-734-4882 or 480-215-6746.

Since only 20 -30 patients can be examined each day, those who suspect they may have eye problems are urged to phone as soon as possible to be assured of an appointment.

The completely equipped Arizona Medical Eye Unit was donated to the Lions Vision Center, Inc., through the Odd Fellows and Rebekahs of Arizona, and is sponsored by the Arizona Ophthalmological Society. The Arizona Ophthalmological Society provides the funding for the 2012 Ford F-350 truck.

Members of the Arizona Ophthalmological Society, Arizona Lions Clubs, and the Odd Fellows and Rebekahs of Arizona unite with other agencies and organizations to bring medical eye services to outlying areas of Arizona where ophthalmic care is not readily available. Arizona Ophthalmologists who are in private practice volunteer their time on the Medical Eye Unit and received no remuneration.

Sponsors of the Arizona Medical Eye Unit in Kearny are the Kearny Women's Club. This organization is in charge of all arrangements and appointments.

A nominal fee of \$40 per patient is charged to cover the operational expenses of the "Unit".

PLANT SALE

Boyce Thompson Arboretum winter events showcased the Australian gardens and plants of Southern Africa; eucalyptus and gum trees, colorful aloes that thrive in our desert climate. Visitors marvel at mature examples of these plants and trees throughout the gardens - and you can buy your own during March at the annual Spring Plant Sale fundraiser March 8-23. This month brings a great selection, its also a prime time to buy annual membership at BTA, where annual members save 20-percent on plant purchases during the fundraising sale of trees, shrubs, herbs, flowers, cacti and succulents. Need planting and landscaping advice? Arboretum staff are joined by engaging volunteers from Pinal County's Superstition Mountain Master Gardeners program there to advise and assist buyers with suggestions for trees and smaller plants ideal for a wide range of landscaping projects. Special events during the March plant sale include lectures, guided tours and weekend wildflower walks; most are included with daily admission of \$10. Read complete details at ag.arizona.edu/bta

Bearcats' baseball and softball teams start seasons

By Andrew Luberda
Copper Basin News

The Bearcats' baseball and softball teams began their 2014 season this week. The baseball team, in particular, has a busy schedule to start the season.

Both teams battled Gilbert Classical Academy on March 4. Results from those games were

unavailable at press time. Barring any schedule changes, the softball team will play at Show Low on March 11. Game time is 3:30 p.m.

The baseball team will continue its schedule with games scheduled each day for the remainder of the week.

Here is a look at the Bearcats' upcoming baseball schedule:

All games scheduled March 5 – 8 are part of

the Joe S. Padilla Tournament. All games will be played at Florence High School or Coolidge High School. March 5 vs. Estrella Foothills at Florence (3:30 p.m.), March 6 vs. Hayden at Florence (1:30 p.m.), March 7 vs. Santa Cruz Valley at Coolidge (3:30 p.m.). There is also a game scheduled for March 8 at Florence. The opponent and time are to be announced.

The 2014 Bearcats baseball team entered the season looking to shake off the disappointment of the way the 2013 season ended. With 9 varsity players returning from last season's ball club, they are determined to have a better finish this season.

"The returners were not happy with how last year's season finished," Bearcats' head coach Rene Pacheco said in an email to the Copper Basin News. "We felt that had the team played up to their potential that we could have gone a little deeper in the playoffs."

Make no mistake, the 'Cats were a very competitive team last year as their 19 – 8 record would indicate. They reached the quarterfinals of the 2013 Division IV State

Championship before an uncharacteristically poor performance against Phoenix Christian ended their season.

Multi-sport star and four-year varsity baseball player Dominic Bravo is the only senior on a team loaded with talent. The 'Cats have 6 juniors entering their third varsity season and 2 sophomores entering their second varsity season.

"With only one senior, we feel that we are still a little young but also experienced," Pacheco said. "Most of the starters have been playing at the varsity level since their freshman and sophomore years."

Pacheco said he's excited about the pitching and that's saying something considering the loss of ace Alex Carrera from last year's rotation. Seth Harmon, Jacob Pace, and Destry Yocum all pitched at the varsity level last year. Juniors Douglas McPeak, Robbin Newman, and Sophomore Johnny Wernett will also see time on the mound.

"We feel that we have experience and depth

Bearcat Jr. High Softball opens with win over Mt. Vista

By Dan Hinojos

Special to the Copper Basin News

Ray - Bearcat softball traveled to Oracle, to face the Cougars of Mt. Vista. The first inning, the Bearcats came out swinging, going through the batting order while scoring five runs. The Cougars did not back down when their turn at bat came around. They managed to score two runs in their first at-at-bat, while the Bearcats knocked the rust off their arms and gloves.

In the second inning, the Bearcats did not let up, scoring another five runs, while the pitching and defense settled in, not allowing a Cougar run.

The third inning was the same, as far as five scored runs led by a Naomi Hing

homerun. With the game shortened by the 10-run rule and ending in the fourth inning, the Bearcats managed to score another four runs, while the pitching and defense managed not to allow another Cougar to score the entire game. The final score was 19 -2.

The offense was led by Danni Montano, 2-4, double/triple; Emma Alvarado, 1-4, 2 W; Naomi Hing, 1-4, HR; Jannae Ruiz, 1-4; and Arnee Kenyon, 1-2. Starting on the mound, Daniella Hinojos, 4K, 4W, 3 hits, over three innings and closing on the mound, Danni Montano, 2K, DW, 0 Hits, for one inning. Player of the game, First Baseman /Catcher Emma Alvarado, received the game ball.

The next game, Miami vs Ray, is at 4 pm today.

If a billion people shuffled a billion decks of cards once a second for a billion years, they could shuffle a total of 3.15576 x 10²⁵ times. How much longer would they have to shuffle until they ran through the possibilities? Well we can't say, but we can say that in light of the fact that 8.065817517x10⁶⁷ divided by 3 x 10²⁵ =

2.66 x 10⁴², it is IMPOSSIBLE to shuffle a deck of cards into order.

If 52 cards won't go into order by accident, neither will a protein essential for life fall into order by chance. Somebody made us.

with our pitching staff,” Pacheco said.

The ‘Cats return their entire infield from last year, including catcher Jacob Pace. Destry Yocum 3B, Domini Bravo SS, Derek Pacheco 2B, and a platoon of Wernett/McPeak at first base round out the infield. Seth Harmon and Robbin Newman return in the outfield.

Most coaches are cautiously optimistic at this time of the season and politely decline any bold predictions. After a long offseason to think about last year's ending, Pacheco said the ‘Cats have only one goal.

“This year our goal is to win it all,” he said. “We feel that we have some hard work that we need to put in between now and the first week of May.”

SOUTHWEST GAS

natural gas SAFETY

Whether you're a Southwest Gas customer or not, it's important to know how to recognize and respond to a natural gas leak.

A leak may be present if you:

SMELL: An odor similar to rotten eggs, even if it's faint or momentary.

HEAR: A hissing or roaring sound coming from the ground or above-ground pipeline.

SEE: Dirt or water blowing into the air, discolored vegetation surrounding a pipeline, or standing water continuously bubbling.

If you suspect a leak:

- Leave the area immediately.
- From a safe place, call 911 and Southwest Gas at 1-877-860-6020, day or night, whether you're a customer or not. A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off any electric switches, thermostats, or appliance controls; or use automated doors.
- Don't start or stop an engine.

For more information about natural gas pipeline safety, visit swgas.com/safety or call 1-877-860-6020.
