OBITUARIES

Guadalupe B. 'Lupe' Bejarano

Guadalupe B. "Lupe" Bejarano, 73, passed away peacefully surrounded by her loved ones on March 1, 2018. Lupe was the youngest of 7 children, born on Dec. 11, 1944 in Morenci, AZ to Anastacia and Manuel Bailon.

Lupe was a graduate of Morenci High School in 1963, then attended Beauty School and worked a short time as a beautician in Duncan, AZ. It was there Lupe met the love of her life and married on June 30, 1966, prior to Lito's deployment to Vietnam. In 2016, they celebrated their 50th wedding anniversary.

Lupe was a stay-at-home mom to her three children.

When they became school aged, Lupe went to work for Coronado Elementary School as a school monitor/aide. She supported her children and grandchildren throughout the years in their many sports, clubs and fundraisers.

Lupe loved her family and especially loved spending holidays and get-togethers with all her grandchildren. She was thoughtful and a very giving person. You would always find her in the kitchen cooking or baking whatever her grandchildren desired. When she was not busy in the kitchen, she enjoyed frequenting the casinos.

Guadalupe is preceded into heaven by her parents, Anastacia and Manuel Bailon, and siblings, Jesusita B. Pineda, Amelia B. Serna and Jose P. Bailon.

She is survived by her loving husband, Margarito "Lito" Bejarano; son, Margarito Bejarano Jr. (Beatrice) of San Manuel; daughters, Judy B. Rupio (Robert) and

Beverley Bejarano, both of Mesa; siblings, Emma LaMere (Jack) of Nebraska, Carmen Garcia of Tempe and Frank Perea Bailon of Pima; grandchildren, Angel Bejarano, Frankie Bejarano and BeDelia Bejarano, all of San Manuel, Renae Rupio, Kayla Rupio, Rhianna Rupio, all of Mesa, and Oceanana Kitchen also of Mesa; great-grandchildren, Illeanna (Illy) Bejarano of San Manuel and Baby Cesar Avelar due on March 7, 2018.

Services will be held at St. Bartholomew Catholic Church, 609 W. Park Place, San Manuel, on Thursday, March 8, 2018. Viewing is at 9 a.m., Rosary at 10 a.m. with the Mass to follow. Interment will be at Valley View Cemetery in Mammoth.

Regional forum has local economic development groups 'talking trash'

The Copper Corridor Economic Development Coalition in conjunction with the Southern Gila County Economic Development Corporation conducted a regional Rural By Choice Forum. The topic for the forum? Blight.

The communities throughout the Copper Corridor have all faced ongoing problems with abandoned and dilapidated structures and negligent property owners. Compounding the problem, each of the communities face lack of financial resources and staff resources to truly combat the problem effectively.

One of the key issues that the forum addressed was the property tax valuations and the appeal process on property taxes. For several communities in the region, there are properties where the property tax valuations are appealed even when there are functional businesses on the same block. The appeal process is often conducted and granted by the state Board of Equalization, which is appointed by the Governor. The forum attendees are hoping to change that policy to allow local communities to comment or weigh in on any property tax appeals.

Leaders from throughout the Corridor shared their experiences. Two panel discussions were held which included local officials sharing what they are doing to combat blight and a panel of representatives from the Arizona Department of Environmental Quality shared resources on the Brownfields grant program that is available though the agency to help assess and repair environmental problems in buildings. They also shared various resources that are available through Keep Arizona Beautiful programs.

Local entities sharing their experiences were Todd Pryor with the Town of Superior who shared the current strategy

the Town is taking to deal with blighted and abandoned properties. Sue Anderson with the Superior Chamber of Commerce and Michelle Yerkovich, Code Enforcement Officer with the City of Globe, both shared their recent successes in managing blight and hosting community clean ups.

The day long event included a "Listening Lunch" with

Senator Frank Pratt, Rep. TJ Shope and Rep. David Cook. Forum attendees took the information that they learned during the forum to discuss their concerns and share their need for resources and potential policy changes. The legislators were helpful and informative to the attendees, asking them to send in additional information so the issues can be studied further.

The Copper Corridor Economic Development Coalition hosted a conference in Superior about blight.

Mammoth-San Manuel School Board facing major decision about unification

By **Jennifer R. Carnes**
San Manuel Miner

In the face of declining student enrollment and massive reductions in funding, the Mammoth-San Manuel Unified School District Governing Board is once again facing a decision that would mothball two more campuses.

The board is considering creating a centralized campus for pre-K-12. Pending final approval, all students will be housed at the San Manuel Jr.-Sr. High School.

The Mammoth STEM and First Avenue Elementary Schools will be closed.

The time frame? All work and the schools unified at one campus by August 2018, in time for the beginning of school.

On Saturday, March 3, the board held a meeting in the district auditorium to hear from residents, parents and teachers about the proposed campus unification.

A few spoke out against the unification, fearing that putting younger students with older students would create a harmful atmosphere for the more vulnerable students.

Annie Martinez, a parent who lives in Mammoth, cited recent school violence at middle schools and high schools in Coolidge and Casa Grande. She is concerned that bullying of younger

students may result in injuries or even suicide.

"What is the cost of an elementary school child's life?" she asked the board members.

Junior high English teacher Denise Fisher disagreed with the idea that older students would bully or harm younger students they might come in contact with on campus.

"I think our older kids will rise to this," she said. "We have good kids."

She has spoken at length with her students about the possible transition and most were excited about the prospect, asking if they could start a reading program with the younger students and whether they could help out in the elementary classrooms.

"This is about helping out kids," she said.

Martinez did agree that a K-12 school could work, but that the board needed to take its time and not do everything in a couple of months.

Debbie Mansager, a teacher at First Avenue Elementary School and former teacher at Mammoth Elementary School, agreed that it could be done, but not by August.

"It needs to be done slowly," she said.

She suggested doing the unification in stages, leaving one elementary school open while the classrooms are renovated at the

We looked! And we saw him! The Cat in the Hat! It was Dr. Seuss Week, Feb. 26 - March 2, 2018 and schools around the country celebrated the writings of the good Doctor and his 114th birthday, March 2.

The Mammoth Elementary STEM School celebrated with different events. On Wednesday, Feb. 28, and Thursday, March 1, community leaders read some Dr. Seuss books to the students. Sgt. Rudy Lujan from the Department of Public Safety read on Wednesday while Mammoth Police Chief Tami Villar and Justice of the Peace Arnold Estrada were there Thursday. Chief Villar was warmly greeted by the preschool

kids. She read 10 Apples Up On Top.

Friday, March 2, was Dress Up Day the Seuss Way where the students could wear their pajamas or wacky outfits.

At First Avenue Elementary, Family Night was held on Thursday March 1. Besides reading Dr. Seuss books, there were exhibits related to his stories in different class rooms. One exhibit was based on the book, Oh, the Places You'll Go, and featured a world map and clothing from different cultures around the world including Scotland, Germany and Mexico.

Kids and parents got to go inside a portable blow up Starlab Planetarium.

2. The Court has set an initial hearing on March 13, 2018, at 3:00 p.m., and a continued initial/publication hearing on May 1, 2018, at 10:00 a.m., at the Pinal County Superior Court, 971 N. SCHOOL CAMPUS UNIFICATION

Continued from page 4

Jr./Sr. high school to accommodate the younger students.

But the school district may not have time.

Terry Newman, the M-SM School Board President, admitted that this decision is entirely about numbers and boils down to: "How much money do we have for our kids' education?"

The school district is aging. Buildings that are considered "brand new" are actually 30 years old. Heating and cooling equipment, likewise, are aging.

At First Avenue Elementary School, the A/C units are 20 years old and will need to be replaced if the district intends to keep using the campus. The cost? The district would need to replace 32 A/C units at a cost of \$8,000 each for a total of \$256,000.

Mammoth Elementary also has its own set of issues. The administration has estimated that to bring Mammoth Elementary School to full capacity is estimated at nearly \$500,000.

- The A/C and heating units in the band-lab area were struck by lightning and the cost to replace is \$30,000.
- The gym boiler is non-repairable and the cost to replace is \$50,000.
- The gym coolers are not functioning at this time. One is repairable at a cost of \$8,000 and the remaining ones need to be replaced (\$30,000).
- The cafeteria roof needs replacing.

- \$51,000
- All of the classroom A/C units were installed in 1999-2000 and are at the end of their serviceability. The cost to replace all 36 units is \$288,000. On the classrooms still in use, the district has had to replace three compressors and several fan motors.

Enrollment in the district has been on a steady decline since the mine closed in the late 1990s. In 2000, when the district closed Gardner Middle School, enrollment was 1,249. Enrollment slipped to 1,100 when the district closed Avenue B. In 2009, when the district reduced

the enrollment at Mammoth Elementary School and created the STEM school, enrollment in the district was 1,049. Enrollment is now 710.

Along with the decline in enrollment, there has been a significant decline in funding to the district. From 2013 to 2018, funding for the district has gone from \$5,478,266 to \$5,191,321, a decrease of nearly \$300,000. Federal funds for special education students and Title I and II, have decreased by 10% yearly.

The district, like other small and large businesses, have had to adjust for an increase in the minimum wage and increases in the costs of fuel, utilities, food, etc.

The cost of running each of the facilities:

- Mammoth Elementary School – \$475,000
- First Avenue Elementary School – \$1,400,000
- Jr./Sr. High School – \$1,800,000

Unification, School Superintendent Julie Dale-Scott explained to the members of the public attending Saturday's hearing, "puts budget money into the students rather than the buildings."

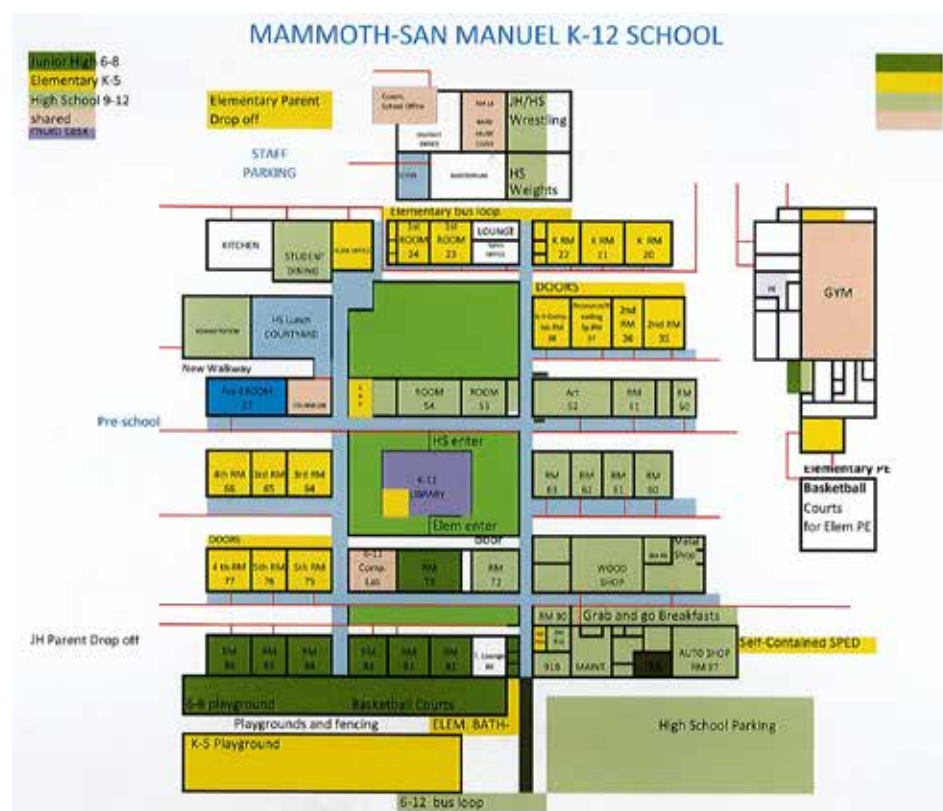

"Schools are central to this community," Newman said. "We need to take this on as a community."

The governing board seems resigned to the unification. But the biggest question is what is an appropriate time frame.

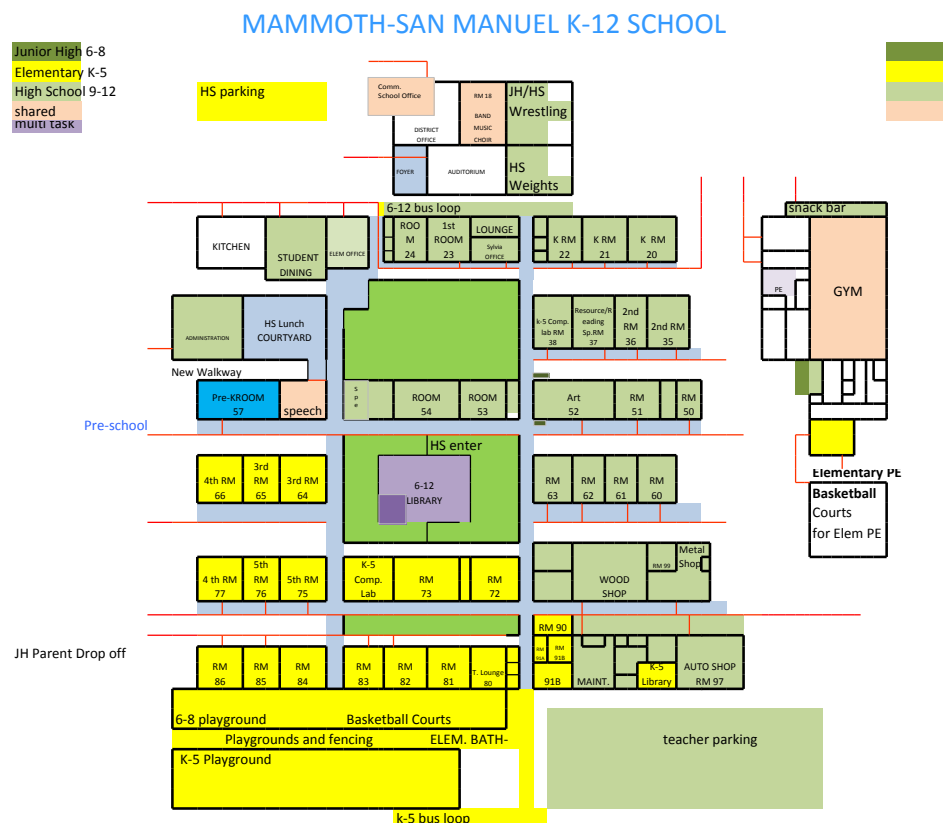

"We're not saying that three months is a viable time frame," Newman said, "just that it's a time frame."

The board must make a decision at next week's board meeting. The meeting is set for 6:30 p.m. on Tuesday, March 13, at the district office. The public will have the opportunity to address the board during the Call to the Public.

There is still time to participate in an online survey. www.msmusd.org. Budget and enrollment information and a downloadable version of the two proposed maps can be found here: <http://bit.ly/2FZmE6k>
