# Panthers end week on a high note – win over Joseph City

By **Nathaniel A. Lopez**  
Superior Sun

It was a week that started low and ended on a high. The Superior baseball team began their week with a home game against Hayden, which did not end well. The Panthers had a tough time holding down the Lobos, and were unable to keep them from racking up 13 runs. The boys struggled to break past Hayden's defense and were unable to score any runs, resulting in a 0-13 final score. The second game of the week for the Panthers was an away game against Ray. The first inning went to the Bearcats, but by the third inning the Panthers were able to pull ahead. During the top of the seventh inning the Panthers were up 11-6, but the Bearcats were able to score 5 runs at the bottom of the seventh inning causing an 11-11 tie.

The boys ended their week on a positive note with an away game against Joseph City. The Panthers started off the game playing catch-up for the first five innings. The team began to turn things around during the sixth inning, scoring 4 runs, tying the score 5-5. Taking control of the final inning, the Panthers pushed past the 5-5 tie, scoring

another 2 runs, and keeping Joseph City from scoring any other runs. The game ended with a Panther victory, and a final score of 7-5.

Unfortunately it was a week of ups and downs for the Lady Panthers.

Their week began with an away game against Miami. The first two innings went to the Lady Panthers, but Miami was able to pull ahead during the third and fourth inning. The score gap proved to be too big for the Lady Panthers to close, and the girls suffered a tough loss of 7-17.

The second game of the week was another away game,

against Ray. The girls came out swinging, scoring 6 runs in the first inning. Keeping up their momentum, the Lady Panthers took lead of the game, and kept it. The girls took the win, with a final score of 12-10.

Their week ended with a third away game against Joseph City. The Lady Panthers had a tough time against the Wildcats. Joseph City scored 5 runs in the first inning, while keeping Superior from getting any runs. The only 2 runs that were scored by the Lady Panthers were in the second and third innings. The game ended in a tough 10-run loss with a final score of 2-12.

# Americorps completes fire break for Town of Superior

Since the Telegraph fire in 2021, the Town of Superior has been working proactively to protect the town from forest fires. Recently the Town of Superior received a grant in the amount of \$162,215 from the Arizona Department of Forestry and Fire Management (DFFM) to build a fire break, protecting the Town from the south.

To complete the project the Town was able to utilize the work of an Americorps NCCC crew, to help build the fire break. The eight young adults lived in Superior for eight weeks working on the fire break, which was both on Town of Superior property and on the Tonto National Forest.

The team working alongside local contractor Extreme Property Solutions, created a fire break that is approximately 33.5 acres and is 100 feet wide and 14,000 inches long. The Town of Superior designed the fire break in consultation with Pinal County Community Wildfire Protection Plan and DFFM. The fire break is located at the Golf Course Road on the west and travels east to Highway 177, providing a full break for the south side of Superior. The Americorps Team arrived in

early January and worked through the end of March on the project.

There was a slight delay in finalizing permits with the Tonto National Forest which allowed the team to also work on invasive species removal and fire break work at the Boyce Thompson Arboretum.

While the Americorps Fire Team 1 was in Superior they also volunteered with the LOST trail to work on trails in Haunted Canyon and assisted with both the Superior Chamber of Commerce Home Tour and Mining Festival. During bad weather days, several team members also assisted with some of the remodeling work at the original Superior High School.

"This team was very instrumental in helping us move our projects forward efficiently," explained Mayor Mila Besich. "We are all going to miss them" she said.

During their time in Superior many of the local organizations such as Rebuild Superior Inc., Superior Optimist Club, Legends of Superior Trails and Rotary Club hosted the team for meals and activities to help them get to know the community better.

Fire Team 1 departed Superior on

March 31 and they will be heading to Greely, Colorado to work with Habitat

for Humanity to build homes in that community.
