OBITUARIES

Tony C. Gonzales

Tony C. Gonzales, 79, passed away on March 24, 2016 in Tucson, Arizona. Tony was born April 2, 1936 to Antonio Gonzales and Candid Cervantez. He was the fifth of eight children; three girls and 5 boys.

In humble surroundings, Tony would always strive to achieve and better himself with hard work. He worked for Nick Rayes flooring where he learned to lay carpet and hard floors. He then went to work for the mining industry for 39 years, retiring as a Journeyman Electrician. In between this he served his country in the Armed Services.

He always generously helped others starting with helping to build a home for his parents, a

house which still stands today and in his family. He would help others, family or friends when there was a need. He never asked questions as to what they needed nor expected a pay back.

Tony was an avid reader of Holy Scripture and most everything else. He believed we should be informed of issues around us. He said it was out duty as citizens and Christians to be informed, lest we be deceived. He led a rich fulfilling life which only became better when he

accepted Jesus as his Lord and Savior in 1982. He was baptized and attended Calvary Shadows Assembly of God and then the Oracle Assembly of God.

Tony had a great sense of humor and always made everyone laugh. We had the privilege of knowing a wonderful man in our midst and we consider ourselves very lucky to have had a person of his caliber in our lives.

Tony certainly was a special man whom we loved and will miss as long as we live.

Nelda Gean Hedrick

Nelda Gean Hedrick was born July 7, 1939 in Rising Star, Texas to Nelson and Maxine McKinnerney. She passed away Saturday, April 2, 2016 at the age of 76.

She grew up in Odessa, Texas with her sisters Patricia Ann and Lydia Jane. On May 29, 1955, at the age of 15 she was married to her sweetheart Jerry Hedrick. The newlyweds lived in Odessa until November of the same year when Jerry took a job with Magma Copper Company

and they moved to Arizona. Jerry and Nelda had three children, Farrah, Jerry Jr. and Samantha. After moving throughout the Tri-Community, they settled in Oracle, Arizona where Jerry built their home at the top of what is now Water Tank Road.

A pivotal time in Nelda's life occurred at a women's meeting in 1970. Nelda received prayer and was filled with the Holy Spirit. Her life was completely transformed from that moment; she was on fire for God. Jerry remembers Nelda praising the Lord and raising her hands in worship while doing dishes; he knew there was something different about her. The family opened the doors of their home for prayer meetings, which grew into the church that is now Living Word Chapel. Jerry and Nelda moved to Ark City, Kansas in 1991 where they pastored Harvest Fellowship for fourteen years. They retired in 2005 and moved to Clinton, Arkansas, although they never retired from serving their King. In 2015 Nelda and Jerry celebrated their 60th wedding anniversary.

Nelda lived her entire life to honor her Lord and Savior. She never missed an opportunity to minister to someone in need; she never walked away from you without making sure you knew Jesus. She led a life of continuous prayer and daily prayed for friends and family by name. Countless individuals have been touched by her compassion, wisdom, prayer and faithfulness. She is survived by her husband, Jerry Hedrick, Sr., son Jerry (Radonna) Hedrick, Jr., daughters Farrah (Russell) Dever and Samantha (Vicente) Hedrick Lozano and many grandchildren and great-grandchildren.

Nelda: A powerful woman of God.

A memorial service to celebrate her life was held on Thursday, April 7, 2016 at the Living Word Chapel, 3941 W. Highway 77, Oracle, Arizona.

San Manuel's National Junior Honor Society

SMHS | Submitted

San Manuel's National Junior Honor Society inducts new members

On Tuesday, April 5, the San Manuel Chapter of the National Junior Honor Society (NJHS) inducted 13 new members. Inducted were Zara Allmendinger, Kalin Anderson-Begay, Evan Apuron, Mia Borg, Aubrey Bridges, Victoria Medina, Alyssa Riekofski, Julia Rodriguez, Hannah Smallhouse, Thalia Tamayo, Eric Velasquez, Isiah Villegas, and Victoria Zazueta.

Students inducted into the NJHS are recognized as high achievers and encouraged to strive to attain further excellence, in ways that benefit not just themselves, but, their local community and the world. They have access to tools and resources that help them in developing leadership skills, find their motivation, and in exploring career options. Teamwork is built through service projects, which also hone aptitude in management and making friends.

Along with these valuable life skills, students also benefit through help with financing their future college education through the NJHS Outstanding Achievement Award which is given in recognition of 500 of the most exceptional NJHS members. Plus, an integration of web and social media platforms provides

college admission and planning resources uniquely planned for NJHS and National Honor Society members.

To become a member of NJHS, students must have a good academic record, belong to a school with an active chapter, be in their second semester of 6th grade or above in a middle level school and meet the individual school's eligibility requirements. If you know of a student who might qualify, check with your school's office or advisor to learn more information.

Advisor Denise Fisher stated, "This year, we have increased our scholarship requirement to a 3.5 GPA. Many of these students are also athletes and members of student government. It is not easy to keep that high of a GPA, play sports, and help lead our school, but I know these students will be able to balance everything. They're a great group of kids."

Members and their families were treated to an ice cream social after the induction, where they all received their new NJHS shirts.

Congratulations to all the NJHS members who strive to meet the NJHS characteristics of scholarship, leadership, service, character and citizenship.

San Manuel High School to host talent show Friday

Kids at San Manuel High School have some mad skills and will prove it on Friday, April 15, at this year's talent show.

The San Manuel High School Student Council is sponsoring the talent show this year. It has been a major success in the past, and organizers hope to continue this growing tradition. Students are getting involved and taking their tasks seriously, and it is time for them to showcase their abilities.

But with a lot of hard work, amazing organization skills, and determination, the 2016 talent show is going to happen. It will be held on April 15, 2016 at the

district auditorium at 7 p.m. There will be concessions there, and plenty of entertainment. With Mrs. Fisher as the host and our wonderful judges, the audience will have a great time. The cost for admission will be \$2 or \$1 with a can of food.

All proceeds will go to the high school student council and will be used in a way to benefit our school. Be sure to come and support all the wonderful talent that is open to the community. We had people audition that do not go to this school so we are trying to reach outside of our small town and we are inviting everyone to an enjoyable evening.

Oracle Artist Studio Tour to honor Michael Collett

By John Hernandez
Copper Area News

The Oracle Artist Studio Tour will be held on Saturday and Sunday, April 16 and 17, from 10 a.m. to 5 p.m. each day. The tour has been condensed this year to 18 locations to make it easier for visitors to find and see all the wonderful art work. There will be 43 artists and artisans exhibiting their work this year.

This will be the 24th year that the tour has been in existence. The tour will be dedicated this year to the memory of one of its founders, Michael Collett who passed away last year.

Many of us who lived in Oracle remember Michael fondly. He grew up in the area. His family owned and operated Pat & Mike's in Oracle. Michael was a photographer and quite a number of Tri-Community residents have photographs of their children, wedding pictures, portraits, etc. in their homes that Michael used his talent to produce. I know of this personally as Michael photographed my daughter's wedding at the 3C Ranch and did portraits of my kids growing up. Rest in Peace, Mike.

Michael Collett's wife, Jenny Kilb is one of the artists on the tour and has shared their story of the beginning of the Oracle Artists Studio Tour. It follows below:
Michael Collett 1951 - 2015

Some time in the early 90s, Michael Collett and his wife, Jenny Kilb, realized a need for a showcase for artists in Oracle, other than Rancho Linda Vista. The result was the Oracle Artist Studio Tour, which has gone through a few names and organizers. One of the major goals was to draw more artists to live and work in Oracle, and offering them more visibility. This goal has obviously succeeded.

Michael, a 40 year resident of Oracle, starting as a child behind the counter of his parent's business, became a portrait and fine art photographer, a man who knew everyone in the region, and liked everyone he knew. So,

his wife being shy, he became the driving force behind the tour, personally contacting the artists and signing them up for this scary new adventure. Eventually he taught his wife how not to be shy, and how to talk to and enjoy people.

In the first few years of the tour, Michael and Jenny did all the work, with a bit of help now and then. Today the Tour has internet and committees, and at least three times the number of artists. Michael would be so pleased to see how his dream has grown.

You can pick up a self guiding map and list of artists at the Welcome Center at the Tri-Community Visitor Center at 1470 W. American. The Studio Tour map/brochure and community information is also available at www.visittricomunity.org. To view a slide show of artwork by participating artists visit www.oraclestudiotour.com.

Lady Miners split a pair of games last week

By Andrew Luberda
San Manuel Miner

A four-run sixth inning by visiting Thatcher was the difference in the No. 21 Eagles' 9 – 8 upset victory over second-ranked San Manuel last Wednesday, but the Lady Miners bounced back with a lopsided 13 – 3 win at Desert Christian last Friday.

Lyana Waddell was the star at the plate and on the mound in the Lady Miners' 15th win of the season. The Western New Mexico commit went 2-for-5 with a pair of doubles and drove in four runs in addition to pitching a complete game for her 10th victory of the year. She allowed three runs on six hits, did not walk a batter, and fanned 11 Desert Christian hitters.

Dionne Ruiz, a junior, had three hits, including two doubles and a triple, and three RBI in the win. Daniela Guerrero had two hits and two RBI. Angela Navarro also had two of the Lady Miners' 11 hits in the game.

Upcoming schedule: Apr. 13 vs. Pueblo and Apr. 20 vs. Amphitheater. Both games are scheduled for 4 p.m.

Children's author visits Mountain Vista School

Dr. Suzanne Doherty reads to students at Mountain Vista School.

On March 9, the students and teachers of the Mountain Vista School in Oracle had a special treat sponsored by the Oracle Schools Foundation.

Published author and motivational speaker, Dr. Suzanne Doherty, spent the day reading to students, answering their questions and speaking with faculty in the afternoon about the joy and importance of writing. Dr. Doherty's latest book, *Adeline and Edward-Be A Friend*, was the focus of the day's events. The book, which was published last year, is available in several languages including: English, Spanish, Korean, Japanese, Chinese and Thai. The editions in other languages are translated so that the story appears in English and the selected language. Teachers at Mountain Vista all received a copy of the English/Spanish version as a gift from the Foundation.

Dr. Doherty firmly believes that the love of reading should start at a very young age. Family and extended family members are a child's first and most effective

teachers. Her 40 years as an educator and school system Superintendent have resulted in a passion for reading education. She believes that modeling good reading habits at home instills a life-long appreciation of the written word. The *Adeline and Edward* book series is a great resource for discussion, developing positive attitudes and behaviors, and contributing to a child's academic development. Dr. Doherty has travelled to schools both in the United States and in other countries, reading to students and helping teachers promote writing skills.

The students had the opportunity to hear the story read by the author, and to ask questions about writing and how to write their own stories. The afternoon session with teachers focused on motivating children to write and techniques to spark their enthusiasm and improve their skills. Dr. Doherty thoroughly enjoyed her visit to the school and was delighted by the warm and enthusiastic reception she received.

Tens for Teens program open to local students

Easter has come and gone; the year is flying by while spring flowers are sprouting all around us. It is a wonderful time of new growth and fresh beginnings. It's a good time for all families to grow and learn especially if you are a teen.

As the school year is drawing to the end of the semester we have opportunities for students to complete community service projects for scholarships through Ten for Teens at Family First.

"Ten for Teens" encourages young people to learn and develop new skills and grow with a group of fellow students

or circle of friends. Teens set a time each week to volunteer at Family First to learn leadership skills, confidence in team building, and basic office and computer skills for their future.

Adult supervision is provided by Family First staff for all students volunteering. This will help them stay in school, be motivated, helping in academics, and accomplishing their goals for their future.

So come be prepared, be ready, be successful!

Call Family First at 520-896-9545 to schedule a time to come in and join "Ten for Teens"! We are located at

1575 W. American Ave Oracle, AZ. We are open Monday, Tuesday, Wednesday from 9 a.m. -5 p.m. and Thursday by appointment.

San Manuel Airport group, Knights of Columbus host fly-in, drive-in breakfast

It's been several years since the last breakfast was held at the San Manuel Airport and, if the success of last Saturday's event is any indication, more fly-in, drive-in breakfasts will be on the horizon. The Knights of Columbus ran out of food and had to go get more so that they could continue serving hungry pilots and drivers. More than 50 planes flew into the small airport, filling the tarmac.

The Southwest Gas logo, featuring a stylized diamond shape, is on the left. To the right, the text "CALL 811 Before You Dig!" is displayed in large, bold letters. The background is a dark red color with a faint grid pattern.

One simple call to 811 gets underground utility-owned lines marked for FREE.

Whether you're a homeowner or professional excavator, every digging job requires a call — even small projects — so be sure to:

- Call 811 at least two days before starting any digging project
- Respect the marks
- Wait for the site to be marked
- Dig with care

Not calling can be life threatening and costly. You can harm yourself or others, disrupt natural gas service to an entire neighborhood, and potentially be responsible for injuries, repair costs, and criminal penalties.

Natural gas lines can be buried anywhere. If you ever suspect a natural gas leak, call **911** and Southwest Gas at **1-877-860-6020** immediately, whether you're our customer or not.
