Margo Fire forces evacuations and destroys homes

The Margo Fire started on Thursday, April 9, in the community of Dudleyville. The fast-moving blaze destroyed 12 primary structures.

No one was injured or killed in the blaze.

Residents were forced to evacuate their properties but were allowed to return home late on Saturday night. For many families, their homes were destroyed in the blaze.

High winds and the highly flammable tamarisk trees helped the fire to grow quickly. The fire consumed about 1,148 acres. Arizona Department of Forestry and Fire Management assisted the Dudleyville Fire Department and Pinal County in combatting the blaze and logistics.

On Monday evening, the fire was determined to be 100% contained and the fire management was turned over to the Dudleyville Fire Department.

Pinal County Emergency Operation Center, Pinal County Sheriff's Office along with other agencies from across the Copper Corridor aided in supporting the victims and evacuees. There will be many months of clean up ahead

for the community. At press time, cause of the fire was listed as human caused.

Over the weekend, Highway 177 between Superior and Kearny was closed several times due to brush fires along the highway. Everyone is reminded to be fire safe, as Arizona is bracing for a very serious fire season due to lack of rains and the extremely dry underbrush.

Jena Martinez-Inzunza awarded Esperanza Award

Hayden-Winkelman K-2 teacher Jena Martinez-Inzunza was recently nominated and awarded a Chicanos Por La Causa Esperanza Award.

She was nominated by her longtime colleague from HWUSD Pamela Gonzalez. Gonzalez submitted an essay on why Jena should receive the award.

The nomination essay spoke of Jena's love for sharing her Hispanic culture and her commitment to serving her students both at school and within the community. She also maintained a strong and positive attitude as she battled cancer and that attitude and caring spirit was once again evident when the district mourned the loss of long time and much loved HWUSD teacher Kim Byrd to COVID-19.

This award was a bright spot for the community and the district.

Jena grew up in Hayden, in the barrio of San Pedro. She attended school in the Hayden-Winkelman Unified School District and is a proud graduate of Hayden High School in the class of 1982. She earned a bachelor's degree in Elementary Education from Northern Arizona University, later earning her master's degree in Education. She chose to return to her hometown and teach at her alumni school. She is now in her 29th year of teaching.

"It is so exciting and rewarding for us to 'surprise' each of the four winners at their schools and in front of their students. We look forward to the moment when we get to hand over a \$5,000 check and say congratulations and thank you for being such an inspiring teacher," explained Cathy Higuera Keppel, Event Planner, Chicanos Por La Causa.

The school district received a \$2,500 cash award and Jenna was awarded a \$5,000 cash award and of course this prestigious award.

"In 1999, Pete Garcia, a former President/CEO of CPLC established the Esperanza Latino Teacher Awards. He understood the importance Latino teachers have on their students and each year CPLC's Events Team is excited to recognize and celebrate these amazing teachers as this is our favorite event," said Keppel.

Carlos Galindo-Elvira, CPLC's Director of Engagement & Partnerships and former mayor of Hayden, said, "There's a tremendous sense of pride that in the heart of Arizona's Copper Corridor. Chicanos Por La Causa recognizes Jena Martinez-Inzunza as a 2021 Esperanza Latino Teacher Award honoree. Jena's story as an educator is one of dedication, courage and overcoming adversity."

That's a really big check! Congratulations to Jena Martinez-Inzunza for winning the Esperanza Award. Ben Scolaro | CPLC

Hayden Lobos battle two close games on the diamond

By **Nathaniel A. Lopez**
Copper Basin News

The Hayden Lobos baseball team is continuing to put up a fight this season. Last week, the boys competed in two very close games. On Tuesday, April 6, the Lobos hosted Tempe Prep. An even 1-1 going into the second inning, the Lobos struggled to keep up. The Lobos defense played tough, giving up no points after the fifth

inning. Unfortunately they were unable to walk away with the victory. The final score was 4-6.

That Friday, they traveled to Superior to take on the Panthers for the second time this season. It looked like it was going to be a triumphant night for the Lobos, who were up by two points by the start of the sixth inning. The boys found themselves giving up three points by the end of the seventh, leaving the final score 6-7.

The boys are set to play the Ray Bearcats on April 13, followed by a trip to compete against Bisbee on Friday, April 16.

The Lobo's softball team only competed in one game over the past week. They played against the Superior Panthers on April 9. Unfortunately they were not able to repeat their previous Friday win; the final score of the girl's game was 1-9. The softball team will also compete against Ray and Bisbee.

Ray baseball on a hot streak with wins over San Manuel, San Tan Foothills; ladies persevering

By **Nathaniel A. Lopez**
Copper Basin News

The Ray softball team keeps trucking through a tough season.

The week started off with the April 5 game against San

Manuel. Unable to get any points on the board, the game was concluded by the fifth inning, with the final score being 0-18. The game that following Friday, against San Tan Foothills, the Lady 'Cats were able to keep from giving away as many points. By the start of the fourth inning, the game was tied 1-1, but San Tan was able to score five runs by the sixth inning. The final score for that game was 1-6.

The girls are set for a busy week with games against Hayden, Fort Thomas, and Mogollon.

The boys' baseball team continues their hot streak with two wins this week. Against the San Manuel Miners, the Bearcats played an intense game right out of the gate. By the end of the first inning the Bearcats were up by 13

points. The intensity dwindled for the second and third inning, but by the end of the fourth inning they had already put 26 points on the board. The game was called after the fifth inning, the final score 26-0.

The following Friday, they faced San Tan Foothills. The Bearcats started off strong again, leading 2-0 by the start of the third inning. By the end of the third inning San Tan found themselves up by two, and it wasn't until the fifth inning that the Bearcats would catch up. Adding seven more points to the board, the boys picked it up and came out on top. The final score was 11-5.

The boys will compete in a busy week against Hayden, Tempe Prep, and Mogollon to defend their 5-0 record.

Sharon Jakubowski Wolz is the new town manager for the Town of Kearny.
Mila Besich | CBN

Kearny welcomes new Town Manager

The Kearny Town Council hired a new Town Manager earlier this year. Sharon Jakubowski Wolz started her new position as Town Manager on March 1. During her first months of service, she has been focusing on getting to know the staff and residents of the community.

Sharon has had many years working alongside governmental financial organizations at the military level. She has worked in Berlin and Turkey with the Department of Defense working with the local ambassadors and State Department officials.

Her father was in the Navy and she enjoyed living in other countries. She has also maintained careers on the East Coast and in California. She has taught at the Community College level in California and also worked in the private sector in the high tech telescope development.

She has been actively involved in large non-profits such as Salvation Army, Susan B. Komen Race for the Cure and Child Spree. She plans to use the skillsets that she has acquired in all of the career and volunteer positions to help the Town of Kearny operate and thrive.

She sees a lot of opportunity to improve community amenities such as parks and the Kearny Town Lake and she understands that the Town must remain focused on infrastructure especially the infrastructure for water delivery and waste water treatment. She is also learning more about the Town Code and how it functions to support the overall town operations and long term planning.

She recently moved to Kearny and lives with her two border terriers. She has always enjoyed small towns and is happy to be living in a small town, like she did growing up.

Town of Kearny declares a water emergency

The Town of Kearny Tuesday announced that it was declaring a state of emergency for water conservation.

The town has implemented extraordinary water conservation measures and set the level at 4E: severe water restrictions.

Residents are asked to conserve water for essential

uses including bathing, cooking, laundry and other cleaning. All irrigation of landscaping, golf courses or large green areas (except if effluent or "gray" water is used). Do not wash vehicles or paved areas, or use the fire hydrants on a non-emergency basis.

"The Town believes that Kearny residents want to

Shop at Home: Kearny Glass & Automotive

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 45 businesses in the Copper Corridor.

It is hard enough making it as a small business in a small town during normal

times. But to balance those difficulties during a pandemic adds an entirely different twist to things.

Owen and Jennifer O'Brien have been working hard over the past six years to build their business and they have made it their mission to "create relationships, take care of our communities' needs and build lifelong customers," Jennifer said.

"At \$60.00 per hour, our prices can't be beat," she explained.

Kearny Glass & Automotive offers ADE and DPS certified services at small-town prices.

"There is no job too big or small," Jennifer said.

Kearny Glass & Automotive offers residential and automotive glass, small-to-large auto repairs, towing, custom automotive builds, new and used tires, key cutting and programming, lock out services and auto body and paint. And if that's not enough, they also have the U-Haul service for the area.

"Stop by and meet our friendly staff," Jennifer invites.

Kearny Glass & Automotive is located at 121 Tilbury Rd. in Kearny and

305 W. Quarelli in Winkelman. Both locations are open Monday through Friday, 8 a.m. to 5 p.m. and Saturdays

and Sundays by appointment only. For more information, please call 520-609-1893.
