# Margo Fire forces evacuations and destroys homes

The Margo Fire started on Thursday, April 9, in the community of Dudleyville. The fast-moving blaze destroyed 12 primary structures.

No one was injured or killed in the blaze.

Residents were forced to evacuate their properties but were allowed to return home late on Saturday night. For many families, their homes were destroyed in the blaze.

High winds and the highly flammable tamarisk trees helped the fire to grow quickly. The fire consumed about 1,148 acres. Arizona Department of Forestry and Fire Management assisted the Dudleyville Fire Department and Pinal County in combatting the blaze and logistics.

On Monday evening, the fire was determined to be 100% contained and the fire management was turned over to the Dudleyville Fire Department.

Pinal County Emergency Operation Center, Pinal County Sheriff's Office along with other agencies from across the Copper Corridor aided in supporting the victims and evacuees. There will be many months of clean up ahead

for the community. At press time, cause of the fire was listed as human caused.

Over the weekend, Highway 177 between Superior and Kearny was closed several times due to brush fires along the highway. Everyone is reminded to be fire safe, as Arizona is bracing for a very serious fire season due to lack of rains and the extremely dry underbrush.

## What's So 'Community'

**W**e started the garden in 2018 to provide opportunities for education, food production, and growing a strong community. A good example of the "Community" part of our name is our spring plant sale which is happening right now, through April 24. If you buy one of our tomato plants here is what happened before it reached you:

With the help of local gardeners, we first made a list of plant varieties that grow well in our area. In January we bought the seeds, and in February a crew of our community volunteers planted the tomato seed that is now your plant. After the seeds germinated and were big enough, another team of volunteers transplanted them into a larger pot. Your tomato plant was one of them.

We rotated our schedule between volunteers, making a daily calendar of who would water, who would close the hoophouse and record temperatures, all done to be sure that your tomato plant would be strong and healthy by the time of our plant sale.

All of this was done in one of our hoophouses that was donated to us

by the Winkelman Natural Resources Conservation District, and built by community volunteers. Lots of them!

Now that your tomato plant is ready to sell and then to plant, we have even more community volunteers taking inventory, others conducting the sales, others doing advertising and creating a website that will let you order and pay for your plants online. All for your one little tomato plant! And of course, we are available and delighted to help you in any way that we can to be sure that your garden - and that tomato plant - is a success.

We have a lot of projects going on in addition to plant sales, and many of those projects contribute to the "Learning" part of our name. They include raised garden beds for rent, a pollinator garden, a kid's

model railroad, a food forest, a grape trellis, and a kid's gardening program for which we just finished building garden beds. We're also raising earthworms, and growing willow and cottonwood trees to help replant a stretch of the Gila River near Kearny. All of the funds from our plant sales help with other garden projects. We invite you to join in and help to cultivate common ground!

## Tips and Tricks - Planting and

### growing tomatoes

- Plant starts in the evening so they don't have to deal with heat stress for 10 or more hours.
- Use at least 4 to 6 inches of mulch to help water retention which keeps roots cool.
- If your tomato starts are long and gangly, clip off about 3 sets of leaves and plant deep for better root development.
- Keep to a regular watering schedule, taking into consideration the time of year

(spring, summer, fall or winter). Spring watering for me has been every 2 to 3 days in the morning for about 10 minutes and summer has been every morning early, for about 10 to 15 minutes. Once the temperature in the garden gets to 92 or so I shade my tomatoes with a 40% to 50% shade cloth.

Our web site is ready to take your orders for plants! It has a picture and information about each plant that we are selling, and

you pay online. You will be able to pick up your order, drive-through style, on April 24. Go to [www.oraclegardening.com](http://www.oraclegardening.com)

Stay in touch through our Facebook page - Oracle Community Learning Garden at Wood Field - or through our web page. Questions? Call Laurie at 910-670-5665.

If you would like to be added to our email list, please send your name and email address to [oraclegardening@gmail.com](mailto:oraclegardening@gmail.com).

# Miners split games while ladies pitch shut-outs against Ray, Valley Union

By **Nathaniel A. Lopez**  
San Manuel Miner

The San Manuel Miners baseball team started their previous week off with a tough game against Ray. The boys were unable to put any points on the board against the Bearcats, resulting in a 0-26 loss.

"We are continuing to build and get better everyday," said coach Eric Bustamante, "The work commitment that our players have showed has been extremely encouraging."

That work commitment payed off when the Miners played against Valley Union. Pitcher Jesse Apodaca had a total of 13 strike-outs. The Miners played tough and ended the game with a win, the final score 10-4.

"I'm really proud of the support from the school and community. I'm really proud of this team, and the progress we are making," said Bustamante.

The softball team had a busy week, playing in three games. Their first win of the week was against Ray. Ending it by the fifth inning, the girls won 18-0.

The second game of the week was against Pusch Ridge. The girls fell behind in the first inning, and struggled to come back from it. By the end of the game the Miners were down by 10 points, losing 4-14.

During their final game of the week, against Valley

Union, the girls picked up the pace, and played an intense game. By the end of the third inning it was 12-0. The fourth inning was concluded with an additional 11 points being added to the board. The game ended after the fifth inning, giving San Manuel the victory, the final score 23-0.

The high school baseball team isn't the only one having some success. On Monday, the San Manuel Junior Miners posted a 15-14 win over Eloy. Congratulations, Jr. Miners!

# Shop at Home: Dasch In Thrift Shoppe

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 45 businesses in the Copper Corridor.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties

during a pandemic adds an entirely different twist to things.

Dasch In Thrift Shoppe was one of those businesses falling into the "non-essential" category and was forced to shut down during the worst part of the pandemic.

But they are now reopened and are ready to show shoppers any number of wonderful deals on gently used items.

The Dasch In Thrift Shoppe has been open since 2019. The shop sells gently used items including furniture, clothing, jewelry, toys, knick knacks, art, DVDs, CDs, housewares and much more. Jimmie Dasch is the owner.

Their summer clothing is on sale now, and Jimmie invites Tri-Community residents to stop by and stock up on all the hot weather gear they have to offer.

They are located at 375 E. American Ave. in Oracle. Hours are Monday through Friday 10 a.m. to 5 p.m., Saturday 11 a.m. to 4 p.m. and closed on Sunday. They can be reached at (520) 336-8750. Visit them at <http://daschinthriftshoppe.com/> and like them on Facebook.
