# Margo Fire forces evacuations and destroys homes

The Margo Fire started on Thursday, April 9, in the community of Dudleyville. The fast-moving blaze destroyed 12 primary structures.

No one was injured or killed in the blaze.

Residents were forced to evacuate their properties but were allowed to return home late on Saturday night. For many families, their homes were destroyed in the blaze.

High winds and the highly flammable tamarisk trees helped the fire to grow quickly. The fire consumed about 1,148 acres. Arizona Department of Forestry and Fire Management assisted the Dudleyville Fire Department and Pinal County in combatting the blaze and logistics. On Monday evening, the fire was determined to be 100% contained and the fire management was turned over to the Dudleyville Fire Department.

Pinal County Emergency Operation Center, Pinal County Sheriff's Office along with other agencies from across the Copper Corridor aided in supporting the victims and evacuees. There will be many months of clean up ahead for the community. At press time, cause of the fire was listed as human caused.

Over the weekend, Highway 177 between Superior and Kearny was closed several times due to brush fires along the highway. Everyone is reminded to be fire safe, as Arizona is bracing for a very serious fire season due to lack of rains and the extremely dry underbrush.

# Panthers, Lady Panthers host Hayden, send Lobos packing with double losses

By Nathaniel A. Lopez  
The Superior Sun

The Superior Softball team had a week full of practice before playing against the Hayden Lobos last Friday, April 9. The

Relief pitcher Marcos Galindo (#8) gets the win.

Panthers hosted the Lobos, playing them for the second time this season.

"It was a great game," said softball coach Alfonso Lopez. "We had a fantastic outing from our junior pitcher Danika Bryant."

strike-outs by the end of the game, along with going 3-for-3 at the bat with an RBI. Other notable players were McKenna Duarte who went 2-for-4 at the plate, and helped bring players in with her great triple and double. Monique Sanchez also scored twice.

"It was a well fought battle by Hayden, and their pitcher Mia Stacy, who held our bats at bay for majority of the game," said Lopez.

The final score for the game was 9-1.

On Tuesday, April 13, the Panthers will be hosting the San Manuel Miners, followed by another home game against Chandler Prep on April 16.

In men's action, the Panthers played two close games over the past week. Their first game was on April 7, against Lincoln Prep. The team walked away with the win, the final score being 17-13.

"It was an ugly win, but at least it was a win," said baseball coach Manuel Ortega.

"We need to play better in all phases of the game. We need to be mentally stronger."

The following Friday, the Panthers faced off against the Hayden Lobos for the second time. By the third inning the Lobos were up 4-0, until in the fourth inning when the Panthers tied it up.

"This was a huge game for us, and it was a roller coaster type of game," said Ortega. "We knew Hayden was ready to play and they came out strong."

By the start of the seventh inning, the Panthers were down by one point.

"We dug ourselves into a hole early on, but we fought back and won. That was a huge win for us, and fighting 'till the very end like that will help us in the long run. I am very proud of my boys," Ortega said.

The final score to the game was 7-6.

The boys will host San Manuel on April 13, followed by another home game, hosting Tempe Prep on April 16.

# Shop at Home: Farm to Fantastic Market

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted

to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 45 businesses in the Copper Corridor.

When the pandemic first became a reality, the Superior Farm to Fantastic Market sponsored by the Copper Corridor Economic Development Coalition Food Hub, was just starting out as a weekly event. The pandemic changed the ability for the market

to be held but the Farm to Fantastic Market persisted.

The "Market" opted to function as a "preorder and pick up model", following all CDC guidelines. Market shoppers ordered their fresh baked goods, jellies, lotions and produce in advance and then scheduled their pick up time. This worked for quite some time and allowed local food producers to continue to bring their products to the marketplace and most importantly allowed the consumer to purchase local fresh foods.

As restrictions from the pandemic eased up, the market returned to the food court in Downtown Superior.

The market features a variety of produce vendors including Mary Hysong, Brick House Gardens, Aravaipa Nana's and Sun Produce along with baked goods from Brick House Bakers, Boojum Bakery and many other vendors from across the Copper Corridor. The market is held every Saturday, from 10 a.m. to 1 p.m.; get there early for the widest variety.

For more information on how to become a vendor or to learn more about what you can purchase at the Farm to Fantastic Market, please contact Farm to Fantastic Market coordinator Mary Karlin at 707-337-5055 or by email at [mary4healthyfood@gmail.com](mailto:mary4healthyfood@gmail.com).
