# Hayden man arrested for robbery, kidnapping

A nightmare for one woman finally came to an end in Superior when police arrested a Hayden man accused of kidnapping, robbery and aggravated assault.

According to Superior Police Chief Mark Nipp, on April 4 at about 1:30 p.m., the Superior Police Department received a report of a woman being held in a vehicle against her will. The caller, Nipp said, provided dispatchers with a description of the vehicle, information which was quickly relayed to officers in

the field.

Detective Lawrence located a vehicle matching the description and attempted to make contact with the driver. The driver fled from Lawrence and tried to evade.

Lawrence pursued the vehicle, winding through the residential streets of Superior before the vehicle fled eastbound on Hwy. 60. The driver, later identified as Jonathan Rabago, 24, Hayden, eventually stopped at milepost 228 on Hwy. 60. After an

additional Superior Police unit arrived, Rabago was taken into custody without incident. The victim was located inside the car and was later safely returned to her home.

Nipp said that further investigation revealed that the female victim had been trying to get away from Rabago and had been beaten and robbed during the ordeal, which took place over a 24-hour period. The victim was able to make a call to a family member who then called police. The incident, Nipp

reported, took place at several locations within Pinal County near Hayden and in Superior.

Rabago was arrested and charged with kidnapping, armed robbery, aggravated assault with a deadly weapon, possession of dangerous drugs and unlawful flight from law enforcement. Rabago was transported and booked into the Pinal County Jail in Florence. He is currently being held on a \$20,000 bond and a preliminary hearing on his case was held yesterday.

# Local Chapter of the Well Armed Woman to celebrate second anniversary

The Copper Basin Chapter of the Well Armed Woman is about to celebrate its second anniversary. For two years, the Copper Basin Chapter has been bringing the sport of shooting to women of all experience levels in our communities. Along with just the enjoyment of the sport, the chapter is also educating women on safety and correct use of firearms, self-defense with and without firearms, mindset when conceal carrying and many more topics. The goal of the chapter and the entire organization itself is to educate, equip and empower women as they strive to make important personal choices in their lives. Through the chapter, women are discovering their passion, developing their skills, finding their confidence and building new relationships

within the communities.

With confident and capable instructors, this chapter is going strong and plans to continue for many years to come. Marti Stonecipher, Kari Ramsey and Renee Ramsey lead the Copper Basin Chapter and have been striving to educate and empower women since the start of the chapter in April 2013. These three women have attended many classes to further educate themselves so that they may be the best role models and leaders that they can be. Some of the classes they have attended include NRA Instructor Training, the Well Armed Woman Instructor Training, NRA Range Safety Officer Training, Defensive Handgun, Carbine Training, Hunter Education Instructor Training, and Individual First Aid Kit/Trauma

First Aid, with many more classes on their to-do lists.

The Copper Basin Chapter has also made it a goal to be more involved in domestic violence awareness. The Well Armed Woman is so much more than just a shooting club. The Well Armed Woman focuses heavily on self-defense. Not only to teach women to be independent and confident enough to protect themselves and their families, but to help those who didn't have those skills at one time in their lives. They believe that all women should have security in their lives, no matter how that security may

come.

One of the biggest and most exciting changes the chapter and the organization has experienced is becoming a non-profit organization. The Well Armed Woman Shooting Chapters became a 501c(3) non-profit organization on Jan. 1, 2015. With this change comes the ability to do so much more for the community. The chapters are now able to fundraise, not only for things they need within the chapter, but for other needs in the community. This also means that any

## Please Complete Surveys

People of Kearny, the town really needs your help. Without it, we cannot receive a Community Development Block Grant (CDBG) in the amount of \$224,000. Without the grant, we will go without new fire hydrants and the town's fire rating will go down. We will also have to put off our ten-year plan, which is a necessary component for any future grants.

In order to receive the CDBG grant, the Town of Kearny has to demonstrate that the income of its citizens lies in the Low/Moderate category. The only way we can demonstrate this is through a financial survey of all of us. The survey is totally confidential. Once the survey is certified, the only number the federal government receives is an average of all the incomes. The forms themselves will have your names removed.

Yes, we have tried conducting the survey (twice, as a matter of fact). The first time we tried to conduct the survey by mail. The glitch came about because federal regulations require a connection to a physical address, and not to a post office box. Well, guess what! Everyone in Kearny has a postal box number. The Central Arizona Government (our grant writers) properly used physical addresses, not realizing the problem. Almost all the letters were returned, with only a few sneaking through the postal system.

Next, five of us set out to hand-deliver the survey letter. Perhaps because of the confusion over the first mailing, only 51 residents completed and returned their surveys. We needed at least 267 returns to have a legitimate sampling. We thank everyone who has completed the form,

### MAYOR'S CORNER

By Sam Hosler

Special to the Copper Basin News

and now we are asking everyone's help in acquiring the rest of the surveys.

This is how you can help. Come either to the town library or town hall to get your survey. You may fill it out on site, or you can take it home to fill out and return. If you wish to mail it in, we will provide you with a stamped envelope. If we fall short, we will conduct one more set of personal visits to homes. We really hope, however, that everyone will pick up and fill out this survey as soon as possible. The future good of our town depends on it.

If you have any questions, please call Town Hall at 363-5547, or stop in at Town Hall from Monday through Thursday. We will do everything we can to assist you in completing this survey. We need this income to make our town a safer and better place. Thank you.

## Third annual River Fest, celebrating the rivers of the Copper Basin

Travel over to the Winkelman Flats Public Park on Saturday, April 25, 2015 and enjoy guided birding and nature walks along the San Pedro with a festival celebrating the rivers of the Cobre Valley. The event will feature guided nature walks, a bird banding walk, live entertainment, vendor booths, food and amusements for the kids. The park is located on the corner of Highway 177 and 77 in Winkelman, Ariz. on the Gila River. The event is free and open to the public.

This year's guided hikes leave from the Winkelman Flats Park at 6:30 a.m. for the bird banding walk, the other walks of the 7B Ranch and the San Pedro River Preserve leave at 7:30 a.m. The walks will take participants to areas that not normally open to the general public, these areas are well known to be habitats for many bird species and native wild life. This is an experience that cannot be missed. These walks will have people back to the flats just as the River Fest begins.

This year the festival will feature water slides, bounce castles, and rock walls for the whole family to enjoy along with food booths, outdoor demonstrations and live entertainment. For more information on the event, register for a walk or sign up as a vendor please contact the Copper Corridor Economic Development Coalition, Mila Besich-Lira at 520-827-0676 or visit the event online at <http://bit.ly/CobreValleyRiverFest>.

## Ore Cart dedication to be held April 25

And then there were four.

First came Mammoth's Ore Cart, "Skeleton Crew Graveyard Shift." It was installed at the Miners Memorial Park on Hwy. 77 in Mammoth.

Many years later the second Ore Cart in the Copper Corridor's Ore Cart Trail was installed in Winkelman at the junction of Hwy. 77 and Hwy. 177. This one, called "A Penny For Your Thoughts," was installed in time for Winkelman's Centennial Celebration.

In January, Oracle's "Sailcart" which celebrates the history of Oracle's name, shared with a clipper ship of the same name, was installed in front of the Post Office.

On Saturday, April 25, Superior will become the next realized point on the Ore Cart Trail map as its Cart, designed by artists Sam Lane and Chuck Davison, is installed at the Caboose Park and Superior History Trail. Everyone is invited to the ribbon cutting and dedication ceremony which will take place at 1 p.m. The ceremony is hosted by the Superior Historical Society/Bob Jones Museum and the Copper Corridor Economic Development Coalition and is sponsored by Resolution Copper Company; Evelyn Cooksley in memory of Bud Cooksley; and an anonymous donor from the Legends of Superior Trail (LOST).

The park is located at 834 W. Hwy. 60. It is located on the north side of the highway across from Los Hermanos Restaurant.

# Kearny Little Leaguers learn from former major leaguers

By **Nina Crowder**  
Copper Basin News

It's time to take everyone out to the ball game! Friday was an enjoyable event put on for the Kearny Little League by APS and former major league baseball players Ken Phelps, Ron Davis, Dave Hilton and Lou Klimchock. Approximately eight members of APS were there to help with the baseball clinic for approximately 40 youth ages

nine to 15.

There was so much laughter and enthusiasm in the air as the youth met with the former major league players to learn fundamentals of baseball including infield, outfield, throwing and hitting, and teaching the youth important life skills including teamwork, sportsmanship and positive attitudes.

Lou Klimchock said, "It's about giving back to the community, teaching important life skills and having

fun." APS helped put this event together for the Kearny Little League. APS started the Perfect Game Program in 1998 and continues to put together events like this to involve the young people of rural communities to bring enjoyment and support back to the communities they serve. Judged by the strong turn out the community appreciates the efforts.

# ArtUs Guild to have annual exhibition

By Vicki Clark  
Copper Basin News

The Copper Basin area ArtUs Guild will be showcasing the group's work with an exhibit in The Little Gallery in Kearny starting with an opening reception Sunday, Apr. 19 from 2 to 4 p.m. The exhibit is hosted by the Church of the Good Shepherd and will remain in The Little Gallery for several weeks. The reception is open to the public and refreshments will be served.

This group, for the most part, has been together 18 years or more, starting with a class offered by Gila Pueblo College. A couple of years ago the organized class was discontinued due to the illness of the instructor, but the artists wanted to stay together and decided to continue to meet and formed the guild. Although this year's show will be the second for the ArtUs Guild on its own, it is also the 11<sup>th</sup> ArtUs show featuring most of the same artists from previous shows.

All work on display is new and has been completed within the last year.

The group is made up of people from Dudleyville to Riverside, and all points in between, including Kearny and Hayden. All the artists started their journey into the creative world in much the same way, a classroom situation and a dream. Several winter visitors are also part of the group. The guild meets once a week from 9 a.m. to 3 p.m. and new members are always welcome.

Artists in the group are free to explore

whatever subject matter and medium that interests them and the results are spectacular. The guild experience has proven to be unique as the artists learn from each other offering and asking for advice. Mostly the group works in oils, but oil pastels, acrylics, pencil and charcoal are also included.

Exhibitors are from all walks of life, age groups, and levels of experience and offer an unique look into what can be accomplished when people who share the same interest get together and do what they love.

Students studying, associated, and/or showing with the group this year include Lina Cruz, Cobina Martinez, Darlene Dull, Gary Hill, Ellen Endsley, Vicki Clark, Frankie Olmos, Richard Olejniczak, Sam Hosler, Guyrene Ward, Peg Middleton, Joyce Palmer, Donna Gennicks, Carol Hosler, Nancy MacClennen, and Sherry Jordan.

The show can be viewed after the opening on Thursdays from 9 a.m. to 2 p.m. or by request by calling Sam Hosler at 363-9781. The Little Gallery is located in Ray Hall next to the Church of the Good Shepherd on Senator Chastain Street in Kearny.

The church compound also offers a spectacular walking experience through The Little Garden. Paths lead walkers through the desert around the church with amazing views of the mountains in the distance and the valley surrounding the Gila River below. This time of the year the desert is alive with the beauty of spring and the walk is very rewarding. The Little Garden is always open.

The 11th annual ArtUs show will be in The Little Gallery starting Sunday, Apr. 19 with an opening reception from 2 p.m. to 4 p.m. and is shaping up to be as good as those in the past.

# Bearcats defeat second straight sectional foe

By Andrew Luberda  
Copper Basin News

The Ray baseball team has won its last two games versus sectional opponents who were ahead of it in the standings. The most recent was a 15 – 0 lopsided victory against then second-ranked Superior last Tuesday. The Cats also defeated San Manuel on April 3, 5 – 2.

Senior Robbin Newman led the sixth-ranked Cats in the win against the Panthers, going 2-for-3 with a homerun and two RBI. Derek Pacheco and Destry Yocum each had three RBI in the game, while Douglas McPeak and Cole Yocum each drove in two runs in the

game. Seth Harmon was 3-for-3 with a double and an RBI.

Destry Yocum and McPeak combined to pitch four shutout innings, allowing only one hit and three walks. The duo struck out nine Panthers' hitters.

The win moves the Cats into a three-way, first-place tie with Superior and San Manuel in the Section VI standings. Ray holds the tiebreaker advantage against both teams thanks to their recent head-to-head victories.

After a game at top-ranked Desert Christian on April 14, the Cats will have an eight-day break before returning to action on April 22 vs. Gilbert Classical Academy. The game is scheduled for 4 p.m.

All of the businesses in Miami participated with store fronts decorated with mining tools and clothing. The businessmen started a beard competition early each year so their beards would be in full show by Spring.

The event waned and eventually was stopped. Then in 1993 it was brought back again by interested Miami businessmen. It flourished for many years but the last three day event was held in 2012 for the second year at the site of the old Plaza Ballroom located in front of the Bullion Plaza Cultural Center and Museum. Since then a stalwart few

remaining members of the association have attempted to bring back the three day event. Lack of volunteers and enthusiasm has finally taken its toll, hence farewell to Boomtown.

Some of the premier events in the past have been the parade, the mucking and drilling competition, children's mining events, stair climb, Copper Crawl 5 K, 13K and the bed races. Miami was on the circuit for mining and drilling competition and it eventually became the state championship which will now be offered to the town of Superior.
