## OBITUARIES

# Richard R. Colvin

Richard R. Colvin, 75, of Mammoth was called home by our Lord on April 3, 2019.

Richard was born on Nov. 18, 1943 in Morenci, Arizona to Richard and Reyes Colvin. Richard lived in San Jose, AZ and attended school in Solomon, AZ. After leaving school, Richard worked different jobs. Richard moved his family to San Manuel and started working at Magma underground as a chute tapper for a year. He eventually transitioned to the position of line operator at the lime kiln. Richard continued working while his kids grew before finally settling in Mammoth in 1989. Finally after 34 years working at Magma/ BHP, Richard retired at the age of 56.

As he continued life in Mammoth, Richard battled diabetes, skin cancer, and other ailments in the later stages of life. After a long life of hard work and struggle, he is now finally resting.

Richard is survived by his loving wife of 53 years, Norma, who lives in Mammoth; his daughters, Elizabeth (David) Moore and Sandra (Eddy) Simmons, all of Fairfax, Virginia; and his son, Richard Jr. (Dora) also of Fairfax, Virginia. Richard has three grandchildren: Jason Moore, Jayme Moore, and Kate Colvin. He also had beloved pets he referred to as the "Kids": Pandy, Baby, Furby, Brownie, Jasper.

Richard will be remembered as a hard-working man who loved his family. After he retired, by no means did he slow down. He was naturally talented in various tradework,

as he was capable of carpentry, automotive repair, plumbing, electrical, jewelry, and satellite communications. He enjoyed sports - especially watching Arizona Wildcats basketball. He enjoyed playing guitar and music. He loved talking to family members and friends old and new. Many of you have seen him on his daily walk with his beloved pets, Pandy and Baby.

Funeral services were held Friday, April 12, 2019, at Blessed Sacrament Catholic Church in Mammoth. Interment was at Valley View Cemetery in Mammoth.

Arnulfo "Arnie" Ruiz, 88, passed away April 12, 2019. He was born Jan. 2, 1931 in Tucson, one of 10 children, three of whom were born blind. His father was a cowboy and his mother, a housewife; both were American citizens. He was raised in Pinal County, a lifestyle of poverty, but was always ambitious, hard-working, and self-motivated. At 14, he went to Theba, a farming community 10 miles west of Gila Bend to work two jobs to make an \$85 for a down payment towards the family home priced at \$8,500 in Florence, Arizona.

He was an outstanding athlete selected to the Arizona All-Star Teams in basketball and football. He attended Northern Arizona University in Flagstaff, Arizona. In 1951,

the Korean War erupted and he enlisted in the United States Marine Corps and served in the 3rd Marine Corps Division, 3rd Battalion Combat Engineering Unit, and was very proud to serve our country.

He returned to Florence after an Honorable Discharge in 1954 and married Edna Youtsey in 1956. Together they raised five children, working numerous jobs: ranching, construction, law enforcement, and mining. The next five years he worked at the San Manuel Mining Corporation and then decided to attend Arizona State University in Tempe, Arizona.

At the university he earned a Bachelors and Masters Degree in Education. Later, he was the recipient of the Southwest Kellogs Scholarship and earned a second Masters Degree at the University of Arizona in Tucson, Arizona in Counseling and Guidance. He was a certified real estate agent.

Throughout these years he was very community-involved: Scout Master (five Eagle Scouts), Co-founder of Las Juntas Patrioticas (an Eloy annual Mexican Fiesta), Director of Eloy American Red Cross, Elected Eloy City Councilman, Eloy Catholic Church parishioner, Florence-Coolidge Elks Club, Founder of Eloy Boxing Club, and member of the Arizona Moose Club. He participated in the indoctrination of the Atomic Bomb and was Service Manager for Arizona Jobs Colleges. He went to San Antonio, Texas to train for the Southwest Voter Registration. He was very involved in politics. He enjoyed reading, writing, golfing, camping, and most of all being in the company of his children and grandchildren. He officially retired in 1994 but continued to work as a consultant to schools in counseling, tutoring, and testing, until his wife's illness and he retired once more in 2009. His beautiful partner, friend, and wonderful wife of 53 years was called to Heaven in June 2009.

# Rollover accident claims the life of San Manuel woman

Several local fire and police agencies were dispatched to the scene of a single-vehicle rollover collision on Tuesday, April 9, on Hwy. 77 between Oracle and the San Manuel Junction.

According to the Arizona Department of Public Safety, at approximately 10 p.m. at milepost 107.6, a black 2014 Toyota sedan driven northbound by April Tapia, 26, San Manuel, went off the road to the right. The vehicle then

re-entered the roadway, crossed all lanes of traffic and impacted the bordering southbound dirt embankment, causing the sedan to roll. During the rollover, the driver was ejected from the vehicle and sustained life-threatening injuries.

The driver was taken by helicopter to a hospital in Tucson. She succumbed to her injuries on Wednesday, April 10. Tapia was not wearing her seatbelt at the time of the

accident, DPS Public Information Officer Kameron Lee said, adding that the cause of the accident is under investigation.

First responders at the scene included DPS, Pinal County Sheriff's Office deputies, Oracle Firefighters, Pinal Rural Firefighters, Tri-City Med (AMR) Ambulance and Mammoth Police Chief Rudy Lujan. Quality Paint and Body towed the vehicle.

## THANK YOU

On December 24th (Christmas Eve) 2018, the most unexpected diagnosis of Cancer turned our world upside down. We were completely different people walking out of the Doctor's office that day, than we were walking in. Our priorities and things we thought were important no longer existed to us. "Fighting to Live" is our only priority now and it's a great feeling to know that we have family and friends supporting us.

There are no words to express our gratitude!! We are lucky and blessed to live in a tight net community with genuinely good people willing to help others in hard times.

Gabe and I want to say "THANK YOU" to everyone in the Tri-Community and of course family and friends that live outside the Tri-Com. Miracles do exist we have witnessed them through all of you who have gone above and beyond to help us. Organizing events that have taken place, donations and prayers, have been nothing less than a miracle. Please keep them prayers coming.

Thank You All,  
Gabe and Carol Mendez

## Local letter carriers host annual food drive

The National Association of Letter Carriers, Branch 704 and the Postal Service is conducting our 27th annual National Food Drive on May 11, and, would appreciate your help in letting the people of San Manuel know about this event.

Nonperishable food items will be collected on Saturday, May 11, for distribution to the food bank in your community as part of the largest one-day food drive in the nation.

Over history, a number of branches collected food for the needy as part of their community service effort. A pilot drive was held in 10 cities in October,

1991, modeled on a drive held by Phoenix, AZ Branch 576. It proved so successful that work began immediately on making a nationwide effort. A revamped drive was organized for May 15, 1993 and the result was astounding, with over 11 million pounds of food collected.

Place a food donation by your mailbox on Saturday, May 11. Your Letter Carrier will pick up your donation and deliver it to the food bank. The person to contact for further information on the food drive in the San Manuel area will be Letter Carrier, NALC Steward, Rose Bunker, at the San Manuel Post Office 385-9341.

# Opening ceremonies signal start of SMOBSLL season

By Andrew Luberda  
Copper Area News

The San Manuel-Oracle Baseball & Softball Little League started its inaugural season last Saturday at Mt. Vista Jr. High School, where the Opening Ceremonies were a prelude to a day of baseball, softball and other

fun events.

Nearly every team associated with the league was able to play two innings while others were enjoying music, game booths, jumping castles, and raffles.

The San Manuel and Oracle Little League and Oracle Softball merged this year to combine league charters. The league is one of the longest running charters in the state.

SMOBSLL consists of 11 baseball and five softball teams in five different levels of play – T-ball, Coach Pitch, Minors, Majors and Sr. League

“Last year we had a little over 100 kids registered,” said Gibby Guerrero, the league’s president. “We almost doubled those numbers this year with over 180 registered. Creating a softball league gives the

## Winners listed from the Oracle Historical Society's 33rd Annual Oracle Spring Run Car Show

**By Jennifer Carnes**  
San Manuel Miner

It couldn't have been a prettier day for a car show. The clouds were the perfectly puffy kind that the sun loves to play hide and seek behind. The cars were polished to a high sheen, reflecting the clouds and catching the perfect rays

of sunshine.

Saturday, April 13, was the 33rd annual Oracle Spring Run Car Show sponsored by the Oracle Historical Society. This year's event was held at the Living Word Chapel (due to heavy construction at the Oracle Justice Court), but that didn't keep the beautiful cars and trucks from showing up and showing off. The car

show took over the field behind the church. The vehicles sparkled in the glorious April Oracle sunshine, ready to be judged and trophies to be awarded.

And this year's winners are:

- Best Truck in Show, Black 1928 Model A Truck - Don McDowell (Tucson)
- Best Car in Show, Silver/Purple 1936 Buick Coupe - Patricia Dudzic (Tucson)

- Best Interior, Red 1936 Dodge Coupe - Troy Rupp (Marana)
- Best Paint, Cream 1951 Mercury Sedan - Scott Davison (Tucson)
- Best Engine, Silver/Burgundy 1955 Chevy S10 - Scott Beach (Tucson)

All proceeds from the Spring Run Car show benefit the Oracle Historical Society.

The skin also is structured, on the microscopic level, similar to the kidneys. It processes toxic substances out of the body, especially when the normal channels (e.g. liver and kidneys) are overtaxed. This is why the common brown spots that occur on the skin are called “liver spots.” They are accumulations of toxins being processed out.

Any time tissue is subjected to overwhelming or persistent onslaughts they run the risk of being triggered into cancerous activity.

The common cancers that occur on the skin are basal cell carcinoma, squamous cell carcinoma and malignant melanoma. On occasion, an internal cancer may manifest, or metastasis, on the skin.

Of the diagnosed skin cancers, malignant melanomas are the most aggressive. They move more rapidly into the blood system than the others. Of course, once the cancerous cells move into the blood vessels, whether artery, vein or lymph, they are immediately transported (metastasized) to all parts of the body which is extraordinarily more difficult to treat than those that remain localized on an isolated skin lesion.

Almost any skin lesion (blemish) is considered to be “pre-cancerous” because it has been altered from its original form. By that logic moles, warts, meningiomas, actinic keratosis (dry sun spots), seborrheic keratosis and even lentigo (liver spots) are “pre-cancerous.”

In order to develop a successful treatment plan as expeditiously as possible, it is extremely helpful to visually identify the

various skin lesions that appear. The simplest way to identify a cancerous lesion is to compare it to other known cancerous lesions. There are many books and web sites that depict the lesions in their various forms as well as posters displayed in medical facilities.

Many skin cancers and pre-cancerous lesions can be treated topically by various means. Freezing is quite popular. Burning through various methods is also popular. There are certain acids and other escharotic methods that can be effective, as well as electrical burning. Two examples of escharotic chemicals are the chemotherapeutic agent 5fu and the folklorish “black salve.”

Sometimes surgical removal is a prudent option. Common biopsies can be used for total removal as well as sample taking

# Pinal County Attorney's Office recognizes local police officers

Police officers across the country deal with many aspects of crime.

But it's not just investigating and arresting criminals. They are often called upon to work with the victims of crimes, people who are often having the worst day of their lives. Officers have to be compassionate and caring. Rural officers even more so since they often know the victims, who may be friends or neighbors.

On Tuesday, April 9, the Pinal County Attorney's Office hosted the third annual Law Enforcement Appreciation Night and honored local law enforcement officers for their outstanding service to victims of crimes.

Three officers from the Copper Corridor were among those honored.

Superior Police Chief Christian Ensley was honored to present the award to Officer Tyler Hall. Officer Hall has always gone above and beyond his call of duty for the citizens of Superior. The department is proud and honored to have him a part of the Superior Police Department family.

Kearny Police Officer Anthony Clubb was also honored. Attending with Officer Clubb were Chief of Police Wallace Kenney, Mayor Debra Sommers and Town Manager Anna Flores.

Mammoth Police Department's Sergeant Michael Green was recognized and presented the award.

While not local, Pinal County Sheriff's Office Detective Randy Snyder was recognized at the event. He does child crimes, mostly those involving online predators. Detective Snyder has been assigned to the Pinal County Sheriff's Office Criminal Investigations Bureau since 2010 where he was initially detailed to the Persons Crimes Unit. In 2014, he was selected and transferred to the Internet Crimes Against Children Taskforce, where he remains assigned today primarily serving child victims within Pinal County.

We thank all our officers for their dedication to the community and for their continual support of victims of crimes.
