# Indivisible Copper Corridor not affiliated with Copper Corridor Economic Development Coalition

The Copper Corridor Economic Development Coalition (CCEDC) would like to inform the public that the CCEDC is not affiliated with the Indivisible Copper Corridor group nor does the group provide any support to the grassroots efforts of Indivisible Copper Corridor. The CCEDC is a local 501c6 organization focussed on economic and community development for the Copper Corridor region. Most recently the CCEDC has been focussed on tourism development, housing and the study of the creation of a regional food hub.

“The mission of the CCEDC is to increase non-mining employment and protect our rural quality of life. We most definitely support everyone’s right to activism in their community or region but this is not an activity that the CCEDC would be involved in or support,” explained Mila Besich-Lira, Executive Director for the CCEDC.

The CCEDC received several concerned comments from residents in the region.

“We want to assure our stakeholders, residents and

supporters that we are not participating in the activities of the Indivisible Copper Corridor group,” Besich-Lira said.

The CCEDC meets the third Friday of every month at the CAC-Aravaipa Campus at 8:30 a.m. Their next meeting is schedule for April 21, 2017. The guest speaker is Pinal County Sheriff Mark Lamb. The meeting is open to the public.

For more information on the CCEDC contact Mila Besich-Lira at 520-827-0676

## Working toward a safer tomorrow for Arizona’s children; First Things First highlights April as Child Abuse Prevention Month

San Manuel (April 5, 2017) – As Arizona communities highlight April as Child Abuse Prevention Month, First Things First reminds everyone that young children who experience abuse or neglect such as family violence, poor nutrition, housing instability and infrequent health care, can have their ability to learn and succeed compromised.

Because 90 percent of a child’s brain development happens by age 5, these negative experiences can have lasting impacts to a child’s physical and emotional health, their performance in school and their likelihood to engage in risky behaviors.

FTF is doing its part to strengthen families and keep challenging situations from becoming worse, including funding programs such as:

- The Arizona Parent Kit, provided free of charge to parents of all newborns before they leave the hospital or birthing center. It contains resources to help parents support their child in each phase of their early development, from baby to toddler to preschooler.
- The FTF digital Parent Kit which is available online at [FirstThingsFirst.org/Parent-Kit](http://FirstThingsFirst.org/Parent-Kit). Ninety percent of new parents are millennials born between 1980 to 2000. As the most connected generation, the digital Parent Kit is designed to engage those parents with easily accessible, high quality parenting information, which they can then share with others on their own social media outlets.
- The toll-free Birth to Five Helpline, which provides free advice and answers to the toughest parenting questions from nurses and other child development experts. Expert help is a phone call away at 1-877-705-KIDS (5437). Parents can also download the Birth to Five Helpline app to their smart phones through the Apple App Store or Google Play. Search Birth to Five Helpline.
- Home-based and community-based programs to support families in their role as their child’s first teacher by providing information and resources that promote

more positive parent/child interactions and healthy development.

- Community-based parent education on topics like safety, dealing with challenging behaviors and early learning.

Research shows that chronic stress on a young child, often induced by abuse and neglect, can have adverse effects on the body’s nervous system later in life, causing poor responses to normal environmental cues.

Here are some ways to help prevent abuse or neglect and to help the youngest victims:

- Volunteer at or donate to community-based organizations that support children and families;
- Join a child abuse prevention council in your area. For information call: 602-255-2548.

Child abuse is not just a parental issue or a criminal issue. Child abuse is a critical health issue that is 100 percent preventable. Everyone can play a role to ensure that Arizona’s kids achieve a safer and brighter future.

**About First Things First** – First Things First is a voter-created, statewide organization that funds early education and health programs to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers. To learn more, visit [FirstThingsFirst.org](http://FirstThingsFirst.org).

# Local VFW helps veterans on Warrior Hike

By **John Hernandez**  
San Manuel Miner

The Veterans of Foreign Wars Local 2767 has helped another group of veterans while they are participating in a Warrior Hike. The Warrior Hike is a therapy program for veterans sponsored by the non-profit organization Warrior Expeditions. They support returning combat veterans transitioning from their military service by participating in long distance outdoor hiking expeditions.

Warrior Expeditions provides them with everything they need to complete the long distance hike at no cost to the veteran. They are outfitted with high quality outdoor equipment and clothing. They are issued a \$300 monthly stipend and provided with resupply items. Warrior Expeditions coordinates community support from veteran and community organizations along the hiking route that provide transportation, lodging and food.

Two veterans are currently hiking the 800-mile-long Arizona Trail from the Mexican border to Utah. The veterans are Dewayne Goad and Dave Ray.

Dewayne is from Portage, Michigan. He is a U.S. Army veteran who was deployed in Kosovo and Iraq. He served in the military from 1981 – 2005. He was a tank system maintainer.

“The hike has been challenging,” Dewayne said. “It has been good for me. I have had a lot of time to think and clear my mind. It gets things out and allows me to focus.”

Dave is from Beckley, West Virginia. He served in the

Marine Corps from 2000 – 2005. He is an Iraq veteran serving as a logistics systems operator. He is the head football coach at Beckley Tratten Jr. High School. When asked how he was doing on the hike, he said, “So far so good. I left some pieces of me along the trail.” He said they have seen a Gila monster and a scorpion which is a new experience for someone from West Virginia. They got

# Copper Corridor residents invited to St. Bartholomew's Fiesta de la Primavera in San Manuel

St. Bartholomew's annual Fiesta de la Primavera is scheduled for Saturday, April 29, at the parish grounds, Park and Main in San Manuel, from noon until 10 p.m.

The fiesta will start with Mass at noon with booths opening at 1 p.m.

Food, games, a horseshoe tournament and live entertainment will take place all day, along with a free dance in the church hall from 8 until 10 p.m. with music by DJ Johnny Laguna.

Laguna will also play tunes from 1 to 2 p.m. with raffle drawings for numerous baskets and money throughout the day.

From 2 to 4 p.m. Ballet Folklorico del Sol, from Eloy,

will perform in the hall.

The mariachi group "Alma Mexicana" from Tucson, will play from 4 to 6 p.m. when local favorite, Genaro Moreno, will fill the hall with popular and classic songs from 6 to 8 p.m.

At 8 p.m. DJ Johnny Laguna will spin tunes for a free dance from 8 until 10 p.m.

Sign ups for the "blind draw" horseshoe tournament will start at 11 a.m. with play starting at 1 p.m.

Teams, selected by drawing names from a hat, will compete for trophies to the top three teams in a double elimination format. Cost is \$10 per player.

Many game booths and food booths, with take out available, will open throughout the fiesta.

Local favorite Genaro Moreno will perform at this year's Fiesta de la Primavera from 4-6 p.m. on Saturday, April 29.

## What are Meridians?

**E**mpirical evidence from 3,000 years of documented history in Chinese Medicine suggests that there are channels of communication, known as meridians, that travel between the organs of the body. Though these channels are not detectable with conventional imaging or anatomical dissections, they have been observed over the years to respond dramatically to outside stimulation such as acupuncture, pressure, temperature and massage.

Though unassociated with more perceivable channels of communication such as nerves, experience has established fairly consistent results that correlate precisely with expectations.

The energy that pulsates along these channels is known as Qi (pronounced "chee"). It is sometimes describes as water in a river, blood in a vein or light in a fiber optic cable. It is detectable with diagnostic instruments that pick up electrical impulses.

There are 12 primary meridians in the human body. Along these meridians there are about 365 points on each side of the body that, when stimulated with needles or pressure or temperature, cause a response in their associated organs. For instance, you could press on a point between your thumb and forefinger and relieve a headache. Or, you could press on a point above your wrist and relieve nausea.

It is interesting to note that similar organ based points have been identified clustered at different sites in the

body. This phenomenon would explain how some practitioners are able to assess any organ of the body by perceiving their associated points located in the tongue, in the hands, in the feet, ears and even in the eyes. This is the foundation of iridology and reflexology.

Accessing these channels has proven helpful in the diagnoses and treatment of multiple ailments. It has been especially useful with some of the more difficult to diagnose conditions. This apparently is due to the fact that ailments precipitate an inflammatory response that manifests along the meridians that are associated with different organs, much as pain or numbness or dysfunction in a limb could signal a lesion in the brain.

When a person is stressed, whether it be an emotional stress or a physical trauma or a disease process or toxic exposure, the body has an inflammatory response. This

to "hang out" with a magician named Dana that they met on the trail.

The two veterans were met by two local Vietnam War veterans from the VFW in San Manuel, Frank Martinez and Margarito Bejarano. Frank and Margarito drove Dewayne and Dave to the San Manuel Lodge where they spent the night free of charge courtesy of the hotel. Frank cooked dinner for them that evening and they were driven to any store if they needed to pick up any supplies. The following day they were driven back to the Arizona Trail entrance off of Highway 77 near Oracle. They then continued their journey north.

Thank you, Dave and Dewayne, for your service and good luck on the Arizona Trail.

# Annual Oracle Spring Run Car Show

The Oracle Historical Society's annual fundraiser, the Spring Run Car Show, will be held Saturday, April 22, 2017. This is the 31st year of the event, which takes place during the Oracle Oaks Festival.

The Spring Run is open to all cars, motorcycles and trucks, and participants must pre-register or come to the registration area on the morning of the event. Generous businesses and individuals donate funds to cover Spring Run t-shirt printing and other expenses. The car parade runs through Oracle at 9:30 a.m. and ends at the Pinal County Court House Park where trophies are awarded at 2:30 p.m.

OHS also sponsors a food booth that is open during the entire event, serving green chile, bean or combo burros, BBQ sandwiches and drinks. All proceeds from the Spring Run and food booth benefit the Oracle Historical Society.

The parade and awards ceremony are free to the public, so plan to come see the display of classic, exotic and new vehicles on April 22. If you would like to enter your vehicle in the car show, entry forms are available at CarQuest in Oracle, Dale's Auto Body in San Manuel, or call 520-896-9609 (leave a message for Margaret). You can also go online to oraclehistoricalsociety.org.

## The 2016 Oracle Spring Run Car Show

The 30th Annual Oracle Spring Run Car Show, which took place during the 2016 Oracle Oaks Festival, followed the ever-popular time-honored formula of a car show, parade, swap meet, craft fair and book sale.

The car parade ran through Oracle, starting at 9:30

a.m., ending at the Pinal County Courthouse Park where owners set up their cars, popped their hoods and waited for the accolades to pour in. The vehicles sparkled in the glorious April Oracle sunshine, ready to be judged and trophies to be awarded. With more

than 117 beauties to choose from, judges must have found these decisions difficult.

And last year's winners are:

- Best Truck in Show, Joseph Guthrie (Gilbert) 1956 Studebaker Pickup

# Ragels named Oaks Festival Grand Marshals; festivities planned for all day Saturday beginning with parade

Barbara and Delbert "Dub" Ragels have been chosen as the 2017 Grand Marshals for the 32nd Annual Oracle Oaks Festival, set for Saturday in Oracle.

The Ragels have lived in the Tri-Community for more than 60 years. Barbara came to San Manuel from Tucson in 1955. Her father worked for the San Manuel Railroad. She is a member of the San Manuel High School Class of 1960. Dub came to San Manuel from South Dakota in 1957 and went to work at Magma Copper as a pipefitter.

The couple met in 1958 and married that same year. And they have been happily married ever since (59 years and counting)!

Dub continued working at the mine until a strike shut down the mine in the 1970s. Needing to work, Dub got a job as a plumber. He then quit Magma and started his own plumbing business, Dub's Plumbing in Oracle. He had the building where Dub's Plumbing & Supply is located in Oracle built in 1999.

Congratulations to the Ragels, long time Oracle residents and friends of the community.

Plan to attend the Oaks Festival. This year's theme is Oracle Adventures and highlights the many adventures that can be found in Oracle.

Start the morning with the Oracle Spring Run Car Run followed by the Oaks parade. Have some breakfast at OCC – then browse the booths, munch a lunch, dance at the Cake Walk, check out the Silent Auction and take a chance on the "Taste of Oracle" raffle.

Head over to the Oracle Library for the semi-annual book sale including the famous \$3-a-bag sale at 2 p.m. Love classic cars? Be sure to check out the 31st annual Oracle Spring Run Car Show with loads of gorgeous cars and trucks parked at the Pinal County building on Justice Dr. in Oracle.

Don't forget your sunscreen and plan to have some fun!

Oracle residents Barbara and Delbert 'Dub' Ragels will serve as Grand Marshals for this year's Oracle Oaks Festival. Be sure to them on during the parade Saturday.

# Autistic artist featured as Artist of the Month at JJ's

By John Hernandez  
San Manuel Miner

April is National Autism Awareness Month. Autism Spectrum Disorder is a neurodevelopmental disorder characterized by impaired social interaction, verbal and non-verbal communication and restrictive and repetitive behavior. In the United States 1 in 68 children are autistic. This is an increase of 30% since 1980. The exact cause of autism is unknown but includes a combination of genetic and environmental factors.

Jimmie Johnson, owner of JJ's A Gift Shop in Oracle, in order to help bring awareness of autism has chosen as this month's "Artist of the Month" Cara Sprouls. Cara is a 31-year-old woman with Autism Spectrum Disorder. Her parents live in SaddleBrooke. She is an accomplished and talented artist who enjoys creating works of art using the medium of colored pencils. Cara currently lives in Connecticut as a 10-year member of Vista Life Innovations, a non-profit organization that provides services and resources to assist people with disabilities.

Thanks to Vista Life Innovations, Cara lives more independently than most people with autism that do not have access to the services provided by organizations such as Vista Life Innovations. She has a job stocking medical drawers and crash carts for local hospitals. She loves to travel and enjoys learning about the food and culture of the places she visits. She has learned to say hello and goodbye in as many foreign

languages as she can.

Cara has been drawing since she was a child. Her knowledge of composition and color is self-taught. An elementary school art teacher was impressed with her work and told her parents that she could be a professional colorist one day. Cara enjoys traveling and visiting her family in SaddleBrooke. She loves hiking and often uses what she sees in her art work. Her work has been displayed in a variety of galleries in the East and in 2016, she had three of her pieces selected for a juried international art show, "Unspoken Words: Works by Autistic Artists". The exhibit was held in Bethlehem, New Hampshire and featured the works of nine artists. Cara's mother, Barbara Russo-Sprouls says, "A lot of people are looking at collecting art by autistic artists. It speaks to them and is authentic."

Internationally renowned 3-Dimensional pop artist, Charles Fazzino invited Cara to do the backdrop of a New York skyline in one of his paintings.

"I'm quite proud of her," said her mother. "Her dream is to become a popular artist. Art is the way she expresses herself. Nature really talks to her and I'm really grateful that she has the talent to show us what she sees."

Barbara Russo-Sprouls said that they are trying to raise money for scholarships to Vista Life Innovations through the sale of Cara's art. She hopes the community will support Cara and her art. To learn more about Vista Life Innovations and how you can help, visit [www.vistalifeinnovations.org](http://www.vistalifeinnovations.org).

And if you want to see more of Cara's work, visit JJ's A Gift Shop located at Sue & Jerry's Trading Post in Oracle.

# Lady Miners getting defensive in victories

By Andrew Luberda  
San Manuel Miner

The sixth-ranked San Manuel softball team is 5 – 1 in its last six games and has given up only five runs in the five wins, which included a pair of shutouts.

Last week, the Lady Miners defeated St. Augustine and Hayden by a combined score of 28 – 1.

Freshman Dine Miller homered and drove in three runs in a 16 – 1 win against St. Augustine on Apr. 10. Brianna Madrid and Brianna Galarza each went 4-for-4 with two RBI in the win. Gabriella Estrada had three hits, including a double and an RBI as well.

Sophomore Taya Dockum picked up her first win of the year, throwing a complete-game gem, where she allowed a solo earned run on four hits with eight strikeouts and a walk.

## Hannah Rose Rio Hogan named to Dean's List at Evangel University

Oracle - Hannah Rose Rio Hogan, daughter of Nathan and Leasa Hogan of Oracle, has been named to the fall 2016 Dean's List at Evangel University, Springfield, MO.

During the fall semester, Hogan was a Junior student with a major in Psychology. Evangel University, is a comprehensive Christian university serving more than 2,100 students from

all 50 states and numerous foreign countries, offering 65 undergraduate majors and 19 master's and doctoral degrees.

Full-time students who have earned a grade point average of 3.6 or higher on a 4.0 scale are eligible to be on the Dean's List.

Nathan and Leasa serve as pastors for the Oracle Assembly of God Church.

## HEALTH ISSUES

Continued from page 5

response can be detected along meridian channels and can be treated along those same meridian channels in order to regain health.

There is an interesting treatment protocol for Multiple Sclerosis that uses bee venom injected into specific meridian points. It is truly remarkable to see the direct "cause and effect" results from such seemingly eccentric methods. More common uses of the meridian points include pain relief through acupuncture treatments, sea sickness wrist bands and various massage techniques.

The diagnostic value of studying

meridians should never be underestimated. If the study of signals from meridian points suggests the possibility of ill health, it is prudent to investigate. I've seen this play out many times. It is extremely valuable to get a jump start on any ailment.

This location provides prime opportunities for the some of the best outdoor recreation in the State.

The Town of Kearny is seeking a Police Chief. The minimum qualifications are a Bachelor Degree in Law Enforcement, Criminology, Criminal Justice, Public Administration or closely related field and seven (7) years of experience as a Police Officer, including seven (7) years of supervisory experience, or an equivalent combination of education and experience.

Requirements: Arizona Peace Officer Standards and Training (POST) certification; must possess State of Arizona Driver's License and clear criminal record. **Police department positions require successful outcome of a background check and polygraph examination.** The position requires a five (5) day work week and the Police Chief is required to reside in the Town.

Annual salary: \$62,000

Open until filled. First review of applications will occur on April 19, 2017.

Town of Kearny application is required. Please call for application at Kearny Town Hall, Monday-Thursday, 7:00 a.m. to 5:30 p.m., 520-363-5547. To apply, please submit a cover letter, resume, and Town of Kearny application to: Town of Kearny, PO Box 639, Kearny, AZ 85137.

# Palo Verde RV Park plans expansion

By Mila Besich-Lira  
Copper Area News

Tom and Rosemarie Slotter have been the owners of the Palo Verde RV Park since 2013. The couple purchased the RV Park from Tom's mother, Ella Slotter, who,

along with her husband Howard, owned the quaint and quiet park that is located in Dudleyville just off of Highway 77.

For Tom and Rosemarie, owning the RV Park was a way to maintain an income and family history while also starting to enjoy retirement.

A recent influx of renters has filled them to capacity, leading the couple to plans to expand the park adding 20 new RV spaces.

The investment into the park will be close to \$200,000, Rose explained. The couple decided to invest in the property to add spaces after construction crews who will be working on the retrofit of the ASARCO Smelter will be renting all of their spaces for the next 18 months.

"We are already re-routing customers to other local RV parks to accommodate other construction workers, tourists and winter visitors," she said. The park currently has 17 spaces that are booked solid. In addition to adding the 20 new spaces with full hook ups, they plan to add laundry facilities.

The expansion does require approval from Pinal County Planning and Zoning Commission to ensure that everything is up to code and meets appropriate zoning requirements. The county's P&Z is expected to hear this agenda item at the end of April.

"We are starting to see the fruits of our labor," Rose said, "(both) the work going into the mines as well as the work being done to promote tourism in our area."

The Slotters are working closely with the Central Arizona College Small Business Development Center to grow their business responsibly and access additional capital needed.

You can learn more about the Palo Verde RV Park online at [www.paloverderv.com](http://www.paloverderv.com).
