Mary Esther Yanez

Mary Esther Yanez, 61, passed away in Mesa on March 16, 2015, from cardiac arrest, after a long battle with illness.

Mary is survived by her love, Richard Hobbs; parents: Pedro and Elizabeth Suarez, and Jennifer Leah (Carlos) Suarez, and Justin Aaron (Kerri) Hune; grandchildren: Joshua Johnson, Jason Suarez, Jakob Suarez, Jacob Suarez, Jordan Hune, Miles Matthew and Mason; sisters: Anna (Edward) Garcia, Patricia Placenio, Janette (Sonny) Cruz, Liza (Howard) Clark, and Jeannie Casteneda; 16 nephews and nieces; and 18 great-nephews and nieces.

Mary graduated from Hayden High School in 1971, going on to attend Central

Arizona College. She worked for Kennecott Copper Corporation and Hobart Industrial Supply. She loved crafting, jewelry dolls, pottery and flowers.

Mary had a gypsy soul and a warrior spirit, and, made no apologies for her wild heart. She left normal and regular to explore the outskirts of magical and extraordinary; and she was glorious.

Services were held in Mesa on March 23.

In Our Hearts Forever Mary Esther Yanez

Mom, you meant the world to me. You had my back even when I was wrong. You loved me like I was the last one on earth and all I had to do was hug you in return. You were My Mom and I, I was your baby. I love you.
Love, Justin

I hope it's true that a year on earth is like a minute in heaven. If so, you'll see me in about an hour. Meanwhile while we're here please watch over us. Help us to be strong, guide us in the right direction, and remind us to be grateful. Thank you for teaching me to be my own person, to follow my heart, to reinvent myself anytime I feel the need, and to dive into the future without fear.
Love You Always, Jennifer.

Sister, five hearts ache for the sound of your voice and the feel of your touch. The touch only a Big Sister can give. We loved, laughed, shared and cried together as six sisters and now we are left to learn to live without you. Five sisters remain that will carry your love and memory in our hearts for the rest of our lives so you see we will always be together. We miss you sister Esther....Go play, go laugh, walk, and run but most importantly go Dance in the Kingdom of Heaven. Share with the Angels your beautiful talents and the creative art that you have shared with us.

We love you Sissy!

Our sister was always expressing her gratitude to the Hayden/Winkelman community for their continued support and prayers throughout her illness and we thank you. We would like to share our sister's own words written in a letter to our Mother ... "I am so very thankful to Saint Joseph's Community who love my Mom and Dad so much, and to the Parishioners who have prayed for me. Mom I feel the prayers of the People so much!"

Constituents' Opinions Guide Vote Against Open Grow

During the Board of Supervisors meeting on February 18th, an issue regarding a medical marijuana outdoor cultivation amendment was on the agenda for a public hearing. The hearing was specifically to decide whether or not the county should modify its zoning ordinance regarding the open cultivation of medical marijuana. It came down to the applicant – Sidewinder Dairy in Casa Grande wanting the board to amend the text of the county ordinance to allow up to 10 acres for farmers to cultivating marijuana. This was not an issue about medical marijuana use in this state. The voters approved medical marijuana in 2010.

After several hours of discussion, the Chairwoman Cheryl Chase and I voted against the text amendment for the open grow of marijuana. The minutes of the meeting reflect my reasons for opposing open grow as follows: “Supervisor Rios made a couple of comments so he wouldn’t have to explain his vote. His first concern to the text amendment to the ordinance is whether it’s 5 acres, 10 acres, 50 or 100 acres. It’s an arbitrary number. He expressed concern that a multi-national company can sue in court and if they prevail the county would lose its ability to control the number of acreage. Secondly, open cultivation is open to anyone, not just farmers.” Those were my basic reasons for opposition. Plus the ordinance

currently allows for indoor cultivation of marijuana for medical use.” Even though both Chase and I opposed the text amendment it passed on a 3 - 2 vote.

No sites have been approved for open grow. That will require another process to come before the board, again with public input, for a Special Use Permit. No one has applied for a SUP at this time. I led the charge against the Medical Marijuana Dispensary in both Dudleyville and Oracle. The Dudleyville site failed and about a year later the Oracle site was approved on a 3 - 2 vote, again with myself and Chase voting NO. I support the use of medical marijuana by ill people, especially those that suffer from cancer and find medicinal benefits from its use. It is the state law. I will however, continue to oppose medical marijuana dispensary sites and

Being God's Friend

We read in John 14:23, “If anyone loves Me, he will obey My commands/teaching.” This is Jesus speaking clearly. He spent about three years teaching and training the disciples to take over the work He was doing.

It is quite simple. If you truly love God, you will obey Him all the time, not just when you want to or choose to. It is not a question of ‘will I,’ but – do it now! Get it done.

In John 15:14 & 15 Jesus says to us, “You are My friends if you do what I command. I have called you friends, for everything I have learned from My Father, I have taught you.”

Abraham was called a friend of God. Can people say that about you? He loved God and obeyed Him. Since you can’t obey what you do not know, get close to God, learn to love Him and He will love you back. Read the Bible, regularly. It will give you knowledge you cannot get any

Federal judge writes book about Superior

By **John Hernandez**
Superior Sun

Evan Wallach is a federal judge for the United States Court of Appeals for the Federal Circuit. He was nominated by President Barack Obama and confirmed by a Senate vote of 99-0 in 2011. Prior to this he was a President Bill Clinton nominee and served as a judge on the United States Court of International Trade from 1995 to 2011. Judge Wallach was born in Superior, Ariz. in 1949 and although he left Superior at the young age of six, the small town made such an impression on him and his family's lives that he has written a book of fiction that takes place in Superior.

The book is titled "Jake and Me" and is about a 15-year-old boy named Jake Smith who is being raised by his grandfather, also named Jake Smith who is the Constable of Superior. It takes place in and around Superior in the 1920s. The grandfather character is based on Jake Arnett who was Constable in Superior for many years whom Judge Wallach knew as a kid. The book covers a period between Jake's sophomore year in high school until the first semester of his junior year. During that time, he works on a ranch, helps catch a bad man, makes some good friends, gets in a fight, and goes hunting for the Lost Dutchman Mine. Mostly, it's about him facing life's challenges, learning, growing and having fun. Some of the characters are modeled after people who lived in Superior and the events in the book are adapted from stories Evan's parents and other people told him about Superior.

Judge Wallach says that some of the places that appear in the book are Apache Leap, Picket Post House, the mine and mill, the high school, and lots of desert. The place where Jake works for the summer is based on Evan's memories of Billy Martin's ranch. Even the Superior Sun newspaper is mentioned in the book. It includes some history of the area and talks about Boyce Thompson and Mattie Blaylock among others.

During an interview Evan was asked about some of his memories of Superior. He said he remembered an old lady they called "Granny Crow". She came from Missouri by wagon to Arizona and taught young Evan how to shoot. Some of his other memories were, "Going to a movie and then a burger at the Rexall drug store with Pop when Mom was out of town."

He also remembered, "The counter seats were red leatherette, and I thought them incredibly cool. Mexican food at the Triple X where I loved the rice and frijoles. Going around eating menudo in other's people's kitchens. Carlos, the butcher in Mrs. Sawaia's grocery store, slipping me pieces of raw meat to

chew on. The "goat man" who used to fill a milk bottle for my Mom by milking right into the bottle. My brother catching a burro in the desert and getting bitten when he tried to drag it home. Story hour at the library where my Mom would read to the kids and Constable Arnett would come in to listen."

Evan's family connection to Superior began in the summer of 1935 when his father went to Superior to work in the mine periodically while attending the University of Arizona. His father Albert graduated in 1940 and would join the army. He would marry Evan's mother Sara during World War II. They would move from New York to Arizona in 1947 where Albert

Superior Head Start Happenings – A visit from La Serna

Superior - Curious students met curious animals, as La Serna visited with the children of Superior Head Start for Curious George Day. The children celebrated the day by bringing their favorite stuffed animals to class. There was a classroom parade using musical instruments and stuffed animals, as part of the music and movement activities.

The children practiced several concepts such as asking relevant questions concerning Ms. Betty store business, as well as social emotional skills, healthy decision making and problem solving abilities.

The children interacted with Ms. Betty, throughout her visit. Ms. Betty discussed her role as business owner and her experience working with children prior to owning and operating her own business. The children participated actively in discussions and listened to ideas of others. One child asked Ms. Betty if she sold shampoo.

The Head Start center has an open door policy and the staff are always happy to have parents, grandparents, caregivers, business and community members to spend time volunteering in the classroom. Such visits provide valuable learning experiences. Next month's focus will be Week of the Young Child activities.

SPORTS

Superior Sports Update

Baseball – Senior ace Rickey Longoria won his fifth-straight game of the season in as many starts, pitching a second consecutive complete-game shutout in the Panthers' 6 – 0 victory against Duncan last Tuesday. Longoria, who has 37 strikeouts in his last three starts, fanned 15 Braves in Tuesday's win while allowing only three hits. In his last outing on Mar. 12 versus Duncan, Longoria pitched a no-hitter. He now has a 0.78 ERA with 54 strikeouts on the season and opposing hitters are batting only .108

against him. Matthew Zavala was 1-for-4 with a double and two RBI against the Braves, which was more than enough run support for Longoria. Steven Denogean and Nicolaus Cruz each added an RBI in the win. The Panthers moved to 4 – 0 in sectional play after the victory and sit atop the sectional standings, tied for first with Pima and fifth-ranked San Manuel. Upcoming schedule: Apr. 1 at Hayden (2 p.m.), Apr. 2 vs. Ft. Thomas, and Apr. 7 at ninth-ranked Ray. All games are scheduled for 4 p.m. unless otherwise

noted.

Softball – The ninth-ranked Lady Panthers played their first game in almost two weeks last Tuesday and came out swinging in a 19 – 1 victory against San Carlos. Superior scored 13 first-inning runs and six more over the next two innings thanks to nine extra-base hits. Freshman Jalisa Murray led the offensive onslaught, going 3-for-3 with two homeruns and four RBI. Gabby Salcido homered for the third consecutive game and drove in two runs. Cierra Navarrette

went 4-for-4 with two RBI and had three of the Lady Panthers' five doubles in the game. Alicia Arriola and Ariana San Miguel hit the other two. Phalicittee Thomas added a triple. Junior pitcher Ivie Lopez picked up her third win of the year, allowing only one run on four hits with eight strikeouts in five innings. Upcoming games: Apr. 1 at Hayden (2 p.m.), Apr. 2 vs. Ft. Thomas, and Apr. 7 at fourth-ranked Ray. All games are scheduled for 4 p.m. unless otherwise noted.

Cinderellas crowned in second annual pageant

By **Nina Crowder**
Copper Area News

One famous Cinderella sang, “A dream is a wish your heart makes.” And many local ladies last weekend took steps to make their dreams and wishes a reality right on the stage at the Ray High School Auditorium.

The second annual Cinderella Pageant was held on Saturday, March 28. The proud parents, grandparents and other attendees enjoyed the entertainment from the young performers and the modeling show they worked hard to present to the public. The young ladies performed as singers, gymnastics and graceful models with the movements they showed off during the Cinderella Pageant. The young ladies who participated in the pageant had several practice events before the actual program this past Saturday.

The Pinal County Cinderella Scholarship Program (CSP) is a non-profit organization focused on developing self-esteem, confidence and pride in the young ladies who come and “Dare to Dream”. The Cinderella program is divided into five age divisions: Cinderella Tot (3-6 years); Miniature Miss (7-9 years); Cinderella Miss (10-12 years); Cinderella Teen (13-17 years), and, Cinderella Woman (18-26 years, married or single). This year, three new Cinderella Baby divisions were added to the program: Cinderella Infant (0-11 months), Cinderella Baby (12-23

months), and Cinderella Tiny Tot (24-35 months). The Cinderella Pageant looks forward to seeing more entries in these age groups in the upcoming year.

Participants in all age divisions are judged on poise and personality, while modeling sportswear and party wear. The older four divisions are also judged on talent presentations. Cinderella Tots are judged on an on-stage interview called “Tot Personality”. The judges, who have an opportunity to evaluate

their poise, confidence, grooming, and communication skills up-close, also interview all age divisions.

The Overall Cinderella Winners, Cinderella Girls, Talent/Tot Personality and Photogenic winners are eligible to attend the 2015 Arizona State Finals, in Tucson, in June.

This year’s Cinderella Pageant winners are: Ella Magee, Faith Bracamonte, Madelyn Shirley, Ariza Castillo and Isabella Wernett. Every participant won a

trophy and tiara.

The Pinal County Cinderella Delegation Community Service and Events will have the opportunity to participate in many of the upcoming local events such as: Easter Celebration, Cinderella State Finals, Fourth of July Parade, Back to School Drive, Homecoming, Octoberfest and Trunk or Treat.

Thank you Dolores Baez and Gloria Beltran for the hard work you put forth helping the youth in our community.

All the beautiful ladies have been crowned and the trophies awarded in the second annual Pinal County Cinderella Scholarship Program. Ella Magee, pictured with her mom at left, was Cinderella Tot.

would continue his education at the U of A. By 1949 they were living in Superior where Albert was a mill worker when Evan was born.

Evan had two older brothers Les and Andy. Evan's mother was an artist and wrote and produced plays, designed and painted the sets for the "Little Theater" in Superior. She studied art in New York City and was doing art illustrations for the New York Times and Esquire magazine. During World War II she worked on propaganda posters. A collection of her work resides at the University of Arizona Art Museum. The cover of Evan's book is a desert painting done by his mother while they were living in Canada. Les is a renowned architect in Tucson and designed and built the Visitors Center at the Arboretum in Superior. Andrew lives in Sacramento, Calif. where he has a consulting business.

Evan's father worked underground on the graveyard shift until becoming a foreman. He also worked at the mill as a repairman and a foreman. He then went to work in the lab. Albert got his Masters degree in metallurgy. In 1956 the family moved to San Manuel where Albert went to work for the San Manuel Copper Corporation as a mining engineer. The family stayed there for one year before they settled in California and Albert went to work for Kaiser. At Kaiser he went from mining engineer to executive vice president in charge of ferrous metals and non-ferrous metals until he retired in 1980. Evan's father had built the house where his family lived in Superior from scratch. Evan visited Superior six years ago and found out their house on Ray Street had burned down.

Judge Wallach joined the Army in 1969. He spent a year in Vietnam where he received

a bronze star for valor. He received a Bachelor's degree in journalism from the University of Arizona in 1973. He then went into law attending the University of California, Berkeley among others. He practiced law in Nevada representing most of Nevada's newspapers. In 1981 he received a Bachelor of Laws with honors from Cambridge University. He

was a major in the Nevada National Guard. During the Gulf War he served in the United States Army Judge Advocates Corps in the International Affairs Division at the Pentagon. He was an adviser in the Law of War and assisted in investigating war crimes allegedly committed by the Iraqi leaders. He is considered an expert in the Law of War.
