LETTER TO THE EDITOR

Rios Says Waste Management to Terminate Lease for Dudleyville Landfill

It appears that in April, Waste Management plans to terminate their lease for the Dudleyville Landfill. Upon approval of the landfill closure plan, Waste Management will construct a transfer station facility prior to the termination date. More information will be available post-approval of the April deadline. What does this mean? The public will still have their regular

residential services and have access to utilize their FREE dump vouchers for the Transfer Station.

In an effort to provide more services, we in Pinal County will be increasing the issuance of free vouchers from 3 to 6 per calendar year in the near future. My office will work hard to accommodate those in need of the additional vouchers and you

may obtain them at my Mammoth office at 118 Catalina Ave. when they are available.

As additional information is confirmed, my office will work on keeping the public informed.

/s/ **Pete Rios**
Pinal County Supervisor

—David Brinkley

Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are

presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damages are estimates.

Activity listed March 22-28.

March 26

Preston Mariscal, 28, was arrested in the 400 block of Fairhaven Rd. and was charged with violation of a court order. He was issued a summons.

Update: On March 15, Kearny Police responded to a noise disturbance in the 400 block of Fairhaven Rd. Police later arrested Preston Mariscal, 28, for violation of a court order, disorderly conduct and offensive disturbing noise. He was cited and released.

Calls not listed include: ambulance request (8), traffic stop (1), citizen assist (2), suspicious activity (9), animal/cattle complaint (1), disturbance (2), welfare check (2), fraud (1), 911 hang-up/open line (1), found property (1) and illegal burning (1).

Let's Learn Something New!

MEXICAN GRAY WOLF

Find more wolf coloring pages at: <http://www.supercoloring.com/coloring-pages/mammals/wolf>

FUN FACTS ABOUT WOLVES

1. Wolves mate for life. They stay together until the end!
2. Wolves tend stay in packs and, together, they can take large prey like deer and moose. Alone, wolves only hunt small prey, like rabbits and squirrels.
3. Packs can be as big as 30 wolves or as small as 2. Generally, packs are about 7 or 8 wolves strong.
4. Wolves can be gray, black, or white. Red wolves are a different species.
5. The howls that are iconic of the animal actually have multiple different uses. If a wolf is howling alone, it may calling out for its pack. If it is a group of wolves, it maybe declaring their territory.

MATHDOKU

Complete the puzzle by entering the numbers 1 through 9 in each empty white cell. Each number will be used exactly once and there is only one unique solution that will satisfy all six equations.

Good Luck!!

MORE RESOURCES FOR PARENTS

There are many companies online that are offering help to parents who find themselves in the role of homeschool teachers.

We have found a wonderful resource at Audible.com. They are offering free stories for children and have selections for all ages. Our suggestion this week is: White Fang by Jack London. You can find this story and more at: <https://stories.audible.com/start-listen>.

Dear Parents,

Because of the recent school closures, Copper Area News Publishers wanted to create a page for our younger readers, a page all their own that brings a little fun and a little learning to them.

This week we are featuring Fun with Wolves. We have a coloring page (courtesy of Paint the World Super Coloring), a super fun math puzzle, and some fun facts compiled by our reporter/photographer Lauren Carnes all about wolves.

We've enlisted help for future issues from the local school districts. So keep an eye out for more from our "Let's Learn Something New" page.

~Jennifer Carnes, Editor

COVID-19 VIRUS UPDATE

To our Valued Members:

In response to the recent events and concerns regarding COVID-19 (coronavirus), we are taking steps to help minimize the spread of any and all viruses and illnesses. Arizona Governor Doug Ducey issued an executive order Monday that defines which businesses and operations are considered essential amid the state's COVID-19 outbreak. Ray Federal Credit Union is considered an essential business and will maintain business hours and operations with as little disruption as possible.

For the protection of the public and our employees we are limiting members in our lobby to one at a time for transactions. Our loan department will serve members on an appointment only basis. We are asking members to use ATM's, Debit Cards, and electronic services whenever possible. Many things can be handled safely by phone or email reducing exposure between members and staff. Our Annual Business Meeting scheduled for Tuesday March 31, 2020 has been cancelled and will be rescheduled when public health concerns subside.

Ralph Dubois III, Chairman of the Board of Ray Federal Credit Union reminds us "Our credit union is financially solid, has strong capital reserves, is well managed, and has the resources to help members with their financial needs now." Members who need assistance may call our main number 520-363-5681 or if you prefer email us at support@rayfcu.org. Rest assured we are putting measures in place to promote public safety and minimize inconvenience so we can continue to best serve you.

We are proud to serve you and we thank you for being a valued member.

Sincerely,

Dan Thurman, CCUE

CVRMC steps up precautions in pandemic response

Cobre Valley Regional Medical Center (CVRMC) has moved to the next level of precaution in its "COVID-19 Response Plan."

There are currently two entry points at the hospital, the Main Entrance and the Emergency Entrance. The following is the new protocol for everyone entering the hospital facility or CVRMC clinics:

- All Patients, Visitors, and Employees will be screened (temperature tested) at all entry points – hospital and clinics.
- If it is determined that a Visitor or Employee has a temperature, they will not be allowed to enter the hospital or clinic.
- If it is determined that a Patient has a temperature, the patient will be provided the correct PPE upon entry. If you are a patient coming in for services, please be proactive and cover your mouth and nose before you reach the entrance.
- At all entry points – hospital or clinic, Visitors and Patients will be given a "Screening Form" that will be checked off by Entry Staff. All Visitors and Patients MUST have this "Screening Form" visible to staff at the hospital.
- If you are in the hospital or clinic without a "Screening Form," you will be asked to go through the screen process at the entry points or you may choose to leave.
- Patients are currently allowed one Visitor at a time. The

Visitor will be issued a "Pass" with the patient's room number at the Main Entrance of the hospital during business hours, 6:30AM – 8:00PM. After 8:00PM, the pass can be picked up at the Emergency Entrance. The Visitor must return the "Pass" at the entry point that they came in through. This will allow the next Visitor to pick up the "Pass."

Key members of CVRMC continue to have several daily meetings regarding COVID-19. Daily discussion includes supplies, equipment, bed count and personal protective equipment (PPE). Reports are given daily regarding current supplies, equipment, staffing, and PPE availability.

CVRMC has four licensed ICU beds, but in emergent situations, the hospital is equipped to surge up to 14 ICU beds and 36 in-patient beds for a total of 50 beds. Information on bed capacity is reported on a daily basis, the status of current patients, and plans are in constant evaluation should a surge occur.

PPE protects healthcare workers as well as patients and visitors from viral and bacterial infections that can enter through the skin, eyes, nose and mouth. PPE includes facemasks, gloves, face shields, gowns and goggles, to name a few items.

Currently, all healthcare facilities, including emergency responders, are in need of PPE. Not only facemasks, but

gowns, gloves and goggles, too. CVRMC is tracking the inventory and utilization rates of these items on a daily basis and is in constant contact with suppliers for availability. The Center for Disease Control and Prevention (CDC) is

Stay Connected to God!

Arizonans ordered to stay at home, stay healthy and connected through April 30

On Monday, Governor Doug Ducey issued a Stay at Home order in an effort to add another level of social distancing. This order came after a letter signed by several Mayors of Arizona asked the Governor to issue the Stay at Home order.

Town of Superior Mayor Mila Besich joined Mayor Ana Tovar of Tolleson, Mayor Coral Evans of Flagstaff, Mayor Ginny Dickey of Fountain Hills, Mayor Valorie Molina of Guadalupe, Mayor Mark Mitchell of Tempe, Mayor Kate Gallego of Phoenix, Mayor Regina Romero of Tucson, Mayor Thomas McCauley of Winslow, Mayor Alexis Hermosillo of El Mirage and Mayor Sandra Moriarty of Sedona in preparing and signing the letter. The Governor issued his Executive Order about 90 minutes after the letter from the Mayors made it into the news. In a written statement to local media outlets, Mayor Besich stated, "Our rural communities, do not have enough EMS or healthcare resources to manage the realities of the COVID-19 virus. We ask the Governor to

act with urgency to protect all Arizonans."

The Stay at Home order starts at 5 p.m. on Tuesday, March 31, 2020 and will remain in effect until April 30. The order does allow essential workers to get to and from work or to volunteer and allows people to tend to errands such as picking up prescriptions, grocery shopping or doing any other task or errand at an "essential business". Bars, gyms and movie theaters are still closed across the state and restaurants may continue their operations with take out and delivery orders. The order also encourages Arizonans to get out and exercise and recreate in the outdoors, such as biking, hiking, walking or enjoying local parks. Another focus added into this order included a reminder and encouragement for everyone to stay connected digitally, via their phones and the internet.

The Governor's orders did not change any of the essential businesses that are allowed to be open during the "Stay at Home" order. This new order continues

to recommend social distancing and also limits groups from gathering of more than 10 people. One of the big questions being asked of the Governor's office, is why are beauty services such as salons, barbers, nail salons and spas considered essential along with golf courses, pawn shops, and gun stores. The order also does not require employers to provide an employment letter proving that a person is employed by an essential business. In neighboring, California, residents are not allowed to leave their city or county boundaries and they must also have a letter proving that they are an essential

employee.

Local leaders have been growing concerned by the high use of the public lands in the area, which are now becoming high use areas for camping and outdoor living for those wanting to avoid living in the more urban areas during this time of social distancing. The Tonto National Forest closed many congregate camping locations including the Picket Post Trailhead on the Arizona National Scenic trail but did not close the Oak Flat Campgrounds. Picnic areas at Roosevelt lake and areas in the Pinal Mountains and Sierra Ancha mountains have been closed.

School closures affect JTED programs

Arizona's public schools have all had to adjust for the realities of schools closures due to the COVID-19 Virus Pandemic. The precautionary methods to help flatten the curve of the outbreak in Arizona has called for social distancing and the realities of implementing the strategy has been difficult for all schools but it proves even more difficult for the Joint Technical Education programs such as the Cobre Valley Institute of Technology and the Pima Joint Technical Education District, since the courses taught at those schools require some on the job training and clinical testing.

Both schools have deployed an online program. Students can access their coursework and engage with their teachers.

The challenge comes when students need to complete the actual job training. For nursing students in these programs, the ability to complete the job training components are non-existent at this time due to the COVID-19 virus, and it is unclear how the State licensing department will handle the clinical aspect. With the high demand for health care workers, these students are the future

workforce and may be needed much sooner rather than later. In a normal course, the students in the Certified Nursing Assistant program would do their on the job training at a nursing home or at a local hospital, but that part of their program is not available right now due to the virus.

This policy and technical lessons for other industry trades such as cosmetology and welding are also affected by the school shut down and social distancing procedures. Cosmetology students are not able to practice their technique or work hours at the school salon during this crisis. Interim Superintendent Mike O'Neal explained that CVIT is waiting on clarity from the state.

"If we need to have our students come back next year to complete the clinical and on the job training, we will do that at no extra cost," O'Neal said.

School districts across the state are waiting on policy revisions and graduation requirements now that the COVID-19 virus has affected the rest of the school year. Schools should be receiving more official word from the State of Arizona during this week.

High School students (10th - 12th) can jump start their careers by enrolling in CVIT's Central Campus Programs located on Gila Community College or Central Arizona College Aravaipa campuses. All tuition, books, and certification fees are paid for by CVIT. Students can earn college credit and industry certification while learning entry level skills.

Please note: many events have been canceled or postponed due to the COVID-19 outbreak. Please check with organizations when planning to attend events listed.

APRIL

Oracle Piano Society Cancels Remainder of Season

In an effort to protect the health and well-being of all connected with Oracle Piano Society, the remainder of its 2019-2020 season has been canceled. This will impact the following concerts:

- April 19, 2020: Signature Series: Pedro L Pérez Cáceres
- May 2, 2020: Nocturne New Music Festival Concert 1
- May 3, 2020: Nocturne New Music Festival Concert 2

If you are a 2019-2020 season ticket holder, OPS will contact you shortly with further details.

Town of Kearny Announces RAD Change of Service

The Town of Kearny and RAD have announced a change of service for residential and commercial customers. Effective April 15 your new weekly trash and recycling day moving forward is Wednesday. Bulk services changed on March 1 to the second Thursday of each month and may be scheduled before noon on the day prior to your area pick-up date. Commercial services are every Wednesday, starting April 15. Please place both garbage and recycling carts out the night prior or by 6 a.m. on your service day. Allow 3 feet between each cart and 10 feet away from cars, mailboxes, landscape or other items that may interfere with service and 2 feet away from the building. Face cart so lid opens toward the street (handles toward building). Do not overfill or place additional garbage on top. Lids must be fully closed. This reduces airborne trash on windy days. Questions? Call Customer Service at 480-983-9100.

Eagle One Veteran Outreach

Visit Eagle One Veteran Outreach Center online at hohp4heroes.org. Eagle One provides veterans a place to learn about and apply for all services available to them.

Family First Offices Closed Due to COVID-19

Family First has changed the way they do business, as all of us in America have had to do lately! They have closed their offices for a two-week period, staying closed through March 30. While they hope to re-open on March 31, they will evaluate at that time steps needed. They are available to all their regular clients as well as anyone in the community as needed by a phone call. The phone number for Oracle is 520-896-9545; Winkelman 520-664-5795.

San Manuel Elks Wednesday Night Tacos

Wednesday night Tacos at the San Manuel Elks Lodge has been canceled until Fall. Thanks to everyone who has supported us for these past months.

Supervisor's Shred-A-Thon Event Postponed

The planned Shred-A-Thon event, hosted by Pinal County Supervisor Pete Rios and the Pinal County Attorney's Office, has been postponed. A date has not yet been announced. The postponement is due to the current health crisis.

6 Compressions Only CPR Course

Did you know that sudden cardiac arrest is the leading cause of death in adults? Seventy-five percent of all cardiac arrests happen in the home. Are you prepared? CPR can double a person's chances of survival. Join us for the Project CARE Free Compressions Only CPR Course in Superior Town Hall, 199 N. Lobb Ave. on Monday, April 6, from 6 p.m. - 8 p.m. This free event for ages 10 & up is hosted by Pinal County Adult Probation. For questions, please call Thomas Lopez at 520-866-5614 or Sunni Rabago at 520-866-5655.

9 Red Cross Lifeguard Certification Class

The Town of Mammoth and the Sea Lions Swim Team are conducting a Red Cross Lifeguard Certification Class for new and recertifying lifeguards at the Mammoth Pool, starting April 9, 2020. This is a blended learning class format which requires 7.5 hours of on-line training (which must be completed prior to April 18) and 20 hours of classroom/pool training. The cost for the class is \$89. The class schedule and registration form can be found on the Town of Mammoth website (townofmammoth.us), the Sea Lions Swim Team website (sealionsswimteam.com) or by contacting Alex or Wendy Gort at 520-896-2190.

10 Lions Club Fish Fry for Lent

On April 10, the San Pedro Valley Lions Club will be having its annual fish fry for Lent at 115 S. Main St. in Mammoth. For more information, call 520-487-2000.

18 10th Annual Women's Expo Canceled

The Copper Basin Chamber of Commerce 10th Annual Women's Expo set for Saturday, April 18, 2020, has been canceled due to COVID-19. For more information, email Martina at eppab@yahoo.com or the Chamber at events@copperbasinaz.org or call 520-363-7607.

18 Infant Jesus of Prague Golf Tournament

Infant Jesus of Prague Catholic Church's 4th annual Golf Tournament, set for Saturday, April 18, at the Kearny Golf Course has been canceled.

MAY

16 Oracle Artists Studio Tour Rescheduled

Originally planned for April 4 and 5, the art tour has been rescheduled for Saturday and Sunday, May 16-17. Please check the website www.oracleartiststudiotour.org for updates.

ON THE AGENDA

UNITED FOOD BANK: United Food Bank will be in the parking lot of the Church of the Good Shepherd (bottom of the school hill in Kearny), on the first Friday of each month.

KEARNY ELKS LODGE # 2478: Kearny Elks Lodge # 2478 meetings are held the first and third Tuesdays of the month at 7 p.m. The lounge's schedule is Monday, Wednesday and Friday 5 - 8 p.m. and Sunday 3-9 p.m.

HAYDEN SENIOR CENTER: The Hayden Senior Center, 520 Velasco Ave., is open every weekday, from 8 a.m. - 4 p.m., to serve the needs of senior citizens and low-income families. A warm, nutritious lunch is served every day. Call 520-356-7035 for information or to check on the daily meal.

KEARNY SENIOR CITIZENS: The Kearny Senior Citizens group meets every Wednesday at 10 a.m. at Constitution Hall. The group talks about trips to different places in Arizona as well as other subjects. A potluck dinner is held after the social hour on the last Wednesday of the month. New members are needed. Come down and join the group. From May through August, the group meets only on the last Wednesday of the month.

PREGNANCY CARE CENTER HOURS: The Pregnancy Care Center in Winkelman, located at Fourth and Thorne Avenues in Winkelman, is open on Wednesday and Thursday from 9 a.m. to 2 p.m. Men's workshop is held on Thursday from 5-6 p.m. You can call (520) 664-5795 for a confidential appointment.

LOBO BOOSTERS: For Lobo Booster Club membership and information, please call Michelle Gonzales at 480-888-6598.

KEARNY LIBRARY HAPPENINGS: Story hour for preschool children is held on Mondays from 10-11:30 a.m. Coffee and Conversation for seniors over 50 is held Tuesdays and Thursdays from 8:30-10 a.m. (use the SW door in the back). Crochet class is held Wednesdays from 1-2:30 p.m. for beginners to advanced (we'll teach you). Ladies Day Out once a month potluck and friendship is held the third Tuesday of the month. Time is noon to 3 p.m. Bring a covered dish to share. There will be activities, games and a craft. The KLAC (Kearny Library Activity Center) is open for kids 8-14 on Fridays from noon to 1 p.m. For more information call 363-5861.

ANNOUNCEMENTS

Hand Me Up Shop Seeking Volunteers

The Hand Me Up Shop is looking for volunteers! Do you have 5 hours on Tuesdays or Wednesdays that you could spend giving back to the community? Come by and see us! Are you are high school student that is good with electronics and needs some volunteer hours for your scholarship applications? We need you! A few hours on Friday would help us both. Call Barbara or Rose at 363-9683 Tues-Fri, 9 a.m. - 2 p.m.

the authority in guiding healthcare facilities in the best practices for controlling and preventing the spread of disease. The appropriate use of PPE is a major part of the regulations put forth by the CDC and outlines "Strategies for Optimizing the Use of Facemasks."

These strategies are broken down into Conventional, Contingency and Crisis capacities. As hospitals across the nation are experiencing a crisis in their PPE, a last resort is to use homemade masks, even though the CDC and CVRMC do not acknowledge it as confirmed, tested PPE. Many hospitals are referring to these masks as "comfort masks" and will be used in non-clinical areas of the hospital.

CVRMC has requested homemade masks from members of our community in preparation for a "Crisis Capacity" situation. Lee Ann Powers took the lead on this effort and has mobilized many amazing community members to cut and sew the "Olson Mask," a pattern

that is being used by many other hospital facilities who are in short supply. CVRMC leaders in Infection Control and Nursing will determine the best utilization and distribution of these homemade masks.

Other efforts include the making of several "face shields" through the use of a 3-D printer by Copper Rim, third-grade teacher, Jeff Battese. Mr. Battese has made several for the San Carlos Apache Healthcare Corporation as well as CVRMC. In being proactive, CVRMC is also reaching out to mining companies, construction companies, and other organizations that may have excess PPE - N95 masks, surgical masks, gowns, goggles, etc.

Again, the surge capacity of the hospital is 50 beds (14 ICU). If this disease should spread quickly, the number of needed beds may surpass the number of beds available. This is why social distancing, limiting personal contact, covering your cough and sneeze, washing your hands, and staying at home

unless it is an emergent situation are critical actions. These behaviors help to slow down the spread of the disease to people at high risk who may need hospitalization. Patients who are hospitalized for other medical conditions need to be considered in this bed count, also.

If you can help with PPE, please contact Evelyn Vargas at 928-812-9267. Also, www.CVRMC.org has the latest hospital updates. Valuable sources of information are the Gila County Health Department, the Arizona Department of Health Services and the CDC websites.

Editor's Note: The "Olson Masks" or comfort masks are fairly easy to make, especially for quilters and others who sew. The pattern can be found online at <https://www.avera.org/app/files/public/76443/Olson-Mask-with-Pattern.pdf> The Town of Superior has mobilized quilters in their area to sew these masks

and make them available to the elderly and to First Responders, who are using them to cover the facemasks they do have. We're in this together.

TOWN OF WINKELMAN REQUEST FOR QUALIFICATIONS FOR ENGINEERING SERVICES

The Town of Winkelman has been awarded a federal Community Development Block Grant (#13-20) through the State of Arizona Department of Housing (ADOH) funded by the U.S. Department of Housing and Urban Development (HUD) for the purpose of Street Improvements. Accordingly, the Town is seeking to contract with a qualified project engineer, duly registered in the State of Arizona by the Arizona Board of Technical Registration, to provide the necessary engineering design to: evaluate the designated streets to determine the highest priority repairs that can be made with the drastically reduced budget available to the town due to funding changes beyond the town's control. The town has designated 1st, 3rd, 5th and Ray Streets for rehabilitation and improvements that also consider curb and gutter, sidewalks and speed bumps as the budget will allow. In a prior CDBG project the town completed a portion of 3rd Street and all of 4th street. This project would try to complete 3rd street and start on 5th, 1st and/or Ray streets dependent on the evaluation by the engineer. Dependent on the projected cost of the improvements the town will decide on more pavement versus more improvements such as the curbs to protect the pavement edges. The town will discuss with the engineer the short, and long, term benefits of each approach and consider the advantages of adding new items such as curbing. All work will take place within the town's corporate limits and current rights of way or easements. All streets and related structures are owned and maintained by the town. The work will be done to MAG standards pertaining to local conditions of materials, grade, drainage needs, etc. The successful respondent will be responsible for performing all project related necessary engineering services to develop all preliminary and final construction plans and specifications and bid documents, including but not limited to, engineering, surveying, documentation of existing conditions, etc. Additionally, the engineer will provide interim and final inspections in order to ensure construction according to specifications.

A copy of the complete Request for Qualifications may be obtained from Alan Urban, Central Arizona Governments, 2540 W. Apache Trail, #108, Apache Junction, AZ 85120, phone number:(480) 474-9300; fax:(480) 474-9306; TTY: 711; e-mail: aurban@cacagaz.org.

This project shall be accomplished in accordance with all federal program and state statutory requirements to include Executive Orders, Administrative Rules and Regulations. The successful respondent will be required to lend all possible assistance in the preparation, investigation and documentation necessary for compliance with requirements of the ADOH Program. The successful respondent should be prepared to comply with all local, state and federal safety and environmental requirements.

The Town's Selection Committee may choose one (1) or more firms/individuals from those submitting qualifications and conduct interviews and/or negotiations and make a recommendation concerning award to the Town Council.

Sealed qualifications will be received in the office of the Town Clerk, Town of Winkelman, 206 Giffin Ave., Winkelman, AZ 85192 until 2:00 p.m. on April 22, 2020, at which time all submittals received will be opened and the names read. Failure of the respondent to complete all of the submittal documents may result in rejection of the submittal. All submittals should be identified as "Sealed Qualifications – Winkelman Street Improvements".

If information of a material matter is provided in response to any correspondence or question or if a clarification is issued by the Town, a copy of the questions and answers will be provided to all prospective respondents who have requested a copy of the request for qualifications. This response shall serve as an addendum to the advertised call for qualifications.

Correspondence, questions and/or clarifications of the submittal procedure or project should be directed to: Alan Urban, Central Arizona Governments, 2540 W. Apache Trail, #108, Apache Junction, AZ 85120, phone number:(480) 474-9300; fax:(480) 474-9306; TTY: 711; e-mail: aurban@cacagaz.org.

The Town of Winkelman reserves the right to accept the most qualified submittal; to consider alternatives; to reject any or all submittals; and to waive irregularities of information in any submittal. Submittals received after the specified time of closing will be returned unopened. The Town of Winkelman also reserves the right to hold any or all submittals for a period of thirty (30) days after the date of opening. Respondents will not be allowed to withdraw submittals during the thirty (30) day period.

The Town of Winkelman is an Affirmative Action/Equal Opportunity Employer

Hyperbaric Oxygen Therapy Now Available at the CV Wound Center!

What is Hyperbaric Wound Therapy?

Hyperbaric oxygen therapy involves breathing pure oxygen in a pressurized room or tube. Hyperbaric oxygen therapy is a well-established treatment for decompression sickness, a hazard of scuba diving. Other conditions treated with hyperbaric oxygen therapy include serious infections, bubbles of air in your blood vessels, and wounds that won't heal.

In a hyperbaric oxygen therapy chamber, the air pressure is increased to three times higher than normal air pressure. Under these conditions, your lungs can gather more oxygen than would be possible breathing pure oxygen at normal air pressure.

Your blood carries this oxygen throughout your body. This helps fight bacteria and stimulate the

release of substances called growth factors and stem cells, which promote healing.

Conditions for Treatment

Hyperbaric oxygen therapy is used to treat several medical conditions. And medical institutions use it in different ways. Your doctor may suggest hyperbaric oxygen therapy if you have one of the following conditions:

- Anemia, severe
- Brain abscess
- Bubbles of air in your blood vessels (arterial gas embolism)
- Burn
- Decompression sickness
- Carbon monoxide poisoning
- Crushing injury
- Deafness, sudden
- Gangrene
- Infection of skin or bone that causes tissue death
- Non-healing wounds, such as a diabetic foot ulcer
- Radiation injury
- Vascular wounds
- Skin graft or skin flap at risk of tissue death
- Wounds that won't heal

During Hyperbaric Therapy

Hyperbaric oxygen therapy typically is performed as an outpatient procedure and doesn't require hospitalization. If you're already hospitalized and require hyperbaric oxygen therapy, you'll remain in the hospital for therapy. During hyperbaric oxygen therapy, the air pressure in the room is about two to three times normal air pressure. The increased air pressure will create a temporary feeling of fullness in your ears — similar to what you might feel in an airplane or at a high elevation. You can relieve

that feeling by yawning or swallowing. For most conditions, therapy lasts approximately two hours. Members of our health care team will monitor you and the therapy unit throughout your treatment.

After Hyperbaric Therapy

You may feel somewhat tired or hungry following your treatment. This doesn't limit normal activities.

Call the Cobre Valley Regional Medical Center Wound Center for more information regarding Hyperbaric Wound therapy.
